Independent Auditor's Report

To the Audit Committee of
Birner Dental Management Services, Inc. Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Birner Dental Management Services, Inc. Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets in liquidation as of November 22, 2022, and the related statement of changes in net assets in liquidation for the period then ended, and for the year ended December 31, 2021 (ongoing) and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Birner Dental Management Services, Inc. Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the period ended November 22, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Birner Dental Management Services, Inc. Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis-of-Matter

As discussed in Note 1 to the financial statements, the Board of Directors of Birner Dental Management Services, Inc, the Birner Dental Management Services, Inc. Savings Plan's sponsor, adopted a resolution to terminate the Plan effective June 20, 2022, and management determined liquidation is imminent. As a result, the Birner Dental Management Services, Inc. Savings Plan changed its basis of accounting from the going-concern basis of accounting used in presenting the 2021 financial statements to the liquidation basis of accounting used in presenting the 2022 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Birner Dental Management Services, Inc. Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

There were no assets held for investment as of November 22, 2022 due to the Plan termination. No supplemental schedules are applicable.

Note 1 – Description of Plan

The following description of the Birner Dental Management Services, Inc. Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement, as amended, for a more complete description of the Plan provisions.

Plan Termination - The Company had the right to terminate the Plan and discontinue its contributions at any time, subject to the provisions of ERISA. By unanimous consent of the Board of Director of the Sponsor, the Company agreed to terminate the Plan effective June 20, 2022 (the "Termination Date"). As of the termination date, no additional benefits accrued under the Plan and all Plan participants became fully vested in their respective account balances in the Plan.

A termination amendment was adopted and other amendments required for the Plan to satisfy the tax-qualification requirements of section 401(a) of the Internal Revenue Code of 1986, as amended. Beginning in October 2022, participants could rollover their account balances to an individual retirement account custodian of their choosing, or request a lump-sum distribution. In the event a participant took no action, their account balance was rolled over to an individual retirement account in the name of the participant with American Century Investments, as custodian. All assets of the plan were distributed to participants by November 22, 2022.

General – The Plan was a defined contribution plan established in 1997 by Birner Dental Management Services, Inc. (the Company) to provide benefits to eligible employees, as defined in the Plan document. The Plan was designed to be qualified under the applicable requirements of the Internal Revenue Code (the Code), as amended, and the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

In 2019, the plan sponsor, Birner Dental Management Services, Inc. was acquired by Mid-Atlantic Dental Service Holdings LLC, operating as Mid-Atlantic Dental Partners, a dental support organization ("DSO").

The Plan was frozen as of December 31, 2020, and no more contributions were allowed into the Plan.

In February 2021, net assets of the Plan were transferred to Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and Principal Life Insurance Company under a new custodial relationship but remained net assets of the then-frozen Birner Dental Management Services, Inc. Savings Plan.

In January 2022, net assets of the Plan were transferred from Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and Principal Life Insurance Company to Reliance Trust Company under a new custodial relationship but remained net assets of the then-frozen Birner Dental Management Services, Inc. Savings Plan.

Note 1 – Description of Plan (continued)

The following descriptions affected the plan prior to termination in 2022:

Eligibility – Effective January 1, 2021, active employees of the Company were eligible to begin contributing to the Mid-Atlantic Dental Partners 401(k) Retirement Plan immediately. Employees hired on or after January 1, 2021 were subject to a six-month waiting period before becoming eligible to contribute to the Mid-Atlantic Dental Partners 401(k) Retirement Plan. Such affected employees were subject to the provisions of Mid-Atlantic Dental Partners 401(k) Retirement Plan.

Contributions - No contributions were allowed into the Plan after 2020

Participant accounts – Prior to termination, each participant's account was credited with Plan earnings or losses, and forfeitures of terminated participants' non-vested accounts, as applicable. As a result of the plan termination, all participants became fully vested in their respective account balances, thus no forfeitures occurred in 2022. Participant accounts were charged with an allocation of administrative expenses paid by the Plan. Subsequent to freezing the plan, participants continued to direct the investments until final distribution.

Payment of benefits – All plan participants became fully vested in their respective account balances in the Plan on the termination date. All plan assets were distributed on or before November 22, 2022.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting – The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America, using the liquidation basis of accounting.

Use of estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions that may affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment valuation – The Plan's investments as of December 31, 2021 were stated at fair value and contract value' which approximated liquidation value. The Plan's custodian, Principal Trust Company and Principal Life Insurance Company, certified the contract value and the fair value of all investments, as applicable. If applicable, quoted market prices were used to value investments. Fair value is the price that would be received to sell an asset or paid to transfer a liability (the "exit price") in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Contract value is the relevant measurement for assets invested in fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Note 2 – Summary of Significant Accounting Policies (continued)

Income recognition – Purchases and sales of securities were recorded on a trade-date basis. Dividends were recorded on the ex-dividend date. Interest income was recorded on the accrual basis. The net appreciation in fair value of investments consists of both the realized gains and losses and unrealized appreciation and depreciation of those investments.

Expenses – Administrative expenses were paid by the Plan; all other Plan expenses are paid by the Company.

Subsequent events – Subsequent events are events or transactions that occur after the statement of net assets available for benefits date but before the financial statements are available to be issued.

The Plan evaluated subsequent events through July 31, 2023, which is the date the financial statements were available to be issued. No events or transactions were required to be disclosed or included in the financial statements.

Note 3 – Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

> **Level 1** – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities the Plan has the ability to access.
>
> **Level 2** – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
>
> **Level 3** – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Note 3 – Fair Value Measurements (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There were no changes in the techniques used since December 31, 2021 through termination.

Registered investment companies (mutual funds) – Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission.

The valuation methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables disclose the fair value hierarchy of the Plan's assets by level as of December 31, 2021:

	Fair Value Measurement at December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 11,197,520	$	$	$11,197,520
Total assets in the fair value hierarchy	$ 11,197,520	$	$	$11,197,520

Note 4 – Guaranteed Investment Contract with Standard Insurance Company

In 2021, the Plan had a fully benefit-responsive investment contract (FBRIC) with Standard Insurance Company (Standard) reported at contract value. Contract value is the relevant measure for FBRICs because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. The contract issuer was contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1%. The credit rate is reviewed on a quarterly basis for resetting. Participants directed the withdrawal or transfer of all or a portion of their investment at contract value.

Note 5 – Tax Status

The original Plan document was a volume submitter defined contribution plan that received a favorable opinion letter from the Internal Revenue Service on March 31, 2014, which stated that the plan, as then designed, was in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan was designed and operated in compliance with the applicable requirements of the IRC.

Note 5 – Tax Status (continued)

In accordance with guidance on accounting for uncertainty in income taxes, the Plan administrator evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 – Risks and Uncertainties

Prior to termination, the Plan invested in various investment securities. Investment securities were exposed to various risks, such as interest rate, market volatility, and credit risks.

Note 7 – Certification of Plan Assets and Transactions

The Plan's financial information and data presented on the Statement of Net Assets in Liquidation as of December 31, 2022 and 2021, was provided by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and Principal Life Insurance Company and Reliance Trust Company, custodian, respectively, and certified to be complete and accurate in accordance with Section 2520.103-5(d) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA as of November 22, 2022 and December 31, 2021 by the trustees.

Accordingly, certification was obtained for the following:

* Investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 (Principal).

* Net appreciation in fair value of investments, dividends, and interest reflected on the accompanying statement of changes in net assets available for benefits for the period ended November 22, 2022 (Principal and Reliance Trust Company).

Note 8 – Party-In-Interest Transactions

Certain Plan investments were managed by Principal Life Insurance Company and Reliance Trust Company. Any purchases and sales of these funds are settled at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

Note 10 – Non-Discrimination Testing

At December 31, 2021, the Plan failed the non-discrimination testing, which resulted in corrective distributions of $110,019 in 2022. The distributions are reported separately on the 2022 Form 5500, but are included as benefits paid to participants on the statement of changes in net assets in liquidation.

Independent Auditor's Report

To the Audit Committee of
Birner Dental Management Services, Inc. Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Birner Dental Management Services, Inc. Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets in liquidation as of November 22, 2022, and the related statement of changes in net assets in liquidation for the period then ended, and for the year ended December 31, 2021 (ongoing) and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Birner Dental Management Services, Inc. Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the period ended November 22, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Birner Dental Management Services, Inc. Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis-of-Matter

As discussed in Note 1 to the financial statements, the Board of Directors of Birner Dental Management Services, Inc, the Birner Dental Management Services, Inc. Savings Plan's sponsor, adopted a resolution to terminate the Plan effective June 20, 2022, and management determined liquidation is imminent. As a result, the Birner Dental Management Services, Inc. Savings Plan changed its basis of accounting from the going-concern basis of accounting used in presenting the 2021 financial statements to the liquidation basis of accounting used in presenting the 2022 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Birner Dental Management Services, Inc. Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

There were no assets held for investment as of November 22, 2022 due to the Plan termination. No supplemental schedules are applicable.

Note 1 – Description of Plan

The following description of the Birner Dental Management Services, Inc. Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement, as amended, for a more complete description of the Plan provisions.

Plan Termination - The Company had the right to terminate the Plan and discontinue its contributions at any time, subject to the provisions of ERISA. By unanimous consent of the Board of Director of the Sponsor, the Company agreed to terminate the Plan effective June 20, 2022 (the "Termination Date"). As of the termination date, no additional benefits accrued under the Plan and all Plan participants became fully vested in their respective account balances in the Plan.

A termination amendment was adopted and other amendments required for the Plan to satisfy the tax-qualification requirements of section 401(a) of the Internal Revenue Code of 1986, as amended. Beginning in October 2022, participants could rollover their account balances to an individual retirement account custodian of their choosing, or request a lump-sum distribution. In the event a participant took no action, their account balance was rolled over to an individual retirement account in the name of the participant with American Century Investments, as custodian. All assets of the plan were distributed to participants by November 22, 2022.

General – The Plan was a defined contribution plan established in 1997 by Birner Dental Management Services, Inc. (the Company) to provide benefits to eligible employees, as defined in the Plan document. The Plan was designed to be qualified under the applicable requirements of the Internal Revenue Code (the Code), as amended, and the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

In 2019, the plan sponsor, Birner Dental Management Services, Inc. was acquired by Mid-Atlantic Dental Service Holdings LLC, operating as Mid-Atlantic Dental Partners, a dental support organization ("DSO").

The Plan was frozen as of December 31, 2020, and no more contributions were allowed into the Plan.

In February 2021, net assets of the Plan were transferred to Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and Principal Life Insurance Company under a new custodial relationship but remained net assets of the then-frozen Birner Dental Management Services, Inc. Savings Plan.

In January 2022, net assets of the Plan were transferred from Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and Principal Life Insurance Company to Reliance Trust Company under a new custodial relationship but remained net assets of the then-frozen Birner Dental Management Services, Inc. Savings Plan.

Note 1 – Description of Plan (continued)

The following descriptions affected the plan prior to termination in 2022:

Eligibility – Effective January 1, 2021, active employees of the Company were eligible to begin contributing to the Mid-Atlantic Dental Partners 401(k) Retirement Plan immediately. Employees hired on or after January 1, 2021 were subject to a six-month waiting period before becoming eligible to contribute to the Mid-Atlantic Dental Partners 401(k) Retirement Plan. Such affected employees were subject to the provisions of Mid-Atlantic Dental Partners 401(k) Retirement Plan.

Contributions - No contributions were allowed into the Plan after 2020

Participant accounts – Prior to termination, each participant's account was credited with Plan earnings or losses, and forfeitures of terminated participants' non-vested accounts, as applicable. As a result of the plan termination, all participants became fully vested in their respective account balances, thus no forfeitures occurred in 2022. Participant accounts were charged with an allocation of administrative expenses paid by the Plan. Subsequent to freezing the plan, participants continued to direct the investments until final distribution.

Payment of benefits – All plan participants became fully vested in their respective account balances in the Plan on the termination date. All plan assets were distributed on or before November 22, 2022.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting – The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America, using the liquidation basis of accounting.

Use of estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions that may affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment valuation – The Plan's investments as of December 31, 2021 were stated at fair value and contract value' which approximated liquidation value. The Plan's custodian, Principal Trust Company and Principal Life Insurance Company, certified the contract value and the fair value of all investments, as applicable. If applicable, quoted market prices were used to value investments. Fair value is the price that would be received to sell an asset or paid to transfer a liability (the "exit price") in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Contract value is the relevant measurement for assets invested in fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Note 2 – Summary of Significant Accounting Policies (continued)

Income recognition – Purchases and sales of securities were recorded on a trade-date basis. Dividends were recorded on the ex-dividend date. Interest income was recorded on the accrual basis. The net appreciation in fair value of investments consists of both the realized gains and losses and unrealized appreciation and depreciation of those investments.

Expenses – Administrative expenses were paid by the Plan; all other Plan expenses are paid by the Company.

Subsequent events – Subsequent events are events or transactions that occur after the statement of net assets available for benefits date but before the financial statements are available to be issued.

The Plan evaluated subsequent events through July 31, 2023, which is the date the financial statements were available to be issued. No events or transactions were required to be disclosed or included in the financial statements.

Note 3 – Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

> **Level 1** – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities the Plan has the ability to access.
>
> **Level 2** – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
>
> **Level 3** – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Note 3 – Fair Value Measurements (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There were no changes in the techniques used since December 31, 2021 through termination.

Registered investment companies (mutual funds) – Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission.

The valuation methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables disclose the fair value hierarchy of the Plan's assets by level as of December 31, 2021:

	Fair Value Measurement at December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 11,197,520	$	$	$11,197,520
Total assets in the fair value hierarchy	$ 11,197,520	$	$	$11,197,520

Note 4 – Guaranteed Investment Contract with Standard Insurance Company

In 2021, the Plan had a fully benefit-responsive investment contract (FBRIC) with Standard Insurance Company (Standard) reported at contract value. Contract value is the relevant measure for FBRICs because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. The contract issuer was contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1%. The credit rate is reviewed on a quarterly basis for resetting. Participants directed the withdrawal or transfer of all or a portion of their investment at contract value.

Note 5 – Tax Status

The original Plan document was a volume submitter defined contribution plan that received a favorable opinion letter from the Internal Revenue Service on March 31, 2014, which stated that the plan, as then designed, was in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan was designed and operated in compliance with the applicable requirements of the IRC.

Note 5 – Tax Status (continued)

In accordance with guidance on accounting for uncertainty in income taxes, the Plan administrator evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 – Risks and Uncertainties

Prior to termination, the Plan invested in various investment securities. Investment securities were exposed to various risks, such as interest rate, market volatility, and credit risks.

Note 7 – Certification of Plan Assets and Transactions

The Plan's financial information and data presented on the Statement of Net Assets in Liquidation as of December 31, 2022 and 2021, was provided by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and Principal Life Insurance Company and Reliance Trust Company, custodian, respectively, and certified to be complete and accurate in accordance with Section 2520.103-5(d) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA as of November 22, 2022 and December 31, 2021 by the trustees.

Accordingly, certification was obtained for the following:

* Investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 (Principal).

* Net appreciation in fair value of investments, dividends, and interest reflected on the accompanying statement of changes in net assets available for benefits for the period ended November 22, 2022 (Principal and Reliance Trust Company).

Note 8 – Party-In-Interest Transactions

Certain Plan investments were managed by Principal Life Insurance Company and Reliance Trust Company. Any purchases and sales of these funds are settled at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

Note 10 – Non-Discrimination Testing

At December 31, 2021, the Plan failed the non-discrimination testing, which resulted in corrective distributions of $110,019 in 2022. The distributions are reported separately on the 2022 Form 5500, but are included as benefits paid to participants on the statement of changes in net assets in liquidation.

Independent Auditor's Report

To the Audit Committee of
Birner Dental Management Services, Inc. Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Birner Dental Management Services, Inc. Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets in liquidation as of November 22, 2022, and the related statement of changes in net assets in liquidation for the period then ended, and for the year ended December 31, 2021 (ongoing) and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Birner Dental Management Services, Inc. Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the period ended November 22, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Birner Dental Management Services, Inc. Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis-of-Matter

As discussed in Note 1 to the financial statements, the Board of Directors of Birner Dental Management Services, Inc, the Birner Dental Management Services, Inc. Savings Plan's sponsor, adopted a resolution to terminate the Plan effective June 20, 2022, and management determined liquidation is imminent. As a result, the Birner Dental Management Services, Inc. Savings Plan changed its basis of accounting from the going-concern basis of accounting used in presenting the 2021 financial statements to the liquidation basis of accounting used in presenting the 2022 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Birner Dental Management Services, Inc. Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

There were no assets held for investment as of November 22, 2022 due to the Plan termination. No supplemental schedules are applicable.

Note 1 – Description of Plan

The following description of the Birner Dental Management Services, Inc. Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement, as amended, for a more complete description of the Plan provisions.

Plan Termination - The Company had the right to terminate the Plan and discontinue its contributions at any time, subject to the provisions of ERISA. By unanimous consent of the Board of Director of the Sponsor, the Company agreed to terminate the Plan effective June 20, 2022 (the "Termination Date"). As of the termination date, no additional benefits accrued under the Plan and all Plan participants became fully vested in their respective account balances in the Plan.

A termination amendment was adopted and other amendments required for the Plan to satisfy the tax-qualification requirements of section 401(a) of the Internal Revenue Code of 1986, as amended. Beginning in October 2022, participants could rollover their account balances to an individual retirement account custodian of their choosing, or request a lump-sum distribution. In the event a participant took no action, their account balance was rolled over to an individual retirement account in the name of the participant with American Century Investments, as custodian. All assets of the plan were distributed to participants by November 22, 2022.

General – The Plan was a defined contribution plan established in 1997 by Birner Dental Management Services, Inc. (the Company) to provide benefits to eligible employees, as defined in the Plan document. The Plan was designed to be qualified under the applicable requirements of the Internal Revenue Code (the Code), as amended, and the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

In 2019, the plan sponsor, Birner Dental Management Services, Inc. was acquired by Mid-Atlantic Dental Service Holdings LLC, operating as Mid-Atlantic Dental Partners, a dental support organization ("DSO").

The Plan was frozen as of December 31, 2020, and no more contributions were allowed into the Plan.

In February 2021, net assets of the Plan were transferred to Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and Principal Life Insurance Company under a new custodial relationship but remained net assets of the then-frozen Birner Dental Management Services, Inc. Savings Plan.

In January 2022, net assets of the Plan were transferred from Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and Principal Life Insurance Company to Reliance Trust Company under a new custodial relationship but remained net assets of the then-frozen Birner Dental Management Services, Inc. Savings Plan.

Note 1 – Description of Plan (continued)

The following descriptions affected the plan prior to termination in 2022:

Eligibility – Effective January 1, 2021, active employees of the Company were eligible to begin contributing to the Mid-Atlantic Dental Partners 401(k) Retirement Plan immediately. Employees hired on or after January 1, 2021 were subject to a six-month waiting period before becoming eligible to contribute to the Mid-Atlantic Dental Partners 401(k) Retirement Plan. Such affected employees were subject to the provisions of Mid-Atlantic Dental Partners 401(k) Retirement Plan.

Contributions - No contributions were allowed into the Plan after 2020

Participant accounts – Prior to termination, each participant's account was credited with Plan earnings or losses, and forfeitures of terminated participants' non-vested accounts, as applicable. As a result of the plan termination, all participants became fully vested in their respective account balances, thus no forfeitures occurred in 2022. Participant accounts were charged with an allocation of administrative expenses paid by the Plan. Subsequent to freezing the plan, participants continued to direct the investments until final distribution.

