Independent Auditor's Report

To the Members of Fulton Financial Corporation Retirement Plan Administrative Committee
Prudential Savings Bank Employees' Savings & Profit Sharing Plan and Trust
Lancaster, PA 17602

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the financial statements of Prudential Savings Bank Employees' Savings & Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of November 30, 2022 (in liquidation), and the related statement of changes in net assets available for benefits for the period ended November 30, 2022 (in liquidation), and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of November 30, 2022, and for the period from January 1, 2022 to November 30, 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2022 Financial Statements* section of our report:

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2022 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2022 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As further discussed in Note 1 to the financial statements, those charged with governance, approved a plan of liquidation on June 8, 2022, and management determined liquidation is imminent. As a result, the Plan changed its basis of accounting from the accrual basis of accounting used in presenting the 2021 financial statements to the liquidation basis of accounting used in presenting the 2022 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2022 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Auditor's Report on the 2021 Financial Statements

The 2021 financial statements of the Plan were audited by predecessor auditors whose report dated June 28, 2022, expressed an unmodified opinion on those financial statements.

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Prudential Savings Bank Employee's Savings & Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Plan termination: On June 8, 2022, the Prudential Bank (the "Company" or "Bank") passed a resolution to terminate the Plan as a result of Bank's merger with Fulton Financial Corporation, a Pennsylvania corporation ("Fulton"), with Fulton surviving as the surviving bank ("the Merger"). In conjunction with the Merger, the Plan was required to be terminated, effective the day prior to the effective date of the Merger, subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). As of June 30, 2022, all participants became 100 percent vested in their employer contributions. Participant funds were distributed to participants or rolled over to a qualified plan based on instructions from the participant by November 30, 2022. Participants had the option to roll their accounts, including participant loans into the Fulton Financial Corporation 401(k) Retirement Plan.

General: The Plan was a defined contribution qualified retirement plan covering all eligible employees of Prudential Bank ("Bank"), which included before-tax and after-tax savings features, which permitted participants to defer compensation under Section 401(k) of the Internal Revenue Code. It was subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. Eligible participants were required to be full-time employees that had completed three months of service. The Board of Trustees was responsible for the oversight of the Plan.

Contributions: Employees could elect to contribute any amount up to the maximum percentage allowable, not to exceed the limits of Code Sections 401(k), 402(g), 404, and 415. Participants who had reached age 50 before the end of the Plan year were eligible to make catch-up contributions. The Bank matched 100 percent of the participant's elective deferrals that didn't exceed 4 percent of the participant's compensation, plus 50 percent of the amount of the participant's elective deferrals that exceed 4 percent but that didn't exceed 6 percent of the participant's compensation.

Participant Accounts: Each participant's account was credited with the participant's contribution and employer matching contributions, as well as allocations of the employer's profit sharing contribution, and Plan earnings/(losses) and charged with his or her withdrawals. Allocations were based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant was entitled was the vested benefit that could be provided from the participant's account.

Vesting: Participants were immediately vested in their voluntary contributions and actual earnings thereon. Employer contributions were vested upon completion of two years of service prior to the termination of the Plan.

Payment of Benefits: Upon termination of service, participants whose accounts did not exceed \$1,000 would received a lump-sum amount equal to the value of their account. Participants whose accounts exceed \$1,000 could receive a lump-sum distribution or have the balance of their account rolled over into another qualified plan.

Forfeitures: Forfeitures were applied to reduce the Bank's contributions and pay Plan expenses. At December 31, 2022 and 2021, forfeited amounts totaled \$16,368 and \$9,220. Forfeited funds of \$16,368 and \$9,220 were used to pay administrative expenses and/or fund employer contributions for the period ended November 30, 2022 and the year ended December 31, 2021, respectively.

Notes Receivable from Participants: Participants could borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans were secured by the balance in the participant's account and bore interest ranged from 4.25 to 6.50 percent, which were commensurate with local prevailing rates at the time of issuance. Principal and interest were paid ratably through monthly payroll deductions. Participants could borrow from their accounts once per year, with the total outstanding loan balance not to exceed 50 percent of their account balance.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Method: The 2021 financial statements of the Plan have been prepared on the accrual basis of accounting. The 2022 financial statements have been prepared under liquidation basis. This basis was adopted when liquidation was deemed imminent in accordance with Accounting Standards Update ("ASU") 2013-07, *Liquidation Basis of Accounting*. Plan management

PRUDENTIAL SAVINGS BANK
EMPLOYEES' SAVINGS & PROFIT SHARING PLAN AND TRUST

determined that liquidation was imminent upon adoption of the resolution to terminate the Plan on June 8, 2022. Under the liquidation basis of accounting, assets are measured at their net realizable value, estimated by fair value reduced by surrender charges, penalties and redemption charges, and disposal expenses, to reflect the estimated amount of cash expected to be collected in settling or disposing of the assets during the liquidation process. Liabilities are measured using the accrual basis of accounting, including any expected costs of the disposal of assets and other costs expected to be incurred during the liquidation process.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments were stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Board of Directors determined the Plan's valuation policies utilizing information provided by its investment advisers and Plan's trustee. See Note 8 for discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net depreciation and appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits: Benefits were recorded when paid by the Plan.

Notes Receivable from Participants: Notes receivable from participants were measured at their unpaid principal balance plus accrued unpaid interest. If a participant ceased to make loan repayments and the Plan Administrator deemed the participant loan to be in default, the participant loan balance was reduced, and a benefit payment was recorded.

Administrative Expenses: Certain expenses of maintaining the Plan were paid by the Plan, unless otherwise paid by the Bank. Expenses that are paid by the Bank were excluded from these financial statements. Fees related to participant-initiated transactions were charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation in fair value of investments.

NOTE 3 - PLAN TERMINATION

The Company had the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. On June 8, 2022, as described in Note 1, the Company resolved to terminate the Plan effective June 30, 2022. Participants became 100% vested in their accounts as of the termination date.

NOTE 4 - RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS

Fees were paid by Plan participant to Pentegra Services Inc. for administrative services. Certain administrative functions were performed by officers or employees of the Plan Sponsor who also were participants in the Plan. No such officer or employee received compensation from the Plan. These transactions qualify as party-in-interest transactions permitted under the provisions of ERISA. Notes receivable from participants are also considered exempt party-in-interest transactions.

At December 31 2021, the Plan had held 139,002 shares of Prudential Bancorp, Inc. common stock, in the Prudential Bancorp, Inc. Common Stock Fund, parent company of the sponsoring employer, with a cost basis of \$1,965,234. During 2022, as part of the Merger described in Note 1, all shares were exchanged for Fulton Financial Corporation shares and cash. Dividends received on the Prudential Bancorp, Inc. shares totaled \$21,201 and \$44,190 for the period ended November 30, 2022 and year ended December 31, 2021, respectively.

NOTE 5 - RISK AND UNCERTAINTIES

As of November 30, 2022 the Plan no longer had assets which could be exposed to interest rate, market and credit risks.

NOTE 6 - TAX STATUS

The Internal Revenue Service ("IRS") had determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust was designed in accordance with applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the plan administrator believed that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC through termination.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there were no audits for any tax periods in progress.

NOTE 7 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including interest and dividends and interest income on notes receivable from participants for the period ended November 30, 2022 was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company, a qualified institution.

NOTE 8 - FAIR VALUE MEASUREMENTS

Accounting Standards Codification ("ASC") 820, Fair Value Measurement, provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at November 30, 2022 or December 31, 2021. The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds: Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Stock: Common stocks are valued at the closing price reported on the active market on which the individual securities are traded.

PRUDENTIAL SAVINGS BANK
EMPLOYEES' SAVINGS & PROFIT SHARING PLAN AND TRUST

Common trust funds: Common trust funds are valued at net asset value ("NAV") per unit, as determined by the trustee at year-end. The NAV is used as the practical expedient to estimate fair value.

The preceding methods described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis:

	November 30, 2022	December 31, 2021
Investments:		
Mutual Funds	\$ —	\$ 4,471,658
Prudential Bancorp, Inc. Common Stock Fund	—	2,163,682
Total assets in the fair value hierarchy	\$ —	\$ 6,635,340
Investments measured at net asset value ⁽¹⁾	—	1,480,178
Investments at fair value	\$ —	\$ 8,115,518

⁽¹⁾ The Plan has certain investments in common trust funds. These funds are valued at NAV of shares held by the Plan at year-end. The common trust funds investments are not categorized within the fair value hierarchy as they are measured using the NAV per share as the practical expedient. The NAVs presented in this table are intended to reconcile the fair value hierarchy to the amounts presented in the Statement of Net Assets Available for Benefits.

There are no Level 2 or Level 3 investments as of November 30, 2022 or December 31, 2021.

Fair Value of Investments in Entities that Use NAV

There were no investments measured at fair valued based on NAV per share as of November 30, 2022.

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2021.

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common Trust Funds:				
MetLife Stable Value Fund	\$ 1,480,178	N/A	Daily	Daily

NOTE 9 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 15, 2023, the date the financial statements were available to be issued and there have been no material events that would require recognition in the financial statements or disclosures to the financial statements.
