INDEPENDENT AUDITOR'S REPORT

To the Compensation Committee
AAA NCNU 401(k) Plan
Walnut Creek, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of AAA NCNU 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of AAA NCNU 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of AAA NCNU 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AAA NCNU 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AAA NCNU 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AAA NCNU 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) ("supplemental schedule") as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AAA NCNU 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN

The following description of the AAA NCNU 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan documents for a more complete description of the Plan's provisions.

General

The Plan, a defined contribution savings plan sponsored by American Automobile Association of Northern California, Nevada, & Utah (the "Company"), pursuant to Section 401(a) and related provisions of the Internal Revenue Code ("IRC") was established effective January 1, 2012, and most recently restated effective March 21, 2022. The Plan was amended on December 29, 2022, retroactive to January 1, 2020, for Coronavirus Aid, Relief, and Economic Security Cares Act provisions. The Plan is designed to provide participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of disability, death, termination, or financial hardship. The Plan covers all eligible employees of the Company upon employment and is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent amendments.

Effective January 1, 2022, the A3 Smart Home 401(k) Plan (the "A3 Smart Home Plan") was merged into the Plan and added as a participating employer in the Plan, subject to meeting the Plan's eligibility requirements. Total assets, including notes receivable from participants, transferred in the Plan amounted to \$6,183,055 on January 3, 2022.

The Plan allows employees from related employers, AAA NCNU Car Care Plan, Inc., A3 Labs LLC, A3 Mobility, LLC, AAA MountainWest, Inc., AAA Arizona Inc., and A3 Smart Home LP, to participate in the Plan, subject to meeting the Plan's eligibility requirements.

An expansion of Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE 2.0") was signed into law on December 29, 2022, as part of the Consolidated Appropriations Act of 2023. The effective dates of provisions within SECURE 2.0 vary through 2026. The Plan Sponsor has until the end of the first plan year beginning on or after January 1, 2025, to amend the Plan for the changes related to SECURE 2.0. The Plan has not been formally amended to adopt these provisions as of the date the financial statements were available to be issued.

AAA NCNU 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN (continued)

Plan administration

The Company is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Company has delegated certain responsibilities for the operation and administration of the Plan. The Plan's investments are held by the trustee of the Plan, Fidelity Management Trust Company ("Trustee"). Trustee services are provided by Fidelity Management Trust Company and recordkeeping services are provided by an affiliate of the Trustee. Certain administrative expenses of the Plan, including recordkeeping services and audit fees, were paid directly by the Company for the year ended December 31, 2022. Loan set-up and maintenance fees are paid by the individual participants receiving the loan. Investment fees, which may vary according to the individual funds selected, are deducted directly from participants' investment returns.

Eligibility

Most employees of the Company, and designated related employers, are eligible to participate in the Plan. Excluded employees, described as residents of Puerto Rico, employees covered by a collective bargaining agreement for which retirement benefits have been negotiated, employees hired through a contractual arrangement with an external agency, independent contractors, certain nonresident aliens who have earned no income from sources within the United States, leased employees, employees not otherwise classified by the Company as a common law employee, are not eligible to participate. There are no age or service requirements that need to be satisfied to participate in the Plan.

Participant contributions

Participants may elect to contribute through payroll deductions, amounts up to 75% of their annual compensation as defined by the Plan, on a tax-deferred basis and/or Roth after-tax basis, up to a maximum amount allowed by the IRC. Participants who have attained age 50 before the end of the calendar year are eligible to make catch-up contributions. Effective March 21, 2022, the Plan opted out of a previous auto-enrollment provision. Prior to March 21, 2022, unless elected otherwise by the participant, deferrals were automatically increased annually by 1% up to a maximum auto-deferral of 6%. Participants may also elect to rollover contributions from other qualified employer-sponsored retirement plans.

AAA NCNU 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN (continued)

Employer contributions

The Company provides safe harbor matching contributions equal to 100% of an eligible participant's salary deferral that does not exceed 6% of a participant's eligible compensation as defined by the Plan. The Company also has the option to make discretionary contributions in an amount to be determined by the Board of Directors for each Plan year. In 2022, the Company made a discretionary employer contribution to eligible employees based on 3% of eligible compensation. To be eligible, the employee must have been employed on December 31, 2022, or terminated their employment from the Company in 2022, due to disability, retirement, or death. For 2022, the discretionary employer contributions totaled \$11,377,829. Of this amount, \$900,000 of forfeitures were used to fund the contribution, the remaining \$10,477,829 was funded to the Plan on March 10, 2023. For 2021, the discretionary employer contributions totaled \$12,474,535 and were funded to the plan on March 11, 2022.

Participant accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the employer's matching contribution, discretionary employer contributions, if any, and (b) Plan earnings, and charged with an allocation of investment losses and expenses, if any, that are paid by the Plan. Allocations of investment earnings are based strictly on the participant's selection of investments and timing of purchase. Other allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants direct the investment of all their contributions into various investment options offered by the Plan.

Vesting

Participants are immediately vested in their contributions and Company matching contributions, plus earnings thereon. Vesting in the employer's discretionary contributions, plus earnings thereon, is based on years of continuous service, as defined. A participant is 100% vested in employer discretionary contributions after three years of credited service at 33% vesting per year. In the event of death, disability or attaining normal retirement age, participants are immediately vested in all employer contributions. The early retirement age for the participants who merged into the Plan on January 1, 2021, from the Arizona Inc. 401(k) Profit Sharing Plan is the date the participant attains age 55 and completes 5 years of vesting service.

Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN (continued)

Notes receivable from participants

Notes receivable from participants ("participant loans" or "loans") are issued directly from the participant's account balance. Under the terms of the Plan, participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a fixed rate equal to the monthly Reuter's Prime ("Prime") rate effective the first day of the month in which the loan is approved plus 2%. Loan terms are generally five years or less, but may exceed five years if the purpose of the loan is to purchase a principal residence. A participant may have one loan outstanding at any given time. Principal and interest are paid ratably through monthly payroll deductions.

Payment of benefits

Distributions and withdrawals are payable to participants of their vested Plan account immediately upon retirement, termination, financial hardship, disability or death. In-service withdrawals from a participant's account are permitted for participants who are 59 1/2 or older. If a participant's account balance is equal to or less than \$1,000 upon termination, the balance is distributed immediately in a lump-sum cash payment unless a direct rollover into another qualified benefit plan is requested. Balances greater than \$1,000 and less than or equal to \$5,000 upon termination will be rolled over to an individual retirement account designated by the administrator if the participant has not requested a lump-sum cash payment or a direct rollover into another qualified benefit plan. If the account balance is over \$5,000 upon termination, the participant can consent to either a distribution paid in the form of a lump-sum cash payment, a direct rollover into another qualified plan, a specified series of installments equal to the value of their vested account balance, or postpone payment to a later date and remain in the Plan as described in the plan documents.

Participants with an immediate and heavy financial need may be eligible for a hardship withdrawal, subject to certain restrictions as described in the plan documents.

Forfeitures

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$1,160,189 and \$734,602, respectively. Forfeitures are retained in the Plan and will be used to reduce employer contributions and to pay administrative expenses. During the year ended December 31, 2022, forfeitures of \$1,822 were used to reduce employer contributions and \$93,447 were used to pay administrative expenses.

Notes to Financial Statements
December 31, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") and in accordance with the provisions of ERISA.

Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent liabilities. Actual results may differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a description of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses was recorded as of December 31, 2022 and 2021. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan documents.

Contributions and receivables

Contributions from participants are recorded based on the date the contributions have been separated from a participant's pay by the Company, which is the pay date. The Plan records receivables for participants' contributions based upon the contributions recognized, less amounts received by the Plan as of the last day of the Plan year. Contributions from the Company are recorded in the year earned to coincide with the year in which the Company records the contributions to its general ledger. The Plan records receivables for Company contributions based upon the contribution recognized, less amounts received by the Plan as of the last day of the Plan year. Rollover contributions are recorded when they are received by the Plan and allocated to participants' accounts.

AAA NCNU 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and changes therein.

Payment of benefits

Benefits payments are recorded when paid.

Administrative expenses

Administrative expenses are recorded when incurred.

Subsequent events

The Plan evaluated subsequent events through August 2, 2023, the date the financial statements were available for issuance.

Plan management is not aware of any subsequent events that would have a material impact on the presentation of the Plan's financial statements.

3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (UNAUDITED)

The plan administrator, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to the Plan's investment information, and related activity, certified by the Trustee, determined to be a qualified institution by the plan administrator, as complete and accurate, except for comparing such information to corresponding information included in the Plan's financial statements and supplemental schedule. The Trustee has certified that the following data included in the financial statements is complete and accurate:

- Investments and notes receivable from participants as shown on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021.
- Interest and dividends, net depreciation in fair value of investments, and interest income from notes receivable from participants as shown in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2022.

AAA NCNU 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (UNAUDITED) (continued)

- Investments and notes receivable from participants reflected on the schedule of assets (held at end of year) ("supplemental schedule") as of December 31, 2022.

4. FAIR VALUE MEASUREMENTS

Accounting standards pertaining to fair value measurements establish a three-tier fair value hierarchy which prioritizes the inputs used in measuring fair value. The inputs used to measure fair value include: Level 1, observable inputs such as quoted prices in active markets; Level 2, inputs other than quoted prices in active markets that are either directly or indirectly observable; and Level 3, unobservable inputs in which little or no market data exists. This fair value hierarchy requires the Plan to develop its own assumptions and maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

The Plan did not hold any financial instruments categorized as Level 2 or 3 assets as of December 31, 2022 and 2021.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered investment companies (mutual funds): are valued at the net asset value of shares held by the Plan at year-end which are quoted in active markets. Mutual funds are valued using market quotations or prices obtained from independent pricing services. Mutual funds are held by the Plan, deemed to have a readily determinable fair value and are classified within level 1 of the fair value hierarchy.

Self-directed brokerage accounts: primarily consist of mutual funds and common stocks that are valued on the basis of readily determinable market prices, using their respective published rates on the open market and are deemed to be actively traded.

Cash and cash equivalents: are valued at the amounts deposited in the account, plus accrued interest.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

AAA NCNU 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

4. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth the Plan's Level 1 investments, by type, at fair value as of December 31, 2022:

Cash and cash equivalents	\$ 44,769,431
Registered investment companies	468,737,343
Self-directed brokerage accounts	<u>17,556,485</u>
	<u>\$ 531,063,259</u>

The following table sets forth, the Plan's Level 1 investments, by type, at fair value as of December 31, 2021:

Cash and cash equivalents	\$ 37,578,277
Registered investment companies	578,968,534
Self-directed brokerage accounts	<u>21,012,746</u>
	<u>\$ 637,559,557</u>

5. TAX STATUS

The Plan adopted the Fidelity Pre-Approved Defined Contribution Plan, effective March 21, 2022. An opinion letter was issued by the IRS dated June 30, 2020, indicating that the volume submitter plan is designed in accordance with applicable sections of the IRC and is appropriate for use by employers for the benefit of their employees. The Plan administrator believes that the Plan is designed and is being operated in accordance with the applicable section of the IRC. Therefore, no provision for income taxes was included in the Plan's financial statements.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

7. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

ERISA defines party-in-interest similarly to the definition of a related party under U.S. GAAP, except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. Management did not identify any related parties to the Plan that were not also considered to be party-in-interest.

AAA NCNU 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

7. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS (continued)

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, and a person who owns 50% or more of such an employer or employee association or relatives of such persons.

Certain fees and expenses of the Plan may be paid by the Company. These transactions qualify as party-in-interest transactions. The Plan is not required to repay expenses paid by the Company on its behalf.

All Plan investments are managed and recordkeeping services provided by Fidelity Management Trust Company, the trustee of the Plan, or its affiliates. Any purchases and sales of Fidelity funds are performed in the open market. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of parties-in-interest transactions under ERISA.

Fidelity Management Trust Company, the trustee of the Plan, or its affiliates, retains, as compensation for services provided to the Plan, any interest on amounts earned while certain transactions are pending. This applies to both contributions and distributions. Earnings are at institutional money market rates.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 553,415,993	\$ 661,802,747
Less employer contributions receivable	(10,477,829)	(12,478,917)
