Independent Auditor's Report

To the Audit Committee of
DCP Equity Partners LLC Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of DCP Equity Partners LLC Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets in liquidation as of November 22, 2022, and the related statement of changes in net assets in liquidation for the period then ended, and for the year ended December 31, 2021 (ongoing) and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of DCP Equity Partners LLC Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the period ended November 22, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of DCP Equity Partners LLC Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis-of-Matter

As discussed in Note 1 to the financial statements, the Board of Directors of DCP Equity Partners LLC, the DCP Equity Partners LLC Retirement Savings Plan's sponsor, adopted a resolution to terminate the Plan effective June 20, 2022, and management determined liquidation is imminent. As a result, the DCP Equity Partners LLC Retirement Savings Plan changed its basis of accounting from the going-concern basis of accounting used in presenting the 2021 financial statements to the liquidation basis of accounting used in presenting the 2022 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DCP Equity Partners LLC Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

There were no assets held for investment as of November 22, 2022 due to the Plan termination. No supplemental schedules are applicable.

DCP EQUITY PARTNERS LLC RETIREMENT SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS

PERIOD ENDED NOVEMBER 22, 2022 AND YEAR ENDED DECEMBER 31, 2021

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the DCP Equity Partners, LLC Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement, as amended, for a more complete description of the Plan provisions.

Plan Termination - The Company had the right to terminate the Plan and discontinue its contributions at any time, subject to the provisions of ERISA. By unanimous consent of the Board of Director of the Sponsor, the Company agreed to terminate the Plan effective June 20, 2022 (the “Termination Date”). As of the termination date, no additional benefits accrued under the Plan and all Plan participants became fully vested in their respective account balances in the Plan.

A termination amendment was adopted and other amendments required for the Plan to satisfy the tax-qualification requirements of section 401(a) of the Internal Revenue Code of 1986, as amended. Beginning in October 2022, participants could rollover their account balances to an individual retirement account custodian of their choosing or request a lump-sum distribution. In the event a participant took no action, their account balance was rolled over to an individual retirement account in the name of the participant with American Century Investments, as custodian. All assets of the plan were distributed to participants by November 22, 2022.

General – The Plan was a defined contribution multiple employer plan covering substantially all employees DCP Equity Partners, LLC (the Company) and participating employers to the plan, and was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). In October 2019, the Company was acquired by Mid-Atlantic Dental Partners, an unrelated dental support organization. Subsequent to the transaction, the Company continued to do business under its original structure and continued to operate the former plan. The Plan was frozen as of December 31, 2020, and no more contributions were allowed into the Plan.

Effective January 1, 2021, active employees of the Company were eligible to begin contributing to the Mid-Atlantic Dental Partners 401(k) Retirement Plan. Employees hired on or after January 1, 2021 were subject to a six-month waiting period before becoming eligible to contribute to the Mid-Atlantic Dental Partners 401(k) Retirement Plan. Such affected employees are subject to the provisions of Mid-Atlantic Dental Partners 401(k) Retirement Plan.

In February 2021, net assets of the Plan were transferred to Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and Principal Life Insurance Company under a new custodial relationship but remain net assets of the now-frozen DCP Equity Partners, LLC Retirement Savings Plan.

In January 2022, net assets of the Plan were transferred from Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and Principal Life Insurance Company to Reliance Trust Company under a new custodial relationship but remained net assets of the then-frozen DCP Equity Partners, LLC Savings Plan.

NOTES TO THE FINANCIAL STATEMENTS (Con't.)

PERIOD ENDED NOVEMBER 22, 2022 AND YEAR ENDED DECEMBER 31, 2021

NOTE 1 – DESCRIPTION OF PLAN (Con't)

The following descriptions affected the plan prior to termination in 2022:

Contributions – No contributions were allowed into the Plan after 2020

Participant Accounts - Prior to termination, each participant's account was credited with Plan earnings or losses, and forfeitures of terminated participants' non-vested accounts, as applicable. As a result of the plan termination, all participants became fully vested in their respective account balances, thus no forfeitures occurred in 2022. Participant accounts were charged with an allocation of administrative expenses paid by the Plan. Subsequent to freezing the plan, participants continued to direct the investments until final distribution.

Notes Receivable from Participants – Upon plan termination, participants with outstanding loans were able to either repay the outstanding balance of the loan or have the outstanding balance treated as a distribution.

