## **INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors  
Rock Valley Physical Therapy Center  
401(k) Profit Sharing Plan:

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Rock Valley Physical Therapy Center 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Rock Valley Physical Therapy Center 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Rock Valley Physical Therapy Center 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rock Valley Physical Therapy Center 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rock Valley Physical Therapy Center 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rock Valley Physical Therapy Center 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedule of Form 5500, Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) for the year ended December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**401(K) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
December 31, 2022 and 2021

**NOTE 1 – PLAN DESCRIPTION**

The following description of the Rock Valley Physical Therapy Center 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan established January 1, 2005 covering all employees of Rock Valley Physical Therapy Center (the Company) over the age of twenty-one with one year of eligible service. Participation in the Plan is voluntary and employees are enrolled in the Plan at the beginning of the quarter after having met the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

Contributions - Participants may contribute a percentage of pre-tax annual compensation (subject to federal limitations) in the form of a salary reduction. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (referred to as rollover contributions). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation. Contributions related to auto-enrollments are automatically invested in a designated balanced fund until changed by the participant. The Company also contributes 100% of each participant's contribution up to 3% of the employee's eligible compensation and 50% of the participant's contribution relating to the next 2% of the employee's eligible compensation. The Plan also allows for additional Company contributions which are at the discretion of the Company's Board of Directors.

Employee contributions, matching employer contributions, and employer discretionary contributions are invested in one or more investment fund options offered by the Plan as directed by the individual participant.

Participant Accounts - Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions, and (b) Plan earnings, and charged with the participant's withdrawals. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's accounts.

Forfeited balances of terminated participant's nonvested accounts are used to pay for the Plan's general administrative expenses and/or to reduce employer contributions. Forfeitures included in net assets available for benefits amounted to \$2,563 and \$2,537 as of December 31, 2022 and 2021, respectively. Forfeitures of nonvested participant accounts used to reduce employer contributions amounted to \$0 in both 2022 and 2021.

Vesting - Participants are immediately vested in their elective deferrals and employer matching contributions plus actual earnings thereon. Vesting in the Company's discretionary contributions, plus actual earnings thereon, is based on years of credited service. A participant is 100 percent vested after six years of credited service at intervals of 20 percent per year after one year of service.

## NOTES TO FINANCIAL STATEMENTS

### NOTE 1 – (Continued)

Payment of Benefits and Participant Loans - On death, disability, retirement or termination service, a participant (or participant's beneficiary in the event of death) may elect to receive as a distribution from his or her account the value of their account in installments, as a joint or survivor annuity, or in a lump sum payment.

Participant loans are not permitted under the Plan.

### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared under the accrual basis of accounting. The Plan evaluated subsequent events through August 2, 2023 which is the date the financial statements were available to be issued.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - The Plan's investments are held by Fidelity Personal Trust Company (Custodian) who allocates plan assets to the individual accounts of each participant as directed by the participant.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of investments is based on quoted market prices of national securities exchanges. When marketable securities are not listed in an exchange, price quotations are obtained from securities brokerage firms. See note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes realized and unrealized gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefit payments to participants are recorded when paid.

Administrative Expenses - Certain administrative expenses relating to investment management fees are paid by the Plan and are recorded in the statement of changes in net assets available for benefits. Certain other expenses relating to the general administration of the Plan are paid by the Company and are excluded from the statement of changes in net assets available for benefits.

## NOTES TO FINANCIAL STATEMENTS

### NOTE 3 – FAIR VALUE MEASUREMENTS – UNAUDITED

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access at the measurement date.
- Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:
- quoted prices for similar assets or liabilities in active markets;
  - quoted prices for identical or similar assets or liabilities in inactive markets;
  - inputs other than quoted prices that are observable for the asset or liability;
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Mutual funds and money market funds:* Valued at the quoted share prices in an active market.

*Common collective fund:* The Plan's investment in the Capital Preservation Fund is a common collective fund which is measured at net asset value. The underlying assets of the common collective fund are publicly traded open-end mutual funds registered with the U.S. Securities and Exchange Commission. The net asset value of the fund is determined daily and transacted at that price. Thus, the fair value of substantially all mutual fund investments is based on the quoted market prices of the investments within the common collective fund.

### NOTE 4 – INFORMATION CERTIFIED BY TRUSTEE – UNAUDITED

The following information is certified by Fidelity Personal Trust Company, the custodian of the Plan, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

- Investments, at fair value and contract value as shown in the Statement of Net Assets Available for Benefits as of December 31, 2022 and 2021.
- Investment income as shown in the Statement of Changes in Net Assets for the years ended December 31, 2022 and 2021.

### NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

## **NOTES TO FINANCIAL STATEMENTS**

### **NOTE 6 – TAX STATUS**

The Plan uses a prototype plan document sponsored by Avantax Retirement Plan Services (formerly known as Honkamp Krueger Financial Services, Inc.) Avantax received an opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the prototype document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan evaluates the tax benefits of a tax position using the "more likely than not" threshold. As of December 31, 2022, management is not aware of any uncertain tax positions and related tax benefits which would be material to the Plan's financial statements. The Plan files annual information returns which for years subsequent to 2018 are subject to examination by taxing authorities.

### **NOTE 7 – CONTRIBUTIONS TO PARTICIPANTS**

During the year ended December 31, 2021, operational failures limited the ability of the Plan to withhold the full amount of elective deferrals (pre-tax contributions) from some Plan participants in one or more payroll cycles. The correction for the operational failures that occurred during these years need to comply with ERISA. In order to meet with the applicable rules, it is required that the employer make a qualified nonelective contribution ("QNEC") equal to 50% of the employee's missed deferral plus applicable employer matching contributions that may not have been made, adjusted for earnings. However, a QNEC may not be made until after corrections for other failures, such as an annual discrimination testing failure, have been made.

The QNEC is added to the total amount of elective deferrals made by the employee during the year, if any. In 2021, the Plan calculated the QNEC of \$5,929 which was not remitted to the Plan until January 2022. As the QNEC amount was determined, the contribution is reflected as a receivable in the 2021 statement of net assets available for benefits. Management does not expect the item to impact the Plan's tax status. Given the nature of the operational failure there are no ERISA non-compliance implications. The QNEC is reflected as employer contributions on the statements of changes in net assets available for benefits.

### **NOTE 8 – RISKS AND UNCERTAINTIES**

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes would materially affect the amounts reported in the financial statements.

### **NOTE 9 – RELATED PARTY TRANSACTIONS**

The Plan's investments include shares of mutual funds managed by Fidelity Management and Resources (Fidelity). Fidelity is the custodian as defined by the Plan. The Plan also utilized Avantax Retirement Plan Services for recordkeeping and custodial services. Both qualify as party-in-interest transactions. Fees paid to Fidelity and Avantax amounted to \$45,783 and \$93,009 for the years ended December 31, 2022 and 2021, respectively.
