REPORT OF INDEPENDENT AUDITORS

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Healthkeeperz, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Healthkeeperz, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Healthkeeperz, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets Held at Year End as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HEALTHKEEPERZ, INC. 401(k) PLAN
Notes to Financial Statements
December 31, 2022 and 2021

1. Plan Description

The following description of the Healthkeeperz, Inc. 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General:

The Plan is a defined contribution 401(k) plan established on March 1, 1999, covering all employees of Healthkeeperz, Inc. The Plan is a Pre-Approved Plan from ADP Retirement Services (ADP). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan sponsor is Healthkeeperz, Inc. (Company); the trustee of the Plan is Reliance Trust Company (Reliance).

B. Employer Contributions:

The Company makes discretionary matching contributions; in 2022 and 2021 they matched 50% of deferrals, up to 2.5% of compensation. The Company made matching contributions of \$73,669 and \$79,416 during 2022 and 2021, respectively.

C. Employee Contributions:

Participants may contribute up to 90% of pretax annual compensation, as defined in the Plan, not to exceed the maximum allowed by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers over thirty mutual funds as investment options for participants.

D. Participant Accounts:

Each participant's separate account is credited with the participant's contributions and allocations of (a) the Company's contribution, if any, and (b) Plan earnings (losses), and charged with an allocation of investment and administrative expenses paid by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

E. Vesting:

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus earnings thereon is based on years of continuous service. Company matching and discretionary contributions, if any and earnings thereon are subject to a six-year graded vesting schedule based on the years of credited service. A participant vests according to this schedule for each calendar year in which the participant has worked at least 1,000 hours. A participant also becomes 100% vested if they reach age 65 while still employed by the Company, become permanently disabled, or die.

F. Disposition of Forfeitures:

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$6,595 and \$8,860, respectively. These accounts will be used to reduce future employer contributions and/or expenses. The Plan sponsor requested and received \$6,595 and \$8,860 of the forfeited amounts in 2022 and 2021 as reimbursement for Plan expenses paid in prior years.

HEALTHKEEPERZ, INC. 401(k) PLAN
Notes to Financial Statements
December 31, 2022 and 2021

1. Plan Description (Continued)

G. Investment Options:

Participants can direct the investment of their contributions, including rollover contributions, as well as employer matching contributions made on their behalf into the various mutual funds offered by the Plan. Participants may change their investment options at any time.

H. Notes Receivable from Participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. The notes are secured by the participant's pledge of the vested portion of his or her account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. The interest rates on the loans outstanding at December 31, 2022 and 2021 were 4.25% to 8.00%. Generally, loan terms are limited to five years. All interest paid in connection with the loan and all repayments of principal are credited to the participant's account. All loans may be prepaid at any time without penalty. Principal and interest is paid ratably through payroll deductions.

I. Payment of Benefits:

On termination of service due to disability or retirement, a participant will normally be paid in the form of a qualified joint and survivor annuity over the life expectancies of the employee and spouse. Lump-sum distributions or rollovers to other plans are also available. Death benefits are paid out no later than ninety days following the later of the close of the Plan year within which the participant dies or the close of the Plan year in which the request is received. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Those participants may elect to roll over distributions to other qualified plans or to individual retirement accounts. Hardship withdrawals are permitted.

2. Summary of Significant Accounting Policies

A. Basis of Accounting:

The financial statements of the Plan are prepared using the accrual basis of accounting, with investments reported at fair value.

B. Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

C. Investment Valuation and Income Recognition:

Investments held by a defined contribution plan are required to be reported at fair value. Accordingly, the investments of the Plan are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

December 31, 2022 and 2021

2. Summary of Significant Accounting Policies (Continued)

D. Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

E. Payment of Benefits:

Benefit payments to participants are recorded when paid.

F. Plan Expenses:

Personnel with the Company perform many administrative duties of the Plan, including maintenance of personnel files and reconciliation of payroll records. The payroll and related overhead costs associated with these services are not included as Plan expenses. Other administrative costs, including loan fees are charged to and paid from the individual participant accounts.

3. Information Prepared and Certified by Trustee

The following is a summary of the unaudited information included in the Plan's financial statements and supplemental schedule that was prepared by or derived from information prepared by RTC, the trustee of the Plan, and furnished to the Plan administrator. The Plan administrator has obtained certification from the trustee of the Plan that such information is complete and accurate.

4. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, and inputs (other than quoted prices) that are observable for the asset or liability, either directly or indirectly; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

Notes to Financial Statements
December 31, 2022 and 2021

4. Fair Value Measurements (Continued)

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

The following tables set forth, by level, within the fair value hierarchy, the Plan's fair value measurements at December 31, 2022 and 2021:

		Fair Value Measurements Using		
		Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	Fair Value			
<u>December 31, 2022:</u>				
Mutual Funds	\$ 3,335,426	\$ 3,335,426	\$	\$
<u>December 31, 2021:</u>				
Mutual Funds	\$ 3,813,975	\$ 3,813,975	\$	\$

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2022 and 2021 are reported in net appreciation (depreciation) in fair value of investments.

5. Investments

The Plan invests in mutual funds with Reliance. The accounts are credited with earnings on the underlying investments and charged for Plan withdrawals and expenses. The mutual funds are stated at quoted market prices.

6. Contributions Receivable

The 2022 contribution receivable is made up of Participant Contributions of \$13,656, Employer Matching Contributions of \$2,701, and Participant Notes receivable of \$2,714. The contribution receivable is due to the timing of remittance of payroll at year end; the full contribution was received in January 2023. There was no contribution receivable for the year end December 31, 2021.

7. Parties-In-Interest

The Plan is administered by ADP; therefore, administrative fees qualify as exempt parties-in-interest transactions. Administrative fees paid by the Plan to ADP totaled \$35,255 and \$38,257 for the years ended December 31, 2022 and 2021, respectively. Substantially all other administrative expenses of the Plan are paid by the Company.

All of these parties-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in the company contribution portion of their account.

9. Income Tax Status

The Plan obtained the latest determination dated March 11, 2011, in which the Internal Revenue Service (IRS) stated that the Pre-approved Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended and restated since receiving the IRS determination letter. However, the Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and to recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or assets) or disclosure in the financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

10. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

11. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits and the change in net assets available for benefits from the financial statements to the net assets and net income per Form 5500 as of December 31, 2022 and 2021:

	2022	2021
Net assets available for benefits per the financial statements	\$ 3,495,739	\$ 3,960,219
Adjustment for Employer and Participant contribution receivables	(16,357)	
Net assets per Form 5500	<u>\$ 3,479,382</u>	<u>\$ 3,960,219</u>
Increase (decrease) in net assets available for benefits per the financial statements	\$ (464,480)	\$ 454,969
Adjustment for Employer and Participant contribution receivables	(16,357)	
Net income (loss) per Form 5500	<u>\$ (480,837)</u>	<u>\$ 454,969</u>

Notes to Financial Statements
December 31, 2022 and 2021

12. Subsequent Events

Subsequent events have been evaluated through August 23, 2023, which is the date the financial statements were available to be issued and determined that there were no significant events that would have a material impact on its financial statements and related disclosures.
