We have performed audits of the financial statements of PC Services, Inc. dba Paradise Cove 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional

omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – *Supplemental Schedule Required by ERISA*

The supplemental schedule of Schedule H, Part IV, line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PC Services, Inc. dba Paradise Cove 401(k) Profit Sharing Plan

Notes to Financial Statements
December 31, 2022 and 2021

1. Description of Plan

The following description of the PC Services, Inc. dba Paradise Cove 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan covering substantially all employees of PC Services, Inc. dba Paradise Cove (the Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Massachusetts Mutual Life Insurance Company ("Mass Mutual") prior to December 31, 2020 was the recordkeeper of the Plan, and administrative agent and attorney-in-fact for Talcott Resolution Life Insurance Company ("Talcott") (formerly Hartford Life Insurance Company), the custodian of the Plan. On December 31, 2020, Empower Annuity Insurance Company of America and its subsidiaries ("Empower"), including Empower Retirement, LLC and Empower Trust Company, LLC ("ETC") acquired the retirement business of Mass Mutual.

b. Eligibility

All employees of the Company are eligible to participate in the Plan and receive profit sharing contributions upon attaining age 21 or older and completing one year of service with at least 1,000 hours of service during the year.

c. Contributions

Participants may elect to defer up to 100 percent of their annual compensation, subject to certain limitations defined by the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions.

The Company contributes dollar-for-dollar of employee deferrals up to five percent of compensation to participants who are eligible to receive contributions under the safe harbor matching provision in the Plan. Effective January 1, 2021, the Plan was amended to remove the safe harbor matching provision, and no employee matching contributions were made for the year ended December 31, 2021. The Plan was amended effective January 1, 2022 to re-instate the safe harbor provision.

PC Services, Inc. dba Paradise Cove 401(k) Profit Sharing Plan

Notes to Financial Statements
December 31, 2022 and 2021

1. Description of Plan (continued)

c. Contributions (continued)

For the year ended December 31, 2022, the Company declared and authorized a discretionary profit sharing contribution of approximately \$327,000 which is included in employer contribution receivable in the statement of net assets available for benefits for the year ended December 31, 2022. The entire amount was contributed to the Plan subsequent to year end. For the year ended December 31, 2021, the Company did not make a discretionary profit sharing contribution.

d. Participant Accounts

Each participant's account is credited with the participant's contributions, the employer's matching and profit sharing contribution, and an allocation of Plan earnings and expenses. Earnings and losses from the Plan's investments are allocated to participants' accounts in proportion to the balances of such accounts, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their accounts into various investment options offered by the Plan.

e. Vesting

Participants are immediately vested in their contributions and safe harbor matching contributions made by the Company, plus actual earnings thereon. Vesting in the Company's discretionary profit sharing contributions, plus actual earnings thereon, is based on years of service. A participant is 100 percent vested after six years of credited service.

f. Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum distribution equal to the value of his or her vested account balance or periodic installments over a defined period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

g. Forfeitures

Upon termination of employment, participants forfeit their nonvested balances. Forfeited balances of terminated participants' nonvested accounts are first applied to the payment of Plan administrative expenses and then used to reduce the amount of Company non-elective contributions. There were no significant unallocated account balances at December 31, 2022 and 2021.

2. Summary of Significant Accounting Policies

a. Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

b. Management's Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (US GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

c. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Board of Directors determines the Plan's valuation policies utilizing information provided by the custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

d. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, credit, and market risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

There was an outbreak of the novel Coronavirus (COVID 19) which impacted the financial markets and the global economy. The effect of this impact has not been reflected in these financial statements and may adversely affect the Plan's net assets available for benefits. The related financial impact and duration cannot be reasonably estimated at this time. On May 5, 2023, the World Health Organization ended the global emergency status for the COVID 19 pandemic.

2. Summary of Significant Accounting Policies (continued)

e. Payment of Benefits

Benefits paid to participants are recorded upon distribution.

f. Administrative Expenses

Administrative expenses are recorded when incurred. To the extent any expenses of the Plan are not paid from the Plan, the Company pays such expenses.

g. Subsequent Events

The Company has evaluated subsequent events through September 14, 2023, the date on which the financial statements were available to be issued, and it was determined that all subsequent events had been properly accounted for.

3. Information Certified by Custodian

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information certified as complete and accurate by the custodian, Empower, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplemental schedule related to the following assets:

	2022	2021
Pooled separate accounts	\$ 6,236,781	7,121,999
Contract with insurance company	60,757	48,702
Total investments	<u>\$ 6,297,538</u>	<u>\$ 7,170,701</u>

Empower also certified to the completeness and accuracy of net investment loss of \$(1,096,738) related to the aforementioned assets for the year ended December 31, 2022.

