Independent Auditors' Report

The Plan Committee
Beaver Sports 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Beaver Sports 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section-

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Beaver Sports 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Beaver Sports 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Beaver Sports 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Beaver Sports 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year), as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Beaver Sports 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated December 2, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

BEAVER SPORTS 401(K) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

(1) Plan Description

The following description of the Beaver Sports 401(k) Plan (the "Plan"), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan covering all eligible employees of Beaver Sports Properties, Inc. (the "plan administrator") and the following related employers (collectively, the "Company"), who have completed at least one year of service, attained age twenty-one, and have at least 1,000 hours of service during the year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan trustees are responsible for the oversight of the Plan and determine the appropriateness of the Plan's investment offerings and monitor investment performance.

(1) Plan Description, Continued

(b) Contributions

Each year, participants may elect to defer a percentage of his or her pre-tax annual compensation, as defined by the Plan. Participants who have attained age fifty before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. In addition, the Company may make a matching contribution each year, to be determined by the trustees of the Plan. This matching contribution is allocated to the participant account using the current investment direction. Additional amounts may also be contributed at the option of the trustees of the Plan from current or accumulated earnings or profits. Participants will share in the discretionary profit sharing contribution if they are employed on the last day of the year and completed a year of service during the plan year. The profit sharing contribution is allocated to the account of each eligible participant in the proportion that his or her compensation for the plan year bears to the compensation of all eligible participants for such plan year. Contributions are subject to certain limitations.

(c) Participant Accounts

Each participant's account is credited with the participant's contribution, the matching Company's contribution, Plan earnings, charged with an allocation of investment expenses, and an allocation of the additional Company's contribution, if applicable. Allocation of Plan earnings is based upon actual earnings of the investments. The benefit to which a participant is entitled is the benefit that can be provided from the vested participant's account.

(d) Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are vested in the Company's contributions plus actual earnings thereon based on years of continuous service. If a participant dies or becomes disabled while still employed by the Company, his or her entire plan interest becomes 100% vested. Participants hired before July 1, 2009 are 100% vested after three years of credited service. All other participants are vested based on the following table:

<u>Years of Service</u>	<u>Vesting Percentage</u>
less than 1	0%
1	20
2	40
3	60
4	80
5 or more	100

(1) Plan Description, Continued

(e) Notes Receivable from Participants

Participants are permitted by the Plan to borrow from their vested account balance up to the lesser of 50% or \$50,000. The minimum amount which may be borrowed is \$1,000. Loan transactions are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator. Interest rates currently range from 4.25% to 6.50%. Loan terms range from 1 - 5 years or up to 15 years for the purchase of a primary residence. Principal and interest is paid ratably through regular payroll deductions.

(f) Payment of Benefits

Upon separation of service, due to termination of employment, death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of his or her vested account balance or payments of annual installments over a specified period of time. Distributions are subject to the applicable provisions of the Plan agreement. Benefit claims are recorded as expense when they have been approved for payment and paid by the Plan. Benefits payable as of December 31, 2021 were \$155,8812. There were no benefits payable as of December 31, 2020.

(g) Forfeited Nonvested Accounts

Forfeitures of terminated participants' nonvested employer matching accounts are used to reduce the matching Company's contribution in the same year in which the forfeitures occur. Forfeitures may also be used to pay reasonable Plan expenses at the direction of the Company. At December 31, 2021, there were no forfeited nonvested accounts. At December 31, 2020, forfeited nonvested participant accounts totaled \$54.

(h) Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company as provided by the Plan document. The Company assumed responsibility for the audit fees of the Plan, in addition to providing administrative services for the Plan at no charge.

(i) Investment Options

Upon enrollment in the Plan, a participant may direct contributions into various investment options, as defined by the Plan. Participants may change their allocation on a daily basis.

(1) Plan Description, Continued

(j) Plan Termination

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their accounts. In the event of plan termination, participants' account balances will be distributed in accordance with the Plan document.

(2) Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

(a) Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

(b) Use of Estimates

Management uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of Plan assets and liabilities, the disclosure of contingent assets and liabilities, and the reported additions to and deductions from Plan assets. Actual results could vary from the estimates that were used.

(c) Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan trustees determine the Plan's valuation policies utilizing information provided by investment advisors, custodians and trust companies. See note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

BEAVER SPORTS 401(K) PLAN

Notes to Financial Statements, Continued

(2) Summary of Significant Accounting Policies, Continued

(d) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

(e) Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation (depreciation) in fair value of investing, interest, and dividends, and interest income on notes receivable for the years then ended, was obtained by management and agreed to or derived from information supplied to the plan administrator and certified as complete and accurate by Branch Banking and Trust Company (“BB&T”) and Ascensus Trust Company (“Ascensus”).

(3) Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

BEAVER SPORTS 401(K) PLAN

Notes to Financial Statements, Continued

(3) Fair Value Measurements, Continued

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
Level 2	Inputs to the valuation methodology include • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Money market funds: Valued at cash value.

Registered investment companies: Valued at the daily closing price as reported by the fund. These are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. These investments are deemed to be actively traded.

BEAVER SPORTS 401(K) PLAN

Notes to Financial Statements, Continued

(3) Fair Value Measurements, Continued

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

	<u>2021</u>	<u>2020</u>
	<u>Level 1</u>	<u>Level 1</u>
Money market funds	\$ 24,801	78,854
Registered investment companies	10,936,729	11,062,805
Total investments	<u>\$ 10,961,530</u>	<u>11,141,659</u>

(4) Related Party Transactions

At December 31, 2020, plan assets included investments in funds managed by BB&T. BB&T was the custodian of the plan as of December 31, 2020, and as such, transactions with the custodian qualify as party-in interest transactions under ERISA. At December 31, 2021, plan assets included investments in funds managed by Ascensus. Ascensus is the custodian of the plan as of December 31, 2021, and as such, transactions with the custodian qualify as party-in interest transactions under ERISA. Personnel and facilities of the Company have been used to perform administrative services for the Plan at no charge to the Plan.

5) Income Tax Status

The Plan adopted a non-standardized form of a prototype plan sponsored by Ascensus LLC. The Internal Revenue Service has determined that the prototype plan is in compliance with the applicable requirements of the Internal Revenue Code (the "IRC"). The prototype plan opinion letter has been relied upon by this Plan. Even though the Plan has been amended since receiving the determination letters, the 401(k) committee believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

BEAVER SPORTS 401(K) PLAN

Notes to Financial Statements, Continued

5) Income Tax Status, Continued

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor or Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(6) Risks and Uncertainties

The Plan invests in various investment securities offered by the custodian. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near future and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for plan benefits.

(7) Accounting Impact of COVID-19

On January 30, 2020, the World Health Organization (“WHO”) announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the “COVID-19 outbreak”) and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve as the date of this report. This pandemic has adversely affected global economic activity and greatly contributed to significant deterioration and instability in the financial markets. Because the values of the Plan’s individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and related impact on the Plan’s liquidity cannot be determined at this time.

(7) Accounting Impact of COVID-19, Continued

On March 27, 2020, President Trump signed into law the "Coronavirus Aid, Relief, and Economic Security (CARES) Act." The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to \$100,000
- Increase the available loan amount as described in Note 1 to the lesser of \$100,000 or 100% of the participant's vested account balance
- Extend the period for loan repayments, if applicable, up to one year
- Suspended required minimum distributions for 2020

(8) Subsequent Events

The Companies have evaluated subsequent events through September 18, 2023, the date which the financial statements were available to be issued. There were no significant subsequent events identified which require disclosure in the financial statements or footnotes.
