INDEPENDENT AUDITORS' REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of the Annual Reviews 403(b) DC Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by the qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to the participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audits* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule included in the accompanying table of contents is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by the qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Annual Reviews 403(b) DC Plan

Notes to Financial Statements

1. Description of the Plan

Annual Reviews, a California Nonprofit Corporation (the Corporation) established the Annual Reviews 403(b) DC Plan (the Plan), effective July 1, 1997, to provide participants with a means to fund their retirement on a tax-deferred basis. The following description of the Plan, as amended and restated as of January 1, 2011, provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan with a salary deferral arrangement qualified under Section 403(b) and related provisions of the Internal Revenue Code (the Code) and applicable state laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Corporation is the Plan sponsor and Plan administrator. The Vanguard Group, Inc. (Vanguard) is the recordkeeper through an arrangement with Newport Group, Inc. (Newport Group). Newport Trust Company (Newport Trust) (a subsidiary of Newport Group), Fidelity Management Trust Company (Fidelity), Lincoln Financial Group (Lincoln), and Teachers Insurance and Annuity Association College Retirement Equity Fund (TIAA-CREF) are the Plan's investment custodians. All current and new participants are required to make contributions to Newport Trust and select investment options with Vanguard. The Plan assets held with the other custodians represent contributions made in previous years by employees participating in the Plan at that time. Newport Trust, Fidelity, Lincoln and TIAA-CREF hold, invest, and reinvest Plan assets in the interest and at the direction of the participants and their beneficiaries.

Eligible Participants:

All Corporation employees, as defined by the Plan agreement, are eligible to participate in and make contributions to the Plan immediately upon commencement of their employment with the Corporation.

Contributions:

Participants are permitted to make voluntary pre-tax salary deferral and up to 100% of eligible compensation, as defined by the Plan agreement. Participants who have reached the age of 50 are eligible to make additional annual catch-up contributions under the Code. In addition, participants may also contribute amounts representing distributions from other tax-qualified plans (rollovers).

Annual Reviews 403(b) DC Plan

Notes to Financial Statements

1. Description of the Plan (continued)

Contributions: (continued)

The Corporation may make qualified or discretionary non-elective contributions, as defined by the Plan agreement, to the Plan. The Corporation made non-elective contributions in 2022 equal to 5% of each participant's eligible salary. The Corporation also made discretionary matching contributions in 2022 of 125% of each employee's salary deferral contribution, up to 4% of eligible salaries. These 2022 contributions totaled \$964,939.

Contributions are subject to certain limitations under the Code.

Participant Accounts:

Participant accounts are credited with participant pre-tax salary deferral, Corporation contributions, rollovers, and an allocation of the Plan's net earnings or losses. Allocations are based on participant earnings or account balances, in accordance with the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants may elect to invest their accounts in a variety of participant-directed investment options offered by the Plan that are designed to provide the participants with a wide range of investment options. Participants may authorize transfers among investment options at any time.

Vesting:

Participants are fully vested (100%) in their accounts.

Payment of Benefits:

Upon termination of service, participants may elect to leave their account balances in the Plan or receive benefits. Benefits may be paid in a lump-sum or installment cash distributions equal to the value of the participant account. Upon termination, the Plan may immediately elect to distribute account balances to participants without participant consent if the balances are less than \$5,000. Benefits are recorded when paid.

Annual Reviews 403(b) DC Plan

Notes to Financial Statements

1. Description of the Plan (continued)

Plan Expenses:

Several of the investment fund options are subject to investment fees based on a percentage of invested assets, as disclosed in the fund's prospectus. These fees are charged directly against the fund's investment performance and, thus, are not separately disclosed in the financial statements. Certain transaction and maintenance fees are paid by the Plan. All other administrative expenses related to the Plan are paid by the Corporation and are not reflected in these financial statements.

Risks and Uncertainties:

Participants may invest their account balances in a variety of investment options offered by the Plan. Investments are exposed to various risks, such as interest rate, market fluctuation, and credit risks. Due to the level of risk associated with certain investment options offered by the Plan, it is at least reasonably possible changes in risk in the near term could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Plan Termination:

Although it has not expressed any intent to do so, the Corporation has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of a Plan termination, participants would remain fully vested in their accounts and distributions will be made to participants as described in the Plan agreement.

