S. J. Innovations, LLC 401(k) Profit Sharing Plan Trustee and Management

S. J. Innovations, LLC 401(k) Profit Sharing Plan

We have audited the financial statements of S. J. Innovations, LLC 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), for the years ended December 31, 2022 and 2021, and we will issue our report thereon dated August 15, 2023. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by S. J. Innovations, LLC 401(k) Profit Sharing Plan are described in Note B to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2022. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. - NONE

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was:

The disclosure of Fair Value Measurements in Note D to the financial statements.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

We encountered no significant difficulties in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. There are no such misstatements.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We identified the following reportable findings:

NONE

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Audit Findings or Issues

NONE

Other Matters

With respect to the ERISA-required supplemental schedules accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the ERISA-required supplemental schedules to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of management charged with governance and, of S. J. Innovations, LLC 401(k) Profit Sharing Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

401(k) PROFIT SHARING PLAN
FINANCIAL STATEMENTS WITH
INDEPENDENT AUDITOR'S REPORT
FOR THE YEARS ENDED DECEMBER 31, 2022 and 2021

INDEPENDENT AUDITOR'S REPORT

To the Sponsor of
the S.J. INNOVATIONS, LLC 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of S.J. Innovations, LLC 401(k) Profit Sharing Plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of S.J. Innovations, LLC 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to

be independent of S.J. Innovations, LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about S.J. Innovations, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of S.J. Innovations, LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about S.J. Innovations, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets held for investment as of December 31, 2022 and 2021, and schedule of reportable transactions for the years then ended are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

S.J. INNOVATIONS, LLC 401(K) PROFIT SHARING PLAN
Notes to Financial Statements
December 31, 2022 and 2021

Note A – Description of Plan

The following description of the S.J. Innovations, LLC 401(k) Profit Sharing Plan (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions. The Plan was formerly known as I.S. TECHNOLOGIES, LLC 401(k) Profit Sharing Plan. As of December 31, 2021 I.S. Technologies, LLC had no employees and ceased operations. The Plan officially became S.J. Innovations, LLC 401(k) Profit Sharing Plan in March 2022.

General

The Plan is a defined contribution plan covering all eligible employees of the Company who are age twenty-one or older. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute a percentage of their compensation up to the maximum limit determined annually by the Internal Revenue Service (\$20,500 for 2022 and \$19,500 for 2021). Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions (\$6,500 for 2022 and 2021). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Plan includes an auto-enrollment provision where-by all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 3 percent of eligible compensation and their contribution invested in a designated balanced fund until changed by the participant. The Company contributes to the Plan a matching amount equal to 25% of the employee’s contribution to the Plan up to 6% of the participant’s eligible compensation. Additional amounts may be contributed at the Company’s discretion. Employees are eligible for matching and discretionary contributions immediately upon entrance to the Plan. Participants direct the investment of their contributions as well as the Company’s contribution into various investment options offered by the plan. The plan currently offers various mutual funds for the participants.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, the Company’s contribution, forfeitures of terminated participant’s non-vested accounts and plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company’s contribution portion of their accounts plus earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service or if they are employed on or after their normal retirement age.

Payments and Benefits

Upon termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant’s vested interest in his or her account in a lump-sum amount.

S.J. INNOVATIONS, LLC 401(K) PROFIT SHARING PLAN
Notes to Financial Statements
December 31, 2022 and 2021

Note A – Description of Plan, continued

Forfeited Accounts

As of December 31, 2022 and 2021, forfeited, non-vested, and unapplied accounts totaled \$626 and \$3,036, respectively. These accounts will be used to reduce future employer contributions. During 2022 and 2021, employer cash contributions were reduced by \$17,314 and \$41,211, respectively from forfeited non-vested accounts.

Amendments

Effective February 1, 2016, S.J. Innovations, LLC purchased the Civilian Programs Division of S.J. Innovations, LLC(IST), including the trade name Computer System Designers. All IST Civilian Programs Division management, headquarters staff, and contract-assigned employees automatically became employees of S. J. Innovations, LLC on February 1, 2016. Vesting and length of service status were maintained in the transfer.

