INDEPENDENT AUDITORS' REPORT

Plan Administrator
Elliott Electric Supply, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Elliott Electric Supply, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes of net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Elliott Electric Supply, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements, referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Elliott Electric Supply, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Elliott Electric Supply, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Elliott Electric Supply, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Elliott Electric Supply, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(c) audit is not to express an opinion on whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets (Held at End of Year), and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by qualified institution agrees to , or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ELLIOTT ELECTRIC SUPPLY, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN

The following description of Elliott Electric Supply, Inc. ("Company") 401(k) Plan ("Plan") provides only general information. For a more complete description of the Plan's provisions, refer to the Plan agreement.

1. General. The Plan is a defined contribution plan, covering all full-time employees of the Company who have completed six months of service and have reached age twenty. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").
2. Contributions and Forfeitures. Each year, the Company may contribute to the Profit Sharing portion of the Plan an amount determined by management.

Additionally, participants may contribute up to 100 percent of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company makes a discretionary matching contribution of 50% of the first 6% that a participant contributes to the Plan. The Company shall set such percentage prior to the end of the plan year. Contributions are subject to certain limitations.

Profit Sharing Contributions and forfeitures are allocated pro rata based on compensation, as defined by the plan.

The amount of unallocated forfeitures at December 31, 2022 and 2021 was \$1,034, and \$7,183, respectively. In 2014 the Plan was amended, and forfeitures that have not been used to pay administrative expenses or used to reduce employer contributions are to be allocated to participants as of the last day of the Plan year in which such forfeitures are determined.

The following table provides details of the forfeiture balance for the years ended December 31, 2022 and 2021:

Balance December 31, 2020	\$ 1 309
Investment earnings	2 157
Forfeitures	86 147
Used to reduce employer contributions	(82 390)
Used to pay administrative expenses	(40)
Balance December 31, 2021	7 183
Investment earnings	(3 676)
Forfeitures	62 867
Used to reduce employer contributions	(58 140)
Used to pay administrative expenses	(7 200)
Balance December 31, 2022	\$ 1 034

3. Participant Accounts. Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution, (b) Plan earnings, and (c) forfeitures of terminated participants' nonvested accounts and charged with an allocation of administrative expenses. Allocations are based on compensation and account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. Vesting. Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the company contributions portion of their accounts plus earnings thereon is based on years of credited service. A participant is 100 percent vested after six years of credited service.
5. Payment of Benefits. On termination of service due to death, disability or retirement, a participant may receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount. The participant may request a distribution at the time of termination, or he or she may elect to leave the account invested in the Plan until a later date if his or her account value exceeds \$5,000. If the value is over \$1,000, but less than or equal to \$5,000, and no distribution instructions have been received from the participant, then, the Company may issue a cash distribution to the participant. If the value is less than or equal to \$1,000, the Company may transfer such amount into an individual retirement account (IRA). Current plan rules require that the distributions to participant must generally begin no later than the April first following the year in which the participant reaches age 72. In 2023, the age will increase to 73. Hardship withdrawals are available.

During 2021, the Plan was amended to implement the hardship distribution provision of The Bipartisan Budget Bill of 2018 as follows:

- Eliminated the six-month deferral suspension requirement after a hardship distribution has been taken.
- Includes earnings on 401(k) elective deferrals when calculating the amount available for hardship.

ELLIOTT ELECTRIC SUPPLY, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS - CONTINUED

NOTE A - DESCRIPTION OF PLAN - CONTINUED

- Allows plan sponsors to include QNECs, QMACs, and the earnings associated with these contributions as eligible contribution sources for hardship withdrawals.
- Clarified that a hardship withdrawal may be taken to repair a damage to a principal residence that would qualify for casualty loss deduction (without regard to whether the residence is located in a federally declared disaster area).
- Added an additional hardship reason for expenses and losses incurred on account of federally declared disaster.

The amendment is retroactive to January 1, 2019 with the latest effective date of January 1, 2020.

6. Investment Options. Participants direct the investment of both their contributions and the employer contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, various pooled separate accounts and a stable value fund as investment options for participants. Participants may change their investment options daily.

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in all material respects.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/ (depreciation) includes the plan's gains and losses on investment bought and sold as well as held during the year.

Excess Contributions Payable

Excess Contributions Payable to participants for the year ended December 31, 2022 and 2021 amounted to \$494,026, and \$377,502, respectively. These contributions are in excess of amounts allowed by the IRS and are recorded as a payable, with a corresponding reduction to 2022 and 2021 contributions. The Plan distributed the 2022 and 2021 excess contributions prior to April 15, 2023 and 2022, respectively.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Certain expenses incurred maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees paid to third party administrators are included in administrative expenses and allocated to participant's accounts. Distribution fees are charged directly to the participant's accounts.

Risk and Uncertainties

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Subsequent Events

Management has evaluated subsequent events through September 12, 2023, the date that the financial statements were available to be issued.

NOTE C - FAIR VALUE MEASUREMENTS (UNAUDITED)

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

ELLIOTT ELECTRIC SUPPLY, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS - CONTINUED

NOTE C - FAIR VALUE MEASUREMENTS (UNAUDITED) - CONTINUED

The fair value measurements authoritative literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels as follows:

- Level 1 - quoted prices in active markets of identical assets
- Level 2 - other significant observable inputs either directly or indirectly (including quoted prices for similar securities, interest rates, yield curves, credit risk, etc.)
- Level 3 - significant unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

1. Pooled Separate Accounts - Accounts are valued at a calculated unit value that is based on the observable net asset value of the underlying mutual funds.
2. Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held (registered investment companies) by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
3. Collective Investment Trust Fund - A stable value fund that is composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value which is based on contract value. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 1 day notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits at December 31, 2022 and 2021.

	TOTAL	FAIR VALUE MEASUREMENTS AT REPORTING DATE USING		
		LEVEL 1	LEVEL 2	LEVEL 3
December 31, 2022:				
Mutual funds	\$ 3 516 446	\$ 3 516 446	\$ -	\$ -

Investments at fair value	\$ 91 254 141	\$ 4 196 954	\$ -	\$ -

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

There were no transfers between Level 1 and Level 2 for the period presented.

The following table for December 31, 2022 sets forth a summary of the Plan's investments with a reported NAV:

NOTE D - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE E - TAX STATUS

The Internal Revenue Service has issued an opinion and informed Principal Life Insurance Company Non-Standard Pre-Approval Profit Sharing Plan with CODA by letter dated June 30, 2020, that this Prototype Plan is acceptable under section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. The Plan has been amended since receiving the determination letter. However, the plan administrator and the plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE F - ADMINISTRATION OF PLAN ASSETS

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee (or the Company) receives compensation from the Plan. The Company also pays a portion of the Plan's administrative expenses.

NOTE G - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the trustee, Principal Trust Company. This information has not been audited by the Plan's independent auditors..

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED

NOTE I - PARTY-IN-INTEREST

The Plan invests in a common/collective trust fund and pooled separate accounts managed by Principal Financial Group, an affiliate of the Trustee. As such, transactions related to these investments qualify as party-in-interest transactions and are exempt from the prohibited transaction rules of ERISA.

The Trustee of the Plan (Principal Trust Company) charges the plan an administrative fee. The Trustee also charges transaction fees to participants in the Plan for such services as distributions, hardship withdrawals and qualified domestic relations orders. The total fees that the Plan paid to the Trustee for the year ending December 31, 2022 amounted to 171,896.
