To The Administration Of
MIRBEAU INN & SPA 401(K) PROFIT SHARING PLAN
Saratoga Springs, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Mirbeau Inn & Spa 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Mirbeau Inn & Spa 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mirbeau Inn & Spa 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mirbeau Inn & Spa 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mirbeau Inn & Spa 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mirbeau Inn & Spa 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) - Schedule H, line 4(i) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. DESCRIPTION OF PLAN - CONTINUED

Contributions - Continued

Effective July 1, 2021, the Company will match the participants contributions as follows:

- From 0 up to 2 years of service - 100% up to 1% of the participants eligible compensation, as defined in the Plan document.
- From 3 up to 4 years of service - 100% up to 3% of the participants eligible compensation, as defined in the Plan document.
- For 5 or more years of service - 100% up to 5% of the participants eligible compensation, as defined in the Plan document.

Prior to July 1, 2021, the Company could make a discretionary match.

The Company may also make discretionary profit sharing contributions in amounts to be determined from year to year. Participants must satisfy the allocation conditions, as defined in the Plan document to receive this contribution. MIRBEAU INN & SPA 401(K) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
For The Years Ended December 31, 2022 and 2021

Note 1. DESCRIPTION OF PLAN - CONTINUED

Vesting

The participants are immediately vested in their voluntary contributions and any earnings thereon. The Plan provides for employer matching contributions and discretionary employer profit sharing contributions, if any, and any earnings thereon, to vest as follows:

- Discretionary employer profit sharing contributions - 6 year graded vesting schedule, at a rate of twenty percent after two years of vesting service and twenty percent each year thereafter with full vesting upon completion of six years of vesting service.
- Employer matching contributions - 3-year cliff vesting schedule, whereby after 3 years of vesting service participants will have 100% ownership interest on these contributions.

Effective July 1, 2021, for purposes of vesting, a year of vesting service is each 12-month period beginning with the employee's commencement date during which the employee completes one hour of service for employer matching contributions and 1,000 hours of service for discretionary employer profit sharing contributions.

Notes Receivable From Participants

The Plan participants are allowed to borrow from their fund accounts a minimum of \$1,000 up to one-half of their vested account balance. A participant may have only 2 loans outstanding at any time. In addition, the total amount a participant may have as loans outstanding during any 12-month period may not exceed \$50,000. The loans are secured by the balance in the participant's account, and are repaid by participants along with interest through periodic loan payments, at least quarterly, throughout the loan period, not to exceed 5 years. The loan interest rate, determined at the time the loan is processed, is fixed at the prime rate plus 2%. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. The Plan administrator considers participant loans to be fully collectible; accordingly, no allowance for doubtful accounts is required. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. There were no participant loans receivable as of December 31, 2022 and 2021.

See Auditor's Report.

On termination of service due to death, disability, retirement, or other reasons, a participant may receive payment in the form of a lump-sum amount equal to the vested portion of their account, or a participant may elect to take a partial lump sum of less than their entire vested benefit, as specified in the Plan document. Upon disability or death, a participant becomes 100% vested in their Company match or Company profit sharing contribution.

A participant may withdrawal all or any portion of his/her vested account balance upon the attainment age of 59 ½ or upon the occurrence of a hardship that satisfies the safe-harbor rules, as defined in the Plan document.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and

liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses of the Plan

The Plan's expenses are paid by the Plan or the Plan sponsor, as provided in the Plan document. Expenses that are paid directly by the Plan sponsor are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net depreciation in fair value of investments presented in the accompanying statement of changes in net assets available for benefits. The Plan records advisory and recordkeeping costs in administrative expenses in the accompanying statement of changes in net assets available for benefits.

Effects of COVID-19

Due to the global viral pandemic outbreak caused by the Coronavirus Disease 2019 (COVID-19) in 2020, there have been resulting effects in 2020, 2021 and 2022 which could negatively impact the Plan's financial condition, including other unknown effects on the Plan as the broader economic impact of COVID-19 develops. While the effects of COVID-19, are not reflected in these Plan financial statements,

there is substantial uncertainty in the nature and degree of its effects over time. The extent to which the COVID-19 pandemic impacts the Plan going forward will depend on numerous evolving factors which cannot be reliably predicted, including the duration and scope of the pandemic; governmental, business, and individuals' actions in response to the pandemic; and the impact on economic activity including the possibility of recession or further financial market instability.

Note 3. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Plan administrator has elected the method of annual reporting permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan administrator has obtained certifications from the custodian that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as of and for the years ended December 31:

	<u>2022</u>	<u>2021</u>
Investments, at fair value:		
Mutual funds	\$ 1,018,854	\$ 620,535
Notes receivable from participants	<u>-</u>	<u>-</u>
	<u>\$ 1,018,854</u>	<u>\$ 620,535</u>

value of investments	\$ (183,134)	
Dividends and interest	<u>51,577</u>	
	<u>\$ (131,557)</u>	

All information in the supplemental schedule is presented solely upon the certification.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 4. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. FASB Accounting Standards Codification (ASC) 820, Fair Value Measurement, established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include; quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that

is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and transact at that price. The funds held by the Plan are deemed to be actively traded.

The following tables summarize the Plan's investments based on the inputs used to determine their fair values at December 31, 2022 and 2021:

Note 5. INVESTMENTS

During 2022 and 2021, the Plan's investments (including investments bought, sold, and held during the year) and realized and unrealized gains and losses, as well as reinvested dividend income appreciated (depreciated) in value as follows:

	<u>2022</u>	<u>2021</u>
Mutual Funds	\$ (131,557)	\$ 71,487
	<u>\$ (131,557)</u>	<u>\$ 71,487</u>

Note 6. PARTY-IN-INTEREST TRANSACTIONS

Parties in interest are defined under the Department of Labor regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, and certain others. The Plan's custodian and record keeper services are provided by affiliates of The Capital Group Companies, Inc., which include Capital Bank and Trust Company, Capital Research and Management Company, American Funds Service Company and various other related entities. American Funds Service Company is a transfer agent for the American Funds family of funds, in which the Plan has all of its investments. Therefore, these transactions qualify as party-in-interest transactions.

Additionally, the Plan allows for notes receivable from participants in the Plan. These transactions also qualify as party-in-interest, however there were no notes receivable at December 31, 2022 and 2021.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Note 7. CONTRIBUTIONS RECEIVABLE

Participant and employer matching contributions receivable by the Plan totaled \$7,168 and \$3,792 as of December 31, 2022 and 2021, respectively.

Note 8. BENEFIT CLAIMS PAYABLE

There were no benefit claims payable by the Plan as of December 31, 2022 and 2021, respectively.

See Auditor's Report.

Note 9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Company may determine.

Note 10. TAX STATUS

The Company adopted a prototype non-standardized profit sharing/401(k) plan. The Internal Revenue Service has determined and informed the Plan administrator by a letter dated June 7, 2021, that the Plan and related trust is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. No provision for income taxes has been made in the accompanying financial statements.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Note 11. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 12. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through August 28, 2023, which is the date these financial statements were available to be issued. There were no subsequent events that required recognition or disclosure in the financial statements.

See Auditor's Report.
