Mr. Philip A. Nardone, Jr., Trustee
PAN Communications, Inc. 401(k) Profit Sharing Plan & Trust
Boston, Massachusetts

We have performed an audit of the financial statements of PAN Communications, Inc. 401(k) Profit Sharing Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as of and for the year ended December 31, 2022, in accordance with ERISA Section 103(a)(3)(C) pursuant to Code of Federal Regulations (CFR), *Labor*, Title 29, Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and have issued our report thereon dated July 24, 2023. The audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a qualified institution that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and whether the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

We have previously communicated to you information about our responsibilities under auditing standards generally accepted in the United States of America, as well as certain information related to the planned scope and timing of our audit in our engagement agreement dated April 14, 2023. Professional standards also require that we communicate to you the following information related to our audit.

Significant audit findings or issues

Qualitative aspects of accounting practices

Accounting policies

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by PAN Communications, Inc. 401(k) Profit Sharing Plan & Trust are described in Note 2 to the financial statements.

No new accounting policies were adopted and the application of existing policies was not changed during 2022.

We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no accounting estimates affecting the financial statements which were particularly sensitive or required substantial judgments by management.

Financial statement disclosures

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. There were no particularly sensitive financial statement disclosures.

The financial statement disclosures are neutral, consistent, and clear.

Significant unusual transactions

We identified no significant unusual transactions.

Difficulties encountered in performing the audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Uncorrected misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has determined that the effects of uncorrected misstatements are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. The following summarizes uncorrected misstatements of the financial statements: The prior year employer receivable was incorrectly calculated by \$4,752 as a result of the amount of forfeitures actually used.

Uncorrected misstatements or the matters underlying uncorrected misstatements could potentially cause future-period financial statements to be materially misstated, even if management has concluded that the uncorrected misstatements are immaterial to the financial statements under audit.

Corrected misstatements

None of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with management

For purposes of this communication, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. No such disagreements arose during our audit.

Management representations

We have requested certain representations from management that are included in the management representation letter dated July 24, 2023.

Management consultations with other independent accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a “second opinion” on certain situations. If a consultation involves application of an accounting principle to the Plan’s financial statements or a determination of the type of auditors’ opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Significant issues discussed with management prior to engagement

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to engagement as the Plan’s auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our engagement.

ERISA-required supplemental schedule

With respect to the ERISA-required supplemental schedule accompanying the financial statements, we performed certain audit procedures to express an opinion on whether the form and content of the supplemental schedule, other than the information agreed to or derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We compared and reconciled the ERISA-required supplemental schedule to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves. We have issued our report thereon dated July 24, 2023.

Reading the draft Form 5500

Professional standards required that we obtain and read a draft of the Form 5500 that is substantially complete prior to the dating of our auditors’ report. The purpose of this procedure is to identify material inconsistencies, if any, with the audited Plan financial statements. These procedures are not sufficient nor are they intended to determine that the Form 5500 is completely and accurately prepared. We did not identify any material inconsistencies between the Form 5500 and the audited financial statements.

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of PAN Communications, Inc 401(k) Profit Sharing Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of PAN Communications, Inc. 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Fidelity Management Trust Company as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of PAN Communications, Inc 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about PAN Communications, Inc 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of PAN Communications, Inc 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about PAN Communications, Inc 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PAN COMMUNICATIONS, INC. 401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 DESCRIPTION OF PLAN

General

The following description of PAN Communications, Inc. 401(k) Profit Sharing Plan & Trust (the Plan) is provided for general informational purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan established on January 1, 1996. The Plan covers substantially all employees of PAN Communications, Inc. (the Sponsor). The Plan is administered by the Sponsor (the Plan administrator) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

All eligible employees having attained the age of 21, as defined, are eligible for participation.

Contributions

A participant may contribute an amount of up to 90% of his/her compensation, as defined in the Plan and subject to maximums in accordance with federal regulations. Such contributions are deducted from the participant's pre-tax earnings. A participant may subsequently elect to increase or decrease the rate of contributions at the beginning of each Plan month. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollovers). For the year ended December 31, 2022, the Company elected to make a discretionary matching contribution up to 50% of the first 6% of an employee's compensation contributed to the Plan under a discretionary match formula. For the year ended December 31, 2022, the Sponsor made discretionary matching contributions of \$402,419. Both Sponsor and participant contributions are subject to certain limitations as defined in the Plan documents and in accordance with applicable regulations.