Investment Options – A participant could direct employee and employer contributions in whole increments to any of the investment fund options offered by the Plan or self-direct investments.

Administrative Fees – The Plan sponsor pays certain administrative fees on behalf of the Plan.

Vesting and Payments of Benefits – All plan participants became fully vested in their respective account balances in the Plan on the termination date. All plan assets were distributed on or before November 22, 2022.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared under the accrual method of accounting.

Investment valuation – The Plan's investments as of December 31, 2021 were stated at fair value and contract value where applicable. . The Plan's custodian, Principal Trust Company and Principal Life Insurance Company, certified the contract value and the fair value of all investments, as applicable. If applicable, quoted market prices were used to value investments. Fair value is the price that would be received to sell an asset or paid to transfer a liability (the "exit price") in an orderly transaction between market participants at the measurement date. Contract value is the relevant measurement for assets invested in fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 4 for discussion of fair value measurements.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

DCP EQUITY PARTNERS LLC RETIREMENT SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS (Con't.)

PERIOD ENDED NOVEMBER 22, 2022 AND YEAR ENDED DECEMBER 31, 2021

NOTE 3 – INVESTMENTS

All investment information disclosed in the accompanying financial statements, including investments held at December 31, 2021, was obtained from information supplied to the plan administrator and certified as complete and accurate by Principal Trust Company and Principal Life Insurance Company and net appreciation in fair value of common collection trust, dividends, and interest for the period ended November 22, 2022 was certified as complete and accurate by the Reliance Trust Company.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ASC 820-10-05, Fair Value Measurements (ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

DCP EQUITY PARTNERS LLC RETIREMENT SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS (Con't.)

PERIOD ENDED NOVEMBER 22, 2022 AND YEAR ENDED DECEMBER 31, 2021

NOTE 4 – FAIR VALUE MEASUREMENTS

The three levels of the fair value hierarchy under ASC 820 are described below:

- | | |
|----------------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Observable inputs (other than level 1) including: <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability;• Inputs that are derived principally from or corroborated by observable market data by correlation or other means. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement |

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during the year ended December 31, 2021.

Registered Investment Companies: Valued at the quoted market price of the mutual funds held by the plan at year end. These holdings are categorized in Level 1 of the fair value hierarchy.

Common/Collective Trusts: Stated at net asset value as determined by the trustee at the end of the Plan year except when holding fully benefit-responsive investment contracts.

Contract value is the only required measurement for fully benefit-responsive investment contracts. The Plan's investments include funds considered common collective trusts. A common collective trust involves the pooling of assets of two or more unrelated plans at a financial institution to provide a single investment philosophy or objective applied in determining the selection of underlying investments. Each participating plan owns units of participation in the fair value of the assets underlying the trust. Thus, the *Common/Collective Trusts* are stated at net asset value at the end of the Plan year, which approximates market value.

DCP EQUITY PARTNERS LLC RETIREMENT SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS (Con't.)

PERIOD ENDED NOVEMBER 22, 2022 AND YEAR ENDED DECEMBER 31, 2021

NOTE 4 – FAIR VALUE MEASUREMENTS (Con't)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021.

Assets at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered Investment Companies	\$ <u>42,979,187</u>	\$ <u>-</u>	\$ <u>-</u>	\$ 42,979,187
Total Assets at Fair Value	\$ <u>42,979,187</u>	\$ <u>-</u>	\$ <u>-</u>	\$ 42,979,187
Investments at Contract Value				<u>766,451</u>
Total Investments				\$ <u>43,745,638</u>

NOTE 5 – PLAN TERMINATION

The Company had the right to terminate the Plan and discontinue its contributions at any time, subject to the provisions of ERISA. By written consent of the Sole Member of the Sponsor, the Company agreed to terminate the Plan effective June 20, 2023 (the "Termination Date").

Beginning in October 2023, participants could rollover their account balances to an individual retirement account custodian of their choosing, or request a lump-sum distribution. In the event a participant takes no action, their account balance will be rolled over to an individual retirement account in the name of the participant with American Century Investments, as custodian.

Amounts held in trust under the Plan were distributed, transferred, or rolled over to an "eligible retirement plan" in accordance with the participants' directions and the terms of the Plan, consistent with the requirements of the Code and regulations promulgated thereunder. A termination amendment has been adopted and other amendments required for the Plan to satisfy the tax-qualification requirements of section 401(a) of the Internal Revenue Code of 1986, as amended.

