INDEPENDENT AUDITORS' REPORT

The Plan Administrator and Plan Participants
Weston & Sampson 401(k) and Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Weston & Sampson 401(k) and Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H - Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Weston & Sampson 401(k) and Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a voluntary defined-contribution plan covering all eligible employees of Weston & Sampson, Inc. and Subsidiaries (the Company or Employer). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

ELIGIBILITY

All employees of the Company, excluding leased, temporary, interns and per diem employees, are eligible to become a participant in the Plan on the first working day in January, April, July and October, as defined, after such employee has completed three months of service and attained the age of 18.

ADMINISTRATION

The Plan's sponsor is the Company. The Board of Directors of the Company is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance. The Plan is administered by a benefits committee (the Plan Administrator) comprised of certain employees of the Company. The Plan's custodian, recordkeeper and trustee is Fidelity Management Trust Company (the Trustee).

CONTRIBUTIONS

PARTICIPANT CONTRIBUTIONS

Each participant in the Plan may contribute up to 60 percent of his or her eligible compensation to the Plan through the execution of a salary reduction agreement. Participant contributions may be on a pre-tax or post-tax (Roth) basis. Participants who were age 50 and older before the close of the calendar year were allowed to make a catch-up contribution. Participants have a 100 percent vested and nonforfeitable interest in their own contributions plus actual earnings thereon. The Company's discretionary matching and profit sharing contributions, together with any salary reduction employee contributions, shall not exceed the maximum deductible amount under Internal Revenue Code (IRC) Section 415(c).

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

PARTICIPANT ROLLOVERS

Participants may contribute amounts representing distributions from other qualified plans (rollovers).

DISCRETIONARY MATCHING EMPLOYER CONTRIBUTIONS

The Company may make a discretionary matching contribution to eligible participants. A participant becomes eligible for matching contributions only if they make deferral contributions and have completed one year of service (1,000 hours). Contributions will be computed by the Company based on the participant's eligible compensation contributed to the Plan each payroll period. The Company, however, reserves the right to adjust the matching contribution upward or downward in any plan year, or to eliminate the contribution completely at its sole discretion. The discretionary matching contribution during the year ended December 31, 2022 was 50 percent of the first 6 percent of participant contributions. During the year ended December 31, 2022, the Company contributed \$1,497,233 in discretionary matching contributions.

EMPLOYER DISCRETIONARY PROFIT SHARING CONTRIBUTIONS

On an annual basis, the Employer may contribute a discretionary profit sharing contribution to eligible participants. The discretionary profit sharing contribution allocation is based on the ratio that each participants' compensation bears to the total of such compensation of all participants. Participants must complete one year of service (1,000 hours) and be employed at year end to receive such allocation. During the year ended December 31, 2022, the Company did not make any discretionary profit sharing contributions.

The Company's discretionary matching and discretionary profit sharing contributions, together with any participant contributions, shall not exceed the maximum deductible amount under the IRC Section 404(a)(3)(A).

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, the Company's discretionary matching and discretionary profit sharing contributions and an allocation of the Plan's earnings (losses). Allocations are based on participant account balances, as defined. The accounts are charged for any withdrawals, distributions, and an allocation of administrative expenses. Should an employee withdraw from the Plan before he or she is fully vested, the non-vested portion of his or her account is forfeited. All forfeitures are reallocated to offset future Employer discretionary matching contributions or Plan expenses in accordance with the terms of the Plan. When the participant attains his or her normal retirement age, or in the event of death or disability, the participant becomes 100 percent vested in the Company's discretionary matching contributions, discretionary profit sharing contributions, and interest earned thereon.

INVESTMENT OPTIONS

Participants may direct contributions into any funds offered by the Plan. These funds include a variety of investment options with various objectives and degrees of financial risk. Participants may change their investment options at any time at their discretion.

VESTING

Participants are immediately vested in their contributions, the Employer discretionary matching contributions, and actual earnings thereon. Vesting in the Employer's discretionary profit sharing contribution portion of their accounts plus actual earnings is based on the number of years of service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than two years	0 %
Two but less than three years	20 %
Three but less than four years	40 %
Four but less than five years	60 %
Five but less than six years	80 %
Six or more years	100 %

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PAYMENT OF BENEFITS

When a participant is entitled to a distribution on account of retirement, death, disability or termination of employment, such distribution is made in either a lump sum or in equal cash payments over a period not to exceed the participant's life expectancy or joint life expectancies of the participant and his or her spouse. If a participant terminates employment for any reason and his or her vested account balance does not exceed \$5,000, the Plan Administrator may distribute such amount in a lump-sum payment to the participant without consent of participant. The Plan also provides for in-service withdrawals with certain limitations set by the Plan, for participants who have attained the age of 59½. Any participant who has authorized salary reduction contributions may withdraw all or a portion of such contributions in the event of extreme financial hardship, as defined by the Plan, and approved by the Plan Administrator.

