INDEPENDENT AUDITOR'S REPORT

Plan Administrative Committee and Participants of
Ancon Marine, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Ancon Marine, Inc 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and 2021, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFE 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from John Hancock Trust Company LLC as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by John Hancock Trust Company LLC agrees to, or is derived from, in all

material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year following the date of this report.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of Assets (Held at end of Year) as of December 31, 2022 is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounts and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included

in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by John Hancock Trust Company LLC agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1 - GENERAL DESCRIPTION OF THE PLAN

The Ancon Marine, Inc. 401(k) Profit Sharing Plan (the “Plan”) was formed on January 1, 1993. The Plan has been adopted by Ancon Marine, Inc., Hardin Holdings, Inc., Coastal Industrial Services, Inc. CPS Western, LLC, and Voltege, Inc. (collectively, the “Company”). The Plan was most recently amended and restated in its entirety effective January 1, 2022. The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

1. **General and Eligibility.** The Plan is a defined contribution plan covering all eligible employees of the Company. An employee will not become eligible if he or she is a member of a collective bargaining agreement or a non-resident alien who receives no earned income from services rendered within the United States. Employees are eligible to participate in the Plan once they have completed three consecutive months of service having worked at least 250 hours of service in such 3-month period; provided, however, that they become an eligible employee no later than upon the completion of 1,000 hours of services within a twelve consecutive month period. Participants are eligible for profit sharing and non-elective employer contributions following completion of 1 year of service, defined as 1,000 hours of service over twelve consecutive months. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and is administered by the Plan Administrator.
2. **Contributions.** Under the Plan, employees may elect to defer a portion of their pretax compensation, as defined in the Plan. Contributions are subject to certain statutory limitations as imposed by the IRS. Participants may also contribute amounts representing distributions from other qualified contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. For the years ended December 31, 2022 and 2021, the Company matched employee contributions equal to 50% up to the first 4% of compensation deferred. The Plan suspended employer matching contributions during the period beginning March 30, 2020 until it was reinstated on October 4, 2021. There were Company matching contributions of \$288,437 and \$58,555 during the years ended December 31, 2022 and 2021, respectively. Additional profit-sharing contributions may be contributed at the discretion of the Company.
3. **Participant Accounts.** Each participant's account is credited with the participant's elective contribution and allocation of the Company's matching contribution, the Company’s profit-sharing contribution and Plan earnings (losses) are charged with an allocation of administrative expenses paid by the Plan. Allocations of the Company's matching contribution are based on the participant's compensation, participant’s contributions, account balances, or specific participant transactions, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1 - GENERAL DESCRIPTION OF THE PLAN (CONTINUED)

4. **Vesting.** Company contributions vest: 20% after two years of service, 50% after three years of service, 75% after four years of service and 100% after five years of service. Benefits attributable to each participant will become fully vested in the event of death, total and permanent disability, normal retirement, or the attainment of 100% vesting.
5. **Investment Options.** Participants may choose among various investment funds in which their contributions are to be invested. All of the Plan's investment options are participant directed.
6. **Notes Receivable from Participants.** Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The maximum number of notes outstanding at any one time is one. Note transactions are treated as a transfer from the investment fund to the notes receivable from participant's fund. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 8.5%, which is commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through monthly payroll deductions.
7. **Payments of Benefits.** Participants are eligible to receive a distribution of their account balance, to the extent vested, upon termination of employment, retirement, death, or disability. Benefits are payable as a lump sum amount equal to the participant's entire interest in the Plan, as installments or as partial withdrawals.
8. **Forfeited Accounts.** Participants forfeit the unvested portion of their accounts upon receipt of distribution of the vested account balance. For the year ended December 31, 2022, participants forfeited non-vested accounts totaling \$7,624. Amounts forfeited from a participant's accounts can be used to restore forfeitures, reduce or reallocate company contributions, or to pay reasonable Plan expenses. Forfeitures cannot be used as elective deferrals. Forfeiture of nonvested accounts occurs at the end of the Plan Year in which a participant receives a distribution of his or her accounts, or a deemed distribution if he or she was not vested; or if earlier, at the end of the Plan Year in which the participant has incurred five consecutive one-year breaks-in-service. For the years ended December 31, 2022 and 2021, forfeited non-vested accounts available to offset administrative expenses totaled \$28,856 and \$27,897, respectively.
9. **Plan Administration.** John Hancock Life Insurance Company serves as the custodian and recordkeeper. To the extent not paid by the employer, reasonable administrative expenses may be charged to the participant's accounts on a pro rata basis or per capita basis as determined by the Administrative Committee. Administrative expenses paid by the Plan totaled \$84,925 and \$92,151 for the years ended December 31, 2022 and 2021, respectively.

NOTE 1 - GENERAL DESCRIPTION OF THE PLAN (CONTINUED)

10. Plan Termination. The Company anticipates and believes that the Plan will continue without interruption but reserves the right to terminate the Plan at any time, subject to Plan provisions. Upon full or partial termination of the Plan, the interest of each participant in the trust fund will be distributed to such participant or his or her beneficiary at the time prescribed by the Plan terms.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets, contributions, investment activity, expenses and disclosures. Accordingly, actual results could differ from those estimates.

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments consists of both realized and unrealized gains and losses. Realized gains and losses are measured as the difference between the historical cost of investments sold or redeemed during the year and the proceeds received from their sale or redemption.

Payment of Benefits

Benefits are recorded when paid.

NOTE 4 - FEDERAL INCOME TAX STATUS

The Plan adopted the Volume Submitter Profit Sharing Plan with CODA, which obtained its latest determination letter in January 2017. In this letter, the Internal Revenue Service has determined and informed the Company that the Plan qualifies, in form, under Section 401(a) of the Internal Revenue Code (the “Code”), and the underlying trust is therefore exempt from federal income taxes under Section 501(a) of the Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for periods prior to 2019.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by John Hancock Retirement Plan Services. John Hancock is the custodian as defined by the Plan, and therefore these transactions qualify as exempt party-in-interest transactions.

NOTE 6 - FAIR VALUE MEASUREMENTS

The Plan’s investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values.

NOTE 6 - FAIR VALUE MEASUREMENTS (CONTINUED)

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Guidance included in ASC 820-10 “*Fair Value Measurements and Disclosures*” provides a framework for measuring fair value and establishes a fair value hierarchy that prioritizes the inputs used to measure fair value, giving the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs):

Level 1 – The fair value of investments is based on quoted net asset values of the shares held by the Plan at year-end.

Level 2 – Level 2 inputs are based on quoted prices for similar investments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at daily quoted market prices.

The following is a summary of the inputs used as of December 31, 2022 in valuing the Plan’s investments:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value Measurement</u>

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 – SUBSEQUENT EVENTS

Subsequent events have been evaluated by management through September 8, 2023, the date these financial statements were available to be issued. No material subsequent events have occurred since December 31, 2022 that required recognition or disclosure in the current period financial statements.
