INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of the
Metroderm, P.C. 401(k) Plan and Trust
Atlanta, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Metroderm, P.C. 401(k) Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ["ERISA Section 103(a)(3)(C) audit"], which comprise the statement of net assets in liquidation available for benefits as of November 09, 2022 and the statement of net assets available for benefits as of December 31, 2021 (ongoing), and the related statement of changes in net assets in liquidation available for benefits for the period from January 01, 2022 to November 09, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("qualified institution"), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of November 09, 2022 and December 31, 2021 and for the period from January 01, 2022 to November 09, 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Auditor’s Responsibilities for the Audit of the Financial Statements (Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Emphasis of Matter - Plan Termination and Use of Liquidation Basis of Accounting

As discussed further in Note 1 to the financial statements, effective July 12, 2022, Plan management elected to terminate the Plan and determined liquidation is imminent. In accordance with U.S. generally accepted accounting principles, the Plan has changed its basis of accounting from the ongoing plan basis used in presenting the 2021 financial statements to the liquidation basis used in presenting the 2022 financial statements. Our opinion is not modified with respect to this matter.

1. DESCRIPTION OF PLAN

The following description of the Metroderm, P.C. 401(k) Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

A. General

The Plan was a defined contribution plan covering all employees of Metroderm, P.C. (collectively referred to as the "Company" or "Employer" or "Plan Sponsor") who were at least eighteen years of age and completed one year of service and were not nonresident aliens, leased employees or employees covered by a collective bargaining agreement. It was subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Plan management oversaw governance of the Plan, determined the appropriateness of the Plan's investment offerings and monitored investment performance.

Effective January 01, 2012, the Plan implemented a Safe Harbor plan design, as permitted by the IRS, which exempts the Plan from certain compliance issues, primarily associated with non-discrimination testing issues.

B. Plan Termination

The Company elected to terminate the Plan effective July 10, 2022. The Plan was fully liquidated as of November 09, 2022.

C. Contributions

In conjunction with the termination of the Plan, participant contributions were frozen effective July 10, 2022.

Prior to July 10, 2022, participants could have contributed up to 100% of annual compensation to the Plan on a pretax or Roth basis, as defined in the Plan. Participants who attained age fifty before the end of the Plan year were eligible to make catch-up contributions. Participants could have contributed amounts representing distributions from other qualified defined benefit or contribution plans. Participants directed the investment of their contributions into various investment options offered by the Plan. The Plan currently offered various mutual funds and a group annuity contract as investment options for participants. The Company made Safe Harbor non-elective matching contributions equal to 3% of annual compensation. The Company could also make discretionary profit sharing contributions which were allocated to eligible participants based upon the percentage of the participants' compensation to the total compensation of all eligible participants. For the period from January 01, 2022 to November 09, 2022, discretionary profit sharing contributions totaled \$104,523. Contributions are subject to certain statutory limitations.

1. DESCRIPTION OF PLAN (Continued)

D. Participants' Accounts

Each participant's account was credited with (i) the participant's contributions, (ii) the Company's contributions, and (iii) the participant's account earnings. Each participant's account was charged with (i) the participant's withdrawals, (ii) the participant's account losses, and (iii) an allocation of administrative expenses. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account balance.

E. Vesting

Participants were immediately vested in their voluntary contributions and Safe Harbor non-elective matching contributions plus actual earnings thereon. Vesting in the Company's discretionary profit sharing contributions and income earned thereon was also fully vested as of July 12, 2022.

F. Payment of Benefits

A participant could withdraw up to a maximum of 100% of participant contributions, excluding certain earnings on contributions, in the event of a participant's heavy and immediate financial hardship, as defined in the Plan agreement. Hardship distributions could not exceed the amount of the participant's financial hardship and could not be repaid by the participant.

The Plan Administrator could be required by law to recognize obligations the participant incurred as a result of court-ordered support or alimony payments. The Plan Administrator must honor a qualified domestic relations order ("QDRO"). If a QDRO is received by the Plan Administrator, all or a portion of the participant's account balance could be used to satisfy the obligation.

In-service withdrawals of all or a portion of a participant's vested account balance could be withdrawn by a participant after reaching age fifty-nine and one-half. In-service withdrawals of all or a portion of a participant's rollover account balance could be withdrawn at any time.

Upon termination, retirement, disability or death, a participant or beneficiary could receive the value of the account through a lump sum distribution, installments over a period not to exceed the remaining life expectancy of the participant or his or her beneficiary or direct rollover into an individual retirement account ("IRA"). Participant account balances less than \$5,000 were paid as a lump sum distribution. All participant account balances were distributed from the Plan by November 09, 2022.

Distributions from the Plan were normally subject to income taxes and in certain circumstances could also be subject to IRS penalties, unless the distribution was transferred to another qualified plan or IRA.

1. DESCRIPTION OF PLAN (Continued)

G. Notes Receivable from Participants

Participants could borrow from their fund accounts a minimum amount of \$1,000 up to a maximum amount equal to the lesser of 50% of their vested balance or \$50,000, reduced by the amount of outstanding loans taken during the prior twelve-month period. The notes were secured by the balance in the participant's account and bore interest at a rate based on prime rate plus 2%. Principal and interest was paid ratably through payroll deductions.

