Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Global Tax Management, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

To the Plan Trustee
Global Tax Management, Inc. 401(k) Profit Sharing Plan
Wayne, Pennsylvania

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Global Tax Management, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Global Tax Management, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Plan Trustee
Global Tax Management, Inc. 401(k) Profit Sharing Plan
Wayne, Pennsylvania

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE A - DESCRIPTION OF PLAN

The following description of the Global Tax Management, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, which commenced January 1, 2001. All full-time employees of Global Tax Management, Inc. 401(k) (the "Company") who are age 21 or older are eligible to participate for purposes of salary deferrals and employer safe harbor contributions. All full-time employees of the Company who have completed one year of service and who are age 21 or older are eligible to participate for purposes of matching and profit-sharing contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute to the Plan up to 90% of their gross compensation on both a pre-tax and Roth deferral basis through salary reduction. Participants' elective deferrals subject to the limitations of the Internal Revenue Code Section 401(g). Participants' who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). The Plan is a safe harbor 401(k) Plan and as defined in the Plan, the Company will make a contribution equal to 3% of the participants compensation. For the plan year ended December 31, 2022, the Company matching contribution was \$702,996. The Company may make discretionary matching contributions, as defined in the Plan, not to exceed 4% of the participant's compensation as well as discretionary profit-sharing contributions. The Company elected to satisfy the safe harbor non-elective contribution for 2022 and there were no discretionary matching or profit-sharing contributions made in 2022.

Participant Accounts

A separate investment account is maintained for each Plan participant. Participants may direct the investment of their account into the various funds specified by the Plan. Participant accounts are credited with the participant's contribution and an allocation of the Company's matching contribution and Plan earnings (losses), as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their own contributions, the safe harbor non-elective contributions, as well as the earnings on those contributions to the Plan.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE A - DESCRIPTION OF PLAN (Continued)

Vesting (Continued)

A participant will be vested in the Company's discretionary matching and profit-sharing contributions based on their years of service in accordance with the following schedule:

<u>Year</u>	<u>Vested</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Regardless of the vesting schedule, a participant will become fully vested upon death, disability, and at normal retirement age.

Participant Loans

Plan participants are eligible to borrow against the Plan by pledging a percentage of their vested account balance as collateral. A loan amount may not be less than \$1,000 nor may it exceed the lesser of 50% of the individual's vested account balance or \$50,000. The term of the loan may not exceed five years unless the loan qualifies as a home loan (to acquire a principal residence). The interest rate applicable to the loan is determined at the time of application to be prime rate plus 1%. The loans bear interest at rates that range from 4.25% to 7.25%, which are commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Upon default, any loan amounts not repaid will be taxed as a distribution of benefits, as defined in the Plan.

Payment of Benefits

Participants are eligible to receive a distribution of the vested portion of their individual account balance upon the following:

- The occurrence of any of the distributable events specified in the Plan
- The participant's termination of employment after attaining normal retirement age, or
- Termination of the Plan.

Early retirement is age 60 and completion of 6 years of service. Years of service are determined using years of service for vesting.

The normal retirement age under this Plan is 65.

NOTE A - DESCRIPTION OF PLAN (Continued)

Forfeitures

Employees who terminate employment and are not fully vested will forfeit the nonvested portion of their account balance to the Plan, as specified in the Adoption Agreement. The forfeiture nonvested account balance was \$3,005 and \$2,933 for the years ended, December 31, 2022 and 2021, respectively, and is maintained in an account separate from the individual participant accounts. Amount of forfeitures used to reduce participant accounts during the year ended December 31, 2022 was \$0.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan by the Company, each Participant shall be 100% vested and have a nonforfeitable interest in the participant's employer matching account.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments in mutual funds are stated at fair value at December 31, 2022 and 2021. Quoted market prices are used to value mutual funds. Net appreciation or depreciation of investments is reported on the statement of changes in net assets available for benefits and consists of realized gains and losses and the unrealized appreciation or depreciation of these investments. The Plan's investments in common collective trust are stated at net asset value, as a participant expedient, as reported by the trustee which include a mix of mutual funds and managed accounts. All underlying investment options are valued daily. This daily price is considered the selling price for transfers and withdrawals and is calculated each day when the principal market is open and available to any participant in the Plan.

Purchases and sales of mutual funds shares and the common collective trust are recorded at end of day net asset value. Dividends are recorded as of the record date.

DECEMBER 31, 2022 AND 2021

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Participant loans receivable

Participant loans receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses, excluding transaction fees, are paid by the Company.

Date of Management's Review

Management has evaluated subsequent events through September 12, 2023, the date which the financial statements were available to be issued.

NOTE C - FAIR VALUE MEASUREMENTS

Professional accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three broad levels.

Level 1 inputs are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. *Level 2* inputs are other than quoted prices that are observable for the asset or liability, either directly or indirectly through market corroboration, for substantially the full term of the financial instrument. *Level 3* inputs are unobservable inputs based on the Plan's assumptions used to measure assets and liabilities at fair value. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The assets of the Plan for which fair values are determined on a recurring basis are summarized as follows:

GLOBAL TAX MANAGEMENT, INC. 401(K)
PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE C - FAIR VALUE MEASUREMENTS (Continued)

	2022		2021	
	Quoted Prices in Active Markets (Level 1)	Net Asset Value	Quoted Prices in Active Markets (Level 1)	Net Asset Value
Mutual funds	\$ 30,204,162	\$ -	\$ 31,888,729	\$ -
Common/collective trust (a)	-	2,028,164	-	3,435,007
	<u>\$ 30,204,162</u>	<u>\$ 2,028,164</u>	<u>\$ 31,888,729</u>	<u>\$ 3,435,007</u>

(a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

Mutual funds have quoted prices for identical assets in active markets; therefore, the investments are measured at fair value using these readily available Level 1 inputs.

The Common Collective Trust is valued at the net asset value (NAV) of units held by the Plan at year end. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D - RELIANCE ON TRUSTEE'S REPORT

The administrator of the Plan chose the method of compliance permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Under that section, no auditing procedures are required to be performed with respect to the investment information certified by the trustees of the Plan, Reliance Trust Company as of December 31, 2022 and 2021, other than comparing such information to that contained in the financial statements and supplemental schedule.

NOTE D - RELIANCE ON TRUSTEE'S REPORT (Continued)

The information certified by Reliance Trust Company, which was relied upon in the preparation of the financial statements and supplemental schedule, includes:

Net investment gain from common/collective trust	47,678	*
Dividend income	1,630,040	*

*2021 investment income was not presented in the financial statement.

NOTE E - RELATED-PARTY TRANSACTIONS

Participant loans qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. The Common and Collective Trust of the Plan is managed by the custodian, and, therefore, all transactions involving this investment qualifies as party-in-interest transactions.

NOTE F - TAX STATUS

The Plan has adopted a Prototype Plan sponsored by ADP. The Prototype Plan obtained its latest opinion letter on October 6, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter; however, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

DECEMBER 31, 2022 AND 2021

NOTE G - RISKS AND UNCERTAINTIES

The Plan provides for investments in a selection of mutual funds and a common collective trust. Mutual funds and a common collective trust are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain mutual funds and the common collective trust, it is at least reasonably possible that changes in the values of mutual funds and the common collective trust will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
