INDEPENDENT AUDITOR'S REPORT

To the Plan Sponsor of the Jamboor Medical Corp 401(k) P/S Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Jamboor Medical Corp 401(k) P/S Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Jamboor Medical Corp 401(k) P/S Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Jamboor Medical Corp 401(k) P/S Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Jamboor Medical Corp 401(k) P/S Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Jamboor Medical Corp 401(k) P/S Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Jamboor Medical Corp 401(k) P/S Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) at December 31, 2022 and schedule of assets (acquired and disposed within year) during the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

JAMBOOR MEDICAL CORP 401(k) P/S PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note A - Description of Plan

The following description of the Jamboor Medical Corp 401(k) P/S Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering all full-time employees of the Company who have completed six months of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions. Each year, participants may contribute up to 90% of pretax annual compensation, as defined in the plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the plan. The Company contributes 50% of Participant's elective deferral up to 6% of Participant's base compensation. Additional profit-sharing amounts may be contributed at the option of the Company's board of directors and are invested in a portfolio of investments as directed by the Company. Contributions are subject to certain limitations.

Participant Accounts. Each participant's account is credited by the Participant's elective deferral with an allocation of (a) the Company's contribution, (b) the Plan's earnings, and charged with an allocation of administrative expenses. Allocations are based upon participant earnings or account balances, as defined. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's vested account.

Vesting. Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. Participants become 20% vested in the Company contributions and the earnings thereon after two years of service, 40% after three years, 60% after four years, 80% after five years, and 100% after six years. Benefits attributable to each participant will become fully vested in the event of death, disability, normal retirement or the complete or partial termination of the Plan.

Notes Receivable from Participants. Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates at December 31, 2022 ranging from 5.25% to 9.00%, which are commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest are paid ratably through monthly payroll deductions.

DECEMBER 31, 2022 AND 2021

Payment of Benefits. On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or in an annuity when the participant has reached his or her 65th birthday. Further, participants attaining their normal retirement date may elect to receive payment of benefits while continuing employment.

Forfeited Accounts. Amounts not vested at termination of service are forfeited and are used to reduce employer contributions at the earliest of the date of distribution or five consecutive one-year breaks in service. The 2022 plan year employer contributions were reduced by \$23,193 from the forfeited non-vested accounts.

Note B - Summary of Significant Accounting Policies

Date of Management's Review

Subsequent events were evaluated through July 18, 2023, which is the date the financial statements were available to be issued.

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

JAMBOOR MEDICAL CORP 401(k) P/S PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Notes Receivable from Participants

Participant notes are valued at their outstanding principal balances plus accrued interest.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

During 2022, the Plan incurred management and other related fees totaling \$43,600. All other plan administration costs are paid by the Plan Sponsor.

Note C – Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits.

ASC 820-10-50, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

Mutual Funds: are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

JAMBOOR MEDICAL CORP 401(k) P/S PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Level 2 Fair Value Measurements

Common/Collective Trust: Valued at the net asset value (NAV) of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value at December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
Mutual Funds	\$4,206,327	\$ -	\$4,206,327
Common/Collective Trusts	-	93,209	\$ 93,209
	<u>\$4,206,327</u>	<u>\$93,209</u>	<u>\$4,299,536</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
Mutual Funds	\$5,328,413	\$ -	\$5,328,413
Common/Collective Trusts	-	71,632	\$ 71,632
	<u>\$5,328,413</u>	<u>\$71,632</u>	<u>\$5,400,045</u>

Level 3 Fair Value Measurements

The Plan has no Level 3 fair value measurements.

Note D – Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedules, including (a) investments held at December 31, 2022 and 2021 and (b) net appreciation (depreciation) in fair value of investments,

JAMBOOR MEDICAL CORP 401(k) P/S PLAN
NOTES TO FINANCIAL STATEMENTS

interest and dividends for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company (the trustee of the Plan) in accordance with 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA.

During 2022, the Plan's investments (including investments bought, sold, and held during the year) depreciated in value as follows:

Measured by quoted prices in active markets:	
Mutual funds	\$ 994,150
Measured by the estimated fair value of underlying investments less liabilities:	
Common/collective trusts	<u>(1,945)</u>
Net depreciation in fair value of investments	\$ <u>992,205</u>

Note E - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note F - Tax Status

The Internal Revenue Service has determined and informed the Company by letter dated July 8, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. The Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of ERISA and applicable Internal Revenue laws and regulations.

Note G – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note H – Reconciliation to Form 5500

The accompanying financial statements reflect differences in participant loan balances and benefits paid to participants from the amounts reported in Form 5500 Schedule H. Schedule H reflects participant loan balances net of accounts with deemed distributions. These accounts have sufficient balances to fully pay off the loans reflected as deemed distributions and are considered Plan assets. Reconciliations of participant loan balances and benefits paid to participants per the financial statements to Form 5500 are as follows:

Notes receivable from participants per financial statements	\$ 281,175
Less: deemed distributions	<u>(3,817)</u>
Total participant loan balances per Form 5500 Schedule H	<u><u>\$ 277,358</u></u>
Benefits paid to participants per financial statements	\$ 762,468
Less: deemed distributions	<u>(4,384)</u>
	<u><u>\$ 758,084</u></u>
Deemed distributions of participant loans per financial statements	\$ 3,817
Add: Deemed distributions – December 31, 2022	4,384
Less: Deemed distributions balance – December 31, 2021	<u>(1,364)</u>
Total deemed distribution of participant loans per Form 5500 Schedule H	<u><u>\$ 6,837</u></u>