Effective September 1, 2016, S. J. Innovations, LLC (S. J.I) 401(k) merged into the IST 401(k) Profit Sharing Plan.

Effective September 1, 2018, the Plan adopted certain conforming amendments as required by applicable statutes. Under the CARES Act, Covid-19 hardship distributions were allowable in 2020.

Effective March 5, 2022, the Plan became S.J. Innovations, LLC 401k Profit Sharing Plan.

Note B – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with United States generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those amounts.

Investment Valuation and Income Recognition

The Plan's funds are invested in separate accounts with Fidelity Management Trust Company. Funds invested in separate accounts are subject to certain investment restrictions and standards set forth in the contract. Earnings of the assets invested in separate accounts are a function of the underlying assets of the separate account.

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gain and losses on investments bought and sold as well as held during the year.

Payment and Benefits

Benefit payments to participants are recorded upon distribution.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation or depreciation of fair value of assets.

Subsequent Events

The Plan has evaluated subsequent events through August 15, 2023 which represents the date the financial statements are issued. There are no items which required adjustment in the accompanying financial statements.

Note C - Information Prepared And Certified By Fidelity Management Trust Company

Financial information related to the Plan's investments, net appreciation/depreciation in fair value of investments, interest and dividends and investment related data included in the accompanying financial statements, notes and Schedules I and II was certified to be complete and accurate by the Investment Advisor, in accordance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under "ERISA".

mutual funds	5,119,065	6,587,635
Investment income (loss)	(1,173,514)	965,157

Note D – Fair Value Measurements

Accounting standards generally accepted in the United States provide the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest fair value priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under generally accepted accounting principles are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in active markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for

S.J. INNOVATIONS, LLC 401(K) PROFIT SHARING PLAN
Notes to Financial Statements
December 31, 2022 and 2021

Note D – Fair Value Measurements, continued

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money Market Fund	\$ 150,048	\$ 0	\$ 0	\$ 150,048
Mutual Funds	<u>5,119,065</u>	<u>0</u>	<u>0</u>	<u>5,119,065</u>

S.J. INNOVATIONS, LLC 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2022 and 2021

Note E – Related-Party Transactions and Party in Interest Transactions

Certain plan investments are shares of mutual funds managed by Fidelity Management Trust Company (FMTC), the trustees as defined by the plan. Therefore, transactions with FMTC qualify as party-in-interest transactions. There were no fees paid to FMTC for the years 2022 and 2021.

FMTC provides certain administrative services to the Plan pursuant to a Master Services Agreement (MSA) between the Company and FMTC. FMTC receives revenue from mutual fund service providers for services FMTC provides to the funds. This revenue is used to offset certain amounts owed to FMTC for its administrative services to the Plan.

If revenue received by FMTC from such mutual fund service providers exceeds the amount owed under the MSA, FMTC remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay plan administrative expenses or allocated to the accounts of the participants. During 2022 and 2021 there were no excess amounts. The Plan Sponsor may make payments to FMTC for administrative expenses not covered by revenue sharing.

The Plan maintains an advisory agreement with Concourse Financial Group Securities ("Concourse") (formerly ProEquities, Inc.), an independent financial advisor assisting the Plan with, among other things, investment policies, investment selection, and investment education for the employees. Concourse receives a fee of 0.25% of plan assets paid directly from the recordkeeper. Concourse received \$14,269 and \$16,788 of direct compensation for the 2022 and 2021 plan years, respectively. Fidelity Investments Institutional Operations Company LLC received \$6,345 and \$3,408 for recordkeeping services for the 2022 and 2021 plan years, respectively.

Note F – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note G – Tax Status

The Plan obtained its qualification advisory letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code and therefore not subject to tax. The Plan has been amended since receiving the qualification advisory letter. However, the plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Notes to Financial Statements

December 31, 2022 and 2021

Note H – Risks and Uncertainties

The plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the values of investments, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.
