INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Newesco, Inc. 401(k) Profit Sharing Plan
Elk Grove Village, Illinois

Opinion

We have audited the accompanying financial statements of the Newesco, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Newesco, Inc. 401(k) Profit Sharing Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the year ended December 31, 2022, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Newesco, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Newesco, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued. Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Newesco, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Newesco, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**DESCRIPTION OF PLAN**

The following description of the Newesco, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan, established in 1968 and restated effective January 1, 2022 is a multi-employer plan covering eligible employees, as defined, for Newesco, Inc. (formerly known as Nelson Westerberg, Inc.), Charter Properties, Inc., Amer-Trans Logistics, Inc., American Van Lines, Inc., and American Group Logistics, Inc. (the "Companies"). Employees, excluding union members, non-resident aliens, and members of an excluded class, must be 21 years of age or older to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan is a defined contribution plan, pursuant to Section 401(k) of the Internal Revenue Code, and provides for the following contributions, which are to be maintained in separate accounts for each participant:

- (a) Salary Deferral Contributions – a participant may elect, on a pretax basis, a ROTH after-tax basis, or a combination of the two, to contribute to the Plan each year amounts not to exceed the lesser of 100 percent of compensation, as defined, or the statutory limit.
- (b) Employer Matching Contributions – to be made at the discretion of the Companies to contribute a percentage of the participant's deferrals, not to exceed 50% of deferrals on the first 6% of the participant's eligible compensation. Participants in the Controlled Group noted below are not eligible for employer matching contributions.
- (c) Employer Contributions – to be made at the discretion of the Companies as a percentage of compensation or a dollar amount per participant. There were no profit sharing contributions for the years ended December 31, 2022 and 2021.
- (d) Employer Safe Harbor Contributions – to be made by the Companies to participants of the Controlled Group consisting of Amer-Trans Logistics, Inc., American Van Lines, Inc. and American Group Logistics, Inc. (the "Controlled Group") in an amount, which equals 100% of the first 3% of compensation deferred and 50% of the next 2% of compensation deferred.
- (e) Rollover and Transfer Contributions – to be made by the employee from amounts distributed or transferred from other qualified plans.

Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment options daily.

Each participant's account is credited with (a) the participant's elective contribution, (b) the employer matching or other contributions, (c) allocation of forfeitures of terminated participants, and (d) an allocation of the Plan's investment earnings and appreciation in the value of its investments. Account balances are decreased for (a) distributions or withdrawals, (b) an allocation of the Plan's investment losses and value depreciation, and (c) Plan administrative fees and expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. To receive employer contributions, a participant must be credited with a minimum of 1,000 service hours and be employed the last day of the plan year.

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021****DESCRIPTION OF PLAN (CONTINUED)**

Payments of benefits are made to participants or their beneficiaries upon death, retirement, disability or, at the option of the employee, termination of employment. Benefits are payable in a lump sum or by other methods as described in the Plan agreement. The Plan also permits hardship withdrawals from a participant's deferral contribution, employer contribution and matching contribution accounts that are fully vested and in-service withdrawals at the age of 59-1/2 from all vested accounts.

Participants may borrow from their fund accounts up to \$50,000 or 50% of their vested account balance, whichever is less. Amounts available for loans are reduced by the highest outstanding loan balance in the borrower's account during the prior twelve-month period. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions.

Participants are immediately vested in their Salary Deferral Contributions, Rollover, Transfer Contributions, and Safe Harbor Contribution accounts plus actual earnings thereon. Vesting of Employer Matching Contributions and Profit Sharing Contributions accounts for each participant is based on years of service, beginning with 10% after one year, 20% after two years, increasing 20% per year until vested after six years of service.

Forfeitures of the non-vested portion of participants' accounts resulting from termination of employment before full vesting, may be used to restore previously forfeited amounts to the accounts of rehired participants, offset plan expenses or may be used to supplement the employer matching contributions or employer contributions. Forfeitures used to offset plan expenses for the years ending December 31, 2022 and 2021 were \$964 and \$2,188, respectively. There were no forfeitures used to supplement employer matching contributions for the years ending December 31, 2022 and 2021. Forfeited non-vested accounts total \$2,637 at December 31, 2022. There were no forfeited non-vested accounts at December 31, 2021.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements are prepared under the accrual method of accounting.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles, requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Fair Value Measurements footnote for discussion of fair value measurements.

Purchases and sales of investments are recorded on the trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payment of Benefits: Benefits are recorded when paid.

Expenses: Plan-related expenses or fees that are not paid by the Companies are paid by the Plan. All other administrative expenses or fees that are not paid by the Companies are allocated among the Plan's participants.

Reclassifications: Certain amounts in the prior-year financial statement have been reclassified for comparative purposes to conform with the presentation in the current-year financial statement.

Subsequent Events: The Plan has evaluated subsequent events through August 29, 2023, the date the financial statements were available to be issued.

FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021****FAIR VALUE MEASUREMENTS (CONTINUED)**

Shares of Registered Investment Companies: Valued at the daily closing price as reported by the fund. Shares of registered investment companies are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. All plan investments for both December 31, 2022 and 2021 are considered level 1 in the fair value hierarchy.

Units of Common/Collective Fund: The Plan offers common collective trust investments through the T. Rowe Price Stable Value Common Trust that invests primarily in Guaranteed Investment Contracts (GICs), Bank Investment Contracts (BICs), Synthetic Investment Contracts (SICs) and Separate Account Contracts (SACs) and are valued at the NAV as a practical expedient. Share prices/NAV's are reported are generally obtained directly from the administrator of the fund. Investments which use NAV as a practical expedient for fair value measurement, are removed from the fair value hierarchy table.

PARTY-IN-INTEREST TRANSACTIONS

The Plan holds shares of mutual funds managed by American Funds Service Company ("American Funds"). Capital Bank and Trust Company ("CB&T") is the custodian. American Funds and CB&T are affiliated entities. These transactions qualify as exempt party-in-interest transactions. Certain administrative expenses incurred by the Plan are paid by the Companies. Additionally, certain employees of the Companies provide various services to the Plan. These employees are not compensated for these services from the Plan.

TAX STATUS

The Company adopted a prototype plan from Pension Performance, Inc. The Internal Revenue Service has determined and informed Pension Performance, Inc. by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their accounts.
