Independent Auditor's Report

Plan Administrator

Hadassah, The Women's Zionist Organization of America, Inc. 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of Hadassah, The Women's Zionist Organization of America, Inc. 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate to the best of their knowledge and belief.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2008. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule, schedule H, line 4i—schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Hadassah, The Women's Zionist Organization of America, Inc. 403(b) Plan

Notes to Financial Statements

Note 1. Description of Plan

The following description of the Hadassah, The Women's Zionist Organization of America, Inc. 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General: The Plan is a defined contribution plan established for the benefit of the employees of Hadassah, The Women's Zionist Organization of America, Inc. (the Organization or Plan Sponsor). The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC) and similar state tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan files annually with the Internal Revenue Service and the Department of Labor (DOL) on Form 5500. The Plan Administrator was not required to include financial statements of the Plan in its Form 5500 prior to 2009, and the Plan's detailed accounting records are maintained by the third-party administrator, Transamerica Retirement Solutions Corporation (Transamerica). Transamerica has not made available to our independent auditors detailed Plan records prior to 2008 and, as a result, our independent auditors have concluded that the Plan has not maintained sufficient accounting records for assets held by the Plan prior to that date.

Eligibility: All employees of the Organization are eligible for the Plan pursuant to the Universal Availability Rule (the Rule). The Rule states that if an organization permits one employee to defer salary into a 403(b) plan, the Organization must extend this offer to all employees of the Organization. Certain employees, as defined by the Plan, are not eligible, which includes employees who normally work less than 20 hours per week, those eligible to participate in certain other plans, nonresident aliens or employees who are students performing services.

Contributions: Each year, participants may make salary deferral contributions at any percentage or dollar amount of pretax annual compensation, as defined by the Plan. Effective October 1, 2022, the Plan also allows participants to make roth elective deferrals to the Plan. The Organization also matches an employee's contribution into the Plan. The Organization will match at a rate of 75%, the first 6% of each participant's base compensation that is contributed by the participant to the Plan for both union and nonunion employees. Contributions are subject to certain limitations imposed by the IRC.

Effective October 1, 2022, the Plan has an automatic enrollment provision that consists of a pretax salary deferral of 3% for all newly eligible employees, excluding union employees.

Rollovers: The Plan permits employees to rollover eligible retirement plan funds to their participant accounts.

Payment of benefits: On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or various installments as outlined in the Plan agreement. Participants may also make withdrawals prior to termination of employment upon attainment of age 59½. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Participant accounts: Each participant's account is credited with an allocation of: (a) the participant's contributions, (b) the Organization's contributions and (c) Plan earnings (losses). Allocations are based on participant earnings or account balances, as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Hadassah, The Women's Zionist Organization of America, Inc. 403(b) Plan

Notes to Financial Statements

Note 1. Description of Plan (Continued)

Participants' investment options: Participants must direct the amounts contributed to selected investments as made available and determined by the Plan Administrator as directed by its Pension Committee. Participants may change their investment options at any time throughout the year via direct phone or Internet access to Transamerica.

Vesting: Vesting is based on years of service. Participants with more than one year of service vest 20% each year and are fully vested after five years of service. After termination of employment, the nonvested portion of the account is forfeited at the time of distribution.

Forfeitures: Upon termination of service and distribution, any unvested interest of the employer contribution account will be forfeited. Forfeitures are retained in the Plan and are eligible to be used to reduce employer contributions. In 2022, employer contributions were reduced by \$30,760 from forfeited nonvested accounts. The Plan has \$64,292 and \$29,208 in the forfeiture account as of December 31, 2022 and 2021, respectively.

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes receivable from participants are secured by the balance in the participant's account and bear interest at 4.25% to 8.00%, which are commensurate with local prevailing rates. Notes receivable from participants terms range from one to five years, or longer for the purchase of a primary residence. Principal and interest are paid ratably through monthly payroll deductions.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared under the accrual basis of accounting.

Investment valuation and income recognition: Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Pension Committee determines the Plan's valuation policies utilizing information provided by investment advisers, custodians and an insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are treated as distributions based on the terms of the Plan document.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Payment of benefits: Benefits are recorded when paid.