Payment of benefits – All plan participants became fully vested in their respective account balances in the Plan on the termination date. All plan assets were distributed on or before November 22, 2022.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting – The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America, using the liquidation basis of accounting.

Use of estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions that may affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment valuation – The Plan's investments as of December 31, 2021 were stated at fair value and contract value' which approximated liquidation value. The Plan's custodian, Principal Trust Company and Principal Life Insurance Company, certified the contract value and the fair value of all investments, as applicable. If applicable, quoted market prices were used to value investments. Fair value is the price that would be received to sell an asset or paid to transfer a liability (the "exit price") in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Contract value is the relevant measurement for assets invested in fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Note 2 – Summary of Significant Accounting Policies (continued)

Income recognition – Purchases and sales of securities were recorded on a trade-date basis. Dividends were recorded on the ex-dividend date. Interest income was recorded on the accrual basis. The net appreciation in fair value of investments consists of both the realized gains and losses and unrealized appreciation and depreciation of those investments.

Expenses – Administrative expenses were paid by the Plan; all other Plan expenses are paid by the Company.

Subsequent events – Subsequent events are events or transactions that occur after the statement of net assets available for benefits date but before the financial statements are available to be issued.

The Plan evaluated subsequent events through July 31, 2023, which is the date the financial statements were available to be issued. No events or transactions were required to be disclosed or included in the financial statements.

Note 3 – Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

> **Level 1** – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities the Plan has the ability to access.
>
> **Level 2** – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
>
> **Level 3** – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Note 3 – Fair Value Measurements (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There were no changes in the techniques used since December 31, 2021 through termination.

Registered investment companies (mutual funds) – Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission.

The valuation methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables disclose the fair value hierarchy of the Plan's assets by level as of December 31, 2021:

	Fair Value Measurement at December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 11,197,520	$	$	$11,197,520
Total assets in the fair value hierarchy	$ 11,197,520	$	$	$11,197,520

Note 4 – Guaranteed Investment Contract with Standard Insurance Company

In 2021, the Plan had a fully benefit-responsive investment contract (FBRIC) with Standard Insurance Company (Standard) reported at contract value. Contract value is the relevant measure for FBRICs because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. The contract issuer was contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1%. The credit rate is reviewed on a quarterly basis for resetting. Participants directed the withdrawal or transfer of all or a portion of their investment at contract value.

Note 5 – Tax Status

The original Plan document was a volume submitter defined contribution plan that received a favorable opinion letter from the Internal Revenue Service on March 31, 2014, which stated that the plan, as then designed, was in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan was designed and operated in compliance with the applicable requirements of the IRC.

Note 5 – Tax Status (continued)

In accordance with guidance on accounting for uncertainty in income taxes, the Plan administrator evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 – Risks and Uncertainties

Prior to termination, the Plan invested in various investment securities. Investment securities were exposed to various risks, such as interest rate, market volatility, and credit risks.

Note 7 – Certification of Plan Assets and Transactions

The Plan's financial information and data presented on the Statement of Net Assets in Liquidation as of December 31, 2022 and 2021, was provided by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and Principal Life Insurance Company and Reliance Trust Company, custodian, respectively, and certified to be complete and accurate in accordance with Section 2520.103-5(d) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA as of November 22, 2022 and December 31, 2021 by the trustees.

Accordingly, certification was obtained for the following:

* Investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 (Principal).

* Net appreciation in fair value of investments, dividends, and interest reflected on the accompanying statement of changes in net assets available for benefits for the period ended November 22, 2022 (Principal and Reliance Trust Company).

Note 8 – Party-In-Interest Transactions

Certain Plan investments were managed by Principal Life Insurance Company and Reliance Trust Company. Any purchases and sales of these funds are settled at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

Note 10 – Non-Discrimination Testing

At December 31, 2021, the Plan failed the non-discrimination testing, which resulted in corrective distributions of $110,019 in 2022. The distributions are reported separately on the 2022 Form 5500, but are included as benefits paid to participants on the statement of changes in net assets in liquidation.

Independent Auditor's Report

To the Audit Committee of
Birner Dental Management Services, Inc. Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Birner Dental Management Services, Inc. Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets in liquidation as of November 22, 2022, and the related statement of changes in net assets in liquidation for the period then ended, and for the year ended December 31, 2021 (ongoing) and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Birner Dental Management Services, Inc. Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the period ended November 22, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Birner Dental Management Services, Inc. Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis-of-Matter

As discussed in Note 1 to the financial statements, the Board of Directors of Birner Dental Management Services, Inc, the Birner Dental Management Services, Inc. Savings Plan's sponsor, adopted a resolution to terminate the Plan effective June 20, 2022, and management determined liquidation is imminent. As a result, the Birner Dental Management Services, Inc. Savings Plan changed its basis of accounting from the going-concern basis of accounting used in presenting the 2021 financial statements to the liquidation basis of accounting used in presenting the 2022 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Birner Dental Management Services, Inc. Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

There were no assets held for investment as of November 22, 2022 due to the Plan termination. No supplemental schedules are applicable.

Note 1 – Description of Plan

The following description of the Birner Dental Management Services, Inc. Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement, as amended, for a more complete description of the Plan provisions.

Plan Termination - The Company had the right to terminate the Plan and discontinue its contributions at any time, subject to the provisions of ERISA. By unanimous consent of the Board of Director of the Sponsor, the Company agreed to terminate the Plan effective June 20, 2022 (the "Termination Date"). As of the termination date, no additional benefits accrued under the Plan and all Plan participants became fully vested in their respective account balances in the Plan.

A termination amendment was adopted and other amendments required for the Plan to satisfy the tax-qualification requirements of section 401(a) of the Internal Revenue Code of 1986, as amended. Beginning in October 2022, participants could rollover their account balances to an individual retirement account custodian of their choosing, or request a lump-sum distribution. In the event a participant took no action, their account balance was rolled over to an individual retirement account in the name of the participant with American Century Investments, as custodian. All assets of the plan were distributed to participants by November 22, 2022.

General – The Plan was a defined contribution plan established in 1997 by Birner Dental Management Services, Inc. (the Company) to provide benefits to eligible employees, as defined in the Plan document. The Plan was designed to be qualified under the applicable requirements of the Internal Revenue Code (the Code), as amended, and the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

In 2019, the plan sponsor, Birner Dental Management Services, Inc. was acquired by Mid-Atlantic Dental Service Holdings LLC, operating as Mid-Atlantic Dental Partners, a dental support organization ("DSO").

The Plan was frozen as of December 31, 2020, and no more contributions were allowed into the Plan.

In February 2021, net assets of the Plan were transferred to Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and Principal Life Insurance Company under a new custodial relationship but remained net assets of the then-frozen Birner Dental Management Services, Inc. Savings Plan.

In January 2022, net assets of the Plan were transferred from Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and Principal Life Insurance Company to Reliance Trust Company under a new custodial relationship but remained net assets of the then-frozen Birner Dental Management Services, Inc. Savings Plan.

Note 1 – Description of Plan (continued)

The following descriptions affected the plan prior to termination in 2022:

Eligibility – Effective January 1, 2021, active employees of the Company were eligible to begin contributing to the Mid-Atlantic Dental Partners 401(k) Retirement Plan immediately. Employees hired on or after January 1, 2021 were subject to a six-month waiting period before becoming eligible to contribute to the Mid-Atlantic Dental Partners 401(k) Retirement Plan. Such affected employees were subject to the provisions of Mid-Atlantic Dental Partners 401(k) Retirement Plan.

Contributions - No contributions were allowed into the Plan after 2020

Participant accounts – Prior to termination, each participant's account was credited with Plan earnings or losses, and forfeitures of terminated participants' non-vested accounts, as applicable. As a result of the plan termination, all participants became fully vested in their respective account balances, thus no forfeitures occurred in 2022. Participant accounts were charged with an allocation of administrative expenses paid by the Plan. Subsequent to freezing the plan, participants continued to direct the investments until final distribution.

Payment of benefits – All plan participants became fully vested in their respective account balances in the Plan on the termination date. All plan assets were distributed on or before November 22, 2022.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting – The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America, using the liquidation basis of accounting.

Use of estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions that may affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment valuation – The Plan's investments as of December 31, 2021 were stated at fair value and contract value' which approximated liquidation value. The Plan's custodian, Principal Trust Company and Principal Life Insurance Company, certified the contract value and the fair value of all investments, as applicable. If applicable, quoted market prices were used to value investments. Fair value is the price that would be received to sell an asset or paid to transfer a liability (the "exit price") in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Contract value is the relevant measurement for assets invested in fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Note 2 – Summary of Significant Accounting Policies (continued)

Income recognition – Purchases and sales of securities were recorded on a trade-date basis. Dividends were recorded on the ex-dividend date. Interest income was recorded on the accrual basis. The net appreciation in fair value of investments consists of both the realized gains and losses and unrealized appreciation and depreciation of those investments.

Expenses – Administrative expenses were paid by the Plan; all other Plan expenses are paid by the Company.

Subsequent events – Subsequent events are events or transactions that occur after the statement of net assets available for benefits date but before the financial statements are available to be issued.

The Plan evaluated subsequent events through July 31, 2023, which is the date the financial statements were available to be issued. No events or transactions were required to be disclosed or included in the financial statements.

Note 3 – Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

> **Level 1** – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities the Plan has the ability to access.
>
> **Level 2** – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
>
> **Level 3** – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Note 3 – Fair Value Measurements (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There were no changes in the techniques used since December 31, 2021 through termination.

Registered investment companies (mutual funds) – Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission.

The valuation methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables disclose the fair value hierarchy of the Plan's assets by level as of December 31, 2021:

	Fair Value Measurement at December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 11,197,520	$	$	$11,197,520
Total assets in the fair value hierarchy	$ 11,197,520	$	$	$11,197,520

Note 4 – Guaranteed Investment Contract with Standard Insurance Company

In 2021, the Plan had a fully benefit-responsive investment contract (FBRIC) with Standard Insurance Company (Standard) reported at contract value. Contract value is the relevant measure for FBRICs because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. The contract issuer was contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1%. The credit rate is reviewed on a quarterly basis for resetting. Participants directed the withdrawal or transfer of all or a portion of their investment at contract value.

Note 5 – Tax Status

The original Plan document was a volume submitter defined contribution plan that received a favorable opinion letter from the Internal Revenue Service on March 31, 2014, which stated that the plan, as then designed, was in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan was designed and operated in compliance with the applicable requirements of the IRC.

Note 5 – Tax Status (continued)

In accordance with guidance on accounting for uncertainty in income taxes, the Plan administrator evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 – Risks and Uncertainties

Prior to termination, the Plan invested in various investment securities. Investment securities were exposed to various risks, such as interest rate, market volatility, and credit risks.

Note 7 – Certification of Plan Assets and Transactions

The Plan's financial information and data presented on the Statement of Net Assets in Liquidation as of December 31, 2022 and 2021, was provided by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and Principal Life Insurance Company and Reliance Trust Company, custodian, respectively, and certified to be complete and accurate in accordance with Section 2520.103-5(d) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA as of November 22, 2022 and December 31, 2021 by the trustees.

Accordingly, certification was obtained for the following:

* Investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 (Principal).

* Net appreciation in fair value of investments, dividends, and interest reflected on the accompanying statement of changes in net assets available for benefits for the period ended November 22, 2022 (Principal and Reliance Trust Company).

Note 8 – Party-In-Interest Transactions

Certain Plan investments were managed by Principal Life Insurance Company and Reliance Trust Company. Any purchases and sales of these funds are settled at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

Note 10 – Non-Discrimination Testing

At December 31, 2021, the Plan failed the non-discrimination testing, which resulted in corrective distributions of $110,019 in 2022. The distributions are reported separately on the 2022 Form 5500, but are included as benefits paid to participants on the statement of changes in net assets in liquidation.