PC Services, Inc. dba Paradise Cove 401(k) Profit Sharing Plan

Notes to Financial Statements
December 31, 2022 and 2021

4. Fair Value Measurements

The Financial Accounting Standards Board Accounting Standards Codification Topic 820 provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets in active markets; quoted prices for identical or similar assets in inactive markets; inputs other than quoted prices that are observable for the asset; and inputs that are derived principally from or can be corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

An asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled separate accounts – Valued based on net asset value (NAV) of shares held by the Plan at year end as provided by the custodian. The NAV is based on the fair value of the underlying investments. The NAV is not a publicly-quoted price in an active market. In accordance with Accounting Standards Board Accounting Standards Codification Topic 820, these investments measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy.

The preceding methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements
December 31, 2022 and 2021

4. Fair Value Measurements (continued)

The following table summarizes investments for which fair value is measured using net asset value per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant or plan level redemption restrictions for these investments.

Investment	December 31, 2022			
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled separate accounts	\$ 6,236,781	n/a	Daily	n/a

Investment	December 31, 2021			
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled separate accounts	\$ 7,121,999	n/a	Daily	n/a

5. Contract with Insurance Company

The Plan invests in an unallocated fixed income group variable funding agreement with Hartford Life Insurance Company ("Hartford"). Effective April 2019, Hartford changed its name to Talcott Resolution Life Insurance Company ("Talcott"). This investment provides for a guaranteed crediting rate. Guarantees are based on the claims paying ability of Talcott and not the value of the securities within the insurer's general account. The credit rating of the issuer at December 31, 2022 was Ba3 as reported by Moody's Investors Service. Deposits made to the fixed account are deposited in Talcott's general account. Payment obligations under the fixed account represent an insurance claim supported by all the general account assets.

Under the contract that supports this product, participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at this contract value. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees.

The contract is effected directly between the Plan and the issuer. The repayment of principal and interest credited to participants is a financial obligation of the issuer. There are no reserves against contract value for credit risk of the contract issuer or otherwise. Given these provisions, the Plan considers this contract to be fully benefit-responsive.

As of December 31, 2022 and 2021, the investment amounted to \$60,757 and \$48,702, respectively.

PC Services, Inc. dba Paradise Cove 401(k) Profit Sharing Plan

Notes to Financial Statements
December 31, 2022 and 2021

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the accounts of all participants affected by the termination shall become fully vested.

7. Exempt Party-in-Interest Transactions

All purchases and sales of investments managed by Empower, Mass Mutual and Talcott are considered exempt party-in-interest transactions.

8. Tax Status

The Plan has adopted a non-standardized pre-approved profit sharing plan (Pre-Approved Plan) and has received an opinion letter dated June 30, 2020 from the Internal Revenue Service (IRS) as to the Pre-Approved Plan's qualified status. The Plan has been amended since receiving the opinion letter. The Pre-Approved Plan's opinion letter has been relied upon by the Plan. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the qualification requirements of the IRC and that the Plan continues to be tax-exempt. Hawaii income tax law conforms to the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. Administration errors, if any, which are insignificant or operational in nature are handled by the Plan Administrator in accordance with applicable IRS correction policies.

US GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

REQUIRED COMMUNICATIONS

Auditing standards generally accepted in the United States of America (GAAS) (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Our Responsibilities With Regard to the Financial Statement Audit

Our responsibilities under auditing standards generally accepted in the United States of America have been described to you in our arrangement letter dated May 22, 2023. Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.

As management determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), the audit did not extend to any certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework.

Overview of the Planned Scope and Timing of the Financial Statement Audit

We have issued a separate communication dated July 17, 2023 regarding the planned scope and timing of our audit and identified significant risks.

Accounting Policies and Practices

Preferability of Accounting Policies and Practices

Under accounting principles generally accepted in the United States of America, in certain circumstances, management may select among alternative accounting practices. We did not discuss with management any alternative treatments within generally accepted accounting principles for accounting policies and practices related to material items during the current audit period.

Adoption of, or Change in, Accounting Policies

Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Plan. The Plan did not adopt any significant new accounting policies, nor have there been any changes in existing significant accounting policies during the current period.

Significant Accounting Policies

We did not identify any significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Unusual Transactions

We did not identify any significant unusual transactions.

Management's Judgments and Accounting Estimates

Accounting estimates are an integral part of the preparation of financial statements and are based upon management's current judgment. The process used by management encompasses their knowledge and experience about past and current events and certain assumptions about future events. The Board of Directors may wish to monitor throughout the year the process used to determine and record the accounting estimates. The following describes the particularly sensitive accounting estimate reflected in the Plan's financial statements and the basis for our conclusions on the reasonableness of the estimate.

Fair value of the investments held by the Plan – Management has informed us that they used all the relevant facts available to them along with obtaining assistance from Empower Trust Company LLC, custodian and trustee, to evaluate the reasonableness of the fair value of its investments. The Plan also obtained certifications from the custodian as of December 31, 2022 and 2021, and for the year ended December 31, 2022, that the information provided by the trustee is complete and accurate. As instructed by the Plan Administrator and in accordance with the United States Department of Labor's regulations, we did not perform any auditing procedures on the fair value of the investments recorded in the Plan's financial statements and supplemental schedule.

Audit Adjustments and Uncorrected Misstatements

There were no audit adjustments made to the original trial balance presented to us to begin our audit. We are not aware of any uncorrected misstatements other than those that are clearly trivial.

Substantial Doubt About the Entity's Ability to Continue as a Going Concern

The financial statements were prepared on the assumption that the Plan will continue as a going concern.

Form 5500 Filing

GAAS requires that we obtain and read a draft of the Plan's Form 5500 that is substantially complete prior to the dating of our auditor's report in order to identify material inconsistencies, if any, with the Plan's audited financial statements. We read the Plan's draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements, other than appropriate reconciling items with the draft Form 5500 as disclosed in the notes to the financial statements.

Other Information Included in Annual Reports

Our responsibility for other information included in annual reports is to read the information and consider whether its content or the manner of its presentation is materially inconsistent with the financial information covered by our auditor's report, whether it contains a material misstatement of fact or whether the other information is otherwise misleading. We read the Plan's Form 5500 filing for consistency with information in the financial statements and have provided our comments to management. We are not aware of other documents that contain the audited financial statements. We did not identify material inconsistencies with the audited financial statements.

ERISA-Required Supplemental Schedule

We subjected the information included in the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA-required supplemental schedule, other than the certified investment information, is fairly stated in all material respects in relation to the financial statements as a whole, whether the form and content of the ERISA-required supplemental schedule is presented in conformity with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplemental schedule agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We will include an other-matter paragraph in our auditor's report for the ERISA-required supplemental schedule. We did not identify inconsistencies with the audited financial statements or with the certified investment information.

Observations About the Audit Process

Disagreements With Management

We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

Consultations With Other Accountants

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

Significant Issues Discussed With Management

No significant issues arising from the audit were discussed or were the subject of correspondence with management.

Significant Difficulties Encountered in Performing the Audit

We did not encounter any significant difficulties in dealing with management during the audit.

Difficult or Contentious Matters That Required Consultation

We did not encounter any significant and difficult or contentious matters that required consultation outside the engagement team.

This representation letter is provided in connection with your audits of the financial statements of PC Services, Inc. dba Paradise Cove 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021; the related statement of changes in net assets available for benefits for the year ended December 31, 2022; and the related notes to the financial statements.

We elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodically examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and that the certified information is appropriately measured, presented and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

We confirm, to the best of our knowledge and belief, that as of the date of this letter:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated May 22, 2023 for the preparation and fair presentation of the financial statements referred to above in accordance with U.S. GAAP.
2. We acknowledge our responsibility for administering the plan and determining the plan's transaction that are presented and disclosed in the ERISA plan financial statements are in conformity with the

plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
4. We acknowledge our responsibility for the design, implementation and maintenance of controls to prevent and detect fraud.
5. The methods, data, and significant assumptions used by us in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement or disclosure that is reasonable in the context of U.S. GAAP, and reflect our judgment based on our knowledge and experience about past and current events, and our assumptions about conditions we expect to exist and courses of action we expect to take.
6. We are responsible for estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represented our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820. The methods and significant assumptions used to determine fair values of the financial instruments are as follows:

Pooled Separate Accounts – Valued based on net asset value (NAV) of shares held by the Plan at year end as provided by the custodian. The NAV is based on the fair value of the underlying investments. The NAV is not a publicly-quoted price in an active market. In accordance with Accounting Standards Board Accounting Standards Codification Topic 820, these investments measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy.

Our valuation methodologies have been consistently applied from period to period. The methods and assumptions used result in a measure of fair value appropriate for financial statement measurement and disclosure purposes.

7. Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
8. Transactions with parties-in-interest, as defined in Section 3(14) of ERISA and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements and guarantees, and amounts receivable from or payable to related parties have been appropriately accounted for and disclosed.
9. All events subsequent to the date of the financial statements, and for which U.S. GAAP requires adjustments or disclosure, have been adjusted or disclosed.
10. The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.

11. We have no intention to terminate the Plan.
12. We have properly reported and disclosed amendments to the Plan instrument, if any.
13. We have no knowledge of any uncorrected misstatements in the financial statements.
14. Effective January 1, 2022, the Plan was amended to re-instate the safe harbor matching provision. For the year ended December 31, 2021, the Plan Sponsor did not make a discretionary profit sharing contribution.
