Independent Auditor's Report

The Plan Administrator
RTS Packaging, LLC 401(k) Retirement Savings Plan
Atlanta, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of RTS Packaging, LLC 401(k) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RTS Packaging, LLC 401(k) Retirement Savings Plan

Notes to Financial Statements

1. Description of Plan

The following description of the RTS Packaging, LLC 401(k) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of RTS Packaging, LLC (the Company) who meet eligibility requirements. The Plan became effective on January 1, 1998 and has since been amended. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Administrative Committee oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Administrative Committee.

The following transfers occurred during 2022:

	Transfers out
WestRock Company 401(k) Retirement Savings Plan	\$ (79,501)
Total	\$ (79,501)

Administration

Empower Trust Company, LLC (Empower Trust) is the trustee and custodian of the Plan, and Empower Retirement, LLC (Empower Retirement) is the Plan's recordkeeper who maintained individual accounts reflecting each participant's respective interest in the value of the Plan's net assets.

Certain administrative functions are performed by employees of the Company. These employees did not receive compensation from the Plan.

The WestRock Company 401(k) Retirement Savings Plan Trust (Master Trust) holds investments on behalf of the Plan, the WestRock Company 401(k) Retirement Savings Plan, and the WestRock Company 401(k) Provisional Retirement Savings Plan (see Note 3).

Eligibility

Employees are eligible to participate in the Plan after completing a minimum service period of one month, and temporary employees are eligible to participate after one year of service. Collectively bargained employees, as defined by the Plan, are generally eligible to participate after having completed a minimum service period of ninety days, subject to certain exclusions stated in the Plan document. An employee's service with a predecessor employer acquired by or merged with the Company or service with WestRock Company will be taken into account for the purposes of determining an employee's eligibility to participate in the Plan.

Contributions

Once eligible, certain participants are automatically enrolled in the Plan with a deferral percentage of 3% of eligible compensation unless the participant 1) elects not to participate in the Plan or

RTS Packaging, LLC 401(k) Retirement Savings Plan

Notes to Financial Statements

2) elects a different deferral percentage. Subsequently, the deferral percentage for automatically enrolled participants is automatically increased 1% annually up to a maximum deferral percentage of 10%, unless the participant 1) elects not to participate in the automatic increase or 2) elects a different deferral percentage maximum.

Outside of the automatic enrollment process, participants may make before-tax or Roth contributions between a minimum of 1% and a maximum of 75% of eligible compensation, as defined by the Plan, to the Plan, subject to certain maximum limitations under the Internal Revenue Code (IRC). Participants who have or will attain age 50 on or before the end of the year are eligible to make catch-up contributions to the Plan. Employees can request to make a rollover contribution to the Plan before meeting the participation requirement of the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan through the Master Trust.

For each pay period that a participant makes contributions to the Plan, the Company makes a matching contribution. Matching provisions for participants are 100% of the participant's contribution up to 5% of eligible compensation for such pay period. In addition, for all participants who are not collectively bargained participants and are employed on the last day of the Plan year, an additional company contribution will be made in the amount of 2.5% of the participant's eligible compensation for the Plan year. The additional company contribution totaled \$892,688 for the year ended December 31, 2022. Matching contributions for participants that are part of a collectively bargained agreement are in accordance with the respective contract with each bargaining unit. Company matching contributions range from 25% to 50% of the participant's contribution, based on the participant's union affiliation, for each pay period up to a maximum of 6% of eligible compensation.

Participant Accounts

Each participant's account is credited with (i) the participant's 401(k) contribution, (ii) the Company's contribution, and (iii) the participant's account earnings, thereon. Each participant's account is charged with (i) withdrawals and (ii) an allocation of administrative expenses. The benefit to which a participant is entitled is the participant's vested account balance.

Investment Options

All investments are held in the Master Trust as of December 31, 2022 and 2021.

Vesting

Participants vest immediately in their voluntary contributions and actual earnings thereon. All participants who are not collectively bargained participants vest immediately in matching contributions made by the Company for plan years beginning on or after January 1, 2016. Vesting in the Company's matching contributions for collectively bargained participants, additional contributions, and earnings thereon is based on years of service. Generally, a participant's account is fully vested after three years of credited service or other events, as defined by the Plan.

Forfeitures

Forfeited non-vested amounts are used to pay general administrative expenses of the Plan, restore account balances for re-employed participants, and/or to offset Company matching contributions.

RTS Packaging, LLC 401(k) Retirement Savings Plan

Notes to Financial Statements

Forfeitures of \$35,409 were used to offset Company contributions during the year ended December 31, 2022. Forfeitures of \$115,139 and \$80,137 were available for future use as of December 31, 2022 and 2021, respectively.

Withdrawals and Payments of Benefits

Participants can elect to receive payment of their vested account balance as soon as practicable after employment is terminated or after becoming disabled. Participants may have their account paid directly to them net of appropriate taxes and penalties (as applicable) or transferred in a direct rollover to another qualified plan or individual retirement account without taxes or penalties. Participants who have attained the age of 70½ receive distributions in accordance with the Internal Revenue Service (IRS) minimum required distribution rules.

In general, the Plan also provides for withdrawals by a participant from his or her contribution account prior to retirement either upon the attainment of age 59½, disability, a hardship withdrawal, a rollover withdrawal, or upon termination of the Plan without establishment of a successor plan.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is set at 1% above the prime rate, as defined. Loans must be repaid within five years, except principal residence loans which may not exceed fifteen years, to the participant's account with interest. Principal and interest are paid ratably through monthly payroll deductions.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received from the sale of an asset or paid to transfer a liability in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The Plan Sponsor determines the Plan's valuation policies utilizing information provided by its investment advisors and trustee. See Note 4 for discussion of fair value measurements.

RTS Packaging, LLC 401(k) Retirement Savings Plan

Notes to Financial Statements

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, these management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Administrative Expenses

Certain administrative expenses are paid by the Plan, as allowed by the Plan document. Recordkeeping, investment advisory, and custodial fees are paid by plan participants and all other expenses are paid by the Company and excluded from these financial statements. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Investment and advisory management fees related to the stable value common/collective trust and the custom funds are paid from the assets of the Master Trust on a quarterly basis. Such fees are recorded as a deduction from the Master Trust's net assets.

Payment of Benefits

Benefit payments are recorded upon distribution.

3. Interest in WestRock Master Trust

Effective January 1, 2016, the Plan entered into the WestRock Company Master Trust agreement with Great-West who became the custodian of the Master Trust's investments and the Plan's Trustee. The value of the Plan's share of net assets is presented as a single asset and the net investment experience in the Master Trust is presented as a single addition to or deduction from net assets in the accompanying financial statements.

The Master Trust's net assets are allocated among participating plans by assigning to each plan those transactions (primarily contributions, benefit payments and certain administrative expenses) which can be specifically identified, and by allocating among participating plans, in proportion to the fair value of the net assets assigned to each plan, income and expenses resulting from the collective investment of the net assets of the Master Trust.

The Plan does not have an undivided interest in the investments held in the Master Trust since each plan's interest in the investments of the Master Trust is based on the account balances of the participants and their elected investment fund options.

RTS Packaging, LLC 401(k) Retirement Savings Plan

Notes to Financial Statements

The following table summarizes the net assets of the Plan and Master Trust:

December 31,

	2022		2021

Net Asset Available for Benefits	\$ 3,975,465,839	\$ 55,573,072	\$ 4,801,660,406	\$ 66,530,415

Investment loss for the Master Trust was as follows:

Year ended December 31,	2022
Master Trust investment (loss) income:	
Interest and dividends	\$ 8,540,005
Net depreciation in fair value of investments	(725,905,385)
Total Master Trust Investment Loss	\$ (717,365,380)

4. Fair Value Measurements

The Financial Accounting Standards Board (FASB) has established a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

RTS Packaging, LLC 401(k) Retirement Savings Plan

Notes to Financial Statements

The asset or liability fair value measurement levels within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. There have been no changes in the valuation methodologies used at December 31, 2022 and 2021.

The following tables set forth by level, within the fair value hierarchy, the Master Trust's assets at fair value:

December 31, 2022

	Level 1	Total
Mutual funds ^(a)	\$ 54,622,094	\$ 54,622,094
Common stock of WestRock Company ^(b)	-	-
Common stocks ^(c)	413,014,375	413,014,375
Money market funds ^(d)	3,786,445	3,786,445
Total	\$ 471,422,914	471,422,914
Investment measured at NAV - collective trusts ^(e)		3,504,042,925
Total Assets, at fair value		\$ 3,975,465,839

December 31, 2021

	Level 1	Total
Mutual funds ^(a)	\$ 69,798,103	\$ 69,798,103
Common stock of WestRock Company ^(b)	141,084,052	141,084,052
Common stocks ^(c)	503,741,525	503,741,525
Money market funds ^(d)	4,970,993	4,970,993
Total	\$ 719,594,673	719,594,673
Investment measured at NAV - collective trusts ^(e)		4,082,065,733
Total Assets, at fair value		\$ 4,801,660,406

^(a) Mutual funds are valued using the net asset value (NAV) of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market and classified within Level 1 of the valuation hierarchy.

^(b) Unitized stock funds consist of shares of the Company's stock as well as a nominal cash balance and are valued based on the quoted market price of the Company's common stock and the cost of short-term money market investments.

^(c) Common stocks and American depository receipts are valued using a quoted price in an active market and classified within level 1 of the valuation hierarchy.

^(d) Money market funds are stated at cost plus accrued interest which approximates fair value.

^(e) Valued using the NAV of the fund. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. There were no unfunded commitments on these funds as of December 31, 2022 and 2021 and no liquidity restrictions. Further, these collective trust funds are DFE filers.

RTS Packaging, LLC 401(k) Retirement Savings Plan

Notes to Financial Statements

The Master Trust invests in a stable value collective trust fund (the stable value fund) managed by Galliard Capital Management (GCM). The stable value fund is comprised primarily of fully-benefit responsive synthetic investment contracts and is valued at net asset value. The net asset value is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) are recorded at the net asset value and may occur daily. If the Plan initiates a full redemption of the stable value fund, GCM reserves the right to acquire 12 months' notification to ensure the securities liquidations will be carried out in an orderly business manner. The balance of the stable value fund was \$443,845,029 and \$412,249,183 at December 31, 2022 and 2021, respectively.

5. Information Certified by Trustee

The Plan Administrator has elected the method of annual reporting compliance for certain investment information as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, the trustee, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.

<i>December 31,</i>	2022	2021
Statements of Net Assets Available for Benefits		
Plan interest in WestRock Master Trust	\$ 55,573,072	\$ 66,530,415
Notes receivable from participants	1,480,897	1,366,207
Total	\$ 57,053,969	\$ 67,896,622

<i>December 31,</i>	2022
Statement of Changes in Net Assets Available for Benefits	
Plan interest in investment loss of WestRock Master Trust	\$ (10,428,177)
Interest income from notes receivable from participants	66,603

6. Income Tax Status

The Plan has received a determination letter from the IRS dated February 9, 2017, stating that the Plan is qualified under Section 401(a) of the IRC and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator and Plan's tax counsel believe that the Plan was designed and operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Related Party and Party-in-Interest Transactions

Certain Plan investments are managed by the trustee. Transactions involving these investments qualify as party-in-interest transactions. In addition, the trustee receives investment management

RTS Packaging, LLC 401(k) Retirement Savings Plan

Notes to Financial Statements

fees related to these funds prior to any funds being allocated to investment earnings or losses. Party-in-interest transactions also include loans made to participants. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA. Fees paid to the party-in-interest were \$46,646 for the year ended December 31, 2022.

8. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their account balances, and the assets of the Plan will be distributed to the participants in accordance with the Plan provisions.

9. Risks and Uncertainties

The Plan invests in various investment securities, including those held by the Master Trust. Investment securities are exposed to various risks, such as interest rate, market, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

10. Subsequent Events

The Plan has evaluated subsequent events after the statement of net assets available for plan benefits date through September 5, 2023, the date that the financial statements were available to be issued.
