INDEPENDENT AUDITOR'S REPORT

The Plan Administrator
Allen & Gerritsen, Inc. 401(k) Retirement Plan
Boston, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Allen & Gerritsen, Inc. 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Allen & Gerritsen, Inc. 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investments information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Allen & Gerritsen, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Allen & Gerritsen, Inc. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Allen & Gerritsen, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Allen & Gerritsen, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ALLEN & GERRITSEN, INC. 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2022

DECEMBER 31, 2022 AND 2021

Note 1 - Description of the Plan

The following brief description of the Allen & Gerritsen, Inc. 401(k) Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General - The Allen & Gerritsen, Inc. 401(k) Retirement Plan, established on January 1, 1992, is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees who have attained age 21, except non-resident aliens and Puerto Rican employees, are eligible to participate. Effective December 17, 2021, interns are excluded from participating in the Plan. Allen & Gerritsen, Inc. (the Company) is the plan administrator. Effective December 17, 2021, the Plan was restated and John Hancock Retirement Plan Services became the record-keeper and John Hancock Trust Company, LLC became the custodian and trustee of plan assets. Prior to December 17, 2021, Prudential Retirement Insurance and Annuity Company served as the recordkeeper and insurance carrier of plan assets and Prudential Bank & Trust Company, F.S.B. was the trustee.

The Plan includes an employees' thrift savings plan established under the provisions of Internal Revenue Code Section 401(k). Under the savings plan, a certain percentage of employee wages, as defined in the Plan, can be deferred as an employee contribution to the Plan.

Enrollment - All eligible employees may participate in the Plan upon meeting the age requirement and can enroll on the first day of each month. Participants may change their deferral percentage at any time. Effective January 1, 2022, the Plan included an automatic salary deferral feature. Employees who become eligible to participate in the Plan on or after January 1, 2022, who fail to affirmatively make any deferral elections (including an election to contribute 0% of eligible compensation) within the time prescribed by the Administrator, shall be deemed to have elected to defer 3% of eligible compensation as pre-tax contributions. Participants may change such deferral percentage at any time. Automatically enrolled participants have their contributions invested in the State Street Target Retirement Funds that most closely aligns with the participant's age. If the Administrator automatically enrolls a participant who did not want to participate in the Plan, the Administrator can refund deferrals to the participant within 90 days of the first automatic deferral provided the participant notifies the Administrator within a reasonable period of time prior to the end of the 90 day period. In addition, effective January 1, 2022, the Plan includes an escalation of the automatic deferral amount feature. Participants who are automatically enrolled in the Plan on or after January 1, 2022, who fail to affirmatively opt out of this feature, will have their deferral election increase 1% up to a maximum of 8% on the anniversary date of enrollment.

DECEMBER 31, 2022 AND 2021

Note 1 - Description of the Plan (Continued)

Contributions - Participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Effective December 17, 2021, participants may designate all or a portion of their elective deferrals as Roth elective deferrals. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also make rollover contributions representing distributions from other qualified plans. Each year, the Company may make a discretionary matching contribution. For the year ended December 31, 2022, the Company made a discretionary matching contribution equal to 50% of the employee deferrals contributed to the plan with a maximum match of 6% of compensation. In addition, each year, the Company may make discretionary non-elective contributions to the Plan. To be eligible for the discretionary non-elective contribution, the participant must have completed at least one year of service. No discretionary nonelective contribution was made by the Company for the year ended December 31, 2022. Contributions are subject to certain Internal Revenue Code limitations and eligibility requirements apply to such contributions.

Participant Accounts - Each participant account is credited with (a) the participant's contributions, (b) employer discretionary matching and nonelective contributions, if any, (c) earnings, and (d) expenses. Allocations of the nonelective Employer contributions are based on participant compensation. The benefit, to which a participant is entitled, is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their salary deferral contributions plus actual earnings thereon. Vesting in the employer discretionary matching and nonelective contribution portion of their accounts plus actual earnings thereon is based on years of credited service. A participant is 100% vested after four years of credited service.

Investment Options - Upon enrollment in the Plan, a participant may direct their contributions to various investment options including mutual funds, a common collective trust and prior to December 17, 2021, a guaranteed income fund. Participants may reallocate their funds or redirect new contributions on a daily basis among any of the offered funds.

Notes Receivable from Participants - Participants may borrow from their accounts a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions. Generally, notes must be repaid within five years unless being used to purchase a principal residence. Participants may have only one note outstanding at a time.

Forfeitures - Forfeitures can be used to reduce plan expenses related to the administration of the Plan or to reduce future employer contributions. For the year ended December 31, 2022, \$9,784 of forfeitures were used to reduce employer contributions. At December 31, 2022 and 2021, unallocated forfeitures amounted to \$14,746 and \$17,033, respectively.

Unallocated Accounts - At December 31, 2022 and 2021, unallocated amounts in a plan expense account amounted to \$76,365 and 82,322, respectively. Funds in this account can be used to pay plan expenses during the year or any excess funds should generally be allocated to participants.

DECEMBER 31, 2022 AND 2021

Note 2 - Summary of Significant Accounting Policies

Payment of Benefits - On termination of service, retirement, disability or death, participants or beneficiaries are entitled to a distribution equal to the total value of the participant's vested account. A participant or beneficiary may elect to receive the value of the vested account in a lump-sum cash payment or a rollover distribution to an eligible retirement account, or a combination of both payout options.

For vested balances less than \$5,000 but greater than \$1,000, benefit payments are automatically rolled over to an IRA account unless a distribution is requested by the participant. For vested balances less than \$1,000, benefit payments are automatically made to the participant in the form of a lump sum payment. If the vested balance is greater than \$5,000, the participant may defer payment until required by law to receive minimum required distributions. Effective December 17, 2021, vested balances less than \$5,000 are automatically rolled over to a John Hancock IRA account unless a distribution is requested by the participant.

Participants may withdraw from their vested accounts upon certain hardship situations defined in the Plan or upon attainment of age 59 1/2.

Plan Amendment and Termination - The Plan may be amended at any time by the Company, provided that no such amendment may deprive participants of their vested benefits. Although it has not expressed any intent to do so, the plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, all participants will become 100% vested in their accounts.

Administrative Expenses - Generally, expenses are paid by the plan sponsor. Fees for origination of notes receivable from participants, maintenance of former employees' participant accounts, and other administrative expenses are paid by the participants. Investment management fees charged to the Plan are deducted from income earned on a daily basis and are not separately stated. Investment management fees are reflected as a reduction of net depreciation in fair value of investments.

Basis of Accounting - The financial statements of the Plan are prepared under the accrual method of accounting in conformity with U.S. generally accepted accounting principles.

Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates.

YEAR ENDED DECEMBER 31, 2022

DECEMBER 31, 2022 AND 2021

Note 2 - Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition - Investments are reported at fair value in these financial statements. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis or, if not materially different, the settlement date. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

The John Hancock Stable Value Fund R11 is a common collective trust fund that is considered to be a stable value fund with underlying investments in investment contracts that are benefit responsive and is valued at fair value and then adjusted by the issuer to contract value. Fair value of the stable value fund is the net asset value of its underlying investments and contract value is principal plus accrued interest. The stable value fund is a commingled pool dedicated exclusively to the management of assets of defined contribution plans. The John Hancock Stable Value Fund R11's investment objective is to preserve capital and provide stability of principal while earning current income that exceeds money market rates over the long term. To achieve its investment objective, the John Hancock Stable Value Fund R11 invests in diversified fixed income funds and separately managed bond accounts. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at net asset value on a daily basis with a one day redemption notice period. Value represents contributions made to the fund, plus earnings, less participant withdrawals.

Unit Values - Individual participant accounts for common collective trust are maintained on a unit value basis. Participants do not have beneficial ownership in the specific underlying securities or other assets in the trust, but do have an interest therein represented by units which are valued daily. The trust earns interest which is automatically reinvested in additional units. Generally, contributions to and withdrawals from the trust are converted to units by dividing the amount of such transactions by the unit values as last determined and the participant's accounts are charged or credited with the number of units properly attributable to each participant.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. Delinquent notes receivable are reclassified as distributions in accordance with the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Payment of Benefits - Benefits are recorded when paid.

