EPSON AMERICA, INC. 401(k) PLAN

FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
Epson America, Inc. 401(k) Plan
3131 Katella Avenue
Los Alamitos, California 90720

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Epson America, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

To the Participants and Plan Administrator of
Epson America, Inc. 401(k) Plan

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EPSON AMERICA, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Epson America, Inc. 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document and amendments for more specific provisions.

A. General

The Plan is a defined contribution plan that was established in 1984 by Epson America, Inc. (the "Company") to provide retirement benefits for eligible employees, as defined in the Plan document. The Plan was amended and restated in its entirety to comply with the Economic Growth and Tax Relief Reconciliation Act (EGTRRA) and other legislative changes.

B. Administration and Expenses

The Company appointed a 401(k) Committee (the Administrative Committee) to manage the operation and administration of the Plan. T. Rowe Price Trust Company (T. Rowe Price) serves as Plan trustee; T. Rowe Price affiliate serves as third party administrator to maintain the records of participant data. Investment fund management fees and operating expenses are charged directly to the fund and are thereby factored into each fund as a reduction in investment return. Other costs of administering the Plan may be paid from the Plan or paid by the Company at the discretion of the Administrative Committee.

C. Eligibility

All employees are eligible to participate in the Plan as of the second payroll period following the date of employment except leased employees, any employee who is a Japanese citizen on temporary assignment from Seiko Epson Corporation and accruing benefits under the Seiko Retirement Plan in Japan, and any person not classified as an employee by the Company for which such person performs services.

D. Participant Contributions

Participants may elect to have the Company contribute their eligible compensation on a pre-tax or Roth basis, as defined in the Plan, up to the amount allowable under the Plan document and current income tax regulations. Participants age 50 and older may make additional catch-up contributions, up to applicable Code limits.

Newly hired employees, including those who do not make an affirmative election to defer compensation to the Plan, are auto-enrolled at a pre-tax contribution rate of 5% of eligible compensation with an annual contribution accelerator feature of 2% each year up to a maximum of 15%.

Participants are allowed to make rollover contributions of amounts received from other tax-qualified retirement plans subject to approval of the plan administrator. Such contributions are deposited in the appropriate investment funds in accordance with the participant's investment directions.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

E. Employer Contributions

The Company matches 75% of the participant's contribution up to the first 5% of eligible compensation and matches 25% of the next 5% of eligible compensation. Each year, the Company also makes a retirement contribution of 4% of eligible compensation for eligible participants. Eligible compensation includes commissions limited to 20% of the participant's base salary or base wages and Section 125 compensation, which would include pre-tax payroll dollars deducted to pay benefits covered under a flexible benefit plan. Effective April 27, 2020, the Plan was amended to make Company matching and retirement contributions discretionary.

F. Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, employer matching contributions and an allocation of Plan earnings or losses and expenses. Plan assets are invested based solely on instructions received from participants.

The contributions of participants who decline to make an investment election are invested in a default investment option as determined by the Administrative Committee until the participant makes investment elections under the Plan.

G. Vesting

Participants are immediately vested in their elective deferral contributions, rollover contributions, qualified non-elective contributions, qualified matching contributions plus actual earnings thereon. Vesting in employer matching contributions is based on the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage (%)</u>
After 1 year	25
After 2 years	50
After 3 years	75
After 4 years	100

Participants also become fully vested upon reaching normal retirement age (65), death while in the employ of the Company, termination by reason of disability or termination of the Plan by the Company.

H. Payment of Benefits

Upon termination of service, death, disability or retirement, a participant or beneficiary may choose to maintain his or her account in the Plan or receive benefits in a lump sum payment or installment payments equal to the value of the participant's account balance. If a terminated participant's account balance is between \$1,000 and \$5,000 and no distribution election has been received from the participant or beneficiary of the account, the account will be rolled over to an individual retirement account at the direction of the plan administrator. If such account does not exceed \$1,000, the balance will be paid in a lump sum distribution. Under limited circumstances, the plan administrator may approve hardship withdrawals. Additionally, an in-service distribution can also be made to participants who have attained the age of 59½.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

I. Notes Receivable from Participants

The Plan allows participants to borrow not less than \$500 up to the lesser of \$50,000 or 50% of their vested account balance. A loan is secured by a participant's vested account balance, bears interest at available market financing rates and must be repaid to the Plan within one to ten years. Notes receivable from participants at December 31, 2022 carry interest rates ranging from 4.25% to 8.50%.

J. Forfeitures

Forfeitures of nonvested account balances are applied first to restore the forfeited portions of Company contribution accounts of rehired participants. Any remaining forfeitures are applied to reduce future Company contributions. At December 31, 2022 and 2021, the Plan had \$19,459 and \$396,960 respectively, in forfeitures available to reduce future Company contributions. During 2022, the Plan had a \$745,634 reduction to contributions from forfeited nonvested accounts and \$366,250 in forfeitures.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

B. Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

C. Investment Valuation and Income Recognition

Plan investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (Note 7).

Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Mutual funds capital gains distributions are included in dividend income. Net (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. Risks and Uncertainties

Plan investments include a variety of securities that are exposed to various investment risks such as interest rate, market fluctuations and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and statement of changes in net assets available for benefits.

NOTE 3 - RELATED PARTY TRANSACTIONS

Certain investments held by the Plan are issued and managed by the trustee or an affiliate of the trustee. Transactions related to these investments qualify as party-in-interest transactions; however, they are exempt from the prohibition under ERISA.

NOTE 4 - INCOME TAX STATUS

The Plan is based on a volume submitter plan that has received a favorable opinion letter from the Internal Revenue Service on August 19, 2020 stating that the form of the plan qualifies under Section 401 of the Code. The Plan has since been amended. However, the Company believes that the Plan is being operated in accordance with and continues to qualify under the applicable requirements of the Code and related state statutes, and that the trust, which forms a part of the Plan, is exempt from federal income and state franchise taxes.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. The accounts of participants affected by a partial or complete termination of the Plan are non-forfeitable and will be determined as of the termination date, which will be treated as the valuation date.

NOTE 6 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2022 and 2021 and investment income (loss) for the year ended December 31, 2022 that is disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by T. Rowe Price, the trustee of the Plan.

NOTE 7 - FAIR VALUE MEASUREMENTS

GAAP establishes a hierarchy which prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are based on quoted prices in an active market. Level 2 inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

Level 1 investments consist of mutual funds valued at quoted market prices. The following tables summarize the Plan's investments at December 31 based on the inputs used to value them:

^A In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.
