INDEPENDENT AUDITORS' REPORT

To the Trustees of
CheckAlt-ERAS, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of CheckAlt-ERAS, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of CheckAlt-ERAS, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CheckAlt-ERAS, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CheckAlt-ERAS, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high

(ii)

level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CheckAlt-ERAS, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CheckAlt-ERAS, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material

(iii)

respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The Supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of the year ended December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**Fasten
Halberstam**

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Respectfully submitted,

CHECKALT-ERAS, LLC 401(k) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

1. **DESCRIPTION OF PLAN:** The following description of CheckAlt-ERAS, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit-sharing plan that was established on June 16, 2014, to provide benefits to eligible employees. The Plan covers all employees of CheckAlt-ERAS, LLC and any participating affiliates (the Participating Companies) except for employees who are either leased, non-resident aliens, or whose employment is governed by a collective bargaining agreement to which retirement benefits were the subject of good faith bargaining. To be eligible, an employee must have completed ninety days of service. The plan trustee is responsible for the oversight of the Plan. The plan administrator determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the plan trustee.

Contributions

Each year, participants may contribute up to 100% of pre-tax or after-tax annual compensation, as defined in the plan document. Participants who have obtained age 50 before the end of the plan year were eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The employer may decide each plan year whether to make a discretionary matching contribution equal to a uniform percentage or dollar amount of the employees' elective deferrals on behalf of active participants. The employer may also decide each plan year whether to make discretionary profit-sharing contributions on behalf of active participants up to 3% of plan compensation. During the year ended December 31, 2022, the Participating Companies made no matching or profit-sharing contributions to the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Participating Companies' contributions as well as allocations of plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Participating Companies' contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after three years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts an amount ranging from a minimum of \$1,000 up to a maximum of the lesser of one-half of the vested account balance or \$50,000 reduced by the highest outstanding loan balance in the account during the prior twelve-month period. Participants are only permitted to have two outstanding loans from the Plan at any time.

**DESCRIPTION OF
PLAN
(continued):**

Loan terms range from one to five years; however, terms may exceed five years for the purchase of a primary residence.

The loans are secured by the balance in the participant's account. The loan interest rate is based on the prime interest rate plus 1.5 percentage points determined at the time the participant takes a loan from the Plan. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. Participants may receive an in-service withdrawal of their vested account balance upon reaching 59½ years of age. Hardship withdrawals are permitted under the Plan. Rollover contributions may be withdrawn at any time.

Forfeited Accounts

Forfeited accounts may be used to reduce future employer contributions or plan expenses. At December 31, 2022 and 2021, forfeited account balances totaled \$859 and \$1,122, respectively.

**2. SUMMARY OF
SIGNIFICANT
ACCOUNTING
POLICIES:*****Basis of Accounting***

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers, trustees, and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

**SUMMARY OF
SIGNIFICANT
ACCOUNTING
POLICIES**

(continued):

Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Excess Contributions Payable

Amounts payable for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction in contributions. The Plan failed the discrimination test for the years ended December 31, 2022 and 2021. As a result, excess contributions amounting to \$44,475 were distributed to the applicable participants in 2022. Excess contributions totaling \$12,177 will be distributed in 2023.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Participating Companies. Expenses paid by the Participating Companies are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation or depreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through September 14, 2023, the date these financial statements were available to be issued.

**3. FAIR VALUE
MEASUREMENTS:**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of observable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

CHECKALT-ERAS, LLC 401(k) PLAN**Notes to Financial Statements****December 31, 2022 and 2021****FAIR VALUE
MEASUREMENTS
(continued):**

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled Separate Accounts (PSAs): Certain PSAs offered are held and administered by Transamerica Life Insurance Company. The PSA's are proprietary to Transamerica and many invest in one underlying mutual fund traded on an established market. As such, the PSAs begin with a price determined by Transamerica, and the number of units issued are calculated to match the current fair market value of the underlying mutual fund holdings (shares x price). This is known as unitizing the underlying assets. However, the rate of return of each share will be consistent, considering any plan/participant expenses. Although separate account assets are valued based on the Net Asset Value (NAV) of the underlying mutual funds or securities that are publicly available, PSA unit prices are not traded in the public exchange market. Instead, the NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the investment will be sold for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. All redemptions of PSAs are at that day's computed NAV.

Stable Value Fund: The Stable Value Fund is a depository liability with no formal underlying maturities and is considered fairly valued at the amount payable on demand at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Investments at Fair Value as of December 31, 2022

	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
Stable value fund	\$ -	\$ 229,959	\$ 229,959

FAIR VALUE MEASUREMENTS (continued):

	Investments at Fair Value as of December 31, 2021		
	Level 1	Level 2	Total
Stable value fund	\$ -	\$ 331,269	\$ 331,269

Investments measured at net asset value (a)	-	-	6,454,359
Total investments at fair value	\$ -	\$ 331,269	\$ 6,785,628

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient: The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021. There were no participant redemption restrictions for these investments.

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Pooled Separate Accounts	\$ 5,305,846	N/A	Daily	Daily

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Pooled Separate Accounts	\$ 6,454,359	N/A	Daily	Daily

Transfers Between Levels: For the years ended December 31, 2022 and 2021, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

4. STABLE VALUE FUND:

The Transamerica Stable Value Fund (the TSVF) is a fully benefit-responsive investment in the general account of Transamerica. The TSVF seeks to protect against any loss of principal while providing returns in excess of money market funds and one-year U.S. Treasury bills. The fund has a portfolio investment rate design in which all deposits in the particular investment choice are credited with the same interest rate on a daily basis, and with no set maturity. Prior to January 1st and July 1st, the effective annual rate of interest is established for the corresponding six-month period. Interest is credited, based upon the daily balance, at a rate that is the daily equivalent of the effective annual rate of interest applicable for the six-month period. The guaranteed rate of interest shall not change during the six-month period for which it is effective.

CHECKALT-ERAS, LLC 401(k) PLAN**Notes to Financial Statements****December 31, 2022 and 2021****STABLE VALUE
FUND
(continued):**

The TSVF is not a guaranteed investment contract (GIC) and there is no stated minimum or maximum interest rate. The SVF is similar to a bank Certificate of Deposit with a revolving interest guarantee. Regardless of the activity of the general fund, Transamerica pays a stated interest rate and backs the capital deposit. The SVF is a depository liability with no formal underlying maturities (as may be the case for other insurance company GIC investments), and it is considered fairly valued at contract value because of this distinction.

Notes to Financial Statements

December 31, 2022 and 2021

-
- 7. RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS:** Certain plan investments are managed by Transamerica Life Insurance Company. Transamerica Life Insurance Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. In addition, the third-party administrator fees are also party in interest transactions. These party in interest transactions are deemed “exempt” from Prohibited Transaction Rules as defined by Department of Labor regulations.
- 8. PLAN TERMINATION:** Although it has not expressed any intent to do so, the Participating Companies have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.
- 9. TAX STATUS:** The Plan is structured and follows a volume submitter profit-sharing plan, which has received an advisory letter from the Internal Revenue Service dated June 30, 2020 indicating that the plan document was in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan’s tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code, and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.
- GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
- 10. RISKS AND UNCERTAINTIES:** The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.
- 11. CUSTODIAL CHANGE:** In March of 2023, as permitted by the plan document, the Plan’s trustees made the decision to transfer the Plan’s assets from Transamerica to Fidelity Management Trust Company. The transfer of assets occurred on July 1, 2023.