NOTES TO THE FINANCIAL STATEMENTS (Con't.)

PERIOD ENDED NOVEMBER 22, 2022 AND YEAR ENDED DECEMBER 31, 2021

NOTE 6 – INCOME TAX STATUS

In accordance with Revenue Procedure 2006-1 and Announcement 2001-77, the plan sponsor had determined that it is eligible to and had chosen to rely on the IRS prototype plan opinion letter for the original plan, as amended. The plan administrator believes the Plan was being operated in compliance with the applicable requirements of the Code and, therefore, that the Plan was qualified and the related trust was tax exempt. The Plan is subject to routine audits by the IRS; however, to the Plan administrator's knowledge, there are currently no audits in progress for any open tax periods. The Plan administrator believes the Plan is no longer subject to income tax examinations for plan years prior to 2018.

NOTE 7 – TRANSACTIONS WITH PARTIES IN INTEREST

Certain Plan investments were managed by Principal Life Insurance Company and Reliance Trust Company. Any purchases and sales of these funds are settled at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 8 – SUBSEQUENT EVENTS

The Plan evaluated events occurring between the end of the plan year and August 31, 2023, the date the financial statements were available to be issued. No other recognized or unrecognized subsequent events have occurred through this date.

Independent Auditor's Report

To the Audit Committee of
DCP Equity Partners LLC Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of DCP Equity Partners LLC Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets in liquidation as of November 22, 2022, and the related statement of changes in net assets in liquidation for the period then ended, and for the year ended December 31, 2021 (ongoing) and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of DCP Equity Partners LLC Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the period ended November 22, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of DCP Equity Partners LLC Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis-of-Matter

As discussed in Note 1 to the financial statements, the Board of Directors of DCP Equity Partners LLC, the DCP Equity Partners LLC Retirement Savings Plan's sponsor, adopted a resolution to terminate the Plan effective June 20, 2022, and management determined liquidation is imminent. As a result, the DCP Equity Partners LLC Retirement Savings Plan changed its basis of accounting from the going-concern basis of accounting used in presenting the 2021 financial statements to the liquidation basis of accounting used in presenting the 2022 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DCP Equity Partners LLC Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

There were no assets held for investment as of November 22, 2022 due to the Plan termination. No supplemental schedules are applicable.

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the DCP Equity Partners, LLC Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement, as amended, for a more complete description of the Plan provisions.

Plan Termination - The Company had the right to terminate the Plan and discontinue its contributions at any time, subject to the provisions of ERISA. By unanimous consent of the Board of Director of the Sponsor, the Company agreed to terminate the Plan effective June 20, 2022 (the “Termination Date”). As of the termination date, no additional benefits accrued under the Plan and all Plan participants became fully vested in their respective account balances in the Plan.

A termination amendment was adopted and other amendments required for the Plan to satisfy the tax-qualification requirements of section 401(a) of the Internal Revenue Code of 1986, as amended. Beginning in October 2022, participants could rollover their account balances to an individual retirement account custodian of their choosing or request a lump-sum distribution. In the event a participant took no action, their account balance was rolled over to an individual retirement account in the name of the participant with American Century Investments, as custodian. All assets of the plan were distributed to participants by November 22, 2022.

General – The Plan was a defined contribution multiple employer plan covering substantially all employees DCP Equity Partners, LLC (the Company) and participating employers to the plan, and was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). In October 2019, the Company was acquired by Mid-Atlantic Dental Partners, an unrelated dental support organization. Subsequent to the transaction, the Company continued to do business under its original structure and continued to operate the former plan. The Plan was frozen as of December 31, 2020, and no more contributions were allowed into the Plan.

Effective January 1, 2021, active employees of the Company were eligible to begin contributing to the Mid-Atlantic Dental Partners 401(k) Retirement Plan. Employees hired on or after January 1, 2021 were subject to a six-month waiting period before becoming eligible to contribute to the Mid-Atlantic Dental Partners 401(k) Retirement Plan. Such affected employees are subject to the provisions of Mid-Atlantic Dental Partners 401(k) Retirement Plan.

In February 2021, net assets of the Plan were transferred to Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and Principal Life Insurance Company under a new custodial relationship but remain net assets of the now-frozen DCP Equity Partners, LLC Retirement Savings Plan.

In January 2022, net assets of the Plan were transferred from Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and Principal Life Insurance Company to Reliance Trust Company under a new custodial relationship but remained net assets of the then-frozen DCP Equity Partners, LLC Savings Plan.

