## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator  
Consumer Club, Inc. 401(k) Plan  
Dallas, Texas

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audits**

We have performed audits of the accompanying financial statements of Consumer Club, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of November 29, 2022 (Merger Date) and December 31, 2021, and the related statement of changes in net assets available for benefits for the period ended November 29, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Consumer Club, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of November 29, 2022 and December 31, 2021, and for the period ended November 29, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of Consumer Club, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Basis of Accounting**

As discussed in Note 1 to the financial statements, on September 20, 2022, the plan sponsor of the Consumer Club, Inc. 401(k) plan (the "Consumer Club Plan") approved the merger of the Consumer Club Plan into the Booking Holdings Inc. 401(k) Plan (the "Booking Holdings Plan"), a related plan, to take effect on November 29, 2022 (the "merger date"). As a result, the assets of the Consumer Club Plan were transferred to the Booking Holdings Plan. Our opinion is not modified with respect to this matter.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Consumer Club, Inc. 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audits of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Consumer Club, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Consumer Club, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

Consumer Club, Inc. 401(k) Plan  
Notes to Financial Statements  
November 29, 2022 and December 31, 2021

1. DESCRIPTION OF THE PLAN

The following description of the Consumer Club, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the basic plan document and related adoption agreement for a more complete description of the Plan's provisions.

Plan Merger

On February 24, 2022, the sponsor of the Plan approved an amendment to formally freeze the Plan effective April 1, 2022, at which point, all contributions to the plan stopped. On September 20, 2022, the sponsor of the Plan approved the merger of the Plan into Booking Holdings Inc. 401(k) Plan (the "Successor Plan"), a related plan, to take effect on November 29, 2022 (the "merger date"). As a result, the assets of the Plan were transferred to the Successor Plan on the merger date with the Successor Plan being the surviving plan. Empower Retirement, LLC replaced Ameritas Life Insurance Corp. as the Plan's recordkeeper and Empower Trust Company replaced Ameritas Life Insurance Corp. as the Plan's asset custodian effective on the Merger Date.

General

The Plan was established on January 1, 2010, and is a defined contribution retirement plan covering all employees of Consumer Club, Inc. (the "Company" or "Plan Sponsor"). Effective November, 1, 2021, the Plan was amended to allow employees of Travel Advance Network, LLC, to participate in the Plan. The Plan is designed to comply with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) and the Internal Revenue Code (IRC). In addition, the Plan's financial statements have been prepared in compliance with accounting principles generally accepted in the United States of America (US GAAP) and with ERISA.

Effective March 2020, the Plan administratively adopted the provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act, related to participant loans and distributions. The Company had until December 31, 2025, to amend the Plan for changes allowed by the CARES Act. The Plan was not formally amended to adopt these provisions prior to the termination of the Plan on November 29, 2022.

Eligibility

All employees of the Company who have attained the age of 18 and are not covered under a collective bargaining agreement were eligible to participate in the Plan.

1. DESCRIPTION OF THE PLAN (continued)

Plan administration

The Company is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Company has delegated certain responsibilities for the operation and administration of the Plan. Custodial and recordkeeping services are provided by Ameritas Life Insurance Corp. The Custodian is responsible for the custody of the Plan's assets, for executing investment transactions and is responsible for maintaining participant account records and transactions.

Contributions

Participating employees may elect to contribute a portion of their compensation to the Plan, subject to calendar year contribution limits set forth by the Internal Revenue Service (IRS). Participant contributions may be made on a pre-tax basis or after-tax as Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch up contributions which are also subject to IRS limits. Participants may also contribute rollover amounts representing distributions from other qualified defined benefit or defined contribution plans into the Plan.

The Plan allows for discretionary employer matching contributions. The Company matches up to 100% of contributions up to 6% of employee contributions.

As of April 1, 2022 the Plan was frozen and contributions to the Plan ceased.

Participant accounts

Each participant's account is credited with the participant's contributions or rollovers and allocations of Company contributions, if any, and Plan earnings, and charged with an allocation of investment losses and administrative expenses not paid directly by the Employer. Allocations of investment earnings are based strictly on the participant's selection of investments and timing of purchase. Other allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are vested immediately in their contributions, in employer contributions, and any income thereon.

1. DESCRIPTION OF THE PLAN (continued)

Payment of benefits

Distributions and withdrawals are payable upon retirement, termination, financial hardship, disability or death. If a participant's account balance is less than or equal to \$1,000 upon termination, the balance is distributed immediately in a lump-sum cash payment. Balances greater than \$1,000 and less than or equal to \$5,000 upon termination will be rolled over to an individual retirement account designated by the administrator if the participant has not requested a lump-sum cash payment or a direct rollover into another qualified benefit plan. If the account balance is over \$5,000, the participant can consent to either a distribution paid in the form of a lump-sum cash payment, a direct rollover into another qualified plan or postpone payment to a later date and remain in the Plan as described in the plan document.

Upon demonstration of immediate and heavy financial need, as defined in the Plan, hardship withdrawals are allowed only from the participant's salary deferrals contributed to the Plan.

Notes receivable from participants

Notes receivable from participants ("participant loans or "loans") may be made to participants at their request subject to certain statutory and Plan limitations on principal and repayment provisions. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may not have more than one loan outstanding from their Plan account at any time. Notes receivable terms are generally five years or less, but may exceed five years if the purpose of the loan is to purchase a principal residence. The loans are secured by the balance in the participant's account and bear an interest rate determined based on the prime rate plus 2.00%. All outstanding loans bear interest ranging from 5.25% to 7.5% for the period ended November 29, 2022. As a result of the merger date November 29, 2022, loans were transferred into the Successor Plan.

