REPORT OF INDEPENDENT AUDITORS

To the Trustees of
Service Employees International Union
Local No. 1 Retirement Savings Trust Fund

Opinion

We have audited the financial statements of Service Employees International Union Local No. 1 Retirement Savings Trust Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of November 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of November 30, 2022, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence that we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter - 2021 Financial Statements

The financial statements of Service Employees International Union Local No. 1 Retirement Savings Trust Fund as of and for the year ended November 30, 2021, were audited by other auditors whose report dated September 12, 2022, expressed an unmodified opinion on those statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Responsibilities of Management for the Financial Statements (continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibility for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of financial statements; and
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

LOCAL NO. 1 RETIREMENT SAVINGS TRUST FUND**

NOTES TO FINANCIAL STATEMENTS

NOVEMBER 30, 2022 AND 2021

NOTE 1. DESCRIPTION OF THE PLAN

Service Employees International Union Local No. 1 Retirement Savings Trust Fund (the Plan) was adopted and effective December 1, 2013. The Plan was established to provide retirement benefits for elevator operators, receiving and package room employees, door, lobby, and hall attendants covered by collective bargaining agreements between Apartment Building Owners & Managers Association of Illinois and Service Employees International Union, Local 1. The Plan is a multiemployer defined contribution retirement plan, subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation.

Each eligible participant may elect to make an elective deferral contribution under the Plan, in an amount equal to a specified dollar amount up to a maximum of 100% of compensation, subject to Internal Revenue Code limits. Participants direct the investment of their contributions into various investment options offered by the Plan. In the absence of participant direction, contributions are invested in default investment funds. Participants may change their elective deferral investment options as permitted under the Plan provisions. Participants must evaluate their own investment goals and objectives and choose the investment options best suited to achieve those goals and objectives. Poor investment performance by the investment options selected by the participants may cause their vested account balance to be lower than the contributions made to the Plan on their behalf. The investment of employer contributions is not participant-directed.

A participant's account is credited with employer contributions made on their behalf and elective deferrals, and are adjusted for investment income (loss), forfeitures of terminated participants' nonvested accounts and expenses incurred by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

A participant is credited with one year of vesting service for each Plan year in which they completed at least 1,000 hours of work in covered employment. A participant is 100% vested in the employer contribution portion of their account after three years of credited vesting service. Participants are immediately 100% vested in their elective deferral contributions and rollover contributions plus actual earnings thereon.

Effective July 1, 2022, the Trustees approved to set aside from contributions an amount equal to \$0.15 per hour for a period of three months, to be used for the payment of Plan administrative expenses. Thereafter, the amount set aside from contributions was reduced to \$0.02 per hour. During the year ended November 30, 2022, a total of \$69,674 was set aside and used for the payment of administrative expenses incurred by the Plan.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

If a participant's employment with their employer ceases while any portion of their account is not vested, that portion will be held in suspense for a period of five years after their employment ceases with any employer and is then forfeited. If a participant returns to employment with any employer within five years, the unvested portion of their account will be restored and their employment before and after their termination will be combined for purposes of determining when the employer contribution portion of their account becomes vested. At November 30, 2022 and 2021, the Plan had a total of \$111,298 and \$0 respectively, of forfeitures held in suspense.

At November 30, 2022 and 2021, net assets available for benefits included unallocated amounts totaling \$172,682 and \$32,444 respectively.

Upon termination of service due to retirement, death, total and permanent disability, or separation of services under specified conditions, a participant will receive a lump sum amount equal to the vested portion of the participant's individual account, as defined by the Plan.

Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements have been prepared on the accrual basis of accounting.

Investments - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Purchases and sales of securities are reflected on a trade date basis.

Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Contributions Receivable - Employer contributions due and not paid prior to year end are recorded as contributions receivable. An allowance for uncollectible receivables is not considered necessary. Employer records are subject to audit and additional revenue, if any, that may arise as a result of these audits is recognized upon collection.

Revenue Recognition - Revenue derived from employer contributions is recognized in the period in which covered work is performed, based on the number of hours worked in covered employment and the contribution rate currently in effect, as set forth in the applicable collective bargaining agreement. Employers are required to remit contributions monthly. The Plan carries out its purpose described in Note 1 within a jurisdiction primarily located throughout the Greater Chicagoland area.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits - Benefits are recorded when paid. Benefit payments to participants are recorded upon distribution. There were no participant withdrawals approved but not yet paid at either November 30, 2022 or 2021.

