Independent Auditors' Report

The Administrative Committee of
Friendly Ford 401(k) Retirement Plan
Las Vegas, Nevada

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Friendly Ford 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Friendly Ford 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Friendly Ford 401(k) Retirement Plan
Independent Auditors' Report

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Friendly Ford 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Friendly Ford 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Friendly Ford 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Friendly Ford 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Friendly Ford 401(k) Retirement Plan
Independent Auditors' Report

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FRIENDLY FORD 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

1. Description of the plan:

The following description of the Friendly Ford 401(k) Retirement Plan (the "Plan") provides general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all employees of Friendly Ford, Team Ford and American Thunder, LLC dba Team Chevrolet (the "Companies"), except for union employees. The Plan was initiated on November 1, 1988. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

Effective December 21, 2021, the Plan was amended to include American Thunder, LLC dba Team Chevrolet as an adopting employer. Employees became participants of the Plan as of this date and were allowed to roll over funds from their existing qualified plan into the Plan. These rollovers amounted to \$512,328 for the 2022 plan year.

Eligibility:

Nonexcluded employees who have reached eighteen (18) years of age and have completed six months of service are eligible to participate in the Plan. Participants may enroll in the Plan on the first day of the quarter after satisfying eligibility requirements.

Contributions:

Participants may elect, by submitting a written request to the Plan administrator, to have their wage compensation reduced by up to the dollar amount allowable under the limitations of the IRC Sections 415, 401(k) and 402(g). The Plan was amended effective August 15, 2022 to allow for Roth contributions and in-plan Roth rollovers. For the year ended December 31, 2022, elective deferral amount allowed under IRC Code Section 402(g) was \$20,500, and catch-up contribution allowed for participants age 50 or older, under IRC Code Section 414(v) was \$6,500. This deferred amount flows directly to the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

The Employer may elect to make matching contributions equal to 25% of participants' elective deferrals. Matching contributions are calculated and remitted each pay period. For the current year, the Employer matching totaled \$449,727.

FRIENDLY FORD 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED DECEMBER 31, 2022

1. Description of the plan (continued):

Contributions (continued):

Maximum annual addition to each participant's account is subject to the limitation set by IRC Code Section 415(c)(1)(A), which was the lesser of \$61,000 or 100% of the participant's compensation for the year ended.

Participant accounts:

Each participant's account is credited with the participant's elective deferral amounts, employer's matching contributions, plus an allocation of Plan earnings (losses), and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Companies' contribution portion of their accounts is based on years of continuous service. A participant becomes 100% vested in the Companies' contribution after four six years of service. The vesting schedule is as follows:

<u>Vesting years of service</u>	<u>Vested percentage</u>
0 - 1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes receivable from participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Each participant will be allowed only two loans per rolling 12-month period. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 3.25% to 7.00%, which are commensurate with local prevailing rates as determined by the Plan Administrators. Principal and interest is paid ratably through payroll deductions. Upon termination of the participant, the remaining outstanding loan balance will be treated as a taxable distribution to the participant from the Plan.

FRIENDLY FORD 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED DECEMBER 31, 2022

1. Description of the plan (continued):

Payment of benefits:

On termination of service due to death, disability or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. Annuities are also allowed as the normal form of distribution. Each participant may elect whether to receive cash or to roll his or her contributions over into another qualified profit sharing plan or IRA. Participants are advised of the tax consequences of each option and may opt to have taxes withheld.

Forfeitures:

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$27,432 and \$401, respectively. These accounts will be used to reduce future employer contributions or administrative expenses. In 2022, employer contributions were reduced by \$8,477 from forfeited nonvested accounts. The Companies also used \$24 in forfeitures to pay for administrative expenses during the year.

Plan expense:

The Companies have elected to absorb part of the Plan's operating and administrative expenses. Certain administrative expenses are paid from Plan assets.

2. Summary of accounting policies:

Basis of accounting:

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ('GAAP') requires the plan administrator to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from these estimates.

FRIENDLY FORD 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED DECEMBER 31, 2022

2. Summary of accounting policies (continued):

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the Investment advisers, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants:

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Excess contributions payable:

Amounts payable to participants amounting to \$45,802 for contributions in excess of amounts allowed by the IRS are recorded as a liability, with a corresponding reduction to contributions. The Plan distributed these 2022 excess contributions prior to March 15, 2023. The Plan distributed the 2021 excess contributions amounting to \$29,845 prior to March 15, 2022.

Payment of benefits:

Benefits are recorded when paid.

Expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

FRIENDLY FORD 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED DECEMBER 31, 2022

2. Summary of accounting policies (continued):

Date of management's review:

The Plan administrator has evaluated subsequent events through July 12, 2023, the date the financial statements were available to be issued.