2. Summary of Significant Accounting Policies

Basis of Accounting:

The Plan's financial statements are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates:

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Annual Reviews 403(b) DC Plan

Notes to Financial Statements

2. Summary of Significant Accounting Policies (continued)

Investments:

Investments reported at fair value consist of mutual funds, money market funds, guaranteed insurance company contracts, and a pooled separate account. These investments are accounted for as follows:

Mutual Funds and Money Market Funds: These funds are reported at fair value, which is the net asset value (NAV) of shares held by the Plan at year end, as quoted in active markets. It is not probable the funds will be sold at amounts that differ materially from the NAV of shares held.

Guaranteed Investment Contracts (GICs): The GICs are benefit-responsive investment contracts with TIAA-CREF and Lincoln. TIAA-CREF and Lincoln maintain the contributions in general accounts. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. TIAA-CREF and Lincoln are contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan. Because the guaranteed investment contract is fully benefit-responsive, it is valued using the NAV practical expedient, as valued by the GIC issuers. The NAV practical expedient is based on the fair value of the underlying assets of each GIC, minus its liabilities, and then divided by the number of units outstanding. The NAV is calculated based on the compilation of primarily observable market information.

The GICs do not permit TIAA-CREF or Lincoln to terminate the agreements prior to the discontinuance date. The NAV practical expedient would not be used if it is determined to be probable the Plan will sell the investment for an amount different from the reported NAV. If the Plan initiates a full redemption of the trust, the issuers reserve the right to temporarily delay withdrawal from the trusts in order to ensure the securities liquidated will be carried out in an orderly business manner.

Pooled Separate Account: The pooled separate account is separate from TIAA-CREF's general fund account and consists of shares in a real estate fund. The investment in the separate account is expressed in 'units'. The value of the separate account is recorded at the close of each business day at fair value, as determined by TIAA-CREF based on the fair value of the underlying real estate held by the separate account. The unit value is calculated by dividing the value of the entire account by the total number of units in the account. The value of the separate account on any date is determined by multiplying the number of units held by the unit value.

Annual Reviews 403(b) DC Plan

Notes to Financial Statements

2. Summary of Significant Accounting Policies (continued)

Fair Value Measurement:

The Plan uses a three-level hierarchy for fair value measurement based on the nature of inputs used in the valuation of an asset or liability as of the measurement date. The three-level hierarchy prioritizes within the measurement of fair value, the use of market-based information over entity-specific information. Fair value focuses on an exit price and is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The inputs or methodology used for valuing financial instruments are not necessarily an indication of the risk associated with investing in those instruments.

The three-level hierarchy for fair value measurement is defined as follows:

Level I: Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level II: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level III: Inputs to the valuation methodology, which are significant to the fair value measurement, are unobservable.

A financial instrument's categorization within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement.

Income Recognition:

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual method of accounting. Dividends are recorded on the ex-dividend date. Net depreciation includes gains and losses on the Plan's investments bought, sold, or held during the year.

3. Information Prepared and Certified by the Plan Investment Custodians

Newport Trust, Fidelity, Lincoln and TIAA-CREF, as the Plan's investment custodians, have certified the fair value of the following assets held as of December 31, 2022 and 2021, and net investment loss for the year ended December 31, 2022, that were used in the preparation of the financial statements and supplemental schedule. The following table summarizes the certified information:

	December 31,	
	<u>2022</u>	<u>2021</u>
Total certified investments, at fair value	<u>\$ 38,108,918</u>	<u>\$ 44,086,362</u>

4. Investments

The Plan's investments set forth by level within the fair value hierarchy as of December 31, 2022 and 2021, are summarized as follows:

Annual Reviews 403(b) DC Plan

Notes to Financial Statements

4. Investments (continued)

The GICS, valued using the NAV practical expedient, are not included under the fair value hierarchy under GAAP.

5. Party-In-Interest Transactions

Plan investments are managed by Vanguard, Fidelity, Lincoln and TIAA-CREF. As Vanguard is the Plan's recordkeeper and the others are the Plan's investment custodians, purchases, and sales of these investments by the Plan qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

6. Income Tax Status

The Plan is a volume submitter plan offered by Newport Group. The Internal Revenue Service (IRS) has determined and informed Newport Group by a letter, dated March 31, 2017, that the plan submitted for review was qualified under applicable provisions of the Code. The Company and the Plan believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and related state statutes and is, therefore, qualified and the trust that forms a part of the Plan is exempt from federal and state income taxes.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain income tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded, as of December 31, 2022, there are no uncertain income tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

7. Subsequent Events

Subsequent events have been evaluated through August 23, 2023, which is the date the financial statements were approved by the Plan and available to be issued.
