Part I Service Provider Information (see instructions)

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

## Report of Independent Auditors

The Management and the Management of Heorot Power Holdings LLC (Parent Company)  
Heorot Power 401(k) Plan

### Report on the Audit of the Financial Statements

#### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Heorot Power 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Heorot Power 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

#### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Heorot Power 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Heorot Power 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Heorot Power 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Heorot Power 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter***

##### ***Supplemental Schedule Required by ERISA***

The supplemental schedule of Schedule H, Line 4(i) – Schedule of Assets (Held for Investment Purposes) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. **SUMMARY DESCRIPTION OF THE PLAN:**

The following description of the Heorot Power 401(k) Plan, formerly known as the Colorado Energy Management 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document, effective August 1, 2007, and amendments thereto, for a more complete description of the Plan’s provisions.

General – On July 26, 2007, Heorot Power Holdings LLC, (the “Company”), adopted the Plan to be effective August 1, 2007. The Plan is a 401(k) and profit sharing plan covering substantially all non-union employees of the Company and participating related Employers (collectively referred to as the “Employer”) adopting the Plan who meet the eligibility requirements, as defined, or were employed on or before August 1, 2007. The Plan was established under the provisions of Section 401(a) of the Internal Revenue Code (“IRC”), which includes a qualified deferred arrangement as defined in Section 401(k) of the IRC, for the benefit of eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). Benefits under the Plan are not guaranteed by the Pension Benefit Guaranty Corporation.

Eligibility – Employees are eligible to enroll in the Plan on the first day of each month following their date of hire.

Contributions – Each year, participants may elect to make before-tax or after-tax Roth 401(k) (“Roth”) contributions of not more than 50% of annual pre-tax compensation, in total, as defined by the Plan. Participants direct their investment of their contributions into various investment options offered by the Plan. The Employer may make discretionary matching contributions on behalf of each participant. During the year ended December 31, 2022, the matching contributions were at a rate of 100% of employee contributions up to 5% of the participant’s compensation, as defined by the Plan. No contributions, other than the matching contributions, were made by the Employer for the year ended December 31, 2022.

Total annual additions under the Plan and all other plans sponsored by the Employer are limited to the lesser of 100% of eligible compensation, or \$61,000 in 2022. However, employee contributions for the 2022 Plan year were subject to IRC limitations which were generally \$20,500 for 2022. Annual additions are defined as participant elective deferral contributions, discretionary matching Employer contributions, and discretionary non-elective Employer contributions.

Employees may rollover amounts from other qualified plans into the Plan.

Participant Accounts – Participant accounts are credited with (a) participant elective pre-tax and Roth contributions, (b) discretionary matching Employer contributions, (c) employee rollover contributions, and (d) allocations of Plan earnings and losses, as determined by the Plan document. Participants may choose how their elective deferral contributions and the Employer matching contributions are invested. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting – Participants are immediately vested in their elective contributions, plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant becomes 20%, 40%, 60%, 80%, and 100% vested in the Employer contributions after one, two, three, four, and five years, respectively, of credited service. A participant’s account also becomes fully vested in the event of total disability or death or upon reaching the normal retirement age (age 59.5).

*Payment of Benefits* – A participant’s entire interest in the Plan is payable upon death of the participant, upon attainment of normal retirement age, or upon the participant becoming disabled, as defined. Upon termination of service, depending on the participant’s account balance, a participant’s vested interest in the Plan may be left in the Plan or be distributed as a lump sum or direct rollover to a qualified Individual Retirement Account or Annuity (“IRA”) or another qualified plan. However, if a participant’s vested account balance is \$5,000 or less upon termination of service, the plan administrator will direct Fidelity Management Trust Company (“Fidelity” or “Trustee”) that any account exceeding \$1,000 be distributed to an IRA for the participant’s benefit. If a participant’s vested account balance is \$1,000 or less, the plan administrator will direct the Trustee to distribute it to the participant as a lump sum distribution. Under certain circumstances, hardship withdrawal payments are available at the participant’s option. Rollover accounts are distributable upon request by the participant.

Benefits are recorded when paid or payable.

*Investment Options* – Upon enrollment in the Plan, a participant may direct his or her contributions in any of the various investment accounts which are sponsored by Fidelity, the trustee of the Plan. Participants may change their investment choices at any time via telephone and/or Internet. In the case where a participant has not directed his or her contributions, the Plan has elected to use Fidelity Freedom Funds as the default, whereby the contributions are invested in a fund based upon the participant’s date of birth.