In addition as part of the CARES Act, participants were allowed to take an early distribution of up to \$100,000 if they were 1) diagnosed with COVID-19, 2) spouse or dependent were diagnosed with COVID-19, or 3) the participant experienced adverse financial consequences as a result of COVID-19. These distributions were not subject to a 10% early withdrawal penalty. The voluntary adoption of this provision by the Plan was effective April 1, 2020. As of December 31, 2022, the Plan has not been formally amended, as a formal amendment is not required until the plan year ending December 31, 2025. The Plan intends to formally adopt the amendment upon a future restatement of the Plan prior to this date.

FORFEITURES

If a participant is not 100 percent vested on his or her termination date, the Employer portion of the participants' non-vested portion will be forfeited. All amounts forfeited may be used to offset future discretionary matching and profit sharing contributions and Plan expenses. Forfeitures of terminated non-vested account balances that were allocated to offset Employer discretionary matching contributions during the year ended December 31, 2022 were \$21,774. The outstanding forfeiture balance as of December 31, 2022 and 2021 was \$46,172 and \$23,877, respectively.

401(K) AND PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of (i) 50 percent of the participant's account balance or (ii) \$50,000 (extended to \$100,000 as part of CARES Act through June 25, 2021) (reduced by any loan repayments during the prior year). Loan terms shall not exceed 5 years unless the loan proceeds are used to acquire a principal residence, for which the term cannot exceed 10 years. As part of the CARES Act, loan payments could be delayed for up to one additional year. The loans are secured by the balance in the participant's account and bear interest at a rate of 3.25 to 6.25 percent, which is commensurate with local, prevailing rates as determined by the Plan Administrator. Principal and interest is repaid ratably through payroll deductions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts of additions to and deductions from net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan agreement. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded at December 31, 2022 and 2021.

401(K) AND PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be required to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company determines the Plan's valuation policies utilizing information provided by the investment advisors and Trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's unrealized depreciation and realized gains (losses) on investments bought and sold as well as held during the year.

ADMINISTRATIVE EXPENSES

The Company pays certain professional fees related to the Plan. All other expenses incurred in the administration of the Plan are charged and paid by the Plan. Certain funds available within the Plan participate in fixed income pricing with Fidelity. The funds paid to Fidelity are used to offset Plan expenses and any excess offset over Plan expenses are recorded to the revenue credit account. Revenue credits can be utilized to pay future Plan expenses or can be allocated back to participant accounts at the direction of the Plan Administrator. The Plan recognized \$100,000 of revenue credits during the year ended December 31, 2022, which were reflected as a reduction in administrative expenses on the accompanying statement of changes in net assets available for benefits. Personnel and facilities of the Company were used for certain plan administrative functions at no charge to the Plan and are excluded from these financial statements. Fees related to notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events for potential recognition and disclosure through September 6, 2023, the date the financial statements were available to be issued. Except as noted below, there were no other events identified requiring recognition or disclosure in the financial statements.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

NOTE 3 - CERTIFICATION OF INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by the Trustee. This information has not been audited by the Plan's independent auditors. The certification does not apply to the notes receivable from participants and interest income on notes receivable from participants.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical assets or liabilities.

**WESTON & SAMPSON
401(K) AND PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 – Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Fund: Stated at fair value which equals the quoted market price on the last business day of the plan year.

Collective Trust Fund: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust fund, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

(a) In accordance with Financial Accounting Standards Board, Accounting Standards Codification Subtopic 820-10, *Fair Value Measurements and Disclosures*, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following summarizes investments measured at fair value based on the NAV per share as follows at December 31, 2022 and 2021:

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

NOTE 6 - PARTY-IN-INTEREST TRANSACTION

During the year ended December 31, 2022, there were transactions involving the investment of Plan assets in investment funds maintained under the custody of the Trustee, a party-in-interest as defined in Section 3(14) of ERISA. Additionally, the Plan extends loans to participants, who are considered parties-in-interest. Further, personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge to the Plan. These transactions are exempt from the prohibited transactions rules.

NOTE 7 - TAX STATUS

The Plan has adopted a prototype plan and trust, and did not apply for an individual Internal Revenue Service (IRS) determination letter. The IRS has determined and informed the prototype plan administrator by letter dated March 31, 2014 that the prototype plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has been amended since the prototype plan received their opinion letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

DECEMBER 31, 2022 AND 2021

NOTE 8 - RISK AND UNCERTAINTIES

INVESTMENTS

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