NOTES TO THE FINANCIAL STATEMENTS (Con't.)

PERIOD ENDED NOVEMBER 22, 2022 AND YEAR ENDED DECEMBER 31, 2021

NOTE 1 – DESCRIPTION OF PLAN (Con't)

The following descriptions affected the plan prior to termination in 2022:

Contributions – No contributions were allowed into the Plan after 2020

Participant Accounts - Prior to termination, each participant's account was credited with Plan earnings or losses, and forfeitures of terminated participants' non-vested accounts, as applicable. As a result of the plan termination, all participants became fully vested in their respective account balances, thus no forfeitures occurred in 2022. Participant accounts were charged with an allocation of administrative expenses paid by the Plan. Subsequent to freezing the plan, participants continued to direct the investments until final distribution.

Notes Receivable from Participants – Upon plan termination, participants with outstanding loans were able to either repay the outstanding balance of the loan or have the outstanding balance treated as a distribution.

Investment Options – A participant could direct employee and employer contributions in whole increments to any of the investment fund options offered by the Plan or self-direct investments.

Administrative Fees – The Plan sponsor pays certain administrative fees on behalf of the Plan.

Vesting and Payments of Benefits – All plan participants became fully vested in their respective account balances in the Plan on the termination date. All plan assets were distributed on or before November 22, 2022.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared under the accrual method of accounting.

Investment valuation – The Plan's investments as of December 31, 2021 were stated at fair value and contract value where applicable. . The Plan's custodian, Principal Trust Company and Principal Life Insurance Company, certified the contract value and the fair value of all investments, as applicable. If applicable, quoted market prices were used to value investments. Fair value is the price that would be received to sell an asset or paid to transfer a liability (the "exit price") in an orderly transaction between market participants at the measurement date. Contract value is the relevant measurement for assets invested in fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 4 for discussion of fair value measurements.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

DCP EQUITY PARTNERS LLC RETIREMENT SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS (Con't.)

PERIOD ENDED NOVEMBER 22, 2022 AND YEAR ENDED DECEMBER 31, 2021

NOTE 3 – INVESTMENTS

All investment information disclosed in the accompanying financial statements, including investments held at December 31, 2021, was obtained from information supplied to the plan administrator and certified as complete and accurate by Principal Trust Company and Principal Life Insurance Company and net appreciation in fair value of common collection trust, dividends, and interest for the period ended November 22, 2022 was certified as complete and accurate by the Reliance Trust Company.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ASC 820-10-05, Fair Value Measurements (ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

DCP EQUITY PARTNERS LLC RETIREMENT SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS (Con't.)

PERIOD ENDED NOVEMBER 22, 2022 AND YEAR ENDED DECEMBER 31, 2021

NOTE 4 – FAIR VALUE MEASUREMENTS

The three levels of the fair value hierarchy under ASC 820 are described below:

- | | |
|----------------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Observable inputs (other than level 1) including: <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability;• Inputs that are derived principally from or corroborated by observable market data by correlation or other means. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement |

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during the year ended December 31, 2021.

Registered Investment Companies: Valued at the quoted market price of the mutual funds held by the plan at year end. These holdings are categorized in Level 1 of the fair value hierarchy.

Common/Collective Trusts: Stated at net asset value as determined by the trustee at the end of the Plan year except when holding fully benefit-responsive investment contracts.

Contract value is the only required measurement for fully benefit-responsive investment contracts. The Plan's investments include funds considered common collective trusts. A common collective trust involves the pooling of assets of two or more unrelated plans at a financial institution to provide a single investment philosophy or objective applied in determining the selection of underlying investments. Each participating plan owns units of participation in the fair value of the assets underlying the trust. Thus, the *Common/Collective Trusts* are stated at net asset value at the end of the Plan year, which approximates market value.

NOTES TO THE FINANCIAL STATEMENTS (Con't.)

PERIOD ENDED NOVEMBER 22, 2022 AND YEAR ENDED DECEMBER 31, 2021

NOTE 4 – FAIR VALUE MEASUREMENTS (Con't)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021.

