Independent Auditor's Report

To the Plan Administrator and Participants
of the Yanka Industries, Inc. Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Yanka Industries, Inc. Retirement Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance

with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation

and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and Schedule of Assets (Held at End of Year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or are derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021 (See Independent Auditor's Report)

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Yanka Industries, Inc. Retirement Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan that was established on January 1, 2020 by Yanka Industries, Inc. dba MasterClass ("the Company" or "Plan Administrator") covering all eligible employees of the Company as defined in the Plan agreement. Certain classes of employees as defined in the Plan agreement are excluded from plan participation. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

A Plan Committee ("the Committee") manages the operation and administration of the Plan, including the appropriateness of the Plan's investment offerings and investment performance. The Company contracted with Empower Trust Company, LLC (formerly Great-West Trust Company, LLC) to act as trustee and custodian, and with Empower Annuity Insurance Company of America (formerly Great-West Life & Annuity Insurance Company) (collectively referred to as "Empower") to hold the assets of the Empower Investments Fixed Account (formerly "Great-West Investments Fixed Account"). Empower processes and maintains the records of participant data.

The SECURE 2.0 Act of 2022 was passed into law in December 2022. The provisions of SECURE 2.0 Act of 2022 continue the themes and reforms that began with the 2019 SECURE Act. Since the provisions include both required and optional elements, the Plan Administrator will determine provisions which will impact the operation of the Plan.

Contributions - Each year, participants may contribute an amount of eligible pre-tax annual compensation as defined in the Plan agreement, not to exceed the maximum statutory amount. The Plan allows for automatic enrollment for eligible employees as defined in plan documents with a deferral rate of 6% which can be adjusted as defined in plan documents by the employee. The Plan allows for ROTH deferral contributions. Participants who are age 50 or older can elect to make catch-up contributions to the Plan, not to exceed the maximum statutory amount. Participants may also contribute amounts representing distributions from other qualified eligible plans.

NOTES TO FINANCIAL STATEMENTS (Continued)
DECEMBER 31, 2022 AND 2021 (See Independent Auditor's Report)

The Plan allows for an employer discretionary matching and/or an employer discretionary nonelective contribution subject to certain eligibility requirements; none were made for the year ended December 31, 2022.

Participant Accounts - Each participant's account is credited with the participant's contribution, the Company's discretionary matching contribution (if any), an allocation of the discretionary nonelective contribution (if any), plan earnings and losses, and plan expenses as applicable to the Plan. Allocations of the discretionary nonelective contribution are based on participant compensation. Allocations of plan earnings and losses are based on individual participant investment choices. All contributions/investments are participant directed. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting - Participants are 100% vested in their contributions, rollover amounts plus actual earnings thereon. Vesting in the discretionary matching contribution and discretionary nonelective contribution and earnings is based on years of credited service as follows: 33.3% after one year, 66.6% after two years, and 100% after three years. Participants become fully vested in the event of death, disability, normal retirement age, or plan termination.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The notes are secured by the balance in the participant's account and bear interest at rates which are commensurate with prevailing rates as determined by the Plan Administrator. Outstanding notes receivable from participants as of December 31, 2022 carry interest rates which range from 4.25% to 8.00%. There were no outstanding notes receivable from participants as of December 31, 2021. Principal and interest is paid per the terms of the note and in accordance with plan provisions. The Plan Administrator establishes the specific terms and conditions of such notes.

Payment of Benefits - Upon the satisfaction of certain distributable events, participants or their beneficiaries may elect to receive their vested account balance and are paid in accordance with plan provisions.

Forfeited Accounts - Forfeited accounts can be used to pay plan expenses or to reduce employer contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value except for fully benefit-responsive investments, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Committee determines the Plan's valuation policies utilizing information provided by Empower. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant notes are recorded as distributions on the basis of the terms of the Plan agreement.

Excess Contributions Payable - Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability. As of December 31, 2022 and 2021, there were no excess contributions payable.

Plan Expenses - In 2022, some plan fees were paid by the Company and these amounts are excluded from the Plan's financial statements. Investment/fund fees, investment advisory fees, and certain participant transaction fees are paid by the Plan and charged to participant accounts as applicable.

