INDEPENDENT AUDITOR'S REPORT

To the Trustees and Plan Administrator
Ear, Nose & Throat Associates of New York, P.C. 401(k) Plan

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Ear, Nose & Throat Associates of New York, P.C. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of November 17, 2022 (in liquidation) and December 31, 2021, and the related statement of changes in net assets available for benefits for the period from January 1, 2022 to November 17, 2022 (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of November 17, 2022 and December 31, 2021, and for the period from January 1, 2022 to November 17, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

As described in Note 1 to the financial statements, the Plan's sponsor adopted a resolution to terminate the Plan effective June 30, 2022. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2021 financial statements to the liquidation basis used in presenting the 2022 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

EAR, NOSE & THROAT ASSOCIATES OF NEW YORK, P.C. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
NOVEMBER 17, 2022 (IN LIQUIDATION) AND DECEMBER 31, 2021

1. DESCRIPTION OF PLAN

The following description of Ear, Nose & Throat Associates of New York, P.C. 401(k) Plan (the "Plan") provides only general information. For a more complete description of the Plan's provisions, refer to the agreement governing the Plan (the "Plan Document").

General

The Plan was a participant-directed defined-contribution plan established on January 1, 2001, restated effective October 1, 2014, and was amended and restated again on April 1, 2017, covering all eligible employees of Ear, Nose & Throat Associates of New York, P.C. (the "Company" or "Plan Sponsor"). Voya Retirement Insurance and Annuity Company ("Voya" or the "Custodian") was the custodian of the Plan. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan administrator was responsible for oversight of the Plan. The latest restatement to the Plan changed the Plan's reporting period from a calendar year end to a fiscal year commencing on April 1 and ending on March 31 and required the Plan Sponsor to make safe harbor contributions ("Safe Harbor"). On March 31, 2021, a resolution was adopted by the Board of Directors of the Plan Sponsor to amend the Plan effective April 1, 2021; the Plan was amended to change the Plan year from the 12-month period beginning on April 1, and ending on March 31, to the 12-month period ending on December 31.

Plan Termination

On May 2, 2022, the Board of Directors of the Plan Sponsor adopted a resolution to terminate the Plan (the "Plan Termination"). Effective June 25, 2022, all participant balances became 100% vested, the Plan stopped receiving employee contributions including loan repayments and no new loans, in-service withdrawals or partial terminations were permitted. In May 2022, Voya notified the participants that the Plan was terminating, and the participant account balances were liquidated and the participants account balances were required to be distributed to the participant in the form of either: (1) cash, (2) eligible rollover distribution to another qualified plan, or (3) an individual retirement arrangement (including the option to distribute to an individual retirement account provided by the Plan.) The total participant distributions relating to the Plan termination amounted to \$4,438,530, which were paid on various dates during the 2022 Plan year. All administrative expenses related to liquidation were paid by the Plan Sponsor; therefore, no reserve for liquidation costs are recorded as of November 17, 2022.

Eligibility

All full-time non-union employees of the Company were eligible to participate in the Plan upon the attainment of age 21 and the completion of one year of eligibility service, defined as 1,000 hours, during the Plan year. An eligible employee became a participant on the entry date coincident with or following the satisfaction of the eligibility requirements, provided that he or she was still an eligible employee as of such date. The Plan entry dates were the first day of each calendar month after the eligibility requirements had been met. A participant who resumed employment after a termination of service with the Company became a participant immediately upon rehire.

NOTES TO FINANCIAL STATEMENTS
NOVEMBER 17, 2022 (IN LIQUIDATION) AND DECEMBER 31, 2021**

1. DESCRIPTION OF PLAN (CONTINUED)

Contributions

Participants could have elected to make pre-tax contributions to the Plan, not to exceed the statutory maximum of \$20,500 and \$19,500 for 2022 and 2021, respectively. Certain eligible participants (age 50 and over) were permitted to contribute an additional \$6,500 for both 2022 and 2021 as a catch-up contribution. Pursuant to the Internal Revenue Code ("IRC"), elective deferrals of certain participants could have been restricted. Participants could have also contributed amounts representing distributions from other qualified defined-benefit or defined-contributions plans (rollovers).

