INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
RJN Group, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of RJN Group, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of January 31, 2023 and 2022, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended January 31, 2023 and 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RJN GROUP, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JANUARY 31, 2023 AND 2022

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The RJN Group, Inc. 401(k) Plan (the Plan) maintains its financial records and files its annual reports with the Internal Revenue Service (IRS) on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. That basis differs from generally accepted accounting principles in that except for the recognition of assets and liabilities resulting from cash transactions such as notes receivable from participants, and appreciation (depreciation) in fair value of investments, revenue is recognized when received rather than when earned and expenses are recognized when paid rather than when incurred.

Investment Valuation and Income Recognition - Investments are carried at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value) in accordance with accounting standards for fair value measurements which define fair value as the price that would be received to sell an asset or transfer a liability in an orderly fashion between market participants at the measurement date.

Investments in shares of pooled separate accounts are reported at net asset value (NAV) based on the market value of the underlying assets. Investments in mutual funds are reported at the quoted net asset value of the shares.

The Plan's investment in the Standard Stable Asset Fund II account is a fully benefit-responsive investment and is reported at contract value.

Purchases and sales of securities are reported on a trade-date-basis. Interest and dividend income is reported on the cash basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recognized when paid to the participant or beneficiary. All benefit payments are disbursed by the trustee of the Plan.

Administrative Expenses - Certain expenses of maintaining the Plan are paid by RJN Group, Inc. (the Company) and are therefore excluded from these financial statements. Fees for the administration of a participants account are charged directly to the participant.

Estimates - In preparing the Plan's financial statements, management is required to make estimates and assumptions that affect the reported amounts of net assets, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of changes in net assets during the reporting period. Actual results may differ from those estimates.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded on the cash basis. Related fees are reported as administrative expenses and are recognized when they are paid. No allowance for credit losses has been recognized as of January 31, 2023 and 2022.

Reclassifications - Certain reclassifications have been made to prior year amounts to conform to the presentation for the current year. These reclassifications did not change the net assets available for benefits or the changes in net assets available for benefits from the totals previously reported.

NOTE 2. DESCRIPTION OF THE PLAN

The Plan was established February 1, 1989 by the Company to provide savings and retirement benefits for eligible employees. The Plan is financed by contributions of the participants and the employer, and the net earnings of the investments.

The Plan covers all non-collective bargaining employees of the Company who have been employed at least ninety days and are age twenty-one or older. The Plan is a single employer defined contribution plan that is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Participants may contribute to the Plan, through regular payroll deductions, an amount subject to limitations imposed by the Internal Revenue Code (IRC). Participants may also roll over amounts representing distributions from other qualified employee benefit plans. Participants must direct their salary deferral contributions and the Company's contributions into a variety of investment funds made available and determined by the Plan administrator. Participants may change their investment options at any time.

Employees instruct the Company and/or the Contract Administrator of the Trust to invest their own contributions as well as Company contributions made on their behalf. The Plan currently offers a variety of mutual funds and an insurance company general account with John Hancock Retirement Plan Services.

Participants must evaluate their own investment goals and objectives and choose the funds best suited to achieve those goals and objectives. Poor investment performance by the funds selected by the participants may cause their vested balances to be lower than the amounts contributed to the Plan on their behalf.

Each participant's account is credited with the participant's contribution, an allocation of the Company's contributions and plan earnings. The Company's matching contribution is allocated based on a percentage of the participant's contribution. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 2. DESCRIPTION OF THE PLAN (CONTINUED)

Participants are immediately vested in participant and rollover contributions plus the actual earnings thereon. Vesting in the remainder of their account is based on years of credited service. Participants are 100% vested after five years of service. In the event of death, disability or retirement at designated ages, participants become fully vested.

Participants may borrow from the vested fund accounts a minimum of \$1,000 to a maximum of the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1 percent above the prime rate as published in the Wall Street Journal. Principal and interest is paid ratably through bi-weekly payroll deductions over a term not to exceed 60 months for general purpose loans or 240 months for residential loans.

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures will be used to pay for the Plan's administrative expenses and then, subsequently, reduce future employer contributions. Accumulated forfeitures totaled approximately \$8,006 and \$29,741 at January 31, 2023 and 2022, respectively. The balance is not allocated to participant accounts.

On termination of service, a participant may receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount or a direct rollover distribution.

Participants should refer to the summary plan description for more complete information.

NOTE 3. PRIORITIES UPON TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 4. INCOME TAX STATUS

The IRS has issued a determination letter dated March 31, 2008, indicating that the Plan, as designed, is a qualified plan under IRC Sections 410(b) and 401(a)(4) and therefore not subject to tax.