H. Forfeitures

At November 09, 2022 and December 31, 2021, forfeited nonvested accounts totaled \$-0- and \$23,560, respectively. These accounts were used to reduce future employer contributions and/or administrative expenses. All remaining forfeitures were utilized in 2022 with \$26,312 used to reduce employer contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

As a result of the Plan's termination, the financial statements of the Plan as of November 09, 2022 and for the period from January 01, 2022 to November 09, 2022 are prepared using the liquidation basis of accounting. Under the liquidation basis of accounting, all assets of the Plan are stated at fair value, which approximates net realizable value. No adjustments were necessary as of November 09, 2022 or for the period from January 01, 2022 to November 09, 2022 in order to conform with the liquidation basis of accounting. The statement of net assets as of December 31, 2021 is prepared using the ongoing basis of accounting.

B. Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles ("U.S. GAAP") requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by its investment advisors and the certifying entities. See Note 3 for discussion of fair value measurements.

AND FOR THE PERIOD FROM JANUARY 01, 2022 TO NOVEMBER 09, 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds were deducted from income earned on a daily basis and are not separately reflected. Thus, these management fees and operating expenses are reflected as a reduction of investment return for such investments.

D. Payment of Benefits

Benefit payments are recorded when paid by the Plan.

E. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of November 09, 2022 and December 31, 2021, no allowance for credit losses has been recorded. If a participant did not make loan repayments and the Plan Administrator considered the participant loan to be in default, the loan balance was reduced, and the delinquent participant note receivable was recorded as a benefit payment based on the terms of the Plan document.

F. Administrative Expenses

The Company pays certain administrative expenses on behalf of the Plan including legal, accounting, and Plan administration. Administrative expenses paid by the Plan totaled \$15,411 for the period from January 01, 2022 to November 09, 2022.

G. Risks and Uncertainties

The Plan invested in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participant account balances and the amounts reported in the accompanying statements of net assets in liquidation available for benefits.

H. Subsequent Events

Plan management has evaluated subsequent events through August 29, 2023, which is the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

The following is a description of the valuation methodology used for assets measured at fair value. There has been no changes in the methodology used at December 31, 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The method described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Plan management believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,344,461	\$ -	\$ -	\$ 6,344,461
Total investments at fair value	\$ 6,344,461	\$ -	\$ -	\$ 6,344,461

4. GROUP ANNUITY CONTRACT

The Plan had a benefit-responsive group annuity contract with Empower annuity Insurance Company of America ("Empower"). Empower maintained the deposits in an unallocated general fund to which it added interest at the contract rate and charged participant withdrawals and administrative expenses. The group annuity contract issuer was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan.

AND FOR THE PERIOD FROM JANUARY 01, 2022 TO NOVEMBER 09, 2022

4. GROUP ANNUITY CONTRACT (Continued)

Because the group annuity contract was fully benefit-responsive, contract value was the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The group annuity contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There were no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate was based on a formula agreed upon with the issuer, but it could not be less than 0%. A market value adjustment could have been apply to amounts withdrawn at the request of the contact holder. There was no market value adjustment applied for the period from January 01, 2022 to November 09, 2022.

Certain events limited the ability of the Plan to transact at contract value with the issuer. Such events included (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes in the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that caused a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events could allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events included (1) an uncured breach of the Plan's investment guidelines, (2) a material amendment to the contract without the issuer's consent, (3) a violation of a material obligation under the contract, or (4) a material misrepresentation.

Either Empower or the Plan could terminate the group annuity contract with 60 days advance written notice to the other party. This contract was terminated in 2022.

5. TAX STATUS

The Plan Sponsor entered into a volume submitter adoption agreement of the Retirement Plan Administrators, LLC Defined Contribution Pre-approved Plan (the "Pre-approved Plan"). The Pre-approved Plan received a favorable opinion letter from the IRS on November 30, 2020, which stated that the Pre-approved Plan and related trust were designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan was amended since receiving its latest opinion letter and did not obtain an updated opinion letter. However, the Plan Administrator believed the Plan was designed and operated in compliance with the applicable requirements of the IRC and that the Plan was qualified and tax exempt as of November 09, 2022, and had no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

5. TAX STATUS (Continued)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of November 09, 2022, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. PARTY-IN-INTEREST TRANSACTIONS

Empower Trust Company, LLC, and Empower performed services for, sold products to, and managed and maintained certain investments for the Plan for which fees were charged to the Plan. Party-in-interest transactions also included notes receivable from participants.

Such transactions, while considered party-in-interest transactions under ERISA regulations, were permitted under the provisions of the Plan and were specifically exempt from the prohibition of party-in-interest transactions under ERISA.

7. INFORMATION CERTIFIED BY CERTIFYING ENTITIES (UNAUDITED)

The following information was certified by the certifying entities, Empower and Empower Trust Company, LLC, as being complete and accurate:

- a. Information included in the statements of net assets in liquidation available for benefits as of November 09, 2022 and December 31, 2021 (ongoing):
