INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
C.O. Falter Construction Corp. 401(k) Profit Sharing Plan
Syracuse, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of C.O. Falter 401(K) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Hand Benefits Trust Company as of and for the year ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

An Independently Owned Member, RSM US Alliance

RSM US Alliance member firms are separate and independent businesses and legal entities that are responsible for their own acts and omissions, and each are separate and independent from RSM US LLP. RSM US LLP is the U.S. member firm of RSM International, a global network of independent audit, tax, and consulting firms. Members of RSM US Alliance have access to RSM International resources through RSM US LLP but are not member firms of RSM International.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment as of and for the year ended December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

C.O. FALTER CONSTRUCTION CORP. 401(k) PROFIT SHARING PLAN

December 31, 2022 and 2021

NOTE A--DESCRIPTION OF THE PLAN

The following description of the C.O. Falter Construction Corp. 401(k) Profit Sharing Plan (“the Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General: The Plan is a defined contribution profit sharing plan covering substantially all employees of C.O. Falter Construction Corp. and JSF Services, LLC (collectively referred to as the “Company”). Certain employees are eligible to participate in the prevailing pension supplement contributions upon commencement of employment. Employees are eligible to participate in the 401(k) elective deferrals upon attaining the age of 18 and completing one year of service defined as working 1,000 hours during the Plan year. Upon meeting these eligibility requirements employees are also entitled to receive discretionary matching contributions and an allocation of Plan Sponsor discretionary profit sharing contributions. The executive committee is responsible for the oversight of the Plan and for determining the appropriateness of the Plan’s investment offerings and monitors investment performance. The Plan is subject to the provisions of ERISA.

Contributions: Contributions are subject to limitations determined by the Internal Revenue Service (IRS). Participants may contribute tax-deferred and after-tax Roth dollars through a payroll deduction equal to the lesser of 100% of annual compensation or the maximum amount allowed by the Internal Revenue Code (IRC). Additionally, if a participant has or is projected to attain age 50 before the end of the Plan year, the participant may make “catch-up” contributions as determined by the IRS. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Company also makes contributions to the Plan in an amount equal to the sum of:

- (1) wage rate contributions for participants working on projects covered by prevailing wage rate schedules issued by the New York State Department of Labor under Article 8, Section 220, of the New York State Labor Law or by the U.S. Department of Labor under the Davis-Bacon Act; and/or any other state department of labor;
- (2) a discretionary Company matching contribution based on a percentage of a participant’s elective deferral provided the participant worked at least 501 hours during the Plan year; and
- (3) any additional amount determined by the Board of Directors in its discretion provided the participant worked at least 501 hours during the Plan year.

C.O. FALTER CONSTRUCTION CORP. 401(k) PROFIT SHARING PLAN

December 31, 2022 and 2021

NOTE A--DESCRIPTION OF THE PLAN--Continued

Participant Accounts: Each participant's account is credited with wage rate contributions, the participant's elective salary deferral contribution, and allocations of the Company's discretionary/matching and profit sharing contributions, the Plan earnings and losses, and forfeitures of terminated participants' non-vested accounts. Allocations are based on participant compensation, account balances or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting: Participants are vested immediately in their elective salary deferral contributions and prevailing pension supplement contribution plus actual earnings thereon. Vesting in all other contributions to the Plan is based on years of continuous service. A participant is 100% vested after six years of credited service.

Receivables--Notes from Participants: Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance reduced by the highest outstanding loan balance at any time in the previous 12 months. Loan terms are up to five years, unless the loan is for the purpose of acquiring a principal residence then the maximum period shall be twenty five years. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest as determined by the Plan Administrator. Loan proceeds are restricted to use for only IRS Safe Harbor Hardship reasons. Participants may have two loans outstanding at any given time. Principal and interest are paid ratably through payroll deductions.

Forfeitures: Participants that have terminated employment and who were not fully vested in their employer contributions forfeit the non-vested portion of those employer contributions. Forfeitures are available to offset Plan administrative expenses and reduce future employer contributions. At December 31, 2022 and 2021 forfeited non-vested accounts totaled \$5,305 and \$2,940, respectively. Forfeitures used to offset employer contribution receivables totaled \$5,300 and \$2,900, respectively.

Investment Options: Upon enrollment in the Plan, a participant may direct contributions to any of the Plan's investment options. Participants may change their investment options at any time throughout the year.

C.O. FALTER CONSTRUCTION CORP. 401(k) PROFIT SHARING PLAN

December 31, 2022 and 2021

NOTE A--DESCRIPTION OF THE PLAN--Continued

Payment of Benefits: Upon termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the participant's vested account balance in either a lump-sum amount or equal installment payments over a period of years as elected by the participant. For termination of service for other reasons, and if a participant's vested account balance is greater than \$5,000, a participant may receive the value of his or her account in either a lump-sum payment or in installment payments, as elected by the participant. If a participant's vested account balance is \$5,000 or less, and the participant fails to make a distribution election, a lump-sum amount will be paid to the participant without their consent.

NOTE B--SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual method of accounting.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent liabilities. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's executive committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisor and custodian. See Note C for discussion of fair value measurements.

Purchases and sales of shares in registered investment companies and units of the collective trust are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on an ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Receivables--Notes From Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

December 31, 2022 and 2021

NOTE B--SIGNIFICANT ACCOUNTING POLICIES--Continued

Payment of Benefits: Benefits are recorded when paid.

Expenses: The Plan Sponsor may, in its sole discretion, pay expenses of the Plan. Unless paid by the Plan Sponsor, all expenses will be charged against Plan assets. Fees related to the administration of benefit payments are charged directly to the participant's account and are included in administrative expenses. The Company can also elect to pay certain administrative fees from forfeited nonvested accounts which are also included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Events Occurring After Report Date: The Plan's Management has evaluated events and transactions that occurred between December 31, 2022 and September 13, 2023, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements. There were no such events or transactions identified by the Plan Administrator.

NOTE C--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC") Topic 820, "Fair Value Measurements and Disclosures", are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability;• Inputs that are derived principally from or corroborated by observable market data by correlation or other means.• If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. |

NOTES TO FINANCIAL STATEMENTS--Continued

C.O. FALTER CONSTRUCTION CORP. 401(k) PROFIT SHARING PLAN

December 31, 2022 and 2021

NOTE C--FAIR VALUE MEASUREMENTS--Continued

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered investment companies: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended and are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust: Valued at the NAV of units of the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the trustee reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Investments at fair value				<u>\$ 34,052,116</u>

- (a) In accordance with FASB ASC Topic 820-10, the collective trust, which is measured at net asset value per share (or its equivalent), is not classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

C.O. FALTER CONSTRUCTION CORP. 401(k) PROFIT SHARING PLAN

December 31, 2022 and 2021

NOTE C--FAIR VALUE MEASUREMENTS--Continued

The following table summarizes the investment for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan.

<u>Investments</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Participant Redemption Frequency (if currently eligible)</u>	<u>Plan Redemption Notice Period</u>
<u>December 31, 2022</u>				
Collective trust	\$2,245,814	n/a	Monthly	12 months
<u>December 31, 2021</u>				
Collective trust	\$1,365,984	n/a	Monthly	12 months

The collective trust objective is to provide capital preservation and predictable, steady returns. The Fund seeks to achieve this objective by investing primarily in stable value products, such as Guaranteed Investment Certificates (“GICs”), also known as traditional GICs, separate account GICs and synthetic GICs. The fair value of this investment is not readily determinable and has been estimated using the net asset value per share of the underlying investments.

NOTE D--INFORMATION CERTIFIED BY AND PROVIDED BY HAND BENEFITS TRUST COMPANY (UNAUDITED)

The following is a summary of the unaudited information regarding the Plan’s investments as of and for the years ended December 31, 2022 and 2021, included throughout the Plan’s financial statements and supplemental schedule, that were prepared by or derived from information provided by the trustee of the Plan, Hand Benefits. The Plan Administrator has obtained certifications from the trustee that such information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate.

NOTE D--INFORMATION CERTIFIED BY AND PROVIDED BY HAND BENEFITS TRUST COMPANY (UNAUDITED)--Continued

Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets.

	<u>2022</u>	<u>2021</u>
Participant directed investments at fair value:		
Registered investment companies	\$25,796,511	\$ 32,686,132
Collective trust	<u>2,245,814</u>	<u>1,365,984</u>
	<u>\$28,042,325</u>	<u>\$ 34,052,116</u>
Receivables--notes from participants	<u>\$ 359,192</u>	<u>\$ 475,003</u>

The trustee certified to the completeness and accuracy of (\$6,411,810) and \$2,837,626 of net (depreciation) appreciation in fair value of investments, \$915,749 and \$2,441,629 of interest and dividends and \$16,812 and \$23,469 of interest on notes receivable from participants, for the years ended December 31, 2022 and 2021, respectively.

NOTE E--RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

The Plan invests in certain investments managed by Hand Benefits. Hand Benefits is the trustee as defined by the Plan and, therefore, these transactions qualify as party in interest transactions.

Third party administrative, recordkeeping and investment advisory services are rendered by Benefit Plans Administrative Services, Inc. ("BPA") who is a party in interest. Fees paid by the Plan for third party plan administration, recordkeeping and investment advisory services amounted to \$87,532 and \$98,434 for the years ended December 31, 2022 and 2021, respectively. Legal and audit services provided to the Plan are paid directly by the Plan sponsor.

BPA provides certain administrative services to the Plan pursuant to a Service and Expense Agreement between the Plan Sponsor and BPA. BPA receives revenue from the investment service providers for services BPA provides to the investment funds. This revenue is used to offset certain amounts owed to BPA for its administrative services to the Plan.

C.O. FALTER CONSTRUCTION CORP. 401(k) PROFIT SHARING PLAN

December 31, 2022 and 2021

NOTE F--TAX STATUS

The Plan adopted a non-standardized form of a prototype plan sponsored by Benefit Plans Administrative Services, LLC, the recordkeeper. The prototype plan sponsor has obtained an opinion letter dated June 30, 2020, in which the IRS stated that the prototype plan document was in compliance with applicable requirements of the IRC. The Plan Administrator timely adopted the prototype plan. The Plan Administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE G--PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their account balances.

NOTE H--RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
