INDEPENDENT AUDITORS' REPORT

Plan Sponsor
BAUER EQUITY PARTNERS 401(K) PLAN
St. Louis, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the accompanying 2022 financial statements of Bauer Equity Partners 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (collectively, the "2022 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report:

- the amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Bauer Equity Partners 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the 2022 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of 2022 financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2022 financial statements.

In preparing the 2022 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bauer Equity Partners 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the 2022 financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the 2022 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bauer Equity Partners 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bauer Equity Partners 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 (the "supplemental schedule") is presented for the purpose of additional analysis and is not a required part of the 2022 financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the 2022 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

We have audited the statement of net assets available for benefits of Bauer Equity Partners 401(k) Retirement Plan as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and in our report dated October 14, 2022, we expressed an unmodified opinion on those financial statements.

BAUER EQUITY PARTNERS 401(K) PLAN

Notes to Financial Statements

Years Ended December 31, 2022 and 2021

Note A - Description of Plan

The following description of the Bauer Equity Partners 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan, which is a prototype defined contribution plan, was established by Bauer Equity Partners (the "Plan sponsor") effective January 1, 2019 and covers eligible employees of participating employers who are affiliated with the Plan sponsor and are not included in a collective bargaining unit. Participating employers include DJM Ecological Services, Inc., R&S Tower Services, Inc., Pure Air Natives, Inc., and BDG Contracting, Inc. Plan activities commenced March 15, 2019 upon execution of participation agreements by the participating employers. During 2021, the Plan adopted a restated prototype defined contribution plan, which became effective October 1, 2021. The restated plan made no significant changes to the operation of the then existing plan.

Covered employees who have been employed for a minimum of 90 days are eligible for pre-tax and/or Roth employee contributions. The Plan includes a Safe Harbor employer contribution provision requiring the Plan sponsor to make contributions to the Plan in amounts equal to 100% of participant salary deferrals up to the first 3% of participant's compensation and an additional 50% of the next 2% of compensation deferred by the participant. In addition, the Plan allows for discretionary contributions by the Plan sponsor. There have been no discretionary contributions made by the Plan sponsor since the inception of the Plan.

Each year, participants may contribute up to 100% of pre-tax or after-tax annual compensation, as defined in the Plan, subject to limitations prescribed by the Internal Revenue Code (IRC). Participants may also contribute amounts representing rollovers from other qualified defined contribution plans. Additionally, the Plan permits participants who have attained age 50 to make "catch-up" contributions in accordance with, and subject to, the limitations present in the IRC. If an eligible employee does not make an elective deferral election after receiving notice from the Plan sponsor, they will be deemed to have made an automatic deferral election. The automatic deferral election is 3% of compensation paid to those employees.

All employee and Safe Harbor contributions and the earnings (losses) thereon are 100% vested. Vesting in discretionary contributions by the Plan sponsor and the related earnings (losses) occurs 20% after the completion of two years of continuous service and 20% per year of completed continuous service thereafter. Participants are automatically fully vested at their normal retirement date, or in the event of the participant's death or disability, regardless of the number of years of participation. Forfeitures will first be used to pay Plan expenses. Any remaining forfeitures will be used to reduce employer contributions. There have been no forfeitures since the Plan was established.

Appreciation or depreciation in the value of the assets of the Plan is allocated to the participants on the basis of the daily value of each participant's account. Participant and employer contributions are allocated to the various investment options offered by the Plan based on the direction of the individual participants.

All distributions from the Plan are made in a single lump-sum payment. On termination of service for any reason, including due to death, disability, or retirement, a participant may elect to receive the value of the participant's vested interest in his or her account. A participant may elect to receive an amount prior to termination if they have attained age 59½ or have experienced financial hardship and satisfy certain conditions established by the Plan document.

Loans to participants of the Plan are not permitted.

The Plan sponsor has the right to terminate the Plan at any time. In the event of termination, the value of the respective participant accounts, including employer contribution and earnings/losses thereon not previously vested, would become fully vested at the date of termination and distributed to participants.

