The financial statements comprise the statements of net assets available for benefits--modified cash basis as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits--modified cash basis for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Trevdan, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note B.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Trustees

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Trevdan, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note B, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Trevdan, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

To the Plan Trustees
Trevdan, Inc. 401(k) Plan
Chester Springs, Pennsylvania

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Trevdan, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Trevdan, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

To the Plan Trustees
Trevdan, Inc. 401(k) Plan
Chester Springs, Pennsylvania

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TREVDAN, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE A - DESCRIPTION OF PLAN

The following description of the Trevdan, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all full-time employees of Trevdan, Inc. (the "Company") who have two months of service and are age 18 or older. Employees are able to enter the Plan on the first day of the calendar month coinciding with or following the eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective January 1, 2009, employees are automatically enrolled in the Plan. Upon automatic enrollment, employees have 3% of their compensation deducted from their pay and contributed to the Plan. The payroll deduction percentage will increase annually on January 1 by 1% until it reaches 10%. Payroll deduction percentages can be changed or eliminated at any time by employees.

Contributions

Each year, participants can elect to defer a percentage of their compensation, as defined in the Plan, up to a maximum contribution of \$20,500 for 2022 and \$19,500 for 2021. Certain eligible employees were allowed to make additional catch-up elective deferrals of up to \$6,500 for both 2022 and 2021. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). For the Plan years ending 2022 and 2021, the Company matched 25% of the participants' contributions.

Participant Accounts

A separate investment account is maintained for each Plan participant. Participants may direct the investment of their accounts into various funds specified by the Plan. Participant accounts are credited with the participant's contribution, an allocation of the Company's contribution, Plan earnings (losses) and forfeitures of terminated participants' nonvested accounts. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

A participant is vested in Company contributions based on a schedule available from the Plan Administrator. A participant is 100% vested after six years of service. Regardless of the vesting schedule, a participant will become fully vested upon attainment of Normal Retirement Age while an employee, death while an employee, becoming disabled while an employee or the attainment of Early Retirement Age while an employee.

TREVDAN, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE A - DESCRIPTION OF PLAN (Continued)

Participant Loans Receivable

Participant loans are permitted under the Plan. Participants may elect to take up to two loans from the Plan at any given time. The minimum loan amount is \$1,000. As required by law, a loan amount is limited to the lesser of \$50,000 or 50% of the participant's vested account and must be repaid within five years unless the loan is for the purchase of a primary residence. The loans are secured by the vested balance in the participant's account and bear interest at the prime rate + 1%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to disability, retirement, or death, a participant or their beneficiary may elect to receive an amount equal to the value of the participant's vested interest in their account.

Forfeited Accounts

Employees who terminate employment and are not fully vested will forfeit the nonvested portion of their account balance to the Plan, as specified in the Adoption Agreement. Forfeited nonvested accounts are allocated to participants in the same manner as employer contributions. The non-vested account balance as of December 31, 2022 and 2021 was \$725 and \$1,100, respectively, and is maintained in an account separate from the individual participant accounts. Forfeited amounts of \$1,645 for 2022 and \$9,360 for 2021 were used to pay plan expenses.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contribution at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, distribution of participants' accounts shall be in accordance with the Plan document.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions into an insurance general account, various mutual funds (equity and fixed income), money market accounts, or lifestyle funds, which include portfolios designed for aggressive, growth, balanced, moderate and conservative investors.

TREVDAN, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Consequently, Company matching contributions and any discretionary profit-sharing contributions are recorded when received and are not accrued. Accordingly, the accompanying financial statements are not intended to present net assets available for benefits and changes in net assets available for benefits in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value at December 31, 2022 and 2021. Quoted market prices are used to value mutual funds and the money market fund.

The Guaranteed Account is fully benefit-responsive and is reported at contract value. Contract value represents the value of the fund as of the last business day in the Plan year plus any accrued interest through the last day of the Plan year. The principal due under the contract and termination value is based upon the terms and conditions of the Plan's policy.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when received. Net appreciation or depreciation of investments is reported on the statement of changes in net assets available for benefits and consists of the Plan's realized gains and losses and the unrealized appreciation or depreciation of these investments.

Participant Loans Receivable

Participant loans receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded when received. Related fees are recorded as administrative expenses and are expensed when they are paid. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Payment of Benefits

Benefits are recorded when paid.

Administrative Costs

Some of the administrative expenses of the Plan are paid by the Company.

TREVDAN, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Date of Management's Review

Management has evaluated subsequent events through September 12, 2023, the date which the financial statements were available to be issued.

NOTE C - RELIANCE ON CUSTODIAN'S REPORT

The administrator of the Plan chose the method of compliance permitted by Section 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Under that section, no auditing procedures are required to be performed with respect to the investment information certified by the custodian of the Plan, Ameritas Life Insurance Corporation, other than comparing such information to that contained in the financial statements and supplemental schedules. The information certified by the custodian, which was relied upon in the preparation of these financial statements and schedule, includes:

	<u>2022</u>	<u>2021</u>
Insurance company guaranteed account	\$ 1,514,349	\$ 1,309,637
Mutual funds and money market fund	7,769,560	9,092,645
Investment income (loss)		
Interest income, participant loans	13,309	17,667
Net investment gain (loss) from mutual funds and money market fund	(1,660,305)	1,090,591
Other investment income, guaranteed account	27,411	22,897

NOTE D - FAIR VALUE MEASUREMENTS

Professional accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three broad levels.

Level 1 inputs are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. *Level 2* inputs are other than quoted prices that are observable for the asset or liability, either directly or indirectly through market corroboration, for substantially the full term of the financial instrument. *Level 3* inputs are unobservable inputs based on the Plan's assumptions used to measure assets and liabilities at fair value. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

TREVDAN, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

Assets of the Plan for which fair values are determined on a recurring basis are summarized as follows:

	<u>2022</u>	<u>2021</u>
	<u>Level 1</u>	<u>Level 1</u>
Mutual funds and money market fund	\$ <u>7,769,560</u>	\$ <u>9,092,645</u>

Mutual funds and money market fund have quoted prices for identical assets in active markets; therefore, the investments are measured at fair value using these readily available Level 1 inputs.

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE E - GUARANTEED INVESTMENT CONTRACT

In 2020, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with The Ameritas Life Insurance Corp. (Ameritas) totaling \$1,514,349 for 2022 and \$1,309,637 for 2021. Ameritas maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1%.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Ameritas, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

TREVDAN, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE E - GUARANTEED INVESTMENT CONTRACT (Continued)

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. The Plan Administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

The weighted average interest crediting rate, as of December 31, 2022, is 2.91% and for December 31, 2021 is 2.81%.

NOTE F - TAX STATUS

The Plan is a prototype non-standardized profit-sharing plan with CODA sponsored by CCH Incorporated. The prototype plan has received a favorable opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, indicating that the Plan is a qualified plan under Section 401(k) of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan, as amended, is designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the plan administrator believes that the Plan was qualified and the related trust is tax-exempt.

In accordance with the modified cash basis of accounting, plan management evaluates tax positions taken by the plan and recognizes a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G - RISKS AND UNCERTAINTIES

Investments of the Plan are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks will occur in the near term and that such changes could materially affect investment assets reported in participant account balances and in the statements of net assets available for benefits--modified cash basis.

TREVDAN, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE H - CONCENTRATION OF CREDIT RISK

Financial instruments that potentially subject the Plan to a concentration of credit risk consist principally of temporary cash investments. The Plan maintains a portion of its cash investments with an investment company.

NOTE I - RELATED-PARTY TRANSACTIONS

The guaranteed account of the Plan is managed by the custodian, and, therefore, all transactions involving these investments qualify as party-in-interest transactions. In addition, the Plan issues loans to participants, which are secured by the balances in the participant's accounts. These transactions are allowable party-in-interest transactions.
