Plan Participants and Administrator
Simple Management Group Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Simple Management Group Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Simple Management Group Inc. 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material

respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Simple Management Group Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Simple Management Group Inc. 401(k) Plan ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Simple Management Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Simple Management Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the

financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Simple Management Group Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

1. Plan Description

The following description of the Simple Management Group Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more comprehensive description of the Plan's provisions.

The name of the Plan was changed in 2023 from La Familia Pawn & Jewelry 401(k) Plan to Simple Management Group Inc. 401(k) Plan.

- a) *Plan Description* - The Plan is a defined contribution plan established by Simple Management Group Inc. ("Company" or "Plan Sponsor"). The Plan is subject to the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan and the Trust were established on January 1, 2013. Employees of Simple Management Group Inc., who have completed at two months of service, as determined in accordance with the Plan's service rules, and are 21 years of age or older, are eligible to participate in the Plan.
- b) *Employee Contributions* - Contributions to the Plan - Participants may contribute to the Plan on a pre-tax basis and/or on an after-tax Roth basis subject to the provisions of the Internal Revenue Code (the "Code"). After two months of services employees will be automatically enrolled in the Plan at a deferral rate of 3% unless an employee opts out. Employees automatically enrolled in the Plan will receive an automatic 1% increase in their deferral rate on each anniversary of their automatic enrollment date up to a maximum of 10%. In addition, participants who will be at least age 50 by the end of the tax year may make an additional "catch-up" contribution as prescribed by the Code. Participants can change their elective deferral percentage or opt out at any time. The Company may make matching and non-elective contributions. No Company contributions were made in 2022.
- c) *Investment Options* - Participants direct the investment of their contributions and the Company's contribution into various investment options offered by the Plan. Participants may change their investment options at any time via the telephone or internet. Participants who do not select specific investments are invested in accordance with the default investment alternatives established under the Plan.

- d) *Participants Accounts* – Each participant’s account is credited with the participant’s contributions and allocation of (a) the Company’s contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Administrative expenses maybe charged based on account balances or charged equally to each participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.
- e) *Vesting* – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Sponsors’ contribution portion is based on years of continuous service. A participant is 100% vested after six years of service.

The vesting schedule for Company contributions is as follow:

Years of Service	Vesting Percentage
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%

- f) *Plan Expenses and Administration* – The Plan Sponsor is responsible for the general administration of the Plan and for carrying out the provisions thereof. Plan expenses such as legal, auditing and advisory fees are paid by the Plan Sponsor. Certain transaction charges are deducted from the Participant’s accounts.
- g) *Notes receivable from Participants* – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant’s account and bear interest at prime rate plus 1.0%, which is commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Notes to Financial Statements

December 31, 2022 and 2021

- h) *Payment of Benefits* – Immediate distributions may be made at participants' election upon termination of employment in a lump sum payment. The normal retirement age is the date a participant attains their sixty-fifth (65th) birthday. A participant may withdraw amounts at any time from their salary after-tax contributions account, subject to uniform and nondiscriminatory standards established by the Plan Administrator. In the case of a participant termination because of death, the entire vested amount is paid to the person or persons legally entitled thereto. The Plan allows hardship withdrawals.
- i) *Forfeited accounts* – The portion of a participant's account not vested at the date of his/her termination of employment is forfeited immediately. Forfeitures under the Plan will be either, allocated to Participant's accounts during the Plan Year, to reduce the amount the Employer must contribute to the Plan or used to reduce related Plan costs and expenses.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan to make estimates and assumptions that affect the reported amounts of net assets and changes therein. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note 5 for discussion of fair value measurements.

Notes to Financial Statements

December 31, 2022 and 2021

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Fees related to the origination of notes receivable from participants as well as participant distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation / depreciation of fair value of investments.

3. Subsequent Events

The Plan has evaluated events and transactions occurring subsequent to December 31, 2022 through September 18, 2023, which is the date the financial statements were available to be issued.

4. Information Prepared and Certified by the Trustee

The following information included in the accompanying financial statements and supplemental material was obtained from data that has been prepared and certified to as complete and accurate by the trustee, Matrix Trust Company.

<i>December 31,</i>	<i>2022</i>	<i>2021</i>
Investments, at fair value:		
Mutual funds	\$ 893,300	\$ 1,091,353
Cash	4,848	–
Collective investment trust fund	229,757	–
Receivables:		
Employee contribution receivable	4,657	–
Notes receivable from participants	18,762	40,849

<i>Year ended December 31,</i>	<i>2022</i>
Investment income (loss):	
Net depreciation in fair value of investments	\$ (218,148)
Interest and dividends	9,389
Interest income – participant notes	1,396

5. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority.

Notes to Financial Statements

December 31, 2022 and 2021

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trust Fund – Valued at the NAV of units of a collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the NAV. Participant transactions (purchases and sales) may occur daily.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value.

<i>Investment Assets at Fair Value</i>				
<i>As of December 31, 2022</i>				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 893,300	–	–	\$ 893,300
Cash	4,848	–	–	4,848
Investments in the FV hierarchy	\$ 898,148	–	–	898,148
Collective Investment Trust Fund				229,757

Total investments in hierarchy	\$ 1,091,353	–	–	\$ 1,091,353

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Investment	Fair Value at December 31,2022	Unfunded Commitment	Redemption Frequency	Redemption notice period
Western Asset Core Plus Bond CIT	\$229,757	None	Daily	5 days

6. Risks and Uncertainties

The Plan utilizes various investment instruments, which are exposed to various risks, such as interest rates, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

7. Related Party Transactions and Party in Interest Transactions

The Plan's investments are held and managed by the Plan trustee, Matrix Trust Company, and therefore these transactions qualify as party-in-interest transactions.

8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

9. Tax Status

The Internal Revenue Service has determined and informed the Company by a letter that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.