The Company made Safe Harbor contributions to the Plan annually which consisted of a match of 100% of the first 3% of compensation plus 50% of the next 2% of compensation, as defined in the Plan Document.

The Company could have also elected to contribute a discretionary profit sharing contribution. Employer discretionary profit sharing contributions were subject to certain limitations under the IRC. No profit sharing contributions were made for the period from January 1, 2022 to November 17, 2022.

The Company, at its sole discretion, could have made qualified nonelective matching contributions on behalf of the participants. The amount of the matching contributions, if any, were determined each year by the Company. No matching contributions were made for the period from January 1, 2022 to November 17, 2022.

Notes Receivable from Participants

Participants could have obtained loans against the value of their accounts. The maximum amount of the loan could not exceed the lesser of a) \$50,000 or b) 50% of the vested balance in the participant's account. The minimum loan amount was \$1,000 and the maximum number of loans outstanding at any one time was one.

The loans generally must have been fully repaid within five years and bore interest at a rate commensurate with local prevailing interest rates. Loans to participants were reported at their unpaid principal balances plus any accrued but unpaid interest. The loans were secured by the balance in the participant's account. As of November 17, 2022, there were no loans outstanding.

Investment Options

The Plan's assets were held by Voya. Contributions by or on behalf of a participant were invested at the election of the participant in the pooled separate accounts and in a guaranteed investment contract administered by Voya.

Participant Accounts

Each participant's account was credited with the participant's contributions plus earnings thereon and an allocation of the employer's contributions and Plan earnings thereon, less an allocation of Plan expenses. Allocation of the Plan's earnings and expenses was based on account balances.

Vesting

Concurrent with and as of the Closing Date of the Plan, all participants became fully vested in their account balances.

NOTES TO FINANCIAL STATEMENTS
NOVEMBER 17, 2022 (IN LIQUIDATION) AND DECEMBER 31, 2021

1. DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

Upon termination of service, death, disability, or normal or early retirement, participants could have elected to receive a lump-sum amount equal to the vested value of their account or could have waived receipt of a lump-sum benefit and elected to receive monthly installments, or could have requested a rollover from the Plan to another eligible retirement plan. Hardship withdrawals were permitted if certain criteria were met.

Forfeitures

Forfeitures of non-vested participant accounts could have been used to reduce the employer's contribution or to pay Plan expenses. At November 17, 2022 and December 31, 2021, there were no amounts in the forfeited nonvested accounts. For the period from January 1, 2022 to November 17, 2022, no forfeitures were used.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

Effective May 2, 2022, the Plan Sponsor adopted a resolution to terminate the Plan. As a result, the Plan's financial statements as of November 17, 2022, have been prepared on the liquidation basis of accounting, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). This basis of accounting is considered appropriate when, among other things, liquidation of an entity is probable and the net realizable value of the assets are readily determinable. Under the liquidation basis of accounting, assets are stated at their net realizable value and liabilities are stated at their estimated settlement amount. The estimated net realizable cash value for receivables as of November 17, 2022, would be equivalent to fair value. The adoption of the liquidation basis of accounting did not have a material impact on the Plan's 2022 financial statements.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the dates of the financial statements and changes in net assets available for benefits during the year. Accordingly, actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for a discussion of fair value measurements.

The Plan had direct investments in a fully benefit-responsive investment contract. Contract value is the relevant measurement attribute for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses.

EAR, NOSE & THROAT ASSOCIATES OF NEW YORK, P.C. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
NOVEMBER 17, 2022 (IN LIQUIDATION) AND DECEMBER 31, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

The investments in the pooled separate accounts were valued at the accumulated unit value (the "AUV") per unit, as determined by the Custodian at year end. The AUV was used as the practical expedient to estimate fair value. The AUV was determined daily based on the net asset value ("NAV") of shares of the underlying fund, the fund's dividends and the contract's separate account charges. This practical expedient was not used when it was determined to be probable that the fund would sell the investment for an amount different than the reported AUV.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net depreciation included the Plan's gains and losses on investments bought and sold, as well as held, during the period.

Notes Receivable from Participants

Notes receivable from participants were recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants was recorded when it was earned. No allowance for credit losses had been recorded as of November 17, 2022 and December 31, 2021.