Expenses - The Plan has an administrative fee rebate arrangement as described in Note 9. Certain investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Reclassifications - Certain reclassifications have been made to prior year amounts to conform to the current year presentation.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events - Subsequent events have been evaluated through September 14, 2023, which is the date the financial statements were available to be issued.

NOTE 3. TAX STATUS

The Internal Revenue Service has determined and informed the Plan by a letter dated November 12, 2015, that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. The Plan's administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. They therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken and recognize a tax liability if the Plan has taken uncertain tax positions that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than the exclusive benefit of the participants and their beneficiaries. Provisions may be made for the payment of necessary expenses resulting from the termination of the Plan. In the event of Plan termination, participants would become fully vested in the employer contribution portion of their account. Net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Whether or not a particular participant will receive full benefits should the Plan terminate at some future time will depend on the sufficiency of the Plan's net assets at the time and the priority of those benefits.

NOTE 5. FAIR VALUE MEASUREMENTS

The *Fair Value Measurement and Disclosures* Topic of the Financial Accounting Standards Board Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The following describes the three levels of the fair value hierarchy.

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of November 30, 2022 and 2021. As required, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. In accordance with generally accepted accounting principles, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the following tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

		<u>Fair Value Measurements at 11/30/22 Using</u>		
		Quoted Prices		
		in Active	Significant

Investments measured at net asset value				
Collective investment fund	<u>445,841</u>			
Total	<u>\$ 9,259,997</u>			

Level 1 Measurements

The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are primarily marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value on the last business day of each period presented.

Measurements Using Net Asset Value as a Practical Expedient

Certain investments are valued at the net asset value per share (or its equivalent), used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liability. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

The collective investment fund is a direct filing entity (DFE) that files a Form 5500 annual report with the U.S. Department of Labor. The Plan is not required to disclose the investment strategies of DFE investments. Redemptions of the collective investment fund are available daily with no notice period.

NOTE 6. NONPARTICIPANT-DIRECTED INVESTMENTS

Information about the net assets and the significant components of the changes in net assets relating to the nonparticipant-directed investments is as follows:

	<u>2022</u>	<u>2021</u>
Net assets		
Mutual funds	\$ 7,467,569	\$ 7,539,150
Collective investment fund	<u>441,612</u>	<u>405,433</u>

Changes in net assets		
Contributions	\$ 1,326,179	\$ 1,114,343
Dividends	514,351	287,374
Net (depreciation)	(1,307,808)	169,140

Transfers from participant-directed investments	<u>(270,394)</u>	<u>39,369</u>
Total	<u>\$ (35,402)</u>	<u>\$ 1,343,123</u>

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8. RELATED PARTY TRANSACTIONS

The Plan shares certain common governance with the following organizations, all of which are tax-exempt:

- Local No. 1 Health Fund
- Local No. 1 Pension Fund
- Local No. 1 Training Fund
- Local No. 1 Suburban 401(k) Savings Plan and Trust
- Service Employees Local Union No. 1

NOTE 9. ADMINISTRATIVE FEE INCOME

The Plan receives administrative fee rebates from the investments held by the Plan. These rebates are calculated based on the market value of the Plan's assets at the end of each quarter and are used to offset Plan expenses. For the years ended November 30, 2022 and 2021, the rebates received totaled \$112,568 and \$115,491 respectively.

NOTE 10. FUNDING POLICY

Participating employers contribute such amounts as specified in their collective bargaining agreements. The hourly contribution rate was \$0.80 and \$0.70 for the years ended November 30, 2022 and 2021, respectively.

NOTE 11. PARTICIPANT DEFERRALS

Employers withhold participants' deferrals from their payroll. During the years ended November 30, 2022 and 2021, there were no instances noted where an employer remitted contributions to the Plan more than 15 days after the following month, which is the timeliness requirement prescribed by U.S. Department of Labor (DOL) regulations.

In the event of a late remittance, the Plan has a collection program that pursues legal action against delinquent employers. As part of its collection program, the Plan may collect contributions, liquidated damages, interest and attorney fees from delinquent employers. Upon receipt of late contributions from a delinquent employer, the amount of contributions, plus interest, is credited to the participant's account to compensate the participant for lost earnings resulting from the delay in contributions.