*Notes Receivable from Participants* – Participants may receive loans from their accounts, not to exceed the lesser of 50% of the individual participant’s vested account balance or \$50,000, in each case reduced by the highest outstanding loan balance during the previous 12 months. The minimum loan amount is \$1,000, and loans are secured by the participant’s account balance. Loans must be repaid within a period of five years, unless the loan is used to purchase a participant’s primary residence, in which case, the repayment term may not exceed ten years. Loan interest rates are based on the rates available for similar loans from commercial lending institutions. Loan interest rates ranged from 4.25% to 7.50% at December 31, 2022 and 2021, with various maturities through August 2027.

*Administrative Expenses* – During the 2022 Plan year, the Plan incurred total administrative expenses of \$1,775, all of which were related to participant loans which were paid directly from Plan accounts of participants receiving loans.

*Forfeited Accounts* – When certain terminations of participation in the Plan occur, the non-vested portion of the participant’s account represents a forfeiture, as defined by the Plan document. Forfeitures are used to reduce Employer contributions. Forfeitures for the year ended December 31, 2022 were \$63,391. During 2022, \$39,216 of forfeitures were used to reduce Employer contributions.

*Plan Amendment* – Effective August 26, 2021, the Plan was restated as required by the IRS for all pre-approved plan documents, every six years. The restatement incorporates required amendments and regulatory changes, but had no material effect on how the Plan operates.

*Plan Termination* – Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination or partial termination, participants will become 100% vested.

*Partial Plan Termination* – During the year ended December 31, 2022, the Company terminated a portion of its employees due to the disposal of two plants, the transfer of employees to a related company which is not a Plan participant and the termination of employees at the end of 2022. As a result, all accumulated benefits of affected employees were fully vested as of the date on which the employees were terminated.

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**

*Basis of Accounting* – The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

*Use of Estimates* – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan’s management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

*Risks and Uncertainties* – The Plan provides for various investment securities. Investment securities are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

*Investment Valuation* – Investments are reported at fair value. The Plan’s Trustee certifies the fair market value of all investments. If available, quoted market prices are used to value investments.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

*Income Recognition* – Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) in fair value of investments consists of both the realized gains and losses and unrealized appreciation and depreciation of those investments.

3. **FAIR VALUE MEASUREMENTS:**

Accounting Standards Codification (“ASC”) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to adjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021:

Registered Investment Companies (Mutual Funds): Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The funds held by the Plan are deemed to be actively traded. Mutual Funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission ("SEC").

Cash Equivalents: Cash equivalents are held primarily in a short-term money market fund that is registered with the SEC. This fund invests in short-term U.S. Treasury Obligations and time deposits. The Company's money market fund is valued using the NAV provided by the Trustee in order to estimate fair value. The money market fund prices its units at NAV on a daily basis, and the NAV is maintained at \$1 per unit. The interests in the money market fund are currently redeemable at NAV on a daily basis.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

| <u>December 31, 2022</u>  | <u>Level 1</u>       | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u>         |

4. **INVESTMENTS:**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator has obtained certifications from the Trustee that all of the information provided by them is complete and accurate to the best of his or her knowledge. The Trustee of the Plan has certified to the completeness and accuracy of:

- Investments and notes receivables from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021.
- Net appreciation/depreciation in the fair value of investments, dividends, interest, and interest income on notes receivables from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Investments reflected on the Schedule of Assets (Held for Investment Purposes).

The Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) depreciated \$5,597,719 during the year ended December 31, 2022. All assets for the Plan are held in trust by Fidelity, the current trustee of the Plan.

5. **TAX STATUS:**

The Internal Revenue Service has determined and informed Fidelity by a letter dated June 30, 2020 that the pre-approved defined contribution plan adopted by the Company, as then designed, was in accordance with applicable sections of the IRC.

The Pre-Approved Defined Contribution Plan Basic Plan Document has not been amended since receiving the most recent determination letter; therefore, the plan administrator believes that the Plan is operating within the guidelines of the IRC and continues to be tax exempt. Accordingly, no provision for federal income taxes has been provided in the accompanying financial statements.

In accordance with guidance on accounting for uncertainty in income taxes, the Trustee evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. **PARTY-IN-INTEREST TRANSACTIONS:**

Certain Plan investments are shares of mutual funds managed by Fidelity. Fidelity is the Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

7. **CONTINGENCIES:**

Market risks, including global events such as a pandemic or global conflict, may result in market value changes, losses, and related financial impacts to net assets and could materially affect the net assets available for benefits and changes in net assets in the future.

8. **SUBSEQUENT EVENTS:**

Subsequent events are events or transactions that occur after the statements of net assets available for benefits date but before the financial statements are available to be issued. The Plan recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statements of net assets available for benefits, including the estimates inherent in the process of preparing the financial statements. The Plan's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statements of net assets available for benefits but arose after the statements of net assets available for benefits date and before the financial statements are available to be issued.

The Plan has evaluated subsequent events through September 8, 2023, the date on which the financial statements were available for issuance.
