## **Report of Independent Auditors**

To the Participants and Administrator of TCMI, Inc. 401(k) Profit Sharing Plan:

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of TCMI, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes (collectively referred to as the “financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Other Matter**

#### *Supplemental Schedule Required by ERISA*

The supplemental schedule of assets (held at end of year) as of December 31, 2022, (referred to as the "supplemental schedule"), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**TCMI, INC. 401(K) PROFIT SHARING PLAN**  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021

---

**1. DESCRIPTION OF PLAN**

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General**

The TCMI, Inc. 401(k) Profit Sharing Plan (the "Plan") was established on June 26, 1995 and amended and restated as of April 1, 2019 and again on January 1, 2020. The Plan covers eligible employees of TCMI, Inc. (collectively, the "Company").

The Plan, which is a defined contribution plan under the Employee Retirement Income Security Act of 1974 ("ERISA"), is administered by the trustee appointed by the Board of Directors of the Company.

**Participant Eligibility**

There are no service requirements for elective deferral contributions; thus, all employees, ages 21 and over, are eligible to participate upon employment.

**Contributions**

The Plan participants may elect to defer not less than 1% of eligible compensation and not more than 90% of eligible compensation on a pre-tax basis or post-tax basis under Section 401(k) or Section 402A, respectively, of the Internal Revenue Code (the "Code"). Pre-tax and post-tax contributions were limited to a maximum of \$20,500 for the year ended December 31, 2022, or such other limit prescribed by Section 402 of the Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of up to \$6,500 for the year ended December 31, 2022. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the plan unless they affirmatively elect not to participate in the plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in a designated fund until changed by the participant. All contributions are made through payroll deductions and can be changed or stopped at any time. Rollover contributions from other qualified plans or annuity contracts are permitted.

**Company Match, Profit Sharing and Safe Harbor Contribution**

The Company may make a discretionary matching contribution equal to a uniform percentage or dollar amount of matched employee contributions. Each year, the Company will determine the formula for the discretionary matching contribution. For the Plan year ended December 31, 2022, the Company elected not to make a matching contribution.

The Company may also make a safe harbor non-elective contribution to the account of each eligible participant in an amount not less than 3% of the eligible participant's Plan compensation for the plan year. The Plan did not utilize the Safe Harbor for the year ended December 31, 2022.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021

---

**1. DESCRIPTION OF PLAN (CONTINUED)**

**Company Match, Profit Sharing and Safe Harbor Contribution (Continued)**

The Company may also make a discretionary profit-sharing contribution in an amount as determined by the Company. In order to share in the allocation of the profit-sharing contributions, a participant is required to be employed by the company on the last day of the plan year. The Company selected "New Comparability - One Group per Participant" as the allocation method used for the profit-sharing contribution. Under this method the profit-sharing contribution shall be allocated to each group designated by the Company. There shall be one group created for each participant eligible to receive allocations and the contribution shall be allocated in a manner determined by the Company. The amount allocated to one group need not bear any relationship to amounts allocated to any other group. For the Plan years ended December 31, 2022, the Company's profit-sharing contributions amounted to \$1,279,297 (\$1,100,008 in 2021). As of December 31, 2022, the Company's profit-sharing contributions were outstanding and are recorded as a receivable on the statement of net assets available for benefits.

**Vesting**

Participants are 100% vested in the value of their cumulative contributions and earnings thereon. Vesting in the value of the Company contributions and earnings thereon is subject to years of service with 100% vesting at 3 years of service and 75% at 2 years of service. If a participant terminates his or her employment with the Company, the non-vested portion of company contributions is forfeited. Such forfeitures are used to reduce future Company contributions and plan expenses.

**Participant Accounts**

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution (if any) and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses. The expenses charged to the Plan may be charged pro rata to each participant in relation to the size of each participant's account balance or may be charged equally to each participant.

**Payment of Benefits**

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or elect partial payments over time. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

**Notes Receivable from Participants**

Participants may borrow against their individual accounts under certain conditions. Participant loans range between a minimum of \$1,000 and a maximum of the smaller of \$50,000 or 50% of the employee's vested account balance. Participant loans carry an interest rate of prime plus 1% and must be repaid within five years or a period not to exceed ten years if such loan is to be used for the purchase of a participant's principal residence. Participants may only have two loans outstanding at any time. No allowance for credit losses has been recorded as of December 31, 2022.

**Forfeited Accounts**

At December 31, 2022, forfeited non-vested accounts amounted to \$49,973.99 (\$71,898.77 in 2021). These accounts will be used to reduce future employer contributions and plan expenses. Employer contributions allocated to participants during 2022 were reduced by funds from the forfeited non-vested accounts.

**2. SUMMARY OF ACCOUNTING POLICIES**

**Plan Terminations**

The Company intends to continue the Plan indefinitely; however, it may discontinue its contributions and terminate the Plan at any time subject to the provisions of ERISA. Upon termination of the Plan, all participants have a non-forfeitable right to the entire value of their accounts.

**Basis of Accounting - GAAP**

The financial statements of the Plan have been prepared on the accrual basis of accounting in conformity with generally accepted accounting principles.

**Risks and Uncertainties**

The assets of the Plan are primarily financial instruments which are monetary in nature. Accordingly, interest rates have a more significant impact on the Plan's performance than do the effects of general levels of inflation. Interest rates generally do not move in the same direction or with the same magnitude as prices of goods and services as measured by the consumer price index. Investments are subject to risk conditions of the individual investment's objectives, stock market performance, interest rates, economic conditions, and world affairs. Due to the level of risk associated with the Plan's investments, it is reasonably possible that changes in the values of the Plan's investments will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

**Use of Estimates in the Preparation of Financial Statements**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires Plan administrators to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Accordingly, results could differ from those estimates.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

**Investments Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received for an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan gains and losses on investments bought and sold as well as held during the year.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan document. Certain administrative expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

**3. FAIR VALUE MEASUREMENTS**

ASC 820 establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Observable market-based inputs or unobservable inputs that are corroborated by market data. Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the techniques and inputs used for each major class of assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022.

*Mutual Funds:* The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded and are classified within Level 1 of the valuation hierarchy.

*Money Market Funds:* Valued based on the funds' reported closing net asset value ("NAV") as of the last business day of the plan year. The money market funds held by the Plan are considered to be actively traded and are classified within Level 1 of the valuation hierarchy.

*Collective Investment Trust Funds:* The fair value of collective investment trust (CIT) funds are based on the readily available net asset value (NAV) of the shares as reported by the fund. The CITs held by the Plan are considered to be actively traded among employee benefit plans and are classified within Level 1 of the valuation hierarchy.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

### 3. FAIR VALUE MEASUREMENTS (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents by level, within the fair value hierarchy, the Plan investment assets at fair value, as of December 31, 2022 and 2021.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021

**4. INCOME TAX STATUS**

The underlying pre-approved plan has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020 stating that the form of the plan is qualified under Section 401 of the Internal Revenue Code (the Code) and therefore, the related trust is tax-exempt. The plan administrator has determined that it is eligible to and has chosen to rely on the current IRS pre-approved plan opinion letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and therefore believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**5. PARTY-IN-INTEREST TRANSACTION**

The Plan has not considered Company contributions to the Plan or benefits accrued or paid by the Plan for participants as party-in-interest transactions.

Certain plan investments are managed by Fidelity Management Trust Company, the trustee and record-keeper for the Plan and, therefore, these transactions qualify as party in interest transactions.

**6. INFORMATION CERTIFIED BY TRUSTEE**

Information related to investments disclosed in the accompanying financial statements and held at December 31, 2022 and 2021, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company (the current trustee of the Plan).