YANKA INDUSTRIES, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (Continued)
DECEMBER 31, 2022 AND 2021 (See Independent Auditor's Report)

Payment of Benefits - Benefits are recorded when paid.

Subsequent Events - The Plan has evaluated subsequent events through August 29, 2023, the date the financial statements were available to be issued.

NOTE 3 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 4 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA required supplemental Schedule of Assets (Held at End of Year), including investments and notes receivable from participants held at December 31, 2022 and 2021, interest, dividends, interest income on notes receivable from participants, and net depreciation in fair value of investments for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower.

NOTE 5 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs other than quoted prices include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;

YANKA INDUSTRIES, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (Continued) DECEMBER 31, 2022 AND 2021 (See Independent Auditor's Report)

- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

	<u>Assets at Fair Value as of December 31, 2022</u>			
	Level 1	Level 2	Level 3	Total

NOTES TO FINANCIAL STATEMENTS (Continued)
DECEMBER 31, 2022 AND 2021 (See Independent Auditor's Report)

NOTE 6 - FIXED ACCOUNT

The Plan entered into a fixed annuity contract for the Empower Investments Fixed Account ("EIFA") with Empower which maintains the contributions in a general account. Principal and interest for participant-initiated benefit payments are fully guaranteed by the entire general account assets. The EIFA credits interest daily to the group contract holder on a portfolio basis per the terms of the contract. Because the EIFA is considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the EIFA. Contract value approximates fair value as of December 31, 2022 and 2021.

For the EIFA, there are no unfunded commitments and the units can be redeemed daily. Either party to the Group Annuity Contract may terminate the contract with at least 75 days advance written notice to the other party. Certain events as described in the contract limit the ability of the Plan to transact at contract value with the issuer. At this time, no events are probable of occurring that might limit the ability of the Plan to transact at contract value with Empower or with participants. There are no reserves against contract value as of December 31, 2022 and 2021.

NOTE 7 - PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

Plan investments are held by Empower. Any purchases and sales of these investments are performed in the open market at fair value or contract value. Plan related fees are paid to Empower and to a financial advisory firm. The Plan has other service providers. All these transactions while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 8 - PLAN TERMINATION AND/OR MODIFICATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 9 - TAX STATUS

The Plan adopted a non-standardized pre-approved plan which received an opinion letter dated June 30, 2020 from the IRS. In connection with the change from Great-West to Empower in 2022, an updated opinion letter dated November 14, 2022 was received by the Plan. The Plan Administrator believes that the Plan is designed, and

YANKA INDUSTRIES, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (Continued) DECEMBER 31, 2022 AND 2021 (See Independent Auditor's Report)

is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes the Plan is qualified, and the related trust is tax exempt. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by various taxing authorities and government agencies. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The differences between the information reported on the financial statements and the information reported on the Form 5500 arise primarily from presenting the financial statements on the accrual basis of accounting and Form 5500 on the cash basis. The following is a reconciliation of the 2022 financial statements to the 2022 Form 5500:

Total participants contributions per the financial statements	\$ 5,435,591
Add: Participants contributions receivable as of December 31, 2021	<u>176,950</u>
Total participants contributions per the Form 5500	<u>\$ 5,612,541</u>
Net assets available for benefits as of December 31, 2021 per the financial statements	\$10,018,241
Less: Participants contributions receivable as of December 31, 2021	<u>(176,950)</u>
Net assets available for benefits as of December 31, 2021 per the Form 5500	<u>\$ 9,841,291</u>

NOTE 11 - NONEXEMPT TRANSACTIONS

During 2022, certain participant contributions and loan repayments in the amount of \$788,046 were not deposited with the custodian on a timely basis, in accordance with Department of Labor's ("DOL") Rules and Regulations, resulting in lost earnings of \$371 (prohibited transaction amount) which was deposited into the Plan by the Plan Sponsor in 2023.

During 2021 and 2020, certain participant contributions and loan repayments in the amount of \$2,401,689 were not deposited with the custodian on a timely basis, in accordance with the DOL Rules and Regulations, resulting in lost earnings of \$1,430 (prohibited transaction amount) which was deposited into the Plan by the Plan Sponsor in 2022.
