INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
EAC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the EAC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rule and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibility for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NawrockiSmith

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

NawrockiSmith

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to certified investment information, except for obtaining and reading the certification, comparing the certified investment information with related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held (At End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Nawrocki**Smith**

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

(1) Plan Description:

The following description of the EAC 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General -

The Plan is a defined contribution plan established to provide retirement benefits to employees meeting certain eligibility criteria. On July 1, 1982, all salaried employees of EAC, Inc. ("EAC") became eligible to participate in the Plan. Employees hired on or after July 1, 1982 were eligible to participate in the Plan upon employment. As per a Plan amendment effective January 1, 2008, employees became eligible to participate in the Plan only after working one year and 1,000 service hours within an anniversary year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions -

Participants may contribute pretax compensation, as defined in the Plan, subject to the Internal Revenue Service ("IRS") limitations. Participants may also contribute amounts representing distributions from other qualified plans and catch-up contributions for participants who attain age 50 by the end of a plan year. The Plan was amended on January 10, 2019 to allow Roth elective deferrals. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation. Participants direct the investment of the contributions into various investment options offered by the Plan. Contributions are automatically invested in a designated target date fund if the participant does not make an election designation.

EAC contributes a nondiscretionary contribution to the Plan on behalf of each participant, which is equal to 3% of the participant's eligible compensation for Safe Harbor contributions. EAC may make a discretionary profit sharing contribution.

Vesting -

Participants are immediately vested in their contributions and EAC's Safe Harbor contributions plus actual earnings thereon. Vesting in EAC profit sharing contributions and earnings is based on vested levels over five years of credited service as defined in the Plan document.

Participant Accounts -

Each participant's account is credited with the participant's contributions, EAC's contributions, Plan gains or losses, forfeiture reallocations, and charged with a share of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is that amount that can be provided from the participant's vested accounts.

Notes Receivable from Participants -

Each participant can borrow up to 50% of their vested balance in their account up to a maximum loan of \$50,000. The CARES Act increased this amount to \$100,000 or 100% of the vested balance for loans granted through September 22, 2020. The loan must be a minimum of \$1,000. Each loan is for a five-year period, unless it is for the purchase of a principal residence, in which case the loan may be for a reasonable period in excess of five years. The effective interest rate assumed is the prime rate plus 1% (4.25% to 8.00% for the year ended December 31, 2022). Loan repayments are deposited back into the participant's account through payroll deductions. The loans are secured by the participant's account.

Payment of Benefits -

If a participant terminates employment with EAC for any reason other than death, the participant can elect to leave the vested account balance in the Plan, if the balance is greater than \$1,000, until the normal retirement date. If no election is made and the account balance is less than \$1,000, the funds will be automatically rolled over to an IRA account. Upon retirement, the account can be distributed in the form of a lump-sum, installment payments or an annuity contract. Participants are required to begin distributions when the age of 72 is attained. In the case of death of a participant, the beneficiary designated by the participant shall be paid the deceased employee's vested account balance immediately, or in payments for up to five years from the anniversary of the date of death. If the beneficiary is the participant's spouse, payment of benefits may be deferred until they reach the age of 72.

Forfeitures -

Participants who separate or withdraw from the Plan will forfeit any amounts not vested with respect to EAC's profit sharing contributions. Forfeitures are used to reduce future Plan expenses or are redistributed to participant accounts.

(2) Summary of Significant Accounting Policies:

Basis of Accounting -

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles.

Use of Estimates -

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect reported amounts and disclosures. Accordingly, actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

Investment Valuation and Income Recognition -

Investments are reported at fair value. Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date.

Net appreciation and depreciation in fair value of investments includes realized and unrealized gains and losses on the fair value of investments held by the Plan. Purchases and sales of investments are recorded on a trade date basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants -

Notes receivable from participants are measured at their unpaid principal plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits -

Benefits are recorded when paid.

Forfeiture Credits -

As employees leave EAC, their non-vested participant accounts are transferred to a separate cash account. At December 31, 2022 and 2021, there was no balance in the forfeiture account. At December 31, 2022 and 2021, forfeited non-vested accounts of \$2,203 and \$256, respectively, were used to pay Plan expenses.

Plan Expenses -

Certain expenses of maintaining the Plan may be paid directly by EAC and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net investment income.

(3) Fair Value Measurements and Investments:

U.S. generally accepted accounting standards establish a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reported entity has the ability to access at the measurement date.
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds/money market mutual fund: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trusts: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the common/collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

There have been no changes in the methodologies used at December 31, 2022 and 2021.

The following table represents the Plan's fair value hierarchy for investments at fair value as of December 31, 2022:

	Fair Value	Assets Measured at Net Asset Value (a)	Level 1
Mutual funds	\$ 12,877,332	\$ -	\$ 12,877,332
Collective trusts	1,116,575	1,116,575	-
Money market mutual fund	58	-	58
Total fair value measurements	<u>\$ 13,993,965</u>	<u>\$ 1,116,575</u>	<u>\$ 12,877,390</u>

The following table represents the Plan's fair value hierarchy for investments at fair value as of December 31, 2021:

	Fair Value	Assets Measured at Net Asset Value (a)	Level 1
Mutual funds	\$ 17,273,386	\$ -	\$ 17,273,386
Collective trusts	1,132,026	1,132,026	-

Total fair value measurements	<u>\$ 18,405,468</u>	<u>\$ 1,132,026</u>	<u>\$ 17,273,442</u>

(a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient, which is a reasonable estimate of fair value, have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statement of Net Assets Available for Benefits.

As of December 31, 2022 and 2021, the Plan did not possess any level 2 or level 3 types of investments.

Dividends	<u>\$ 922,138</u>	
Interest	<u>\$ 2</u>	

(5) Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant accounts and the amounts reported in the Statements of Net Assets Available For Benefits.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

(6) Income Tax Status:

The IRS has determined and informed EAC by a letter dated May 25, 1999, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and tax exempt.

U.S. generally accepted accounting principles require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator believes there are no such positions, and therefore, no provision for income tax has been included in the Plan's financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

(7) Plan Termination:

Although it has not expressed any intent to do so, EAC has the right under the Plan to discontinue its contributions and to terminate the Plan subject to the provisions of ERISA. However, no such action may deprive any participant or beneficiary under the Plan of any vested right. Accordingly, in the event of Plan termination, participants would become 100% vested in their employer contributions.

(8) Related Party Transactions and Party-in-Interest Transactions:

All Plan investments are shares of mutual funds and common collective trusts managed by Fidelity Investments. Fidelity Personal Trust Company is the Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services amounted to \$2,018 and \$1,713 for the year ended December 31, 2022 and 2021, respectively.

Sentinel Benefits Group provides administrative services for the Plan and is therefore a related party. Fees paid by the Plan for administrative services amounted to \$20,094 and \$15,834 for the year ended December 31, 2022 and 2021, respectively.

(9) Subsequent Events:

The Plan evaluated subsequent events through August 10, 2023, which is the date these financial statements were available to be issued.
