### **INDEPENDENT AUDITOR'S REPORT**

Plan Administrator  
Beckstoffer Vineyards Safe Harbor  
401(k) Retirement Savings Plan

#### **Opinion**

We have audited the accompanying financial statements of Beckstoffer Vineyards Safe Harbor 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Beckstoffer Vineyards Safe Harbor 401(k) Retirement Savings Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Beckstoffer Vineyards Safe Harbor 401(k) Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Beckstoffer Vineyards Safe Harbor 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Beckstoffer Vineyards Safe Harbor 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Beckstoffer Vineyards Safe Harbor 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Other Matter - Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets held at end of year for the years ended December 31, 2022 and 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

BECKSTOFFER VINEYARDS SAFE HARBOR  
401K RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2022 and 2021

(1) DESCRIPTION OF PLAN:

The following description of the Beckstoffer Vineyards Safe Harbor 401K Retirement Savings Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

a. General

The Plan was formed January 1, 2001. The Plan is a defined contribution plan covering all full-time employees of the Company who have one year of service, 1000 hours and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

b. Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Contributions are subject to certain Internal Revenue Code limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the plan. The Plan Sponsor contributes a percentage of the Participant's Elective Deferral. The employer matches participant elective deferrals up to 6% of the participant's compensation as a safe harbor matching contribution. The Plan sponsor made safe harbor matching contributions of \$483,362 and \$487,779 for the years ending December 31, 2022 and 2021, respectively. Additional amounts may be contributed at the option of the Company's board of directors.

c. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings, and charged with an allocation of administrative and investment expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

d. Vesting

Participants are immediately vested in their contribution, the Company's matching contribution and actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

(1) DESCRIPTION OF PLAN: (Continued)

e. The Auditor

The auditor of these financial statements was engaged to perform a non-section 103(a)(3)(c) audit and therefore these financial statements do not include additional illustrative disclosures that might be applicable for an ERISA Section 103(a)(3)(c) audit relating to investment information certified by a qualified institution.

f. Investment at Contract Value – Key Guaranteed Portfolio Fund

Key Guaranteed Portfolio Fund – Provides a guarantee of principal and a guaranteed quarterly interest rate. The entire general account assets of Great-West Life & Annuity Insurance Company back these guarantees. These assets are primarily investment grade quality, fixed income bonds.

g. SEC Registrant

Neither the plan nor its plan sponsor is an SEC registrant or filer.

h. Investment Options

Upon enrollment in the Plan, participants can direct employee and employer match contributions into investment funds maintained by Great-West Financial.

Participants may change their investment options daily.

i. Payment of Benefits

When a participant retires or terminates employment, benefits will automatically be paid in installments or a lump sum amount equal to the vested value of their account balance. Benefits are recorded when paid.

(2) SUMMARY OF ACCOUNTING POLICIES:

a. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting and using GAAP as promulgated by FASB.

b. Investments at Fair Value

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

401K RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2022 and 2021

(2) SUMMARY OF ACCOUNTING POLICIES: (Continued)

c. Investment at Fair Value Valuation and Income Recognition

Investments in mutual funds are reported at fair value based on quoted market prices when available. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 8 for discussion of fair value measurements.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments purchased and sold as well as held during the year.

d. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

e. Tax Status

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the trust's net investment income is exempt from income taxes. The Plan has obtained a favorable tax determination letter from the Internal Revenue Service and the Plan sponsor believes that the Plan continues to qualify and to operate as designed. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the I.R.S. Plan management has analyzed tax positions taken by the Plan and has concluded that as of December 31, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

f. Payment of Benefits

Benefits are recorded when paid.

(2) SUMMARY OF ACCOUNTING POLICIES: (Continued)

g. Subsequent Events

The Plan has evaluated subsequent events through July 25, 2023, the date the financial statements were available to be issued, and Plan management has determined that no subsequent events have occurred that should be disclosed.

(3) FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT:

The Plan holds a traditional investment contract. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The following represents the contract value held by the Plan.

|                                 | June 30, 2022 | June 30, 2021 |
|---------------------------------|---------------|---------------|
| Traditional Investment Contract | \$ 2,652,278  | 2,239,202     |

With traditional investment contracts, the Plan owns only the contract itself. Traditional investment contracts are designed to accrue interest based on crediting rates established by the contract issuers.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0%.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code
2. Premature termination of contracts

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with participants.

BECKSTOFFER VINEYARDS SAFE HARBOR  
401K RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2022 and 2021

(4) PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

(5) PLAN ADMINISTRATION:

Several of the investment fund options are subject to investment fees based on a percentage of invested assets, as disclosed in the fund's prospectus. All such fees are charged directly against the fund's investment performance and thus are not separately disclosed in the accompanying financial statements. The employer pays the salaries and related benefits of the accountants who maintain the plan's records. The employer also contributes the office space where the business of the plan is conducted and where their records are kept. The employer also pays the administrative fees for the annual audit of the plan.

(6) RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS:

Empower Retirement provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Company and Empower Retirement. Empower Retirement receives revenue from mutual fund service providers for services Empower Retirement provides to the fund. This revenue is used to offset certain amounts owed to Empower Retirement for its administrative services to the Plan.

If the revenue received by Empower Retirement from such mutual fund service providers exceeds the amount owed under the MSA, Empower Retirement remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During December 31, 2022 there were no excess amounts. The Plan or Plan Sponsor may make a payment to Empower Retirement for administrative expenses not covered by revenue sharing.

The Key Guaranteed Portfolio Fund is managed by Empower Retirement. Empower Retirement is the record keeper for the Plan and, therefore, this qualifies as a party in interest transaction. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Certain administrative fees related to administration of the Plan and investment advisory fees were paid by the Plan sponsor.

Notes to Financial Statements

(7) RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(8) FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the net asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

(8) FAIR VALUE MEASUREMENTS: (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2022 and 2021.

Notes to Financial Statements

December 31, 2022 and 2021

(10) COVID RESPONSE:

In December 2019, a novel strain of coronavirus, known as COVID-19, was reported in Wuhan, China and has since extensively impacted the global health and economic environment. In March 2020, the World Health Organization characterized COVID-19 as a pandemic, and the President declared the COVID-19 outbreak in the United States as a national emergency. Government restrictions on business operations began in March 2020 and have been more or less restrictive over time as the number of persons in the area impacted by the disease has increased and decreased. Because the Plan sponsor's business activities are considered "essential services," operations have not been suspended due to the pandemic to date. Plan sponsor management has made adaptations to operations to keep the business fully functional while protecting their workforce. The Plan sponsor has updated its personnel policies to plan for and respond to COVID related staff illnesses.

The COVID-19 pandemic remains a rapidly evolving situation. The extent of the impact of COVID-19 on the Plan sponsor's operations and financial results will depend on future developments, including the duration and spread of the outbreak which is highly uncertain.

The Plan through December 31, 2022 did not have an adverse effect on its investment results.
