INDEPENDENT AUDITORS' REPORT

The NFL Employee Benefit Committee, Plan Administrator, and Participants
The National Football League Capital Accumulation Plan – Baltimore Ravens
Owings Mills, Maryland

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of The National Football League Capital Accumulation Plan – Baltimore Ravens, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the The National Football League Capital Accumulation Plan – Baltimore Ravens's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CLA (CliftonLarsonAllen LLP) is an independent network member of CLA Global. See CLAglobal.com/disclaimer.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of The National Football League Capital Accumulation Plan – Baltimore Ravens and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The National Football League Capital Accumulation Plan – Baltimore Ravens's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The National Football League Capital Accumulation Plan – Baltimore Ravens's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The National Football League Capital Accumulation Plan – Baltimore Ravens's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

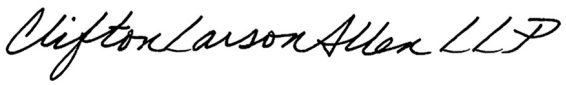

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 PLAN DESCRIPTION

The following description of The National Football League Capital Accumulation Plan – Baltimore Ravens (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which became effective April 1, 1987 and subsequently restated effective July 1, 2018 (with amendments through January 2020), is a defined contribution plan covering eligible nonplayer employees of the Partnership. Nonplayer employees who are not eligible to participate in the Plan include those classified as Game Day employees and interns, employees subject to a collective bargaining agreement, leased employees, and independent contractors.

Employees covered under the Plan are eligible to participate on the 30th day after completion of their first hour of service as an eligible employee. Unless employees elect a specific contribution percentage or opt out of participation in the Plan, they will be automatically enrolled to contribute 3% of their eligible compensation beginning 60 days following completion of the aforementioned first hour of service.

The Plan is administered by employees of the Partnership and is subject to the provisions of ERISA.

Contributions

Each year participants may contribute up to 100% of annual compensation but no more than $20,500 and $19,500 for the Plan years ended December 31, 2022 and 2021, respectively, in accordance with Internal Revenue Service (IRS) limitations. Participants who have attained the age of 50 before the end of the Plan year are eligible to make additional contributions not to exceed a total of $27,000 and $26,000 in the aggregate as set forth by the IRS for the Plan years ended December 31, 2022 and 2021, respectively. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Partnership makes matching contributions to the Plan equal to 50% of the participant's pre-tax contribution up to the lesser of 2.5% of the participant's eligible compensation or $3,750 annually. The Partnership executes the matching contributions on a semi-monthly basis. For the Plan years ended December 31, 2022 and 2021, the Partnership's matching contribution was $621,423 and $597,639, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Partnership's matching contributions, and allocations of Plan earnings or losses. Allocations are based on each individual participant's respective investment account balances throughout the Plan year. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Accounts are participant directed.

NOTE 1 PLAN DESCRIPTION (CONTINUED)

Vesting

Participants are immediately 100% vested in amounts attributable to their salary deferrals and the Partnership's matching contributions plus actual earnings or losses thereon.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of the account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 3.25% to 6.25% for loans outstanding as of December 31, 2022 and 2021. These rates are commensurate with the prime rate as published in The Wall Street Journal on the first business day of the month in which the loan application is received and remain fixed for the term of the loan. Principal and interest is paid ratably through payroll deductions over the term of the loan which ranges from one to five years unless the proceeds are used for the purchase of a primary residence, in which case, the maximum loan repayment term is 10 years. Loan balances may be prepaid in full at any time prior to the end of the term with no prepayment penalty.

A participant may have no more than one outstanding loan at any time and may not apply for a new loan until at least 12 months after the previously repaid loan had been approved. If a participant fails to make a payment when due or his/her employment is terminated for any reason with an outstanding loan, the balance must be repaid in full at that time. Failure to do so in a timely manner will result in the loan balance being treated as a distribution, subject to income taxes and penalties.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant's account balance is available for distribution, as defined by the Plan. The Plan also allows for in-service withdrawals for hardships (subject to certain qualifications) and participants who have reached age 59½. Distributions can be made in the form of full or partial lump sum cash payments. If a terminating participant's vested account balance does not exceed $1,000, the Plan will distribute the benefit in a lump sum as soon as administratively practicable. At all times, participants may withdraw all or a portion of their rollover contributions, subject to certain tax withholdings and early withdrawal penalties.

Participants who have terminated employment and not elected a distribution of their balance prior to attaining age 70½ must begin receiving annual minimal distributions of their account balance.

NOTE 2 SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

NOTE 2 SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Use of Estimates in Preparing Financial Statements

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a corresponding benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Partnership and are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Trust Agreement

The Plan is a member in the NFL Trust. The NFL Trust, which qualifies as a common/collective trust, was established and is maintained for the collective investments of contributions by plans of the National Football League member clubs and other National Football League entities. The assets of the NFL Trust are maintained by PNC Bank (PNC), as of December 31, 2022 and 2021. The NFL Trust has multiple investment funds. Participants may direct their contributions into any of the NFL Trust's investment funds.

Subsequent Events

The Plan has evaluated subsequent events through September 7, 2023, the date the financial statements were available to be issued.

NOTE 3 CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, interest, and interest income from notes receivable from participants for the years ended December 31, 2022 and 2021, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by PNC Bank, the qualified institution of the Plan.

NOTE 4 FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the assets or liabilities;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 4 FAIR VALUE MEASUREMENT (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Common/Collective Trusts: Valued at the net asset value (NAV) of units of the fund held by the Plan, based on the fair value of the underlying investments of the fund. NAV is used as a practical expedient to estimate fair value.

Money Market Fund: Valued at the NAV of shares held by the Plan as of year-end as quoted in active markets.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value for certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables summarize the fair value hierarchy that the Plan's investments fall into as of December 31:

	December 31, 2022			
	Level 1	Level 2	Level 3	Total
Money Market Fund	$ 1,497,590	$ -	$ -	$ 1,497,590

Total	$ 39,051,725	$ 46,310,627			

NOTE 5 PLAN TERMINATION

Although it has not expressed any intent to do so, the Partnership has the right to suspend or terminate the Plan subject to the provisions of ERISA.

NOTE 6 TAX STATUS

The IRS has determined and informed the Partnership by a letter dated December 6, 2016, that the Plan and related NFL Trust are designed in accordance with appropriate sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of common/collective trusts and a money market fund managed by PNC. PNC is the trustee, as defined by the Plan; therefore, these transactions are deemed to be party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
