Retirement Plan

We have audited the financial statements of SADA Systems Inc. 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit") for the year ended December 31, 2022, and we have issued our report thereon dated September 5, 2023. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan ("investment information") by Fidelity Management Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with related information presented and disclosed in the financial statements and ERISA-required supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated February 22, 2023. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2022. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. We are aware of no uncorrected misstatements that are material to the Plan's financial statements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated September 5, 2023.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the ERISA-required supplemental schedule accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the ERISA-required supplemental schedule to

the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the plan administrator and management of the Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Sincerely,

Miller Kaplan Arase LLP

INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of SADA Systems Inc. 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that audits conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and

SADA SYSTEMS INC. 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the SADA Systems Inc. 401(k) Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more specific provisions.

A. General

The Plan is a defined contribution plan that was established January 1, 2011, to provide benefits to eligible employees of SADA Systems Inc. (the "Company"). The plan administrator believes the Plan is designed and operated in compliance with applicable requirements of the Internal Revenue Code (the "Code") and provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

B. Administration and Expenses

Effective February 22, 2021, the Company designated Fidelity Management Trust Company to succeed Mid Atlantic Trust Company as trustee and custodian of Plan assets and succeed Paychex, Inc. as recordkeeper of the Plan. The Company adopted a Fidelity prototype plan adoption agreement. The Plan was amended and restated in conjunction with these changes.

Administration, custodial and investment management fees are charged directly to Plan investment funds and are factored into each fund via a reduction in investment return. Certain fees including withdrawal and participant loan administration fees are charged directly to participants. The Company pays a majority of other costs of administering the Plan.

C. Eligibility

Essentially all employees of the Company are eligible to participate in the Plan. Effective August 30, 2021, the Plan was amended to specifically exclude employees covered by a collective bargaining agreement, and non-resident aliens from participating in the Plan and requiring a 1,000 hour service requirement for part-time employees and interns to participate in the Plan. Substantially all employees of the Company who have attained age 21 are eligible to make elective contributions to the Plan upon satisfying eligibility requirements. Eligible employees may enter the Plan immediately and participate in elective deferrals. After completing one year of service, 1,000 hours of work, an employee may participate in Company matching and profit sharing contributions.

D. Contributions

Participants may elect to make pre-tax and/or Roth after-tax contributions to the Plan subject to applicable Code limits. Participants age 50 or older may elect to make up to \$6,500 of additional catch-up contributions for 2022. Participants who make pre-tax contributions to the Plan receive an equivalent reduction in taxable compensation. Participants are also allowed to make rollover contributions of amounts received from other tax-qualified retirement plans subject to the approval of the plan administrator.

From January 1, 2021 through February 21, 2021, the Company matched 50% of a participant's deferral up to 4% of their gross income. Effective February 22, 2021, the Company matched 50% of a participant's deferral up to 6% of their gross income. The Company may also make discretionary profit sharing contributions. The Company did not make any discretionary profit sharing contributions to the Plan for the year ended December 31, 2022.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

E. Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, Company contributions, and the participant's share of investment earnings or losses and expenses. Plan assets are invested based solely on instructions received from participants.

F. Vesting and Forfeitures

Participants are immediately 100% vested in their accounts attributable to elective contributions, rollovers and related earnings. From January 1, 2021 through February 21, 2021, vesting in the employer contributions and earnings thereon is based on years of continuous services as follows:

Years of Service

1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Effective February 22, 2021, the vesting schedule of employer contributions and earnings was amended as follows:

Years of Service

1	25%
2	50%
3	75%
4	100%

Forfeitures of terminated participants' non-vested accounts may be used to pay Plan administrative expenses or to reduce future Company contributions. During the year ended December 31, 2022, forfeitures of approximately \$78,000 were used to reduce Plan administrative expenses and the Company's 2021 matching contributions. The balance of unapplied forfeitures was approximately \$22,000 at December 31, 2022.

