INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the
CIE Newcor Hourly Employees' Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the CIE Newcor Hourly Employees' Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the CIE Newcor Hourly Employees' Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year then ended, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the CIE Newcor Hourly Employees' Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the CIE Newcor Hourly Employees' Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the CIE Newcor Hourly Employees' Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the CIE Newcor Hourly Employees' Plan's ability to continue as a going concern for a reasonable period of time

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CIE NEWCOR HOURLY EMPLOYEES' PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE A – PLAN DESCRIPTION

The following description of the CIE Newcor Hourly Employees' Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

1. **General** – Effective May 1, 1985 (date of inception), the Plan is a qualified 401(k) defined contribution profit sharing plan covering eligible employees of CIE Newcor Inc. (the "Company"). Eligible employees include hourly employees over 18 years of age that have been employed for at least 60 days. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
2. **Contributions** - Participants may elect to contribute between 1% and 75% of pre-tax annual compensation as defined in the Plan, not to exceed the maximum annual amount specified by the Internal Revenue Code. Catch-up contributions of up to \$6,500 for those participants age 50 or older may be contributed as permitted by law. The Company amended the Plan allowing a Company match of 50% of the employees' first 6% of compensation, up to a maximum \$5,000. Participants direct the investment of their contributions into various investment options offered by the Plan.
3. **Participant Accounts** - Each participant's account is credited with the participant's and employer contributions, allocations of plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. **Vesting** - Participants are immediately vested in their contribution plus actual earnings. The Company contributions to employees will be 100% vested at the end of four years. Unallocated assets at December 31, 2022 amount to \$7,324 and stem from forfeitures. Forfeitures of non-vested accounts were redeemed in the amounts of \$4,534 and \$1,191 for the years 2022 and 2021, respectively, and were allocated to the payment of plan expenses.
5. **Payment of Benefits** – On termination of service due to death, disability, termination of employment or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. In-service withdrawals and hardship distributions can also be paid under certain circumstances. Benefits are recorded when paid.
6. **Participant Loans** - Participants are allowed to borrow up to 50% of the amount in their vested account balance, subject to a minimum of \$1,000 and a maximum of \$50,000, as defined in the Plan agreement. All loans shall bear a reasonable rate of interest as determined by what a bank or other professional lender would charge for making a loan in similar circumstances and must be repaid in five years, unless used for the purchase of the participant's principal residence. The participant's vested account balance serves as collateral for the loan.
7. **Spin-off of Salaried Employees to a New Plan**– Effective June 1, 2022, the salaried employees of CIE Newcor Inc. were moved to a new plan. All asset balances of the salaried employees were transferred, and all contributions on behalf of those employees were deposited into the new plan after that date. The name of the original Plan was changed to the CIE Newcor Hourly Employees' Plan.

CIE NEWCOR HOURLY EMPLOYEES' PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis Of Accounting

The accompanying financial statements of the Plan are prepared in compliance with the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA and the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America. Expenses incurred in connection with the operation of the Plan are borne by the Plan.

Notes Receivable From Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Investment Valuation and Income Recognition

Mutual funds are stated at fair value. Quoted marked prices on the last day of the Plan year are used to value investments. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. All investment transactions are recorded and reported by the Trustee.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to guaranteed investment and synthetic investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Certain events limit the ability of the Plan to transact at contract value with the T Rowe Price Stable Value Fund. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) election by the employer to withdraw from a common trust fund in order to switch to a different investment provider, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The Plan invests in a stable value fund that invests in guaranteed investment and synthetic investment contracts (GICs) (SICs). The statement of net assets available for benefits presents the stable value fund at contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes realized and unrealized gains.

Use Of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE C – PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan agreement to terminate the Plan subject to the provisions set forth by ERISA. In the event of Plan termination, participants become 100% vested in their accounts.

CIE NEWCOR HOURLY EMPLOYEES' PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE D – INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The following information included in the accompanying financial statements and supplemental information was obtained from the data that has been prepared and certified as complete and accurate by the Trustee.

	<u>2022</u>	<u>2021</u>
Investments, at fair value as determined by quoted market price:		
Mutual funds	<u>\$ 2,119,705</u>	<u>\$ 6,354,431</u>
Stable value fund at contract value	<u>\$ 415,726</u>	<u>\$ 939,205</u>
Notes receivable from participants	<u>\$ 32,920</u>	<u>\$ 92,525</u>
Total investment income (loss)	<u>\$ (800,610)</u>	<u>\$ 961,595</u>

The Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value by \$(929,389) and \$617,946 for the years ended December 31, 2022 and 2021, respectively.

NOTE E – INCOME TAX STATUS

The Plan has been determined to be exempt from Federal Income Tax, except for net income derived from unrelated business activities. Management believes that they have appropriate support for any tax positions taken, and as such, do not have any uncertain tax positions that are material to the financial statements. The Internal Revenue Service has determined that the Plan, adopted from a prototype defined contribution plan is designed in accordance with applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, management believes that the Plan continues to qualify and to operate as designed.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE F – RISKS AND UNCERTAINTIES

In the normal course of business, all of the Plan's assets are transacted with and held by its Trustee. The Plan is subject to credit risk to the extent the Trustee is unable to fulfill contractual obligations on its benefit. The Plan has not experienced and does not expect any losses from this arrangement.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risks associated with certain investment securities, it is at least reasonably possible that changes in the values of these securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits.

The following is a reconciliation of changes in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2022:

Net decrease in net assets available for benefits per financial statements	\$(4,822,516)
Transfer of assets from this plan	3,820,275
Transfer of assets to this plan	(44,172)
Decrease in employer's contributions receivable	4,545
Decrease in participants' contributions receivable	<u>161</u>
Net income (loss) per Form 5500	<u>\$(1,041,707)</u>

NOTE H – PARTIES-IN-INTEREST

Fees paid by the Plan for administrative expenses for the years ended December 31, 2022 and 2021 were party-in-interest transactions, which are exempt from prohibited transaction rules.

NOTE I – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures* establishes a framework for measuring fair value, and expands disclosures about fair value measurements. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 — Quoted prices in active markets for identical securities.

Level 2 — Prices determined using other significant observable inputs. Observable inputs that other market participants would use in pricing a security, including quoted prices for similar securities.

Level 3 — Prices determined using significant unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022.

Mutual funds - Valued at the net asset value (NAV) of shares held by the Plan at year-end.
