INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Plan Participants of
Haraden Motor Car Corp. 401(k) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Haraden Motor Car Corp. 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Haraden Motor Car Corp. 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Haraden Motor Car Corp. 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Haraden Motor Car Corp. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Haraden Motor Car Corp. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Haraden Motor Car Corp. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental schedule H, part IV, line 4i - schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Plan Participants of
Haraden Motor Car Corp. 401(k) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Haraden Motor Car Corp. 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Haraden Motor Car Corp. 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Haraden Motor Car Corp. 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Haraden Motor Car Corp. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Haraden Motor Car Corp. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Haraden Motor Car Corp. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental schedule H, part IV, line 4i - schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Haraden Motor Car Corp. 401(k) Retirement Plan

Notes to Financial Statements

December 31, 2022 and 2021

1. DESCRIPTION OF PLAN

The following description of the Haraden Motor Car Corp. 401(k) Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan documents for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan qualifying under Section 401(k) of the Internal Revenue Code ("IRC") and subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was established for the purpose of providing eligible employees of Haraden Motor Car Corp. (d/b/a Mohawk Honda) and its affiliates (the "Employer" or the "Sponsor") and their beneficiaries, funds for retirement.

Eligibility

An employee becomes an eligible participant in the Plan following his or her date of hire subject to the completion of 1 year of service, and the attainment of 21 years of age. The Plan excludes employees covered by a collective bargaining agreement, non-resident aliens and leased employees. Participants may enter the Plan immediately upon meeting the eligibility requirements for the Plan. A participant is eligible for the Employer matching contribution after the completion of 1 year of service, attainment of age 21 and must be employed at the end of the Plan year.

Contributions

Participants may elect to contribute up to 50% of a participant's annual compensation as defined in the Plan, subject to the applicable limit under Internal Revenue Code ("IRC") Section 402(g). Additionally, the Employer makes a matching contribution equal to 50% of the participant's elective deferrals up to 100% of EE deferrals and up to a max \$1,000. Employees are auto enrolled at 6% and auto escalated at 1% each year up to a max of 10%. The Employer may also elect to make a discretionary nonelective contribution. Such contributions are allocated to all eligible employees as a uniform percentage. For the year ended December 31, 2022, the Employer did not elect to make a discretionary nonelective contribution.

Participant Accounts

Each participant's account is credited with the participant's contribution, an allocation of the Employer's matching and discretionary contributions, when applicable, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various registered investment companies and a common/collective trust fund as investment options for participants.

Vesting

A participant is always 100% vested in his or her own deferred salary contribution and rollover contributions from other qualified plans to the Plan and related earnings thereon, but with respect to the Employer matching and non-elective contributions, any unvested portion of his or her account shall be forfeited at termination and applied to the Employer matching contribution or used to pay the Plan's administrative expenses. Upon death or disability or early retirement (as defined by the plan), participants will automatically become 100% vested.

Haraden Motor Car Corp. 401(k) Retirement Plan
Notes to Financial Statements
December 31, 2022 and 2021

The vesting schedule for Employer matching and nonelective contributions, if any, is as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 3	0%
3+	100%

Retirement Benefits

Prior to the retirement age of 65, distributions and withdrawals are not permitted from the Plan except in the instances of death, disability, termination of employment, or hardship as defined in the Plan document. Participants or their beneficiaries may receive a lump-sum amount equal to the value of the participant's vested account balance. If the participant account balance is \$5,000 or less, this amount will be paid as a lump sum distribution as soon as possible following termination of employment. After attaining age 59 ½, 100% of the participant's account may be withdrawn for any reason.

Notes Receivable From Participants

The Plan allows for participants to have one outstanding loan at any given time. All loans are considered a direct investment of the participant, and payments of principal and interest are credited to the participant's account. The minimum a participant may borrow is \$1,000 and the maximum is 50% of the vested account balance, not to exceed \$50,000. Interest is charged at a rate of prime plus two percentage points. Restrictions and repayment terms are described in the Plan document. Principal and interest are paid ratably through weekly payroll deductions. At December 31, 2022, the notes receivable from participants bear interest rates ranging from 3.25% to 8%, maturing at various dates through 2027.

Forfeited Accounts

Forfeitures of terminated nonvested employer contributions are used to offset employer contributions or pay plan expenses. At December 31, 2022 and 2021, the Plan had \$6,399 and \$21,566, respectively, of forfeited nonvested accounts. For the year December 31, 2022 the Plan did not utilize forfeitures to fund the employer matching contributions, but utilized \$21,566 to pay plan expenses.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Valuation of Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of funds are recorded on a trade-date basis. Interest income is recorded when received. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. See Note 3 for discussion of fair value measurements.

Administrative Expenses

The Plan is responsible for management fees relating to the investments, which reduce investment returns, and third-party administrator fees. Substantially all other expenses related to the Plan for administration, legal, audit, and other services are paid by the Plan Sponsor and are excluded from these financial statements. The fees paid by the Plan amounted to \$64,081 during the year ended December 31, 2022. Further, certain expenses related to the Plan's investments have been offset with net investment income.

Haraden Motor Car Corp. 401(k) Retirement Plan

Notes to Financial Statements

December 31, 2022 and 2021

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the amounts reported or disclosed in the financial statements, accompanying notes, and supplemental schedules. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan's assets are invested in various registered investments. Investments, in general, are exposed to various risks, such as credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and those changes could materially affect the amounts reported in the financial statements.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual bases. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2022 excess contributions to the applicable participants before March 15, 2023.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Notes to Financial Statements
December 31, 2022 and 2021

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used for the periods presented in the financial statements.

There were no transfers between Levels 1, 2 and 3 for the periods presented.

Common/Collective Trust: Valued at net asset value as determined by the issuer of the fund based on the fair value of the underlying investments.

Guaranteed Interest Account: The group annuity contract is valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets measured at fair value on December 31, 2022 and 2021:

2022				
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 11,229,071	\$ 11,229,071	\$ -	\$ -
Guaranteed interest account	179,473	-	179,473	-
	<u>\$ 11,408,544</u>	<u>\$ 11,229,071</u>	<u>\$ 179,473</u>	<u>\$ -</u>

4. INVESTMENTS AND INFORMATION PROVIDED AND CERTIFIED BY TRUSTEES (UNAUDITED)

No auditing procedures were performed by the independent public accountants as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by the trustees, which were Voya Institution Trust Company as of December 31, 2022 and for the period February 01, 2022 through December 31, 2022, and Hand Benefits & Trust for the year ended December 31, 2021 and for the period January 1, 2022 through February 01, 2022, except for comparing such information with information reported in the financial statements. Based on information provided and certified by the trustees there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, for the years ended December 31, 2022 and 2021.

The following information as of and for the years ended December 31, 2022 and 2021 was prepared from reports by the agent for the trustees:

	<u>2022</u>	<u>2021</u>
Investments, at fair value	\$ 11,229,071	\$ 12,825,954
Guaranteed interest account	179,473	-
	<u>\$ 11,408,544</u>	<u>\$ 12,825,954</u>
Net depreciation in fair value of investments	\$ (2,956,687)	
Dividends and interest	\$ 434,077	
Interest on notes receivable from participants	\$ 2,076	

5. PARTY-IN-INTEREST TRANSACTIONS

The Plan paid fees for administrative services of \$64,081 to the trustee in 2022. Further, certain expenses related to the Plan's investments have been offset with net investment income. These transactions qualify as party-in-interest transactions. Notes receivable from participants qualify as exempt party-in-interest transactions.

6. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 for the years ended December 31:

Notes to Financial Statements
December 31, 2022 and 2021

The following is a reconciliation of change in net assets available for benefits per the financial statements to Schedule H of Form 5500 for the year ended December 31:

Change in net assets available for benefits per the financial statements	\$ (1,527,447)
Excess contributions payable	<u>147,929</u>
Change in net assets available for benefits per the Schedule H of Form 5500	<u>\$ (1,379,518)</u>

7. PLAN TERMINATION

The Employer intends to continue the Plan indefinitely for the benefit of its employees, but reserves the right to modify, amend, or terminate the Plan at any time by resolution of its management. In the event of termination of the Plan, all amounts credited to participants' accounts shall be 100% vested and non-forfeitable. All participants shall receive a total distribution of their accounts as described in the Plan. Any amount in the forfeiture account upon termination, which has not been applied to reduce the Employer contribution, shall be allocated on a pro rata basis to the participants' accounts.

8. INCOME TAX STATUS

The Plan adopted a prototype non-standard profit-sharing plan. By letter dated June 30, 2020, the Internal Revenue Service has determined that the prototype plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Service. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there have been no tax related interest or penalties for the periods presented in these financial statements.

9. EXCESS CONTRIBUTION LIABILITY

The Plan failed the IRC 401(k) Actual Deferral Percentage compliance test of employee contributions for the years ended December 31, 2022 and 2021. The Plan corrected the failures by returning the excess contributions to affected employees in the following year. On December 31, 2022 and 2021, the excess contributions payable were \$147,929 and \$28,702.

10. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events occurring after that statement of net assets available for benefits date through September 5, 2023, the date the financial statements were available to be released. Based upon the evaluation, the Plan has determined that no subsequent events have occurred that require adjustment to or disclosure to the financial statements.