Assets at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered Investment Companies	\$ <u>42,979,187</u>	\$ <u>-</u>	\$ <u>-</u>	\$ 42,979,187
Total Assets at Fair Value	\$ <u>42,979,187</u>	\$ <u>-</u>	\$ <u>-</u>	\$ 42,979,187
Investments at Contract Value				<u>766,451</u>
Total Investments				\$ <u>43,745,638</u>

NOTE 5 – PLAN TERMINATION

The Company had the right to terminate the Plan and discontinue its contributions at any time, subject to the provisions of ERISA. By written consent of the Sole Member of the Sponsor, the Company agreed to terminate the Plan effective June 20, 2023 (the "Termination Date").

Beginning in October 2023, participants could rollover their account balances to an individual retirement account custodian of their choosing, or request a lump-sum distribution. In the event a participant takes no action, their account balance will be rolled over to an individual retirement account in the name of the participant with American Century Investments, as custodian.

Amounts held in trust under the Plan were distributed, transferred, or rolled over to an "eligible retirement plan" in accordance with the participants' directions and the terms of the Plan, consistent with the requirements of the Code and regulations promulgated thereunder. A termination amendment has been adopted and other amendments required for the Plan to satisfy the tax-qualification requirements of section 401(a) of the Internal Revenue Code of 1986, as amended.

PERIOD ENDED NOVEMBER 22, 2022 AND YEAR ENDED DECEMBER 31, 2021

NOTE 6 – INCOME TAX STATUS

In accordance with Revenue Procedure 2006-1 and Announcement 2001-77, the plan sponsor had determined that it is eligible to and had chosen to rely on the IRS prototype plan opinion letter for the original plan, as amended. The plan administrator believes the Plan was being operated in compliance with the applicable requirements of the Code and, therefore, that the Plan was qualified and the related trust was tax exempt. The Plan is subject to routine audits by the IRS; however, to the Plan administrator's knowledge, there are currently no audits in progress for any open tax periods. The Plan administrator believes the Plan is no longer subject to income tax examinations for plan years prior to 2018.

NOTE 7 – TRANSACTIONS WITH PARTIES IN INTEREST

Certain Plan investments were managed by Principal Life Insurance Company and Reliance Trust Company. Any purchases and sales of these funds are settled at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 8 – SUBSEQUENT EVENTS

The Plan evaluated events occurring between the end of the plan year and August 31, 2023, the date the financial statements were available to be issued. No other recognized or unrecognized subsequent events have occurred through this date.

Independent Auditor's Report

To the Audit Committee of
DCP Equity Partners LLC Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of DCP Equity Partners LLC Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets in liquidation as of November 22, 2022, and the related statement of changes in net assets in liquidation for the period then ended, and for the year ended December 31, 2021 (ongoing) and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of DCP Equity Partners LLC Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the period ended November 22, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of DCP Equity Partners LLC Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis-of-Matter

As discussed in Note 1 to the financial statements, the Board of Directors of DCP Equity Partners LLC, the DCP Equity Partners LLC Retirement Savings Plan's sponsor, adopted a resolution to terminate the Plan effective June 20, 2022, and management determined liquidation is imminent. As a result, the DCP Equity Partners LLC Retirement Savings Plan changed its basis of accounting from the going-concern basis of accounting used in presenting the 2021 financial statements to the liquidation basis of accounting used in presenting the 2022 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DCP Equity Partners LLC Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

There were no assets held for investment as of November 22, 2022 due to the Plan termination. No supplemental schedules are applicable.

DCP EQUITY PARTNERS LLC RETIREMENT SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS (Con't.)

PERIOD ENDED NOVEMBER 22, 2022 AND YEAR ENDED DECEMBER 31, 2021

NOTE 3 – INVESTMENTS

All investment information disclosed in the accompanying financial statements, including investments held at December 31, 2021, was obtained from information supplied to the plan administrator and certified as complete and accurate by Principal Trust Company and Principal Life Insurance Company and net appreciation in fair value of common collection trust, dividends, and interest for the period ended November 22, 2022 was certified as complete and accurate by the Reliance Trust Company.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ASC 820-10-05, Fair Value Measurements (ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

NOTES TO THE FINANCIAL STATEMENTS (Con't.)

PERIOD ENDED NOVEMBER 22, 2022 AND YEAR ENDED DECEMBER 31, 2021

NOTE 4 – FAIR VALUE MEASUREMENTS

The three levels of the fair value hierarchy under ASC 820 are described below:

- | | |
|----------------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Observable inputs (other than level 1) including: <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability;• Inputs that are derived principally from or corroborated by observable market data by correlation or other means. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement |

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during the year ended December 31, 2021.