G. Notes Receivable from Participants

The Plan allows participants to borrow not less than \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. A loan is secured by a participant's vested account balance, bears interest at a fixed rate based on available market financing rates at loan inception and must be repaid to the Plan within a five-year period, unless a loan is used for the purchase of a principal residence in which case the repayment period may be extended to a maximum of thirty years. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants at December 31, 2022 carry interest rates ranging from 4.25% to 7.25% and maturities through December 2027. Notes receivable are measured at their unpaid principal balance plus accrued interest. Delinquent notes are recorded as a distribution based on the terms of the Plan document.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

H. Payment of Benefits

Normal retirement age under the Plan is age 65. Upon termination of service, death, disability, retirement or attainment of age 59½, a participant or beneficiary may maintain his or her account in the Plan or choose to receive vested benefits in a lump sum or installments. Hardship distributions are permitted under limited circumstances, as defined in the Plan and approved by the plan administrator. Benefits are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

B. Investment Valuation and Income Recognition

Investments held by an employee benefit plan are required to be reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Mutual fund capital gains distributions are included in dividend income. Net (depreciation) includes gains and losses on investments bought and sold as well as held during the year.

C. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

D. Risks and Uncertainties

Plan investments are exposed to various investment risks such as interest rate, market and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in value of investment will occur in the near term and such changes could materially affect participant accounts and amounts reported in the financial statements.

NOTE 3 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. The accounts of participants affected by a partial or complete termination of the Plan are non-forfeitable and will be determined as of the termination date.

NOTE 4 - INCOME TAX STATUS

The Company adopted a prototype plan that has received a favorable opinion letter from the Internal Revenue Service stating that the form of the Plan qualifies under applicable provisions of the Code. The Company believes that the Plan is operated in accordance with, and qualifies under applicable requirements of the Code and related state statutes and the trust, which forms a part of the Plan, is exempt from federal income and state franchise taxes.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 4 - INCOME TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE AND CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2022 and 2021, and net (depreciation) in fair value of investments, interest and dividends for the year ended December 31, 2022, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company and Mid Atlantic Trust Company, the trustee and custodian.

NOTE 6 - FAIR VALUE MEASUREMENTS

Accounting guidance establishes a hierarchy which prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices for identical securities in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

Mutual funds are valued at closing market prices of shares held by the Plan at year end. Although the plan administrator believes this valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value could result in a different fair value measurement at the reporting date. The following tables summarize the Plan's investments at December 31 based on the inputs used to value them:

	2022			Total
	Level 1	Level 2	Level 3	
Mutual Funds	\$ 22,118,348	\$ -	\$ -	\$ 22,118,348

NOTE 6 - FAIR VALUE MEASUREMENTS (Continued)

	2021		
	Level 1	Level 2	Level 3
Mutual Funds	\$ 17,756,614	\$ -	\$ -
Total Assets in the Fair Value Hierarchy	\$ 17,756,614	\$ -	\$ -

^A In accordance with ASC 820, the investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes the investment for which fair value is measured using the net asset value (NAV) per share as a practical expedient as of December 31, 2022. The fund files a U.S. Department of Labor Form 5500 as a direct filing entity. There are no participant redemption restrictions or unfunded commitments.

	Fair Value 2022	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
COMMON/COLLECTIVE TRUST				
Morley Stable Value Fund	\$ 59,393	None	Daily	None

The investment objective of the Morley Stable Value Fund is to provide preservation of capital and relatively stable returns consistent with its comparatively low risk profile and liquidity.

NOTE 7 - RECONCILIATION OF FINANCIAL STATEMENTS TO THE FORM 5500

The differences between the information reported in the financial statements and the information reported in the Form 5500 arise primarily from presenting the financial statements on the accrual basis of accounting. The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	December 31, 2022	December 31, 2021
Net Assets Available for Benefits per the Financial Statements	\$ 22,564,180	\$ 17,976,667
Less: Contributions Receivable	(139,016)	(84,046)
Net Assets per the Form 5500	\$ 22,425,164	\$ 17,892,621

The following is a reconciliation of the total additions per the financial statements to total income per the Form 5500 for the year ended December 31, 2022:

	January 1, 2022 to December 31, 2022
Total Additions per the Financial Statements	\$ 5,473,564
Add: 2021 Contributions Receivable	84,046
Less: 2022 Contributions Receivable	(139,016)
Total Income per the Form 5500	\$ 5,418,594