Subsequent events: The Plan has evaluated subsequent events through September 19, 2023, the date the financial statements were available for issuance.

Hadassah, The Women's Zionist Organization of America, Inc. 403(b) Plan

Notes to Financial Statements

Note 3. Information Certified by the Custodians

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by State Street Bank and Trust Company (SSBT) and Transamerica Financial Life Insurance Company Inc. (TFLIC), the custodians, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodians that information provided to the Plan Administrator by the custodians related to the following assets is complete and accurate to the best of their knowledge and belief. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets at December 31:

	2022	2021
Insurance general account, at contract value	\$ 2,737,971	\$ 2,659,841
Investments:		
Shares of registered investment companies, at fair value	21,416,294	25,286,988
Notes receivable from participants	126,984	119,751
	<u>\$ 24,281,249</u>	<u>\$ 28,066,580</u>

The custodians also certified to the completeness and accuracy of (\$4,612,713) of net depreciation in fair value of investments, \$458,029 of interest and dividends and \$4,294 of interest income on notes receivable from participants for the year ended December 31, 2022.

Note 4. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Hadassah, The Women's Zionist Organization of America, Inc. 403(b) Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for Level 1 investment assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered investment companies: Fair values are based on unadjusted quoted prices in active markets for identical assets or liabilities from readily available sources.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes that its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies	\$ 21,416,294	\$ -	\$ -	\$ 21,416,294
Total investments at fair value	\$ 21,416,294	\$ -	\$ -	\$ 21,416,294

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies	\$ 25,286,988	\$ -	\$ -	\$ 25,286,988
Total investments at fair value	\$ 25,286,988	\$ -	\$ -	\$ 25,286,988

Note 5. Investment Contract With Insurance Company

The Plan holds investment contracts with TFLIC and Prudential, and maintains participant contributions in pooled accounts. The guaranteed funds are investment options under the Plan and are provided under annuity group contracts issued by TFLIC and Prudential. The accounts are credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses charged by TFLIC and Prudential. The insurance general accounts and the guaranteed funds are reported at contract value. The contracts are included in the financial statements at contract value, as reported to the Plan by TFLIC and Prudential (which represents contributions made under the contract, less withdrawals and administrative expenses) because these investments have fully benefit-responsive features. There are no reserves against contract values for credit risk of contract issues or otherwise. The crediting interest rate averaged 2.14% and 1.78% during 2022, for the TFLIC and Prudential contracts, respectively.

Notes to Financial Statements

Note 5. Investment Contract With Insurance Company (Continued)

Certain events limit the ability of the Plan to transact at contract value with the issuers. Such events include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Such events include the following: (a) an uncured violation of the Plan's investment guidelines, (b) a breach of material obligation under the contract, (c) a material misrepresentation or (d) a material amendment to the agreements without the consent of the issuer. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

Note 6. Tax Status

The Plan's terms have been drafted to comply with Section 403(b) of the IRC. The Plan is required to operate in conformity with the IRC to maintain the exclusion from tax for Plan participants. The Plan's management believes the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements. The Plan Administrator intends to apply for a determination letter on the Plan when the government opens such program.

The Plan follows FASB ASC 740-10-5 on accounting for uncertainty in income taxes. The Plan Sponsor's management has evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustments to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements as of December 31, 2022 and 2021, and for the year ended December 31, 2022.

Note 7. Related Party Transactions

Certain plan investments are shares of registered investment companies managed by Transamerica. Transamerica is the third-party administrator, as defined by the Plan, and SSBT is the custodian and, therefore, these transactions qualify as exempt party-in-interest transactions as defined by ERISA. Certain administration expenses charged to the Plan for investments in the mutual funds are deducted from income earned and are not separately reflected. Consequently, administration expenses are reflected as a reduction of investment return for such investments.

These party-in-interest transactions are not deemed prohibited because they are covered by statutory and administrative exemptions from the IRC and the rules of prohibited transactions of ERISA.

Note 8. Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Notes to Financial Statements

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to net assets per the Form 5500 at December 31, 2022 and 2021:

The following is a reconciliation of net decrease in net assets available for benefits per the financial statements to net loss per the Form 5500 for the year ended December 31, 2022:
