### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of **Deere Employees Credit Union Retirement Savings Plan** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

## **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter – Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule of Assets Held for Investment Purposes for the Year Ended December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is/are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Deere Employees Credit Union Retirement Savings Plan

### Notes to the Financial Statements

---

#### 1. Description of Plan

The following brief description of the Deere Employees Credit Union Retirement Savings Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General** – The Plan is a Section 401(k) defined contribution plan with salary deferral provisions, which was established on October 1, 1997. Under the Plan, all employees of Deere Employees Credit Union (Company) who have attained the age of eighteen and have completed one month of service are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective May 1, 2021, the Company merged in Infinity Federal Credit Union. The Board of Directors of the Company agreed to merge the assets from the Infinity Credit Union Retirement Savings Plan into this Plan effective January 1, 2023. All eligible participants in the Infinity Credit Union Retirement Savings Plan as of December 31, 2022 became eligible to participate in this Plan on January 1, 2023. The total transferred was \$6,833,064. \$86,104 of participant loans were transferred to the Plan in December 2022.

**Contributions** – Each year, participants may make pretax deferred savings contributions in the form of salary reductions, up to the maximum allowed by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

Each year, the Company makes safe harbor nonelective contributions to the Plan in an amount equal to 3% of each participant's eligible compensation. Participants are eligible to receive safe harbor nonelective contributions upon becoming eligible to participate in the Plan. In addition, at its discretion, the Company may elect to make matching contributions into the Plan equal to a percentage determined by the Company. For the year ended December 31, 2022, the Company made a discretionary matching contribution in an amount equal to 50% of the first 6% of compensation deferred by each participant. The Company may also make annual discretionary profit-sharing contributions in an amount determined by the Company. The participant must be employed on the last day of the Plan year to be eligible to receive discretionary profit-sharing contributions. For the year ended December 31, 2022, the Company elected to make a profit-sharing contribution of \$425,560 allocated based on eligible compensation with an integrated allocation formula.

**Participants' Accounts** – Each participant's account is credited with the participant's contributions and Company safe harbor and matching contributions, as well as allocations of the Company's profit-sharing contributions and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**1. Description of Plan (cont'd)**

**Vesting** – A participant is fully vested in participant contributions and employer safe harbor contributions, plus actual earnings, gains and losses thereon, at all times. Vesting in the Company's matching and profit-sharing contribution portions of their accounts is as follows:

| <u>Number of Completed Years of Service</u> | <u>Portion of Balance of Account Vested</u> |
|---------------------------------------------|---------------------------------------------|
| Zero to one year                            | None                                        |
| Two years                                   | 20%                                         |
| Three years                                 | 40%                                         |
| Four years                                  | 60%                                         |
| Five years                                  | 80%                                         |
| Six years or more                           | 100%                                        |

**Forfeited Accounts** – At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$16,128 and \$2,712, respectively. These accounts will be used to reduce future employer contributions. For the year ended December 31, 2022, there were \$61,963 of new forfeitures and \$48,701 of forfeitures used to reduce employer contributions and \$16,514 used for Plan expenses.

**Notes Receivable From Participants** – Participants may borrow from their fund accounts (excluding Roth contributions) a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 3.25% to 5.50%, which is commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

**Payment of Benefits** – A participant's account balance may be withdrawn upon retirement, death, disability, or termination of employment as defined by the Plan. Benefits are payable in either a single lump-sum amount or installment payments equal to the value of the participant's account, if the vested value of the participant's account is greater than \$5,000. If the vested interest is less than \$5,000, the participant may only receive the distribution in a lump sum. In-service withdrawals from transfer accounts, distributions after age 65 and hardship distributions are also allowed by the Plan. Effective January 1, 2022, the Plan was amended to implement hardship distribution provisions of the Bipartisan Budget Act of 2018.

**2. Summary of Significant Accounting Policies**

**Basis of Accounting** – The accompanying financial statements have been prepared on the accrual basis of accounting.

**Use of Estimates** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Deere Employees Credit Union Retirement Savings Plan**  
**Notes to the Financial Statements (cont'd)**

---

**2. Summary of Significant Accounting Policies (cont'd)**

**Investment Valuation and Income Recognition** – Investments, except for fully-benefit responsive investment contracts, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fully benefit-responsive investment contracts are recorded at contract value. See Note 4 for discussion of investments and fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable From Participants** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant's loan balance is reduced, and a benefit payment is recorded.