DECEMBER 31, 2022 AND 2021

Note 2 - Summary of Significant Accounting Policies (Continued)

Tax Status - Effective December 17, 2021, the Plan utilizes a Non-Standardized Defined Contribution Pre-Approved Plan. The non-standardized defined contribution pre-approved plan being utilized obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan was in compliance with the applicable requirements of the Internal Revenue Code. For the period January 1, 2021 through December 16, 2021, the Plan operated under the Prudential Retirement Prototype Plan. The prototype plan being utilized obtained its latest determination letter on April 29, 2014, in which the Internal Revenue Service stated that the Plan was in compliance with the applicable requirements of the Internal Revenue Code.

The plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified as of the financial statement date. Therefore, no provision for income tax has been included in the Plan's financial statements.

Income taxes, if any, are accounted for in accordance with U.S. generally accepted accounting principles. The Plan evaluates all significant tax positions as required by U.S. generally accepted accounting principles. As of December 31, 2022, the Plan has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. The Plan's informational returns are subject to potential examination by the appropriate regulatory authorities for the prior three years. Currently, no audits for any tax periods are in progress.

Subsequent Events - The date to which events occurring after December 31, 2022 have been evaluated for possible adjustment to the financial statements or disclosure is the date of the Independent Auditor's Report which is the date the financial statements were available to be issued.

Note 3 - Information Certified

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments, at fair value, and notes receivable from participants held at December 31, 2022 and 2021, and realized and unrealized depreciation in fair value of investments, interest and dividend income, other income, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Trust Company LLC ("John Hancock"), the custodian and trustee of the Plan.

Note 4 - Fair Value Measurements

Fair value is defined under U.S. generally accepted accounting principles as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The Plan is required to maximize the use of observable inputs, minimize the use of unobservable inputs, and disclose in the form of an outlined hierarchy the details of such fair value measurements. The hierarchy of valuation techniques is based on whether the inputs to a fair value measurement are considered to be observable or unobservable in a marketplace. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect the Plan's market assumptions. The hierarchy requires the use of observable market data when available. These inputs have created the following fair value hierarchy:

Level 1 - Quoted prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than those included in Level 1. For example, quoted prices for similar assets in active markets or quoted prices for identical assets in inactive markets.

Level 3 - Unobservable inputs reflecting management's own assumptions about the inputs used in estimating the value of the assets.

Following is a description of the Plan's valuation methodologies for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds

These investments are public investment vehicles valued using the Net Asset Value ("NAV") provided by the administrator of the fund and calculated at the close of business on the NYSE. The NAV is based on the value of the underlying asset owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. Investments in mutual funds are classified within Level 1 of the valuation hierarchy.

Common Collective Trust (CCT)

The Plan's investments in the common collective trust are public investment securities valued using the net asset value (NAV) provided by John Hancock Trust Company. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. The common collective trust fund does not have any unfunded commitments relating to its investments, and participant directed redemptions have no restrictions. These investments measured at net asset value per share have not been classified in the fair value hierarchy. The fair value amounts presented in the table below are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2022 **DECEMBER 31, 2022 AND 2021**

Note 5 - Related Party Transaction

During the year ended December 31, 2022, John Hancock Retirement Plan Service, LLC (“John Hancock”) was the record keeper and its related entity John Hancock Trust Company, LLC was the trustee of the Plan. Transactions with John Hancock qualify as party-in-interest transactions. During the year ended December 31, 2022, John Hancock administrative fees in the amount of \$30,318 were paid. In addition, during the year ended December 31, 2022, fiduciary advisor fees in the amount of \$21,597 and \$6,108 were paid to Coastal Capital Group Inc. and Timescale Financial, Inc., respectively. The Plan Sponsor elects to pay certain other administrative expenses of the Plan.

Note 6 - Notes Receivable from Participants

As of December 31, 2022, notes receivable from participants bear interest at rates ranging from 4.25% to 6.50% and mature at various dates through October 2029.

As of December 31, 2021, notes receivable from participants bear interest at rates ranging from 4.25% to 5.25% and mature at various dates through December 2030.

Note 7 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