Although the Plan has been amended since receiving the determination letter, the Plan's administrator believes that the Plan is designed and is currently being operated in accordance with the applicable requirements of the IRC.

The Plan accounts for income taxes in accordance with the Accounting Standards Codification Topic *Income Taxes*. These provisions provide consistent guidance for the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribe a threshold of "more likely than not" for recognition and derecognition of uncertain tax positions taken or expected to be taken in a tax return.

NOTE 4. INCOME TAX STATUS (CONTINUED)

As of January 31, 2023 and 2022, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. At January 31, 2023, the Plan is no longer subject to income tax examinations for years prior to the fiscal year ended January 31, 2020.

NOTE 5. FAIR VALUE MEASUREMENTS

Accounting standards provide the framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include other significant observable inputs including:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement levels within the fair value hierarchy are based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at January 31, 2023 and 2022.

Mutual funds: Valued at quoted market prices of shares held by the Plan at year end.

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of January 31, 2023 and 2022:

Description	January 31, 2023 Total Fair Value	Quoted Prices (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	<u>\$ 16,298,879</u>	<u>\$ 16,298,879</u>	<u>\$ -</u>	<u>\$ -</u>

Description	January 31, 2022 Total Fair Value	Quoted Prices (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	<u>\$ 17,454,913</u>	<u>\$ 17,454,913</u>	<u>\$ -</u>	<u>\$ -</u>

NOTE 6. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

As described in Note 1, the Standard Insurance Company Stable Asset Fund Account is a group annuity contract. These contracts meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan.

The Stable Value Account is a book value record of the amounts deposited to and withdrawn from the Pooled Separate Account. That is, the Stable Value Account is at all times equal to the contributions made to the contract plus interest and dividends, if any, less expenses and withdrawals.

The Stable Value Account represents the guarantee that Standard Insurance is making to the Plan sponsors participating in the group annuity contract.

The assets in the Stable Value Account are invested primarily in fixed income securities, which are owned by Standard Insurance Company. However, the assets in this account are maintained solely for the benefit of the contract holders participating in the separate account and are not chargeable with any other liabilities arising out of any other business of Standard Insurance.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTE 6. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS (CONTINUED)

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to be tax-exempt under Section 501(a) of the IRC;
2. Premature termination of the contracts;
3. Plan termination or merger; and
4. Changes to the Plan's prohibition on competing investment options.
5. Bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines;
2. A breach of material obligation under the contract;
3. A material misrepresentation; and
4. A material amendment to the agreements without the consent of the issuer.

NOTE 7. PLAN ADMINISTRATION

The Company absorbs some of the costs incurred in the administration of the Plan.

Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's accounts and are included in administrative expenses. Plan service fees charged by John Hancock Trust Company are charged directly to the participant's accounts and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE 8. INFORMATION CERTIFIED BY PLAN CONTRACT ADMINISTRATOR (CUSTODIAN)

The Plan administrator obtained certification from John Hancock Trust Company that the following summary of the Plan's investments as of January 31, 2023 and 2022 is complete and accurate.

	<u>2023</u>	<u>2022</u>
Investments, at fair value		
Mutual funds	\$ 16,298,879	\$ 17,454,913

Total	<u>\$ 16,936,694</u>	<u>\$ 17,715,204</u>

The Plan administrator obtained certification from John Hancock Trust Company that the following summary of the Plan's investment income for the years ended January 31, 2023 and 2022 is complete and accurate.

	<u>2023</u>	<u>2022</u>

Interest income from participant loans	<u>\$ 6,009</u>	<u>\$ 4,157</u>

NOTE 9. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by John Hancock Trust Company, the custodian and recordkeeper for the Plan, and therefore, transactions with the trustee qualify as party-in-interest transactions.

NOTE 10. SIGNIFICANT UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with the investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits (modified cash basis).

NOTE 10. SIGNIFICANT UNCERTAINTIES (CONTINUED)

The COVID-19 pandemic, whose effects first became known in January 2020, is having a broad and negative impact on commerce and financial markets around the world. The extent of the impact of the pandemic on the Plan's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak and its impacts on the Plan's members, employer and vendors, all of which, at present, cannot be determined. Accordingly, the extent to which the pandemic may impact the Plan's net assets available for benefits and changes in net assets available for benefits is uncertain, and the accompanying financial statements include no adjustments relating to the effects of this pandemic.

NOTE 11. SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 8, 2023, which is the date the financial statements were available to be issued. This review and evaluation revealed no material event or transaction which would require an adjustment to or disclosure in the accompanying financial statements.