If a participant failed to make a payment when the loan was due under the terms of the loan, that participant was in default. In the event of a default, the loan became due and payable immediately and interest continued to accrue until the entire loan balance was repaid. The Plan took all reasonable actions to collect the balance owed on the loan. Under certain circumstances, the loan in default could be considered a distribution from the Plan and could be considered income to the participant. In any event, failure to repay a loan reduced the benefit a participant would otherwise be entitled to from the Plan.

Fair Value Measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

Categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Under this standard, fair value is defined as the exit price, or the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

EAR, NOSE & THROAT ASSOCIATES OF NEW YORK, P.C. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
NOVEMBER 17, 2022 (IN LIQUIDATION) AND DECEMBER 31, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (Continued)

Level 2 - inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Plan Expenses

The Plan was responsible for the payment of administrative expenses and advisory fees. Certain expenses of maintaining the Plan were paid by the Company and were excluded from these financial statements. Participant expenses related to loans and distributions were included in "Administrative expenses" in the accompanying statement of changes in net assets available for benefits.

Payment of Benefits

Benefits were recorded when paid to Plan participants.

Subsequent Events

In accordance with FASB ASC 855, *Subsequent Events*, the Company evaluated subsequent events through September 14, 2023, the date on which these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

3. RISKS AND UNCERTAINTIES

The Plan invested in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could have occurred in the near term and that such changes could have materially affected participants' account balances and the amounts reported in the statements of net assets available for benefits and statement of changes in net assets available for benefits.

4. TAX STATUS

The Plan was a volume submitter profit sharing plan sponsored by United Benefit Pensions, Inc. ("UBP"). UBP received an opinion letter from the Internal Revenue Service (the "IRS"), dated March 31, 2014, which stated that the volume submitter document satisfied the applicable provisions of the IRC. The Plan itself had not received a determination letter from the IRS. The Plan Document had been amended since receiving the opinion letter. However, the Plan's management believed that the Plan was designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax had been included in the Plan's financial statements.

**EAR, NOSE & THROAT ASSOCIATES OF NEW YORK, P.C. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
NOVEMBER 17, 2022 (IN LIQUIDATION) AND DECEMBER 31, 2021**

4. TAX STATUS (CONTINUED)

U.S. GAAP requires the Plan Sponsor to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan had taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor analyzed the tax positions taken by the Plan and concluded that as of November 17, 2022 and December 31, 2021, there were no uncertain positions taken that required recognition of a liability (or asset) or disclosure in the financial statements. The Plan was subject to routine audits by taxing jurisdictions; however, there were no audits in progress for any tax periods.

5. INFORMATION CERTIFIED BY THE PLAN CUSTODIAN

The Plan administrator had elected the method of annual reporting compliance permitted by 29 CFR 2520.103.8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following table summarizes investment and other asset information regarding the Plan as of November 17, 2022 and December 31, 2021, and for the period from January 1, 2022 to November 17, 2022, included in the Plan's financial statements, that was derived from information prepared by the Custodian, and furnished to the Plan administrator. The Plan administrator had obtained a certification from the Custodian that such information was complete and accurate.

| Net depreciation in fair value of investments | \$ (1,028,432) | |
| Interest income on notes receivable from participants | \$ 660 | |

6. GUARANTEED INVESTMENT CONTRACT

The Plan maintained one guaranteed investment contract ("GIC") related investment option, the Voya fixed account (the "Fixed Account"). The contract underlying this investment option was considered to be fully benefit-responsive. Generally, contract value of the Fixed Account was equal to participant deposits less participant withdrawals plus credited interest. Interest credited was net of expenses. Contract value could have been subject to adjustments in connection with contract holder-directed withdrawals that were subject to a market value adjustment. Under limited circumstances, contract value could have been adjusted as a result of a market value adjustment. The fair value of the Fixed Account, which consisted of an underlying GIC owned by the Plan, was calculated by discounting the related cash flows based on current yields of similar institutions with comparable durations.

Because the GIC was fully benefit-responsive, contract value was the relevant measurement attributed for that portion of the net assets available for benefits attributable to the GIC. Contract value, as reported to the Plan by Voya, represented contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants could have directed the withdrawal or transfer of all or a portion of their investment at contract value.