The Sponsor may also, at its sole discretion, make profit sharing contributions to the Plan on behalf of certain participants. Profit sharing contributions will be allocated to the eligible participant's accounts in the same proportion that their compensation bears to the total compensation paid to all eligible participants. For the year ended December 31, 2022, the Sponsor did not make a profit sharing contribution.

Participant Accounts

Each participant's account is credited with the participant's contributions and Sponsor contributions, and allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations of Sponsor contributions, investment income, and administrative expenses are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested accounts.

PAN COMMUNICATIONS, INC. 401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Vesting of Contributions

A participant's contributions and earnings thereon are fully vested at all times. Under normal vesting circumstances, the employer matching and profit sharing contributions and earnings thereon are 20% vested after one year of service, and an additional 20% vested each subsequent year until 100% vested after five years of vesting service, as defined in the Plan. Any participant automatically becomes fully vested upon death, disability, or attainment of age 65.

Forfeited Accounts

The nonvested portion of a participant's employer matching and profit sharing contributions is tentatively forfeited after the earlier of the distribution of the entire vested portion of the participant's account who has severed employment, or the last day of the Plan year in which a participant who has severed employment incurs five consecutive one-year breaks in service, as defined in the Plan. If the participant is reemployed prior to five years of severance and repays the Plan an amount equal to the total distribution, the tentatively forfeited amounts without investment income will be reinstated. Amounts not reinstated serve to pay administrative expenses and reduce future contributions by the Sponsor.

As of December 31, 2022 and 2021, forfeited nonvested accounts totaled \$25,213 and \$45,380, respectively. For the year ended December 31, 2022, forfeitures used to reduce profit sharing contributions, reduce matching contributions, and pay administrative fees amounted to \$71,741.

Notes Receivable from Participants

A participant may borrow against his/her vested account balance. A participant's loan is limited to his/her vested account balance not to exceed \$50,000. The minimum loan amount is \$1,000. A loan bears interest at a fixed rate, as determined by the Plan administrator, which is credited to the participant's account. A loan is required to be repaid in at least quarterly installments of principal and interest over a period not to exceed five years; 10 years if the purpose of the loan was to acquire a primary residence.

Payment of Benefits

Upon termination of service due to retirement or disability, a participant may elect to receive either a lump-sum distribution equal to the value of his/her account or to defer receipt of his/her account balance, provided a distribution is made or commences no later than the April 1st following the end of the calendar year in which the participant attains age 70½.

In the event of death, a participant's entire account balance will be distributed to his/her beneficiary.

Distributions to participants who otherwise terminate employment will be deferred until age 65, unless the participant elects immediate payment or the distribution is less than \$5,000. In such cases, the participant will receive a lump-sum distribution equal to the nonforfeitable value of his/her account.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

In-Service Withdrawals

Withdrawals are not permitted except for a severe financial hardship, such as the purchase of a primary residence, educational expenses, uninsured medical expenses, or the prevention of eviction from or foreclosure on a primary residence. Hardship guidelines adhere to the final 401(k) regulations of the Internal Revenue Code (IRC).

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances, plus any accrued interest. Interest income on notes receivable from participants is recorded on the accrual basis. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies and procedures utilizing information provided by the trustee. See Note 6 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Plan Expenses

Certain expenses of maintaining the Plan are paid directly by the Sponsor. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

Benefit Payments

Benefit payments to participants are recorded when paid.

PAN COMMUNICATIONS, INC. 401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Party-In-Interest Transactions

Certain Plan investments are managed by Fidelity, the qualified institution of the Plan. Therefore, the investment transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Subsequent Events

Management has evaluated subsequent events through July 24, 2023, the date the financial statements were available to be issued, and no subsequent events have been noted which would require adjustment to or disclosure in the financial statements.

NOTE 3 TAX STATUS

The Plan has adopted a nonstandardized prototype plan that received a favorable opinion letter from the Internal Revenue Service (IRS) that it was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in their Company contributions.

NOTE 5 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

PAN COMMUNICATIONS, INC. 401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 6 FAIR VALUE MEASUREMENTS

The Plan has adopted accounting and reporting standards with respect to measuring fair value. These standards establish a framework that provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; or
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Money Market and Mutual Funds – Money market and mutual funds are valued using Level 1 inputs, which consist of the quoted price of shares held by the Plan at year-end.

There have been no changes in the methodologies used as of December 31, 2022 and 2021.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.
