## INDEPENDENT AUDITOR'S REPORT

September 10, 2023

To the Administrative Committee of  
Saline Lectronics, Inc. 401(K) Profit Sharing Plan and Trust  
710 N. Maple Road  
Saline, MI 48176

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Saline Lectronics, Inc. 401(K) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of November 30, 2022 and December 31, 2021, and the related statement of changes in net assets available for benefits for the 11 months ended November 30, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Saline Lectronics, Inc. 401(K) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the 11 months ended November 30, 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the accounting principles generally accepted in the United States of America.

43 High Street, Suite 210, North Andover, MA 01845 978.688.7701  
6 Blackburn Center, Gloucester, MA 01930 978.283.2224  
144B Highland Street, Plymouth, NH 03264 603.536.2211

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Saline Lectronics, Inc. 401(K) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Saline Lectronics, Inc. Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Saline Lectronics, Inc. 401(K) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Saline Lectronics, Inc. 401(K) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedules Required by ERISA**

The supplemental Schedule of Assets (Held at the end of the Plan) as of November 30, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Yours truly,

## SALINE LECTRONICS, INC. 401(K) PROFIT SHARING PLAN AND TRUST

### NOTES TO FINANCIAL STATEMENTS NOVEMBER 30, 2022 AND DECEMBER 31, 2021

---

#### 1. Plan Description

The following description of the Saline Lectronics Inc. 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

##### A. General

The Plan, originally effective May 24, 2004, and restated May 20, 2022, was a defined contribution plan covering all employees of Saline Lectronics Inc. (the Company), excluding employees governed by collective bargaining agreements, non-resident aliens, and employees as a result of a transaction described in code section 410(b)(6)(C).

In December of 2020, Saline Lectronics Inc. was acquired by Emerald Electronic Manufacturing Services. In July of 2022, the plan administrator for the Plan agreed to merge the Saline Lectronics, Inc. 401(K) Profit Sharing Plan and Trust with the existing 401(K) plan of one of Emerald EMS' other subsidiaries, the Data Electronic Devices, Inc. 401(K) Plan. Per the transfer agreement, all contributions to the Plan were ceased as of August 19, 2022, wherein each participant was enrolled and began contributing to the Data Electronic Devices, Inc. 401(K) Plan.

On September 26, 2022, the Plan entered a blackout period, preventing participants from changing funds, obtaining loans, or obtaining distributions, during which all existing assets in the plan were transferred to the the Data Electronic Devices, Inc. 401(K) Plan. This transfer occurred October 20, 2022, wherein total assets of \$2,555,686 were transferred out of the Plan, leaving no balance in the Plan as of November 30, 2022.

Participants who had attained the age of 18 were eligible to make contributions to the Plan. Participants who had attained the age of 18 and completed one year of credited service were eligible to receive Company contributions. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

##### B. Contributions

Participants could contribute up to 92 percent of pre-tax annual compensation, as defined in the plan document and allowed by law. Participants could also rollover eligible amounts from other qualified plans, as defined in the Plan document. The Plan provided for automatic election of deferrals at a rate of 3 percent of compensation for all new participants. Participants could affirmatively elect a different deferral percentage or elect not to defer into the Plan.

The Company elected to make a matching contribution in 2022 in accordance with the plan document and allowed by law. Participants were entitled to receive matching contributions equal to 4% of each participant's deferred compensation. During the 11 months ended November 30, 2022, the Company made matching contributions of \$132,872.

The Company could also, at its discretion, make profit sharing contributions. No profit sharing contributions were made during the 11 months ended November 30, 2022. All Company contributions were directed by the participants.

1. DESCRIPTION OF PLAN (CONT.)

C. Participant Accounts

Each participant's account was credited with the participant's contribution and allocations of: (a) the Company's contributions, if applicable, (b) the Plan earnings (losses), and (c) forfeitures of Participants' nonvested accounts and could be charged with an allocation of administration expenses. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account. Participants directed the investment of their accounts into various investment options offered by the Plan.

D. Vesting

Participants were immediately vested in their contributions and Company nonelective contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts plus actual earnings thereon was based on years of continuous service. Participants vested at a rate of 20 percent each year until they were 100 percent vested after five years of service. All contributions were vested when transferred to the Data Electronic Devices, Inc. 401(k) Plan.

E. Notes Receivable from Participants

Participants could borrow the lesser of \$50,000 (reduced by the participant's highest outstanding loan balance during the 12-month period ending on the date of the loan) or 50 percent of their vested account balance with a minimum loan amount of \$1,000. Loan terms ranged up to five years, but could be extended if the proceeds were to be used for the purchase of a primary residence. The loans were secured by the balance in the participant's account and would bear interest from 4.25 to 6.50 percent. Principal and interest were paid ratably through payroll deductions.

F. Terminated Accounts

At November 30, 2022 and December 31, 2021, terminated vested accounts amounted to \$0 and \$694,380, respectively. These accounts were paid to the terminated Participants.

G. Payment of Benefits

On termination of service due to death, disability or retirement, a participant could elect to receive the value of their vested account balance in a lump-sum distribution, partial withdrawals, or installment payments. If an in-service participant had attained the age of 59 1/2, they could elect to receive the value of their vested account balance in a lump-sum distribution, partial withdrawals, or installment payments. For termination of service due to other reasons, a participant could receive the value of the vested interest in his or her account as a lump-sum distribution.

H. Hardship Withdrawals

Hardship withdrawals could be allowed in the case of heavy and immediate financial need that could not be satisfied by other sources. Such withdrawals could be granted upon receipt of documented evidence. During the 11 months ended November 30, 2022, participants made \$2,256 of hardship withdrawals.

1. DESCRIPTION OF PLAN (CONT.)

I. Forfeited Accounts

Forfeitures were used to reduce future Company contributions and pay plan expenses. Forfeitures of \$0 and \$1,535 were included in net assets available for plan benefits as of November 30, 2022 and December 31, 2021, respectively. During 2022, forfeited non-vested accounts were used to pay for \$7,507 of the Plan's administrative expenses.

J. Administration Expenses

The Company provided certain administrative and accounting services to the Plan at no cost. Any expenses not paid by the Company were paid by the trustees out of the principal or income of the Plan. During the 11 months ended November 30, 2022, expenses paid by the trustees out of the principal or income of the Plan were \$22,388.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The accompanying financial statements of the Plan have been prepared under the accrual method of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

Investments were reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities were recorded on a trade-date basis. Dividends were recorded on the ex-dividend date. Net appreciation or depreciation included the Plan's gains and losses on investments bought and sold as well as held during the year.

D. Notes Receivable from Participants

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. As of November 30, 2022 and December 31, 2021, no allowance for credit losses had been recorded. Delinquent loans were treated as distributions based upon the terms of the Plan document.

E. Payment of Benefits

Benefits were recorded when paid.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of fair value hierarchy under this framework are described as follows:

Level 1 Inputs to the valuation methodology are quoted prices (unadjusted) in active markets or identical assets or liabilities that the Plan can access at the measurement date.

Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- a. Quoted prices for similar assets or liabilities in active markets
- b. Quoted prices for identical or similar assets or liabilities in inactive markets
- c. Inputs other than quoted prices that are observable for the asset or liability
- d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value:

**Mutual funds** – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan were open-end mutual funds that were registered with the U.S. Securities and Exchange Commission. These funds were required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan were deemed to be actively traded.

**Exchange traded funds:** Valued at the closing price reported on the active market on which the individual securities are traded.

The following tables sets forth the Plan's assets at fair value as of November 30, 2022 and December 31, 2021.

#### 4. RISK AND UNCERTAINTIES

The Plan invested in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities would occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

#### 5. PARTY-IN-INTEREST TRANSACTIONS

Mid Atlantic Trust Company was the Trustee of the Plan and held and managed investments. Transactions with Mid Atlantic Trust Company were party-in-interest transactions, as defined by ERISA.

#### 6. TAX STATUS

The Internal Revenue Service has determined and informed the Custodian by a letter dated September 30, 2014 that the Plan and related trust were designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan had been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believed that the Plan was designed and previously being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan was qualified and was tax-exempt.

The provisions of Accounting for Uncertainty in Income Taxes required plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of November 30, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.