**Payment of Benefits** – Benefits are recorded when paid.

**Expenses** – Certain expenses of maintaining the Plan are paid by the Plan, unless paid by the Company which are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

**CARES Act** – On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act, ('CARES Act'), was passed by Congress. The CARES Act contains several provisions that temporarily impact 401(k) plans. The Plan elected to allow coronavirus-related distributions and the waiver of required minimum distributions. Written amendments to the Plan to reflect these operational changes were adopted in July 2022 in accordance applicable law and IRS guidance.

**Subsequent Events** – Subsequent events have been evaluated through September 7, 2023, the date the financial statements were available to be issued.

Effective June 1, 2023, the Plan's legal name was changed to Empeople Credit Union Retirement Savings Plan.

**3. Information Prepared and Certified by Custodian**

The Company, acting in its capacity as the Plan administrator, has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following is a summary of the unaudited information regarding the Plan as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included in the Plan's financial statements and supplemental schedules, that was prepared by or derived from information prepared by Charles Schwab Trust Bank and Standard Insurance Company, the Plan's custodians and furnished to the Company. The Company has obtained certifications from the custodians as of December 31, 2022 and 2021, and for the year ended December 31, 2022, that such information is complete and accurate.

**4. Fair Value of Financial Instruments**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, "Fair Value Measurements and Disclosures," provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

**Level 1** – Valuations are based on unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.

**Level 2** – Valuations are based on quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; and model-derived valuations whose significant inputs are observable.

**Level 3** – Valuations are based on unobservable inputs for the asset or liability that reflect the reporting entity's own data and assumptions that market participants would use in pricing the asset or liability. These unobservable inputs are significant to the fair value measurement.

**Deere Employees Credit Union Retirement Savings Plan**  
**Notes to the Financial Statements (cont'd)**

**4. Fair Value of Financial Instruments (cont'd)**

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of valuation methodologies used for investments measured at fair value on the statement of net assets available for benefits, and the classification of such investments pursuant to the valuation hierarchy.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. These assets are categorized in Level 1 of the fair value hierarchy.

At December 31, 2022, the Plan's financial instruments measured at fair value on a recurring basis were categorized as follows:

|              | <u>Level 1</u>       | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u>         |
|--------------|----------------------|----------------|----------------|----------------------|
| Mutual funds | <u>\$ 18,324,884</u> | <u>\$ -</u>    | <u>\$ -</u>    | <u>\$ 18,324,884</u> |

At December 31, 2021, the Plan's financial instruments measured at fair value on a recurring basis were categorized as follows:

|              | <u>Level 1</u>       | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u>         |
|--------------|----------------------|----------------|----------------|----------------------|
| Mutual funds | <u>\$ 20,152,167</u> | <u>\$ -</u>    | <u>\$ -</u>    | <u>\$ 20,152,167</u> |

**5. Investments in Fully Benefit Responsive Investment Contracts**

The Plan holds a traditional fully benefit-responsive investment contract with Standard Insurance Company totaling \$2,469,069 at December 31, 2022 (\$1,843,950 at December 31, 2021). Standard Insurance Company maintains the contributions to the Stable Value fund in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Standard Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

**Deere Employees Credit Union Retirement Savings Plan**  
**Notes to the Financial Statements (cont'd)**

---

**5. Investments in Fully Benefit Responsive Investment Contracts (cont'd)**

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than one percent. Such interest rates are reviewed on a quarterly basis for resettling.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment or other withdrawal restrictions may apply. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The contract is subject to certain termination clauses. The Plan may transfer funds and terminate the contract; however, the issuer reserves the right to defer such payment for up to 6 months following the contract's termination date.

**6. Related Party and Party-in-Interest Transactions**

The Plan is funded with a custodian agreement with Charles Schwab Bank. As Charles Schwab Bank is the custodian for the Plan, these are party-in-interest transactions. In addition, Standard Retirement Services, Inc. is the third-party administrator, and thus a party-in-interest. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The Plan made direct payments to the third-party administrator of \$70,373 which was not covered by revenue sharing. The Company pays directly any other fees related to the Plan's operations.

**7. Plan Termination**

Although the Company has not expressed any intent to terminate the Plan, it may do so at any time. The termination of the Plan is subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in the Company's discretionary contribution portion of their account.

**8. Tax Status**

The Plan has adopted the Standard Retirement Services, Inc. Volume Submitter Profit Sharing Plan. The Internal Revenue Service has determined and informed Standard Retirement Services, Inc., by a letter dated March 31, 2014, that the Prototype 401(k) Plan is designed in accordance with applicable sections of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by federal and state taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**9. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