3. Information certified by the plan's custodian:

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation/(depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Life Insurance Company. The following is a summary of information certified by the certifying institution:

	<u>2022</u>	<u>2021</u>
Common collective trusts	\$ 1,486,679	\$ 1,854,439
Pooled separate accounts	14,326,193	16,627,003
Notes receivable from participants	241,922	290,008
Net appreciation in fair value of common/collective trusts	20,920	
Net depreciation in fair value of pooled separate accounts	(2,820,061)	
Interest income on notes receivable from participants	9,042	

4. Fair value measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The 3 levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

FRIENDLY FORD 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED DECEMBER 31, 2022

4. Fair value measurements (continued):

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

There are no plan assets requiring the use of Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2022 and 2021. The following is a description of the valuation methodologies used for assets measured at fair value:

The pooled separate accounts invest in single mutual funds, domestic and international stock, fixed securities such as asset backed securities and residential and commercial mortgage backed securities, and commercial real estate. While the underlying assets values are quoted prices, the net asset value ("NAV") of a separate account is not publicly quoted. However, Accounting Standards Codification ("ASC") 820 allows NAV per share to serve as a practical expedient to estimate the fair value as long as certain requirements are met. The trustee and custodian believe that the NAV per share serves as a basis for determining fair value.

The fair value of the underlying real estate held by the U.S. Property Separate Account is estimated using discounted cash flow valuation models that utilize public real estate market data inputs such as transaction prices, market rents, vacancy levels, leasing absorption, market cap rates and discount rates. In addition, each property is appraised annually by an independent appraiser. The NAV is the basis for current transactions and the PSA can be redeemed at NAV as of the measurement date. The trustee and custodian believe that the NAV per share serves as a basis for determining fair value.

FRIENDLY FORD 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED DECEMBER 31, 2022

4. Fair value measurements (continued):

The Principal Stable Value Fund ("PSVF") is a stable value collective investment trust ("CIT") for which the net asset value ("NAV") is based on the contract value. The fair value of conventional contracts is determined using a discounted cash flow methodology where the individual contract cash flows are discounted at the prevailing interpolated yield curve rate as of year-end. Individual assets of the synthetic investment contract are generally valued at representative quoted market prices. Short-term securities, if any, are stated at amortized cost, which approximates market value. Debt securities are valued on the basis of valuations furnished by a pricing service approved by the Trustee, which determines valuations using methodology generally recognized by institutional traders. Accrued interest, if any, on the underlying investments is added to the fair value of the investments for presentation purposes. The trustee and custodian believe that the PSVF meets the requirements for the NAV practical expedient.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

	Fair value measurements as of December 31, 2022			
	Level 1 inputs	Level 2 inputs	Level 3 inputs	Total
Investments in fair value hierarchy	\$ 0	\$ 0	\$ 0	\$ 0
Investments measured at net asset value				
Common collective trusts				1,486,679
Pooled separate accounts				14,326,193

	Fair value measurements as of December 31, 2021			
	Level 1 inputs	Level 2 inputs	Level 3 inputs	Total
Investments in fair value hierarchy	\$ 0	\$ 0	\$ 0	\$ 0
Investments measured at net asset value				
Common collective trusts				1,854,439
Pooled separate accounts				16,627,003
Investments at fair value				<u>\$ 18,481,442</u>

FOR THE YEAR ENDED DECEMBER 31, 2022

4. Fair value measurements (continued):

In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statements of net assets available for benefits.

5. Fair value of investments in entities that use NAV practical expedient:

The following table summarizes investments measured at fair value based on NAV per share as of December 31:

Investments	Fair value as of December 31,		Unfunded	Redemption frequency (if currently eligible)	Redemption notice period
	2022	2021	commitments		
Common collective trusts	\$ 1,486,679	\$ 1,854,439	n/a	Daily	1 Day
Pooled separate accounts	<u>14,326,193</u>	<u>16,627,003</u>	n/a	Daily	1 Day
	<u>\$ 15,812,872</u>	<u>\$ 18,481,442</u>			

6. Related party and party-in-interest transactions:

Certain plan investments are shares of mutual funds managed by the custodian as defined by the Plan and, therefore, these transactions qualify as party in interest transactions.

Fees paid during the year for administrative services rendered by parties in interest were based on customary and reasonable rates for such services and were paid by the employer and the Plan. Certain administrative functions are performed by officers and employees of the Company. No officer or employee receives compensation from the Plan for these services.

7. Plan termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions to the Plan and to terminate the Plan at anytime subject to the provisions of ERISA. In the event of Plan termination, participants will be 100% vested in their employer contribution accounts.

8. Tax status:

The Company has adopted the Principal Life Insurance Company non-standardized pre-approved profit sharing plan. The IRS has determined and informed the Company by a letter dated June 30, 2020, that this Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan may have been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Risk and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statement of net assets available for benefits.

10. Reconciliation of financial statements to Schedule H of Form 5500:

The Schedule H does not present excess contributions payable as of the end of the year. As of December 31, 2022, the excess contributions payable recorded on the statement of net assets available for benefits, but not on Schedule H, was \$45,802. The accrued amount is reflected as a reduction in participant contributions on the statement of changes in net assets available for benefits. There is also an additional employee contribution receivable of \$2,000 not reflected on Schedule H. The corresponding differences in participant contributions per the financial statements and Schedule H are illustrated below.

	<u>12/31/2022</u>
Participant contributions per financial statements	\$ 1,794,078
Less: employee contribution receivable at December 31, 2022	(2,000)
Add: excess contributions payable at December 31, 2022	<u>45,802</u>
Participant contributions per Schedule H	<u>\$ 1,837,880</u>