Administrative expenses

Administrative expenses cover the routine expenses for services of lawyers, accountants, third party administrators, and other advisors. The Plan requires that certain expenses related to the Plan be paid directly by the Plan Sponsor, but permits certain expenses incurred to administer the Plan to be paid from Plan assets. Transaction fees for certain participant initiated activities are charged to the specific account of the participant initiating any such transaction.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting and financial statement presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Consumer Club, Inc. 401(k) Plan  
Notes to Financial Statements  
November 29, 2022 and December 31, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities at the date of the financial statements and the reported amounts of changes therein during the reporting period. Actual results could differ from those estimates.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that those changes could materially affect the Plan's financial statements and participants' account balances.

Investment valuation and income recognition

The Plan's investments in pooled separate accounts (PSAs) are stated at net asset value (NAV), as a practical expedient to fair value, as determined by the Custodian. The Plan's investment in the guaranteed interest account (GIA) is valued at contract value as reported by the Custodian (Note 4).

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments purchased and sold, as well as held, during the year.

Contributions and contributions receivables

Contributions from participants are recorded based on the date the contributions have been separated from a participant's pay by the Company, which is the pay date. Employer contributions are recorded in the year they are earned and to coincide with the year in which the Company records the contribution in its general ledger. The Plan records receivables based upon the contributions recognized, less amounts received by the Plan as of the last day of the Plan year.

Contributions representing participant rollovers from other qualified defined benefit or defined contribution plans are recorded when received.

Consumer Club, Inc. 401(k) Plan  
Notes to Financial Statements  
November 29, 2022 and December 31, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes receivable from participants

Notes receivable are carried and presented at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. If a participant ceases to make repayments and the plan administrator deems the participant note to be a distribution, the note receivable balance is reduced, and a benefit payment is recorded. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of the date of the financial statements.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Expenses are recorded when incurred.

Fair value measurements

Accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to the unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of fair value hierarchy are as follows:

- *Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities the Plan has the ability to access at the measurement date.
- *Level 2* - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If an asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability; or
- *Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement of the assets or liabilities.

An asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Notes to Financial Statements  
November 29, 2022 and December 31, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Fair value measurements (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. As a result of the Plan merger the Plan held no assets as of November 29, 2022.

*Pooled separate accounts ("PSAs")*: As a practical expedient, units in PSAs are valued at NAV as determined by the Custodian. Investments valued at NAV as a practical expedient to fair value are not disclosed within the fair value hierarchy. As of December 31, 2021, there were no restrictions on redemptions or unfunded commitments for any of the major classes of assets.

*Guaranteed Investment Account ("GIA")*: The Plan's investment in a guaranteed interest account is valued at contract value and is not disclosed in the fair value hierarchy under accounting standards.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Subsequent events

The Plan has evaluated subsequent events through September 15, 2023, the date the financial statements were available to be issued. There are no subsequent events which would require recognition or disclosure in the financial statements.

3. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (UNAUDITED)

The Plan administrator, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, the Custodian, determined to be a qualified institution by the plan administrator, has certified to the completeness and accuracy of:

- Investments and notes receivable from participants as shown in the accompanying statement of net assets available for benefits as of November 29, 2022 and December 31, 2021.
- Investment loss and interest income on notes receivable from participants as shown in the accompanying statement of changes in net assets available for benefits for the period ended November 29, 2022.

Accordingly, as requested by the plan administrator, the Plan's independent auditor performed no audit procedures on the certified information other than to agree the certified information to the related information included in the financial statements.

Consumer Club, Inc. 401(k) Plan  
Notes to Financial Statements  
November 29, 2022 and December 31, 2021

4. GUARANTEED INTEREST ACCOUNT

The Plan maintained a guaranteed interest account (GIA) with the Custodian under which the Custodian held participant directed contributions in the GIA within the general account of the Custodian. The GIA met the definition of a fully benefit responsive guaranteed investment contract and is reported at contract value on the Plan's 2021 financial statements, as determined by the Custodian. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

There was no reserve against contract value for credit risk of the contract issuers or otherwise. For the year ended December 31, 2021, the credit interest rate was 2.21%. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest credit rate, as stated in the contract, and prevailing market conditions. The crediting interest rate was reset quarterly.

Certain events would allow the issuer to terminate the investment contract with the Plan and limit the ability of the Plan to transact and settle at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan, or (4) the failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The GIA was transferred to the Successor Plan at fair market value on November 29, 2022.

5. INCOME TAX STATUS

The Plan operated under a volume submitter plan document sponsored by Future Plan (FKA: United Retirement Plan Consultants) who received an opinion letter from IRS, dated June 30, 2020, which states that the volume submitter plan document satisfies the applicable provisions under section 401 of the IRC for use by employers for the benefit of their employees. The Plan administrator believes that the Plan was designed and being operated in compliance with the applicable requirements of the IRC and therefore, believes that the Plan was qualified and tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

ERISA defines party-in-interest similarly to a related party under financial accounting standards, except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. Management did not identify any related parties to the Plan that were not also considered to be parties-in-interest.

Notes to Financial Statements  
November 29, 2022 and December 31, 2021

6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS (continued)

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, and an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons.

Certain fees and expenses of the Plan are paid by the Company. The Plan is not required to repay expenses paid by the Company on its behalf.

Certain fund level fees incurred by the funds in which the Plan invests for such services as investment management, shareholder services, and sub-transfer agency fees are paid through fund level revenue sharing arrangements. These fees reduce fund earnings thereby impacting Plan revenue applied to participants' accounts.

The Custodian retains, as compensation for services provided to the Plan, any interest on amounts earned while certain transactions are pending. This applies to both contributions and distributions. Earnings are at institutional money market rates.
