Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Kemba Credit Union Profit Sharing 401(k) Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in the notes to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KEMBA CREDIT UNION PROFIT SHARING 401(k) PLAN AND TRUST

Notes to Financial Statements December 31, 2022 and 2021

Plan Description

The following description of the Kemba Credit Union (the Company) Profit Sharing 401(k) Plan and Trust (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible hourly and salary employees of the Company, as defined by the Plan. Employees become eligible to participate in the employee portion of the plan upon completion of 3 months of service and may enter the plan quarterly. Effective October 1, 2022, employees become eligible to participate in the employer match portion of the plan upon completion of 3 months of service and may enter the plan quarterly. Prior to October 1, 2022, employees became eligible to participate in the employer match portion of the plan upon completion of 1,000 hours of service within a 12-month time period and are age 21 or older and may enter the Plan either of January 1 or July 1 following attainment of eligibility requirements. Employees may participate in the employer non-elective portion of the Plan upon completion of 1,000 hours of service within a 12-month time period and are age 21 or older. Participants may enter the Plan either on January 1 or July 1 following attainment of eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to 100% of eligible pretax annual compensation, as defined in the plan agreement. The plan also provides for Roth elective deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company provides a mandatory safe harbor matching contribution equal to 100% of each participant's contribution up to a maximum of 5% of compensation. The Plan also provides for a discretionary profit sharing contribution as determined by the Company. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (i) the Company's contribution and (ii) the Plan's earnings and, if applicable, charged with an allocation of administrative expenses. Allocations are based on participant account balances, as defined by the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Plan Description (continued)

Vesting

Participants are vested immediately in their contributions and the employer safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's discretionary profit sharing contribution portion of their accounts, plus actual earnings thereon, is based on continuous years of service according to the following vesting schedule:

Years of Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser 50% of the participant's vested account balance or \$50,000. The loans are secured by the balance in the participant's account and bear interest at a rate based on the current market rate, as determined by the Plan administrator, at the time of the loan application. Effective October 1, 2022 interest for all new loans will be charged at prime plus 1% at the time of the loan application. At December 31, 2022, the interest rates on participant loans ranged from 3.05% to 3.25%. Principal and interest are paid ratably through payroll deductions. Loan repayment terms are not to exceed five years, unless the loan will be used by the participant to acquire the participant's principal residence.

Payment of Benefits

Upon termination of service due to death, disability, termination of employment or retirement, a participant (or their beneficiary in case of death) may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, installment payments, a life annuity, a term certain annuity with payments guaranteed for 20 years, or a joint and survivor annuity. If the participant's vested account balance is greater than \$1,000, but less than \$5,000, the account balance will be automatically distributed to an individual retirement account unless the participant elects to receive the distributions directly or to have the distribution paid to another eligible retirement plan. If the participant's balance does not equal or exceed \$1,000 upon termination, the balance will be paid in a single lump-sum distribution.

Forfeited Accounts

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$1,425 and \$2,892, respectively. Forfeitures are used to reduce employer contributions or to pay administrative expenses of the plan. Forfeitures totaling \$7,665 and \$11,458 were used to reduce plan expenses during 2022 and 2021, respectively.

Notes to Financial Statements December 31, 2022 and 2021

Plan Description (continued)

SECURE Act 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2022 financial statements.

Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. For additional disclosure regarding fair value of investments, see the *Fair Value Measurements* footnote herein.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Company pays for certain plan administrative expenses. The Company provides the Plan with certain accounting and administrative services for which no fee is charged.

Information Prepared and Certified by Custodian (Unaudited)

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, the following information included in the accompanying financial statements and supplemental schedule was obtained from data that was prepared and certified as complete and accurate by Voya Retirement Insurance and Annuity Company (Voya), the custodian of the Plan.

	2022	2021
Guaranteed investment contract	\$ 3,141,555	\$ 3,694,137

Notes receivable from participants	193,298	164,690
Total	\$ 16,446,159	\$ 19,009,057

The custodian also certified the completeness and accuracy of the following related to the aforementioned assets for the years ended December 31:

	2022	2021
Net (depreciation) appreciation in fair value of investments	\$(2,812,846)	\$ 2,063,028

Fair Value Measurements

GAAP established a fair value hierarchy that prioritizes the inputs to measure the fair value of the assets or liabilities being measured. Fair value is defined as the exchange value that would be received on the measurement date to sell an asset or to value the amount paid to transfer a liability in the principal or most advantageous market available to the entity in an orderly transaction between market participants. The three levels of the fair value hierarchy are as follows:

- Level 1 Inputs are unadjusted quoted market prices in active markets for identical assets or liabilities that the entity has the ability to access at the measurement date. Level 1 inputs provide the most reliable measure of fair value as of the measurement date.
- Level 2 Inputs are based on significant observable inputs, including unadjusted quoted market prices for similar assets and liabilities in active markets, unadjusted quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs other than quoted prices that are observable for the asset or liability.
- Level 3 Inputs are significant unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Guaranteed
Investment
Contracts:*

Valued at fair value by Voya by crediting interest at a minimum rate to cost, plus market value adjustments.

*Pooled
Separate
Accounts:*

Valued at the fair value of the underlying investments reported by Voya.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

KEMBA CREDIT UNION PROFIT SHARING 401(k) PLAN AND TRUST

Notes to Financial Statements December 31, 2022 and 2021

Fair Value Measurements (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's net assets at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Guaranteed investment contracts	\$ -	\$ 3,141,555	\$ -	\$ 3,141,555
Pooled separate accounts	-	13,111,306	-	13,111,306
Total assets at fair value	\$ -	\$ 16,252,861	\$ -	\$ 16,252,861

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Guaranteed investment contracts	\$ -	\$ 3,694,137	\$ -	\$ 3,694,137
Pooled separate accounts	-	15,150,230	-	15,150,230
Total assets at fair value	\$ -	\$ 18,844,367	\$ -	\$ 18,844,367

Group Investment Contracts with Insurance Company

The Plan entered into guaranteed investment contracts with Voya. Voya maintains the contributions in an unallocated fund to which it added interest at a rate of 1.50% for 2022 and 1.00% for 2021 for the Voya Fixed Account A Fund. The interest rate is reset quarterly. The Plan also holds the Voya Fixed Account Fund that has a guaranteed return of 3%. The contracts do not have a maturity date and continue in force until all assets have been distributed or no further payments are due. A contract holder may request a lump sum distribution. The contracts restrict the amount of participant-directed exchanges.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Tax Status

The Company adopted a Non-Standardized Pre-Approved Profit Sharing Plan with a Cash or Deferral Arrangement that received a favorable opinion letter from the Internal Revenue Service (IRS) on June 30, 2020, which stated that the Plan is designed in accordance with applicable sections of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

KEMBA CREDIT UNION PROFIT SHARING 401(k) PLAN AND TRUST

Notes to Financial Statements December 31, 2022 and 2021

Tax Status (continued)

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Party-in-Interest Transactions

Certain Plan investments are shares of pooled separate accounts and a guaranteed investment contracts managed by the custodian and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for administrative expenses amounted to \$13,955 and \$15,155 for the years ended December 31, 2022 and 2021, respectively.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term, and that such changes could materially affect participants' account balances and the amount reported in the accompanying 2022 statement of net assets available for benefits.

Subsequent Events – Date of Management's Review

The Plan has evaluated subsequent events through the date of the Independent Auditor's Report, the date the financial statements were available to be issued.