In May 2023, the Plan adopted a restated prototype defined contribution plan but the features of the plan remained substantially unchanged as a result of the adoption. In addition to those participating employers detailed above, David Container, Inc. adopted the restated plan as a participating employer in May 2023.

Note B - Summary of Significant Accounting Policies

Basis of accounting The financial statements of the Plan are presented on the accrual basis of accounting.

Use of estimates The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of additions to and deductions from net assets available during the reporting periods. Actual results could differ from those estimates.

Investment valuation Investments of the Plan were held by the respective mutual funds' transfer agents (see Note C). The investments of the Plan in both 2022 and 2021 are substantially all in mutual funds and are stated at fair value as determined and reported to the Plan sponsor by the transfer agents.

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan would measure fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are utilized when there are observable inputs other than quoted market prices for the asset, either directly or indirectly observable, that reflect assumptions market participants would use to price the asset based on market data obtained from sources independent of the Plan. Level 3 inputs would only be used when Level 1 or Level 2 inputs are not available.

Payment of benefits Benefits are recorded when paid.

Expenses Expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan sponsor, and are included in administrative expenses. Expenses that are paid by the Plan sponsor are excluded from these financial statements.

Subsequent events The Plan sponsor has determined that no subsequent events have occurred since December 31, 2022, that would require recognition or disclosure in the financial statements. The Plan sponsor has evaluated all subsequent events as of September 11, 2023, which is the date these financial statements were available to be issued, but have not evaluated any events after that date.

Note C - Certified Investments and Related Fair Value Measurements

Mutual fund shares are maintained by the investment funds' transfer agent or entities performing sub-transfer agent duties. For T. Rowe Price mutual funds, T. Rowe Price Retirement Plan Services is the transfer agent and maintains records of the mutual fund shares owed by the Plan. Matrix Trust Company is the sub-transfer agent who performs those duties for shares of other mutual funds owned by the Plan. Reliance Trust Company serves as nondiscretionary (directed) trustee over all Plan assets.

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2022 and 2021, and net investment gain/loss (comprised of net appreciation (depreciation) in fair value of investments and realized gains and losses) as well as investment income (consisting of dividends and capital gains distributions) for the year ended December 31, 2022, was obtained or derived from information supplied to the Plan sponsor and certified as complete and accurate by Reliance Trust Company.

The fair value of the Plan's investments at December 31, 2022 and 2021, as presented in the statements of net assets available for benefits were determined using quoted prices in active markets for identical assets and, therefore, are classified within Level 1 of the fair value hierarchy.

The Plan's investments at December 31, 2022 and 2021, are invested entirely in mutual funds that are valued at the daily closing price at the Plan's year end as reported by the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the United States Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Gains and losses (realized and unrealized) represent the Plan's allocable portion of the market appreciation (depreciation) and actual gain (loss) experience on the various investments and are reported as net investment gain (loss) in the accompanying statements of changes in net assets available for benefits.

Note D - Income Tax Status

The Internal Revenue Service (IRS) has determined and informed the Plan sponsor by a letter dated June 30, 2020, that the restated prototype plan and related trust in effect at December 31, 2021 and 2022, are designed in accordance with applicable sections of the IRC. The prototype plan and related trust in effect through September 30, 2021, were also determined by the IRS to be designed in accordance with the IRC. The Plan sponsor believes that the Plan has been designed and operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Note E - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of those securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note F - Transactions with Party-in-Interest

Certain Plan assets are invested in securities established and maintained by T. Rowe Price ("TRP"). As TRP is the third-party administrator for the Plan and is one of the Plan's transfer agents as discussed in Note C, transactions in these accounts and underlying investment securities qualify as party-in-interest transactions. As displayed in the following table, greater than 95% of the Plan's investments at December 31, 2022 and 2021 related to investment securities established and maintained by TRP, as did the vast majority of addition and deductions thereto during the years then ended.