**EAR, NOSE & THROAT ASSOCIATES OF NEW YORK, P.C. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
NOVEMBER 17, 2022 (IN LIQUIDATION) AND DECEMBER 31, 2021**

6. GUARANTEED INVESTMENT CONTRACT (CONTINUED)

There were no reserves against contract value for credit risk of the contract issuer or otherwise. As of November 17, 2022, the Plan had no GIC. As of December 31, 2021, the contract value was estimated to be \$50,601.

The average yield based on actual earnings for the contract for the period from January 1, 2022 to November 17, 2022, was 1.00%. The crediting interest rate to participants for the contract as of November 17, 2022 and December 31, 2021, was 1.00%.

The Plan's ability to receive amounts due was dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may have been affected by future economic and regulatory developments. There were no reserves against contract value for credit risk of the issuer or otherwise.

Certain events may have limited the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that could have caused a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which have limited the Plan's ability to transact at contract value with participants were probable of occurring.

The GIC did not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

7. FAIR VALUE MEASUREMENTS

The following table summarizes the Plan's assets measured at fair value on a recurring basis, categorized by U.S. GAAP's valuation hierarchy as of December 31, 2021:

| <u>Description</u> | <u>Total at December 31, 2021</u> | <u>Level 1</u> | <u>Level 2</u> | <u>Level 3</u> |
|---|---|----------------|----------------|----------------|
| Assets in the fair value hierarchy | \$ - | \$ - | \$ - | \$ - |
| Investments measured at accumulation unit value ⁽¹⁾ | <u>5,096,166</u> | | | |
| Investments at fair value | <u>\$ 5,096,166</u> | | | |

⁽¹⁾ Includes pooled separate accounts which are measured at the NAV (or its equivalent such as AUV) as a practical expedient and not classified in the fair value hierarchy. The fair value amounts presented in this table are shown for the purpose of reconciling to the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS
NOVEMBER 17, 2022 (IN LIQUIDATION) AND DECEMBER 31, 2021

7. FAIR VALUE MEASUREMENTS (CONTINUED)

The following is a description of the valuation methodology used for assets measured at fair value:

Pooled separate accounts: Pooled separate accounts invest in mutual funds and are valued at the NAV per share. The NAV, as provided by the Custodian, was based on the contractual terms of the underlying investments and provided a daily rate for income accretion. The NAV was used as a practical expedient to estimate fair value. The pooled separate account's daily value was calculated based on the contract value, which was based on provisions of the contract. This practical expedient was not used when it is determined to be probable that the fund would sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) could have occurred daily.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believed its valuation methods were appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could have resulted in a different fair value measurement at the reporting date.

8. ACCUMULATION UNIT VALUE PER UNIT

The following table sets forth a summary of the Plan's investments with a reported AUV per unit at December 31, 2021:

| Investment | Fair Value Estimated Using Accumulation Unit Value per Unit December 31, 2021 | | | | |
|---------------------------|--|-------------------------|-------------------------|-------------------------------------|--------------------------------|
| | Fair Value | Unfunded Commitments | Redemption Frequency | Other Redemption Restrictions | Redemption Notice Period |
| Pooled separate accounts: | | | | | |
| Large Cap Growth | \$ 1,484,621 | \$ - | Daily | None | None |
| Large Cap Value | 1,208,366 | - | Daily | None | None |
| Asset Allocation | 807,674 | - | Daily | None | None |
| Small/Mid/Specialty | 765,257 | - | Daily | None | None |
| Global/International | 373,291 | - | Daily | None | None |
| Balanced | 344,639 | - | Daily | None | None |
| Bonds | 112,318 | - | Daily | None | None |
| Total | \$ 5,096,166 | \$ - | | | |

9. PARTY-IN-INTEREST TRANSACTIONS

Substantially all administrative functions of the Plan were performed by officers or employees of the Plan Sponsor. No such officer or employee received compensation from the Plan for providing these services.

Certain Plan investment options consisted of shares of pooled separate accounts and a GIC held by the Custodian. Accordingly, these transactions qualified as party-in-interest transactions.