Registered Investment Companies: Valued at the quoted market price of the mutual funds held by the plan at year end. These holdings are categorized in Level 1 of the fair value hierarchy.

Common/Collective Trusts: Stated at net asset value as determined by the trustee at the end of the Plan year except when holding fully benefit-responsive investment contracts.

Contract value is the only required measurement for fully benefit-responsive investment contracts. The Plan's investments include funds considered common collective trusts. A common collective trust involves the pooling of assets of two or more unrelated plans at a financial institution to provide a single investment philosophy or objective applied in determining the selection of underlying investments. Each participating plan owns units of participation in the fair value of the assets underlying the trust. Thus, the *Common/Collective Trusts* are stated at net asset value at the end of the Plan year, which approximates market value.

PERIOD ENDED NOVEMBER 22, 2022 AND YEAR ENDED DECEMBER 31, 2021

NOTE 4 – FAIR VALUE MEASUREMENTS (Con't)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021.

Assets at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered Investment Companies	\$ <u>42,979,187</u>	\$ <u>-</u>	\$ <u>-</u>	\$ 42,979,187

NOTE 5 – PLAN TERMINATION

The Company had the right to terminate the Plan and discontinue its contributions at any time, subject to the provisions of ERISA. By written consent of the Sole Member of the Sponsor, the Company agreed to terminate the Plan effective June 20, 2023 (the "Termination Date").

Beginning in October 2023, participants could rollover their account balances to an individual retirement account custodian of their choosing, or request a lump-sum distribution. In the event a participant takes no action, their account balance will be rolled over to an individual retirement account in the name of the participant with American Century Investments, as custodian.

Amounts held in trust under the Plan were distributed, transferred, or rolled over to an "eligible retirement plan" in accordance with the participants' directions and the terms of the Plan, consistent with the requirements of the Code and regulations promulgated thereunder. A termination amendment has been adopted and other amendments required for the Plan to satisfy the tax-qualification requirements of section 401(a) of the Internal Revenue Code of 1986, as amended.

PERIOD ENDED NOVEMBER 22, 2022 AND YEAR ENDED DECEMBER 31, 2021

NOTE 6 – INCOME TAX STATUS

In accordance with Revenue Procedure 2006-1 and Announcement 2001-77, the plan sponsor had determined that it is eligible to and had chosen to rely on the IRS prototype plan opinion letter for the original plan, as amended. The plan administrator believes the Plan was being operated in compliance with the applicable requirements of the Code and, therefore, that the Plan was qualified and the related trust was tax exempt. The Plan is subject to routine audits by the IRS; however, to the Plan administrator's knowledge, there are currently no audits in progress for any open tax periods. The Plan administrator believes the Plan is no longer subject to income tax examinations for plan years prior to 2018.

NOTE 7 – TRANSACTIONS WITH PARTIES IN INTEREST

Certain Plan investments were managed by Principal Life Insurance Company and Reliance Trust Company. Any purchases and sales of these funds are settled at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 8 – SUBSEQUENT EVENTS

The Plan evaluated events occurring between the end of the plan year and August 31, 2023, the date the financial statements were available to be issued. No other recognized or unrecognized subsequent events have occurred through this date.

Independent Auditor's Report

To the Audit Committee of
DCP Equity Partners LLC Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of DCP Equity Partners LLC Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets in liquidation as of November 22, 2022, and the related statement of changes in net assets in liquidation for the period then ended, and for the year ended December 31, 2021 (ongoing) and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of DCP Equity Partners LLC Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the period ended November 22, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of DCP Equity Partners LLC Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis-of-Matter

As discussed in Note 1 to the financial statements, the Board of Directors of DCP Equity Partners LLC, the DCP Equity Partners LLC Retirement Savings Plan's sponsor, adopted a resolution to terminate the Plan effective June 20, 2022, and management determined liquidation is imminent. As a result, the DCP Equity Partners LLC Retirement Savings Plan changed its basis of accounting from the going-concern basis of accounting used in presenting the 2021 financial statements to the liquidation basis of accounting used in presenting the 2022 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DCP Equity Partners LLC Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

There were no assets held for investment as of November 22, 2022 due to the Plan termination. No supplemental schedules are applicable.

DCP EQUITY PARTNERS LLC RETIREMENT SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS

PERIOD ENDED NOVEMBER 22, 2022 AND YEAR ENDED DECEMBER 31, 2021

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the DCP Equity Partners, LLC Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement, as amended, for a more complete description of the Plan provisions.

