INDEPENDENT AUDITORS' REPORT

September 19, 2023

Plan Administrator
Western Trailer Co.,
401(k) Profit Sharing Plan
Boise, Idaho

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed the audits of the financial statements of Western Trailer Co., 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Western Trailer Co., 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained the certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Western Trailer Co., 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Western Trailer Co., 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Western Trailer Co., 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Western Trailer Co., 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in

accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, line 4i-Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WESTERN TRAILER CO.,
401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

A. Description of Plan:

The following description of the Western Trailer Co. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. **General** - The Plan is a defined contribution Plan covering all full-time employees of Western Trailer Co. (the Company) who have one year of service and are age eighteen or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan utilizes an IRS approved volume submitter document and obtained their latest determination letter on June 30, 2020. The Company believes that the Plan has been maintained in accordance with the volume submitter document and that the related Trust is tax exempt as of December 31, 2022 and 2021. Therefore, no provision for income taxes has been included in the Plan's financial statements. On January 1, 2022 the Plan was amended and restated to bring the plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37
2. **Contributions** – Each year, participants may contribute a percentage of annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Employer adopted a Safe Harbor Profit Sharing Formula beginning in 2002. Under this formula, eligible Participants receive a contribution of 3% of eligible compensation. At their discretion, the Employer can make additional contributions to the Plan in the form of contributions that are matched to Employee contributions and non-elective profit-sharing contributions. Contributions are subject to certain IRS limitations.
3. **Participant Accounts** – Participants may elect to contribute to the Plan as a reduction of their wages. Each Participant's account is credited with an allocation of the Company's contributions and Plan earnings. Allocations are based on Participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. **Vesting** – Participants are immediately vested in their elective contribution accounts and in the Company Safe Harbor Profit Sharing Formula Accounts. Matching contributions and Company non-elective contribution accounts are subject to a graduated vesting schedule that is determined by continuous years of service. An Employee is vested 20 percent after two years of qualified service and 20 percent for the next four years. A Participant is 100 percent vested after six years of credited service. Employees are fully vested upon death, disability, attainment of normal retirement age or Plan termination.
5. **Payment of Benefits** – On termination of service due to death, disability, or retirement, a Participant or Beneficiary may elect to receive either a lump-sum amount equal to the value of the Participant's vested interest in their account, or installment payments. For termination of service due to other reasons, a Participant may receive the value of the vested interest in their account as a lump-sum distribution.
6. **Notes Receivable from Participants** - Participants may borrow from their fund accounts up to a maximum equal to 50% of their account balance. In 2011, the Plan was amended to exclude rollover funds from available funds to borrow against. The loans are secured by the balance in the participant's account and bear interest rates from 5.25% to 9.00%. Principal and interest are paid through payroll deductions.

A. Description of Plan (continued):

7. **Forfeited Non-vested Accounts** - When a participant terminates prior to fully vesting, the non-vested portion of the participant's account is used to reduce Employer contributions. At December 31, 2022 and 2021, there were forfeiture balances of \$1 and \$1, respectively.

B. Summary of Significant Accounting Policies:

The following are the significant accounting policies followed by the Plan:

1. **Basis of Accounting** – The financial statements of the Plan are prepared using the accrual method of accounting.
2. **Estimates** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
3. **Investment Valuation and Income Recognition** – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustees determine the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note H for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. **Payments of Benefits** – Benefits are recorded when paid.
5. **Notes Receivable from Participants** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.
6. **Subsequent Events** – Subsequent events were evaluated through September 19, 2023, which is the date the financial statements were available to be issued.
7. **Expenses** – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

C. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

D. Concentration of Credit Risk:

Financial instruments that potentially subject the Plan to concentrations of credit risk consist of cash and short-term investments and marketable securities. The amount of exposure to any one specific investment has been limited by investing in mutual funds that use a diverse investment portfolio to limit risk.

E. Reconciliation of Financial Statements to Form 5500:

The following is a reconciliation of net assets per the financial statements at December 31, 2022 and 2021 to Form 5500.

	<u>2022</u>	<u>2021</u>
Net Assets per the financial statements:		
Net Assets	\$ 21,711,225	\$ 25,836,080

Net Assets per Form 5500	\$ <u>21,731,646</u>	\$ <u>25,859,669</u>

The following is a reconciliation of the increase in net assets per the financial statements at December 31, 2022 and 2021 to Form 5500:

	<u>2022</u>	<u>2021</u>
Net Increase (Decrease) in Assets per the financial statements:		
Net Increase	\$ (4,124,855)	\$ 1,684,445
Revenue sharing passing through Plan used to pay Plan expenses, netted on financial statements	<u>(3,168)</u>	<u>13,436</u>
Net Increase (Decrease) in Assets per Form 5500	\$ <u>(4,128,023)</u>	\$ <u>1,697,881</u>

F. Information prepared and certified by trustee:

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Charles Schwab Trust Bank, the trustee as of and for the years ended December 31, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Investments	\$ 20,937,395	\$ 25,095,100
Net appreciation (depreciation) in fair value of investments	\$ (4,291,563)	\$ 2,408,773
Dividends	<u>121,324</u>	<u>286,978</u>
	\$ (4,170,239)	\$ 2,695,751

G. Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

H. Fair Value Measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Cash: The carrying value approximates fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust: Valued at the net asset value (NAV) based on the fair value of the assets underlying the funds. These investments are valued daily and have no redemption restrictions or future commitments.

H. Fair Value Measurements (continued):

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

Assets at Fair Value as of December 31, 2022

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Common collective trust*				18,963,960
Investments at fair value				<u>\$ 20,937,395</u>

Assets at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Common collective trust*				22,550,447
Investments at fair value				<u>\$ 25,095,100</u>

*In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statements of net assets available for benefits.

I. Fair Value of Investments in Entities that Use NAV Practical Expedient:

The following table summarizes investments measured at fair value based on NAV per share as of December 31:

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
December 31, 2022				
Common collective trust	\$ 18,963,960	n/a	Daily	n/a
December 31, 2021				
Common collective trust	\$ 22,550,447	n/a	Daily	n/a

J. Tax Status:

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

K. SECURE 2.0:

In December 2022, Securing a Strong Retirement Act (SECURE 2.0) was passed into law. The provisions of SECURE 2.0 continue the themes and reforms that began with the 2019 SECURE Act. Most of the provisions will become effective beginning in 2024. Therefore, there is no current impact to the Plan. Since the provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect.
