## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of  
BlueCrest USA GP, LLC 401(k) Plan:

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed audits of the financial statements of BlueCrest USA GP, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of BlueCrest USA GP, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of BlueCrest USA GP, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about BlueCrest USA GP, LLC 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of BlueCrest USA GP, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the BlueCrest USA GP, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

**BlueCrest USA GP, LLC 401(k) Plan**  
**Notes to Financial Statements**  
**December 31, 2022**

---

**1. DESCRIPTION OF THE PLAN**

The following description of BlueCrest USA GP, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the amended and restated document governing the Plan (the "Plan Agreement") for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan, sponsored by BlueCrest USA GP, LLC. (the "Company" or "Plan Sponsor") and certain participating employers. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

**Administration of the Plan**

The Company is the Plan Administrator and is responsible for the operations of the Plan. Ascensus Trust Company (the "Trustee") holds the Plan's investment assets and executes investment transactions.

**Eligibility**

The Plan is offered to all employees of the Company who are at least 21 years of age, excluding interns, as defined in the Plan Agreement. Eligible employees may enroll into the Plan immediately after eligibility requirements are met. There is a 3-month service requirement for discretionary profit-sharing contributions and no service requirement for Pre-Tax Elective Deferrals and safe harbor matching contributions.

**Contributions**

Participants may contribute a portion of their annual eligible compensation as a pre-tax deferral, up to the maximum allowed by the Internal Revenue Code ("IRC"), as defined in the Plan. The Plan also allows participants to make after-tax Roth contributions subject to certain limitations determined by the IRC. For 2022, participants were permitted to contribute up to a maximum of \$20,500, with an additional \$6,500 catch-up contribution for employees over 50 years of age. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution Plan's (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company contributes safe harbor matching contributions in an amount equal to 100% of the first 3% of a participant's eligible compensation plus 50% of participant's deferrals that are greater than 3%, but less than or equal to 5% of eligible compensation. Employer safe harbor matching contributions are subject to certain limitations under the IRC. For the year ended December 31, 2022, the Company made a safe harbor matching contribution of \$845,731.

The Company may also elect to contribute a discretionary profit-sharing contribution, as defined by the Plan Agreement. No discretionary profit-sharing contribution was made for the year ended December 31, 2022.

**Participant Accounts**

Each participant's account is credited with the participant's contributions, Company safe harbor matching contributions, Company discretionary profit-sharing contributions (as applicable), and Plan earnings (losses). Participant accounts are charged with participant distributions, if any, and an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings (losses), account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are vested immediately in their contributions, rollover contributions, safe harbor matching contributions and profit-sharing contributions.

**Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The maximum term of a note for general purpose may not exceed five years, unless such loan is used to acquire a principal residence, which can be repaid within ten years. Participants are allowed to have one outstanding note at any given time. Principal and interest are paid ratably through payroll deductions. The notes are secured by the balance in the participant's account and bear a reasonable interest rate to be determined by the Plan administrator based on prevailing commercial rates.

**Investment Options**

Each participant directs participant and Company contributions to any of the investment options offered by the Plan. Participants may change their investment elections amongst these options at any time.

**Payment of Benefits**

After participants reach age 59.5, they may withdraw all or a portion of their vested account balance at any time and for any reason. Prior to age 59.5, in-service withdrawals from the Plan are not allowed, except for financial hardships. Termination withdrawals are a result of death, disability, termination of employment or retirement and can be a lump-sum or partial distribution. Vested balances under \$1,000 are automatically distributed upon a participant's severance of employment.

**Plan Termination**

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA. If the Plan were to terminate, participants would become fully vested in their account balances.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The accompanying financial statements of the Plan are prepared using the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

**Use of Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and changes in net assets available for benefits during the year. Accordingly, actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

**Investment Valuation and Income Recognition**

The Plan's investments are held by the Trustee, in various registered investment companies and a money market fund. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

**Notes to Financial Statements**

---

**Notes receivable from participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

The note receivable from participant bears an interest rate of 1.0% with a maturity date of March 30, 2031 at December 31, 2022 and 2021.

**Benefits Paid to Participants**

Benefits are recorded when paid.

**Administrative Expenses**

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and withdrawal processing fees are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation in fair value of investments and are not readily determinable.

**3. INFORMATION CERTIFIED BY TRUSTEE**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Ascensus, as agent for the Trustee of the Plan, has certified to the completeness and accuracy of all investments and related investment activity, and notes receivable from participants and interest income on notes receivable from participants in the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, the statement of changes in net assets available for benefits for the year ended December 31, 2022, and the accompanying supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022. The Plan's independent auditor did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the financial statements and supplemental schedule.

**4. FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board ("FASB") guidance relating to fair value measurements establishes a framework for measuring fair value and clarifies that fair value is an estimate of the exit price, representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants (i.e., the exit price at the measurement date). That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement).

**BlueCrest USA GP, LLC 401(k) Plan**  
**Notes to Financial Statements**  
**December 31, 2022**

---

The three levels of the fair value hierarchy are described below:

*Level 1* – Quoted prices in active markets for identical assets or liabilities.

*Level 2* – Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

*Level 3* – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used on December 31, 2022. The following is a description of the valuation methodologies used for assets measured at fair value:

*Registered Investment Companies:* Mutual funds are valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Exchange-traded funds are valued at the daily closing price on a national stock exchange, which may or may not be the same as the NAV of the shares. The funds held by the Plan are registered with the Securities and Exchange Commission and are deemed to be actively traded.

*Money Market Fund:* The money market fund is a money market mutual fund, which is a type of fixed income mutual fund and valued at the closing price as reported on the active market on which the fund is traded as of the last trading day of the Plan year.

The following table sets forth, by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

|                                  | <u>Level 1</u>       | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u>         |

**BlueCrest USA GP, LLC 401(k) Plan**  
**Notes to Financial Statements**  
**December 31, 2022**

---

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**5. TAX STATUS**

The Plan has adopted a non-standardized prototype Plan which received an opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, stating that the non-standardized prototype Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since the IRS opinion letter was received, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there have been no tax related interest or penalties for the periods presented in these financial statements.

**6. PARTY-IN-INTEREST TRANSACTIONS**

Parties in interest are defined under the Department of Labor's ("DOL") Rules and Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Plan Sponsor. Notes receivable from participants also reflect party-in-interest transactions. All Plan investments are shares of mutual funds and a money market fund managed or issued by the Trustee or its affiliates. These transactions qualify as party-in interest transactions.

**7. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**8. SUBSEQUENT EVENTS**

The Plan Administrator has evaluated subsequent events occurring after December 31, 2022 through September 6, 2023, the date the financial statements were available to be issued. Based on this evaluation, the Plan has determined that no subsequent events have occurred which require adjustment to or disclosure in these financial statements.

**9. DELINQUENT PARTICIPANT CONTRIBUTIONS**

DOL regulations require that salary deferrals to a 401(k) plan that are withheld from employees' paychecks must be deposited into the Plan as soon as they can be reasonably segregated from the employer's general assets, but in no event later than the fifteenth business day of the month following the month in which the participant contributions are withheld.

For the year ended December 31, 2022, the Plan had a delayed deposit of \$938. The principal amount of the deposit was made during August 2023. The Plan intends to fully correct the delayed deposit by funding the related lost earnings by December 31, 2023.

Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.
