Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Lucky Star Casino 401(k) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

LUCKY STAR CASINO 401(K) RETIREMENT SAVINGS PLAN

DECEMBER 31, 2022

NOTE A--DESCRIPTION OF THE PLAN

The following description of the Lucky Star Casino 401(k) Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan with a cash or deferred arrangement covering all permanent, full-time employees who have one year of service, as defined in the Plan agreement, and are age 18 or older. Employees of the Lucky Star Casino locations in Concho, Clinton, Canton, Hammon and Watonga, Oklahoma, and employees of the Travel Plaza Casino and C-Stores in Concho and Hammon, Oklahoma (collectively the "Casino") are allowed to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employees may enter the Plan on the first day of the Plan year and the first day of the fourth, seventh, and tenth months of the Plan year coinciding with the date on which the employee satisfies the applicable eligibility requirements. All newly hired employees are automatically enrolled in the Plan at a 3% withholding rate upon becoming eligible to participate in the Plan. Employees can elect out of automatic enrollment by signing a waiver not to participate in the Plan.

Contributions: Each participant may elect to contribute up to the lesser of the participant's eligible compensation or the maximum amount allowed by the Internal Revenue Service (IRS). The IRS' limit was \$20,500 for 2022. Plan participants age 50 and older were eligible to make catch-up contributions of an additional \$6,500 for 2022. The Plan also permits participants to make rollover contributions from other qualified plans.

The Casino contributes a safe harbor matching contribution of an amount equal to 100% of each participant's elective contributions, up to a maximum of 3% of the participant's eligible compensation plus an additional matching contribution of an amount equal to 50% of each participant's elective contributions that exceed 3% of the participant's eligible compensation, up to a maximum of 6% of the participant's eligible compensation.

Participant Accounts and Investment Options: Participants may direct the investment of their contributions into a group annuity contract, common collective trust, and various mutual funds, which are registered under the Investment Company Act of 1940.

Each participant's account is credited with the participant's contribution, an allocation of the Casino's contribution and Plan earnings. Earnings are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

LUCKY STAR CASINO 401(K) RETIREMENT SAVINGS PLAN

DECEMBER 31, 2022

NOTE A--DESCRIPTION OF THE PLAN--CONTINUED

Vesting: Participants are immediately vested in their contributions and the Casino's matching contributions and any earnings thereon.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes receivable from participants are secured by the balance in the participant's account and bear interest at reasonable rates determined by the Plan Administrator. Principal and interest are paid ratably through weekly payroll deductions. A loan is considered in default as of the last day of the calendar quarter following the calendar quarter in which an unpaid installment payment was due.

Payment of Benefits: Upon termination of employment for reasons other than death, disability, or retirement, the participant is entitled to receive a lump sum payment equal to his or her vested interest. If the participant's vested benefit in the Plan exceeds \$1,000, the participant must consent to the distribution before it can be made. Participants that have a vested benefit that does not exceed \$1,000 will receive a lump sum payment as soon as practicable following the event entitling the participant to a distribution. Certain early distributions made upon termination of employment may be subject to a penalty.

At December 31, 2022, net assets available for benefits included approximately \$1,905,000 relating to former participants who have elected, for the present time, to leave their balances intact with the Plan.

Upon retirement at age 65, retirement due to disability or the death of the participant, the participant or participant's designated beneficiary is entitled to receive the participant's entire account balance.

Hardship withdrawals are permitted up to the amount of the participant's account balance attributable to their contributions made to the Plan. Hardship withdrawals are only permitted for certain specific uses as defined in the Plan agreement.

Plan Termination: Although it has not expressed any intent to do so, the Casino has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

LUCKY STAR CASINO 401(K) RETIREMENT SAVINGS PLAN

DECEMBER 31, 2022

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits: Benefits are recorded as expenses when paid.

Administrative Expenses: Certain administrative functions of the Plan are performed by employees of the Casino. Neither the employees nor the Casino receive any compensation from the Plan for these services.

The majority of administrative expenses of the Plan are paid by the Casino. Account transaction costs are deducted from participant accounts. Any administrative fees for services are paid from the assets of the funds and therefore reduce the overall return offered by the funds.

Income Tax Status: The Plan was initially adopted September 1, 2007, and effective May 19, 2021, the Casino restated the Plan with the adoption of the Adoption Agreement #001 Non-Standardized Defined Contribution Pre-Approved Plan. The Plan adopted the Great-West Trust Company, LLC Defined Contribution Pre-Approved Plan. The Plan has been amended since receiving the latest approved determination letter from the IRS. However, Plan management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan administrator believes that the Plan was qualified, and the related trust was tax-exempt as of December 31, 2022 and 2021. Accordingly, no provision for income taxes has been included in the accompanying financial statements.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS--CONTINUED

LUCKY STAR CASINO 401(K) RETIREMENT SAVINGS PLAN

DECEMBER 31, 2022

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--CONTINUED

Notes Receivable from Participants: Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be a distribution, the participant's loan balance is reduced and a benefit payment is recorded.

Subsequent Events: Subsequent events have been evaluated through September 12, 2023, which is the date the financial statements were available to be issued. There were no subsequent events requiring recognition or disclosure.

NOTE C--INVESTMENT CONCENTRATION, RISKS AND UNCERTAINTIES

As of December 31, 2022, approximately 21% of Plan assets consist of the group annuity contract and one mutual fund.

In general, the investments provided by the Plan are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE D--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820-10-35-39 are described as follows:

NOTES TO FINANCIAL STATEMENTS--CONTINUED

LUCKY STAR CASINO 401(K) RETIREMENT SAVINGS PLAN

DECEMBER 31, 2022

NOTE D--FAIR VALUE MEASUREMENTS--CONTINUED

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to contract at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust: Valued at the net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value.

Group annuity contract: Valued at fair value by the issuer based on the published value of the underlying variable investments and by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer of the fixed income investments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

* - Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value of investments in the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTE E--INFORMATION CERTIFIED BY THE CUSTODIAN

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, Great-West Life & Annuity Insurance Company ("Great-West"), the Plan's custodian, for the years ended December 31, 2022 and 2021, has certified that the following data included in the accompanying financial statements and supplemental schedule of assets held at end of year is complete and accurate:
