INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Butler Weihmuller Katz Craig LLP Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Butler Weihmuller Katz Craig LLP Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Butler Weihmuller Katz Craig LLP Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Butler Weihmuller Katz Craig LLP Retirement Savings Plan ability to continue as a going concern for one year after the date the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Butler Weihmuller Katz Craig LLP Retirement Savings Plan internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Butler Weihmuller Katz Craig LLP Retirement Savings Plan ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedules Required by ERISA

The Supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 and the supplemental schedule of delinquent participant contributions for the year then ended are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other

records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of the Butler Weihmuller Katz Craig LLP Retirement Savings Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

GENERAL

The Plan is a defined contribution plan, covering all employees of Butler Weihmuller Katz Craig LLP (the “Partnership”, “Plan Sponsor” or “Employer”), who have completed three months of service. Certain employee groups are excluded as defined by the Plan. This eligibility becomes effective on the next January 1, April 1, July 1, and October 1 following three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

The Plan was amended and restated effective January 1, 2021, to include and exclude certain forms of eligible compensation.

The plan’s administrator is responsible for oversight of the Plan, determining the appropriateness of the Plan’s investment offerings, and monitoring investment performance.

Effectively on December 29, 2022, the Setting Every Community Up for Retirement Enhancement (“SECURE”) 2.0 Act of 2022 was signed into law. The Act is inclusive of approximately 90 provisions which offer many new benefits to employers and Plan participants. Certain provision changes are related to the following, but not limited to: changes to auto-enrollment and auto-escalation, age of required minimum distributions, catchup contributions, and increased dollar threshold for mandatory distributions. Depending on the specific provision, some will take effect immediately, while others begin in a future year. As of September 13, 2023, Plan management is in process of evaluating the subsequent adoption and related impact these provisions will have on the Plan.

CONTRIBUTIONS

Participants may elect to contribute up to the lesser of \$20,500 for 2022, plus catch up contributions, as defined in the Plan document or 100% of their compensation to the Plan on a pre-tax or after-tax basis. Rollover contributions are permitted as described in the Plan document. Participants direct the investment of their contributions into various investment options offered by the Plan. Eligible participants are automatically enrolled with a deferral percentage of 6%, unless the employees want to defer a different percentage of their compensation or defer nothing. The automatic deferral amount will increase each year by 1% of Plan compensation up to a maximum of 10%.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

The Partnership makes safe harbor contributions to participants' accounts equal to 3% of compensation. The Partnership may also make discretionary contributions to certain employee groups determined annually by the Partnership. Participants must be employed on the last day of the Plan year to receive a discretionary contribution. Partnership safe harbor contributions were \$1,027,586 for the year ended December 31, 2022. The Partnership contributed \$414,300, as additional discretionary contributions for the year ended December 31, 2022.

INVESTMENT OPTIONS

Upon enrollment in the Plan, a participant may direct their contributions plus actual earnings thereon to be invested in a variety of investment options offered by the Plan. Participants may change their investment options daily. If the participant decides not to direct their contributions, they are automatically directed into a default investment identified by the plan administrator.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, rollovers, the Partnership's safe harbor contributions, and the Partnership's discretionary contributions and any earnings thereon, and charged with an allocation of administrative expenses that are paid by the plan. Administrative expenses are allocated based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested 100% in their contributions, rollover, and safe harbor contributions plus actual earnings thereon. Vesting in the Partnership's discretionary contribution portion of their accounts plus actual earnings thereon is based on a top heavy six year graded vesting schedule and the employee's years of continuous service in accordance with the following schedule:

2 years but less than 3	20%
3 years but less than 4	40%
4 years but less than 5	60%
5 years but less than 6	80%
6 years or more	100%

Participants become fully vested upon termination of service due to death, disability or retirement.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are not permitted under the executed adoption agreement.

PAYMENT OF BENEFITS

Upon termination of service due to death, disability or retirement, participants or their beneficiaries may elect to receive a lump-sum amount or monthly installments over a specific period. Upon termination of service from the Partnership due to other reasons, the participant may elect to leave the vested account balance until retirement, receive a lump-sum amount or monthly installments over a specific period. If the vested balance is less than \$5,000 for a terminated participant, the balance will be paid in the form of a lump-sum payment regardless of whether the participant elects to receive it. Distributions of the participant's vested interest in his or her account may be authorized, at any time, by the Plan administrator under certain hardship conditions. The minimum distributions age from when distributions must begin is 72.

Under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan. During the year ended December 31, 2022, there were approximately \$53,000 in hardship distributions, which are included in benefits paid to participants in the accompanying Statement of Changes in Net Assets Available from Benefits.

The Coronavirus Aid, Relief and Economic Security Act ("CARES Act") permitted Plan participants to request up to \$100,000 in coronavirus-related distributions through December 31, 2020, with repayment terms up to three years.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

EXPENSE ACCOUNT

Principal Life Insurance Company (“Principal”), the Plan’s recordkeeper, receives compensation for services provided to the Plan and may receive certain compensation indirectly from the investment options in which Plan assets are invested. The retirement plan fee summary provides for a budget amount, which is received by Principal from participant investment returns, and is used to pay retirement related plan expenses, such as investment advisory services. The plan also has a revenue sharing adjustment for fee levelization, which is calculated on a monthly basis by Principal, and is based on expected and total revenues associated with the investments. The revenue sharing adjustment is used to reduce the total of the recordkeeping and budget fees collected by Principal. To the extent that the revenue sharing exceeds administrative fees charged to the Plan, the excess will be credited to the Plan. Approximately \$9,000 was credited to the Plan, of which approximately \$5,000 was used to reduce Plan expenses incurred during 2022.

FORFEITURES

Forfeitures are created when participants terminate employment prior to their accounts becoming fully vested. The forfeitures may be used to offset Partnership contributions or administrative expenses. At December 31, 2022, forfeited non-vested accounts totaled \$24,825. In 2022, forfeitures used to offset the administrative expenses were \$11 and forfeitures used to offset Partnership contributions were \$643.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”) requires the Plan’s management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein. Actual results may differ from those estimates.

BUTLER WEIHMULLER KATZ CRAIG LLP
RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan's administrator determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and the insurance company. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on the investments purchased and sold, as well as held, during the year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

PLAN EXPENSES

Administrative expenses are paid by the Plan or the Partnership, at the discretion of the Partnership. Expenses paid by the Partnership are excluded from these financial statements. Fees related to the administration of note receivable and distributions are charged directly to the participant's account and are included in administrative expenses.

RISKS AND UNCERTAINTIES

The Plan has investments in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits. The plan administrator monitors the Plan's investments and the risks associated therewith on a regular basis, which the plan administrator believes minimizes these risks.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

RECLASSIFICATION

Certain information presented for 2021 have been reclassified to conform to the 2022 presentation.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 13, 2023, the date the financial statements were available to be issued.

NOTE 3 – CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2022, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Delaware Charter Guarantee and Trust Company, Principal Global Investors Trust Company, and Principal Life Insurance Company, the custodians of the Plan. This information has not been audited by the Plan's independent auditors.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification ("ASC 820"), *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. It applies to fair value measurements already recognized or permitted by existing standards. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs used in valuation models (Level 3 measurements).

BUTLER WEIHMULLER KATZ CRAIG LLP
RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

The three levels of the fair value hierarchy under ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets. Level 2 inputs include those other than quoted prices that are observable for the asset or liability. Level 2 inputs are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specified term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered investment companies - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts - Valued at fair value of the underlying investments, which represents the NAV of the investments. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. For these funds there are no unfunded commitments, redemption restrictions, and participants can transact daily.

Stable Value Fund (Common/Collective Trust Fund)

The Stable Value Fund is valued at the NAV of the units owned and the NAV is used as a practical expedient to estimate fair value. The NAV represents the Plan's fair value since this is the amount at which the Plan transacts with the Stable Value Fund.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

* In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent), used as a practical expedient to measure fair value, have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the accompanying Statements of Net Assets Available for Benefits.

FAIR VALUE OF INVESTMENTS THAT CALCULATE NAV (PRACTICAL EXPEDIENT)

The following table summarizes the investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021, respectively. NOTE 5 – TAX STATUS

Effective January 1, 2021, the Partnership adopted the Hill Ward & Henderson Non-Standardized Pre-Approved Profit Sharing Plan with Cash or Deferred Arrangement ("CODA") (the "Pre-Approved Plan"). The Plan obtained a favorable opinion letter on June 30, 2020, in which the Internal Revenue Service ("IRS") stated that the Pre-Approved Plan, as then designed, was acceptable under section 401 of the Internal Revenue Code ("IRC"). The Plan has been amended and certain provisions have been adopted since receiving the opinion letter. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that is more-likely-than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

NOTE 6 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are invested in funds managed by the Plan's custodians, and therefore, these transactions are considered party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net depreciation in fair value of investments.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Partnership has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100% vested in their account balances.

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 8 – COMPLIANCE MATTER

DELINQUENT CONTRIBUTIONS

During 2022, participant contributions for a certain payroll period totaling \$67,338 were not remitted timely to the Plan. The Department of Labor (“DOL”) requires that participant contributions be remitted to the Plan on the earliest date on which they can be reasonably segregated from the Company’s general assets. Failure to remit participant contributions to the Plan in a timely manner results in a prohibited transaction, which must be separately reported to the DOL and may result in penalties to the Plan Sponsor. During 2023, the Plan corrected the delinquent contributions including lost interest. The accompanying Supplemental Schedule H, Line 4a – Schedule of Delinquent Contributions presents the prohibited transactions of the Plan.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2022:
