Independent Auditors' Report

The Administrative Committee of Cenveo Worldwide Limited 401(k) Savings and Retirement Plan

Opinion

We have audited the accompanying financial statements of Cenveo Worldwide Limited 401(k) Savings and Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the year ended December 31, 2022, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. Description of the Plan

The following description of the Cenveo Worldwide Limited 401(k) Savings and Retirement Plan ("Plan") provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

The Plan was adopted effective March 1, 1994, and is a profit sharing plan, with a deferral feature, of Cenveo Worldwide Limited ("Company"). The Plan includes nonunion and certain eligible union employees that are not leased employees who have become eligible according to their collective bargaining agreements. The Plan is subject to provisions of the Employee Retirement Income Securities Act of 1974 ("ERISA"). The Plan's trustee is John Hancock Retirement Plan Services ("John Hancock"). In February of 2023, the Plan changed vendors from John Hancock to Empower Retirement Services.

Nonunion and certain eligible union employees that are not leased employees and who are expected to work 1,000 hours in a Plan year, or if they are expected to complete 1,000 hours of service in a consecutive 12-month period, become eligible to participate in the Plan on the first day of the month following 30 days of service with the Company. The Plan provides for automatic enrollment on behalf of employees hired or first eligible to participate in the Plan after January 1, 2004. Eligible participants are automatically enrolled in the Plan at a pre-tax contribution rate of 6% of their eligible compensation and increased annually by 1% until reaching 8% of their eligible compensation.

In March of 2022, Brook & Whittle Limited, BW Holding, Inc. and Merion Rose Holdings, Inc. purchased certain participating employers of the Company under the marketing/trade names of Discount Labels, Express Labels, Grace Amazing Labels, Lightening Labels and Maverick Labels. As a result, in August of 2022, assets amounting to \$19,988,074 were transferred to the Brook & Whittle Limited Section 401(k) Profit Sharing Plan & Trust.

Contributions

Each year, participants may contribute up to 50% of pretax annual compensation, as defined in the Plan document and up to certain dollar amounts as limited by the Internal Revenue Service ("IRS"). Participants who have attained the age of 50 before the end of the Plan year are eligible to make a catch up contribution. Participants may also contribute amounts representing rollover distributions from qualified retirement plans. The Company makes nondiscretionary matching contributions to the Plan in accordance with their respective union agreements. The Company may make discretionary matching contributions for nonunion employees who are active as of December 31 and have completed 1,000 hours of service or terminated during the year after reaching age 65 or due to death or disability.

Participant Accounts

Each participant's account is credited with the participant's contributions, Company contributions, if any, and allocations of Plan earnings (losses) thereon. Participant accounts are charged with an allocation of administrative expenses, which are paid by the Plan. Allocations are based on participant earnings (losses), account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

All participants are 100% vested in their contributions plus actual earnings thereon. Vesting in Company matching contributions occurs 20% for each year of service. Upon reaching five years of service, all Company contributions become fully vested. Vesting schedules for union participants are in accordance with their applicable union agreements. Years of service attributable to predecessor companies prior to a participant being employed by the Company are recognized in full for vesting purposes. All Company matching contributions become fully vested upon retirement, disability, or death of the participant.

Investment Options

Upon enrollment in the Plan, participants may elect to invest their contributions in any of the investment options offered by the Plan.

Notes Receivable from Participants

Under the current Plan, participants may borrow from their accounts a minimum amount \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested interest in their account. Such loans bear interest at the prime rate (as published in *The Wall Street Journal*) as of the first business day of the month in which the loan is made plus 1%. Loans must be repaid within five years unless they are for the purchase of a principal residence, in which event they may be repaid over a period up to 10 years. Outstanding loans for acquired participants have been transferred into the Plan at their unpaid principal balance with their respective interest rates and due dates, which in certain cases are longer than five years.

1. Description of the Plan (continued)

Payment of Benefits

Upon retirement or termination of service, participants may roll their account balance into another qualified retirement savings account, withdraw their vested account balance less applicable taxes in a lump-sum payment, or if their account balance is greater than \$5,000, they can leave their account balance in the Plan until normal retirement age. The Plan provides for hardship distributions if certain conditions are met.

Forfeitures

Upon termination by a participant, Company contributions that have not vested are forfeited and used to offset future administrative expenses or Company contributions. At December 31, 2022 and 2021, forfeited non-vested non-participant directed accounts totaled \$6 and \$9, respectively. During 2022, no forfeitures were used to reduce administrative expenses or employer contributions.

ERISA Account

A separate account is maintained by John Hancock which receives payments from certain funds pursuant to a written agreement with the Company. Under the agreement, the Company can use the amounts in the account to pay for administrative expenses incurred by the Plan. The account is considered a Plan asset. Any unused amounts may be deposited in the Plan and allocated to participants. These transactions are considered allowable party-in-interest transactions. At December 31, 2022 and 2021, the ERISA account totaled \$4,918 and \$7,770, respectively. During 2022, \$7,803 was used to reduce administrative expenses.

Plan Termination

Although it has not expressed intent to do so, the Company has the right under the Plan to discontinue its contributions and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Company contributions.

Risk and Uncertainties

The Plan offers various investment options by which participants may invest their account balances in any combination of mutual funds or common/collective trusts. Investment securities, in general, are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2022 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

2. Summary of Significant Accounting Policies *(continued)*

Fair Value Measurement

The Plan performs fair value measurements in accordance with the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures. Refer to Note 4 for the fair value measurement disclosures associated with the Plan's investments.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. The mutual funds are recorded in the financial statements at fair value based on published market values. The common/collective trusts are valued at the net asset value ("NAV") of units held by the common/collective trusts. The NAVs, as provided by the trustees of the funds, are used as a practical expedient to estimate fair value. The NAVs are based on the fair value of the underlying investments held by the funds less their liabilities.

Purchases and sales are recorded on a trade-date basis. Interest income is on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in the fair value of investments in the statement of changes in net assets available for benefits includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Participant loans are recorded at their unpaid principal balance plus any accrued but unpaid interest and are classified as notes receivable from participants. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Company and are excluded from these financial statements. Fees related to the administration of the notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

3. Income Tax Status

The Plan has received a determination letter from the IRS dated June 23, 2015, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code ("IRC"). The Plan Administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

4. Fair Value Measurements

ASC 820 defines fair value as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets and liabilities required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, and risk of nonperformance.

ASC 820 also establishes a fair value hierarchy that requires the Plan to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement. ASC 820 establishes three levels of fair value hierarchy as follows:

**Cenveo Worldwide Limited 401(k)
Savings and Retirement Plan**

**Notes to Financial Statements
December 31, 2022**

4. Fair Value Measurements (continued)

- a. Level 1: quoted prices in active markets for identical assets or liabilities;
- b. Level 2: inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data; or
- c. Level 3: unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using NAV per share/unit as a practical expedient is not categorized within the fair value hierarchy.

Investments Measured at Fair Value

The following table summarizes the fair value hierarchy of the Plan's investments as of December 31, 2022, for those investments subject to categorization within such hierarchy:

	2022				
	Level 1	Level 2	Level 3	Other Investments Measured at NAV	Total
Common/collective trusts	\$ -	\$ -	\$ -	\$ 106,195,208	\$ 106,195,208
Mutual funds	<u>71,659,206</u>	<u>-</u>	<u>-</u>	<u>-</u>	<u>71,659,206</u>
	<u>\$ 71,659,206</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 106,195,208</u>	<u>\$ 177,854,414</u>

The following table summarizes the fair value hierarchy of the Plan's investments as of December 31, 2021, for those investments subject to categorization within such hierarchy:

	2021				
	Level 1	Level 2	Level 3	Other Investments Measured at NAV	Total
Common/collective trusts	\$ -	\$ -	\$ -	\$ 141,360,113	\$ 141,360,113
Mutual funds	<u>119,715,010</u>	<u>-</u>	<u>-</u>	<u>-</u>	<u>119,715,010</u>
	<u>\$ 119,715,010</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 141,360,113</u>	<u>\$ 261,075,123</u>

The Plan's mutual fund investments are measured at fair value and are classified within Level 1 of the fair value hierarchy. The fair value of these investments are based on quoted market prices in active markets. These funds are deemed to be actively traded. As discussed in Note 2, investments that are measured using the NAV as a practical expedient are not classified within the fair value hierarchy.

The NAV of the Plan's interest in the common/collective trusts is calculated daily. Units are issued and redeemed daily at the applicable common/collective trust's current NAV.

5. Party-in-Interest Transactions

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

6. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 180,752,643	\$ 264,857,630
Deemed distributions	<u>(736,364)</u>	<u>(736,364)</u>
Net Assets Available for Benefits per Form 5500	<u>\$ 180,016,279</u>	<u>\$ 264,121,266</u>

The reconciliation above did not have an impact on the statement of changes in net assets available for benefits.

7. Subsequent Events

The Plan evaluated events subsequent to the date of the statement of net assets available for benefits through September 18, 2023, the date which the financial statements were issued, and determined there have not been any events that have occurred that would require adjustment to or disclosure in the financial statements.