Plan Termination - The Company had the right to terminate the Plan and discontinue its contributions at any time, subject to the provisions of ERISA. By unanimous consent of the Board of Director of the Sponsor, the Company agreed to terminate the Plan effective June 20, 2022 (the “Termination Date”). As of the termination date, no additional benefits accrued under the Plan and all Plan participants became fully vested in their respective account balances in the Plan.

A termination amendment was adopted and other amendments required for the Plan to satisfy the tax-qualification requirements of section 401(a) of the Internal Revenue Code of 1986, as amended. Beginning in October 2022, participants could rollover their account balances to an individual retirement account custodian of their choosing or request a lump-sum distribution. In the event a participant took no action, their account balance was rolled over to an individual retirement account in the name of the participant with American Century Investments, as custodian. All assets of the plan were distributed to participants by November 22, 2022.

General – The Plan was a defined contribution multiple employer plan covering substantially all employees DCP Equity Partners, LLC (the Company) and participating employers to the plan, and was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). In October 2019, the Company was acquired by Mid-Atlantic Dental Partners, an unrelated dental support organization. Subsequent to the transaction, the Company continued to do business under its original structure and continued to operate the former plan. The Plan was frozen as of December 31, 2020, and no more contributions were allowed into the Plan.

Effective January 1, 2021, active employees of the Company were eligible to begin contributing to the Mid-Atlantic Dental Partners 401(k) Retirement Plan. Employees hired on or after January 1, 2021 were subject to a six-month waiting period before becoming eligible to contribute to the Mid-Atlantic Dental Partners 401(k) Retirement Plan. Such affected employees are subject to the provisions of Mid-Atlantic Dental Partners 401(k) Retirement Plan.

In February 2021, net assets of the Plan were transferred to Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and Principal Life Insurance Company under a new custodial relationship but remain net assets of the now-frozen DCP Equity Partners, LLC Retirement Savings Plan.

In January 2022, net assets of the Plan were transferred from Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and Principal Life Insurance Company to Reliance Trust Company under a new custodial relationship but remained net assets of the then-frozen DCP Equity Partners, LLC Savings Plan.

NOTES TO THE FINANCIAL STATEMENTS (Con't.)

PERIOD ENDED NOVEMBER 22, 2022 AND YEAR ENDED DECEMBER 31, 2021

NOTE 1 – DESCRIPTION OF PLAN (Con't)

The following descriptions affected the plan prior to termination in 2022:

Contributions – No contributions were allowed into the Plan after 2020

Participant Accounts - Prior to termination, each participant's account was credited with Plan earnings or losses, and forfeitures of terminated participants' non-vested accounts, as applicable. As a result of the plan termination, all participants became fully vested in their respective account balances, thus no forfeitures occurred in 2022. Participant accounts were charged with an allocation of administrative expenses paid by the Plan. Subsequent to freezing the plan, participants continued to direct the investments until final distribution.

Notes Receivable from Participants – Upon plan termination, participants with outstanding loans were able to either repay the outstanding balance of the loan or have the outstanding balance treated as a distribution.

Investment Options – A participant could direct employee and employer contributions in whole increments to any of the investment fund options offered by the Plan or self-direct investments.

Administrative Fees – The Plan sponsor pays certain administrative fees on behalf of the Plan.

Vesting and Payments of Benefits – All plan participants became fully vested in their respective account balances in the Plan on the termination date. All plan assets were distributed on or before November 22, 2022.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared under the accrual method of accounting.

Investment valuation – The Plan's investments as of December 31, 2021 were stated at fair value and contract value where applicable. . The Plan's custodian, Principal Trust Company and Principal Life Insurance Company, certified the contract value and the fair value of all investments, as applicable. If applicable, quoted market prices were used to value investments. Fair value is the price that would be received to sell an asset or paid to transfer a liability (the "exit price") in an orderly transaction between market participants at the measurement date. Contract value is the relevant measurement for assets invested in fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 4 for discussion of fair value measurements.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

NOTES TO THE FINANCIAL STATEMENTS (Con't.)

PERIOD ENDED NOVEMBER 22, 2022 AND YEAR ENDED DECEMBER 31, 2021

NOTE 3 – INVESTMENTS

All investment information disclosed in the accompanying financial statements, including investments held at December 31, 2021, was obtained from information supplied to the plan administrator and certified as complete and accurate by Principal Trust Company and Principal Life Insurance Company and net appreciation in fair value of common collection trust, dividends, and interest for the period ended November 22, 2022 was certified as complete and accurate by the Reliance Trust Company.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ASC 820-10-05, Fair Value Measurements (ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

DCP EQUITY PARTNERS LLC RETIREMENT SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS (Con't.)

PERIOD ENDED NOVEMBER 22, 2022 AND YEAR ENDED DECEMBER 31, 2021

NOTE 4 – FAIR VALUE MEASUREMENTS

The three levels of the fair value hierarchy under ASC 820 are described below:

- | | |
|----------------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Observable inputs (other than level 1) including: <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability;• Inputs that are derived principally from or corroborated by observable market data by correlation or other means. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement |

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during the year ended December 31, 2021.

Registered Investment Companies: Valued at the quoted market price of the mutual funds held by the plan at year end. These holdings are categorized in Level 1 of the fair value hierarchy.

Common/Collective Trusts: Stated at net asset value as determined by the trustee at the end of the Plan year except when holding fully benefit-responsive investment contracts.

Contract value is the only required measurement for fully benefit-responsive investment contracts. The Plan's investments include funds considered common collective trusts. A common collective trust involves the pooling of assets of two or more unrelated plans at a financial institution to provide a single investment philosophy or objective applied in determining the selection of underlying investments. Each participating plan owns units of participation in the fair value of the assets underlying the trust. Thus, the *Common/Collective Trusts* are stated at net asset value at the end of the Plan year, which approximates market value.

NOTES TO THE FINANCIAL STATEMENTS (Con't.)

PERIOD ENDED NOVEMBER 22, 2022 AND YEAR ENDED DECEMBER 31, 2021

NOTE 4 – FAIR VALUE MEASUREMENTS (Con't)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021.

Assets at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered Investment Companies	\$ <u>42,979,187</u>	\$ <u>-</u>	\$ <u>-</u>	\$ 42,979,187
Total Assets at Fair Value	\$ <u>42,979,187</u>	\$ <u>-</u>	\$ <u>-</u>	\$ 42,979,187
Investments at Contract Value				<u>766,451</u>
Total Investments				\$ <u>43,745,638</u>

NOTE 5 – PLAN TERMINATION

The Company had the right to terminate the Plan and discontinue its contributions at any time, subject to the provisions of ERISA. By written consent of the Sole Member of the Sponsor, the Company agreed to terminate the Plan effective June 20, 2023 (the "Termination Date").

Beginning in October 2023, participants could rollover their account balances to an individual retirement account custodian of their choosing, or request a lump-sum distribution. In the event a participant takes no action, their account balance will be rolled over to an individual retirement account in the name of the participant with American Century Investments, as custodian.

Amounts held in trust under the Plan were distributed, transferred, or rolled over to an "eligible retirement plan" in accordance with the participants' directions and the terms of the Plan, consistent with the requirements of the Code and regulations promulgated thereunder. A termination amendment has been adopted and other amendments required for the Plan to satisfy the tax-qualification requirements of section 401(a) of the Internal Revenue Code of 1986, as amended.

PERIOD ENDED NOVEMBER 22, 2022 AND YEAR ENDED DECEMBER 31, 2021

NOTE 6 – INCOME TAX STATUS

In accordance with Revenue Procedure 2006-1 and Announcement 2001-77, the plan sponsor had determined that it is eligible to and had chosen to rely on the IRS prototype plan opinion letter for the original plan, as amended. The plan administrator believes the Plan was being operated in compliance with the applicable requirements of the Code and, therefore, that the Plan was qualified and the related trust was tax exempt. The Plan is subject to routine audits by the IRS; however, to the Plan administrator's knowledge, there are currently no audits in progress for any open tax periods. The Plan administrator believes the Plan is no longer subject to income tax examinations for plan years prior to 2018.

NOTE 7 – TRANSACTIONS WITH PARTIES IN INTEREST

Certain Plan investments were managed by Principal Life Insurance Company and Reliance Trust Company. Any purchases and sales of these funds are settled at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 8 – SUBSEQUENT EVENTS

The Plan evaluated events occurring between the end of the plan year and August 31, 2023, the date the financial statements were available to be issued. No other recognized or unrecognized subsequent events have occurred through this date.
